

Episode 1 - Rough day?

- The game starts in Danny's room. The bed is used to go to sleep at night. The PC in the room can be interacted with, it stores pictures that are obtained during the game and cheat codes can be entered. Scene Replays are available from the main menu
- At the top right of the screen are icons for accessing the Quest Log, Inventory, and Map of the city. The last one is locked for now
- At the top left of the screen is an icon of Danny, location, day of the week, and the amount of money owned. Clicking on Danny's icon opens the stats screen and skill point allocation. Hovering the cursor over them tells what they are

Phantom Prologue

- Click on the door to exit Danny's room
- Click on the stairs to go the lower floor
- Click on the door to enter the kitchen
- The Map is now available. The door on the left leads to the Lab, the door on the right leads to the laundry room, which has two entryways. The top leads to the roof, while the bottom one goes to the garage
