Making Gold

How to make Gold

There is currently 2 ways to make Gold efficiently in **Kinky Wizardry** :

1. **Bottle Throwing**

Go to the Tavern and talk to the Wealthy Drunk

He will explain to you how Bottle Throwing works.

All you need to do is talk to this stand, and complete the minigame.

2. Selling Loqua Fruits

To sell Loqua fruits, you'll need to complete the Bottle Throwing at least once, to have enough gold to **buy** a **Loqua seed** at **Bulma's store**

Once you have a seed, you need to **plant it** in the ground, **right to your house**.

Wait a few seconds, then you can **harvest the fruit**, and **sell it back** at Bulma's

You can **repeat** this as many time as you want, buying seeds for **25G** and selling the fruits for **75G**.
