

New Earth
Chapter 01 - Version 0.14
Walk-through

Story: In 2121, interstellar travel isn't a problem anymore. A group of students won a prize to travel to Kepler-452 star system. But right before they could change their route back home, they received a transmission that the Earth had just been destroyed by a worldwide cataclysm. They had to land on Kepler-452b planet, a habitable planet. As the leader, you'll have to help everyone start a new life and populate (**Pregnancy**) the **New Earth**. (Please notice that there are no tentacles, aliens, monsters... in the story.)

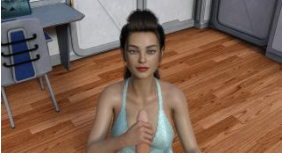

Possible Endings (depending on your choices):

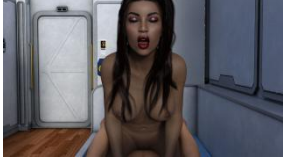

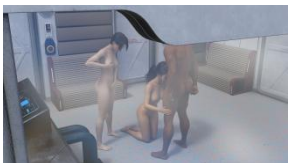

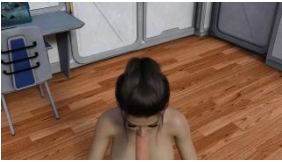

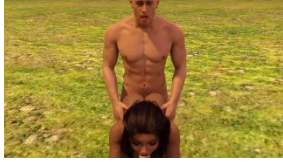

- ❖ **Tyranny (Harem):** You become a tyrant, have all women for yourself. The other men are your slaves.
- ❖ **Democracy (Sharing):** The society becomes a harmony democracy, where everyone has the chance to get laid.
- ❖ **Anarchy (NTR):** A guy not you becomes the new leader. Under his rule, the society becomes a disaster (especially for you).

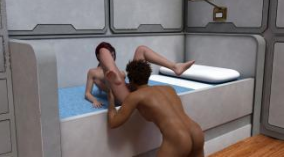

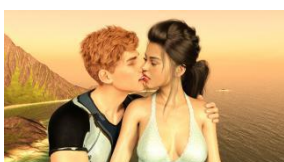

Routes Explanation:

- ❖ **Alpha Male:** You dominate the women. They all belong to you.
- ❖ **Girl on Girl:** The women belong to you, but they still have fun with each other.
- ❖ **Sharing:** The women belong to you, but they still have fun with other men under your permission.
- ❖ **Cuckolded:** The women belong to you, but they still have fun with other men behind your back.
- ❖ **Beta Male:** The women belong to Justin. He will humiliate you by having sex with them in front of you.

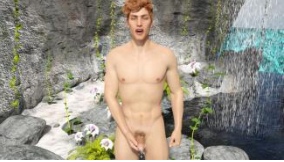

Questions	Tyranny (Harem)		Democracy (Sharing)		Anarchy (NTR)	
	Alpha Male	Girl on Girl	Sharing	Cuckolded	Beta Male	
	Everyone votes for you, except Justin & Bruno.		Everyone votes for you, except Justin.	Jack and Veronica vote for you, Priscilla doesn't vote, the rest vote for Justin.	Priscilla doesn't vote, the rest vote for Justin.	
	<p>There are some hidden routes with 2 scenarios:</p> <p>Scenario 1: You have 3 votes & Justin has 3 votes (Priscilla doesn't vote). Your vote will decide.</p> <p>Scenario 2: You have 3 votes & Justin has 4 votes (Priscilla votes). If you vote for yourself, it will be a tie. At this point, if EJ is your ally, she'll let you keep your position. If EJ isn't your ally, she'll choose Justin.</p> <p>Notice: If you didn't share Delilah with Bruno before, he would side with Justin and vote for him. If you didn't agree with Jack's theory and didn't tell him about the dreams, he would side with Justin and vote for him.</p>					
Should I get out for some fresh air?	(Choose whatever you want. This choice doesn't lead to anything different.)					
	Priscilla will give you some information depending on how you answer her.			You're not the captain anymore so EJ won't tell you to look for Priscilla as well as other tasks in the future.		
	For other hidden routes: If you're still the captain, EJ will tell you to look for Priscilla. But Priscilla will only give you some information if you're on good terms with her (she also voted for you before).					
Priscilla: Would you please check again if you still can connect EJ?	Okay.		(The scenes don't appear.)			
How should I answer her?	Promise her.					
But should I tell her that?	Tell her.					
Or should I pay Veronica a visit?	Pay her a visit.		Work out.	(The scene doesn't appear.)		
What should I do now?	Have sex with her! She'll stop thinking about negative issues.			(The scenes don't appear.)		
						
EJ: Do you want to see what's going on?	(The scenes don't appear.)				Let me see it!	
						
What should I do now?	Listen to her.		I think Priscilla doesn't know anything.	(The scene doesn't appear.)		
	(The scenes don't appear.)		Get out of the ship.	Get out of the ship.	Get out of the ship.	
						
			Have sex with her!	(Priscilla with Jack is actually an alternate of the Beta Male route, not the Cuckolded route.)	(Justin doesn't have sex with Priscilla because he wants to seduce and makes her fall for him.)	
						
			Don't sleep with the pillow.	(The scene doesn't appear.)		
	Look for her.					
	Join her.			Nope! We have to continue our mission!	(The scene doesn't appear.)	
	Caress her breasts.					
Veronica: You're jealous that Jack might see me naked like this?	Of course I am!	No, I'm not!				
Veronica: What if my beauty arouses them? What if they want to have sex with me?	(The scene doesn't appear.)	It'll only be okay if other women want to have sex with... us!	Only if you also want to! (If you choose 'Only if you also want to! But I don't want other women touch you!', you'll only share Veronica with men later.)	(The scene doesn't appear.)		
Should I have a look at what's going on?	(The scene doesn't appear.)				Have a look at it!	
	Have some fresh air outside.					
	Approach her.		(The scenes don't appear.)			
	Don't sleep with the pillow.					
	(The scene doesn't appear.)				Get close to see what they're doing.	
Should I check on her to see if nothing went wrong today?	Check on her.		(The scenes don't appear.)			
	Accept her invitation.					
	I'm not a jerk!	Let's see if she will do anything to have me as her ally!				
						

Questions	Tyranny (Harem)		Democracy (Sharing)		Anarchy (NTR)	
	Alpha Male	Girl on Girl	Sharing	Cuckolded	Beta Male	
	(The scene doesn't appear.)				I'm curious! 	
	(The scenes don't appear.)	I'll take her back to her quarters!  	Let's see if Veronica will do that or not! (Depends on who you decide to invite, the scenes will be different.) With Jack only:   With Bruno only:   With both Bruno and Jack:  	(The scenes don't appear.)		
					Go out to see it for myself! What if she was just... lying? 	
					Jerk off! 	
	(The scenes don't appear.)				'Obey him.' will lead to the humiliation scene of this route. If you don't like it, you'll have to choose 'Fuck his order!'. Lick her pussy...	
	Go out.					
	Approach her.		Ignore her.			
	Have a chat with her in the cabin.					
	If you want a romantic relationship with her, you'll have to choose 'No! I can't betray Veronica!'. But if you choose 'Have sex with her to... prevent EJ from suspecting us!', you'll take her virginity without a romantic relationship in the future.  		(The scenes don't appear.)			(The scenes don't appear.)

Questions	Tyranny (Harem)		Democracy (Sharing)		Anarchy (NTR)
	Alpha Male	Girl on Girl	Sharing	Cuckolded	Beta Male
	(The scenes don't appear.)				Approach the cabin. I'm too curious to deny! 
			Depending on who you shared Veronica with before, the scenes will be different. This is the true scene of this route: 	(The scenes don't appear.)	
					
	(The scenes don't appear.)		Choose 'Drive him away like a dog!' if you don't want to share with Justin, or choose 'Let him join my birthday party!' if you want to share with Justin.		
	(The scene doesn't appear.)		Depending on who you decide to allow to have sex with the women, the scenes will be different. These are just examples:		
					(The scenes don't appear.)
	(The scenes don't appear.)				(If you're not in the humiliation route, you'll go back to your quarters without a choice.) I'm too horny... I have to jerk off... (If you're not into humiliation anymore, you have to choose 'I have to leave!!!'.) 
EJ: If you think this is too early for pregnancy, I can arrange some pills in the meal today.	'No need to.' will lead to pregnancy. 'Tell her to use the pills.' will stop pregnancy.			(The scene doesn't appear.)	(You can't stop pregnancy in this route.)
I wonder if I should get out for some fresh air tonight?	Get out. (Please notice that if you want to know some information, you must be on good terms with Priscilla. So if you play in the Anarchy route, you'll also need to have a save in the Tyranny route to have those information.)				
Veronica: Do you want to meet me outside?	(The scenes don't appear.)			(This is the last chance for you to stop Veronica from cheating on you. You have to choose 'Meet her outside.', and you'll have a chance to have sex with her in the cabin as well as easing the tension between you and her. But if you choose 'Don't meet her outside.', she'll cheat on you with Justin.) 	(The scenes don't appear.)
Should I ask EJ to check on her?				Ask EJ. 	
	(The scene doesn't appear.)				(The game will end here if you commit suicide.)
