

Art with Carla V.1 Walkthrough

I put only what has given me the best result from the interactions with Carla. About the paintings, I suggest you use the browser to look at the dates, the authors and the names of the paintings that you do not know. I also suggest dedicating the days that there is no class with Carla to doing weights to score "love level" points. Let's get to it.

Tuesday, 3rd.
It's okay, don't burden me anymore
In practice it is not so easy
Yes, I organized the notes and the exercises before you arrived.
Yes, but it's not easy, I'm young and I also want to enjoy life.
Can you tell me something about yourself?
I don't have much motivation right now...
It's complicated...
You get 3 "friend level" points for the conversation between the two.
It's still early, does it give us time to study something today?
Carla asks you several questions about different paintings, if you do it right you end up on Tuesday with 13 pts of "friend level" and Carla gives you her mobile number (I insist that you use the browser to search for the information).
Wednesday 4.
Weights, push-ups and sit-ups.
Thursday 5th.
Before the class starts with Carla gives you 3 options: pass notes to clean, clean the room, take a shower and get ready, I think at this moment it doesn't matter which one you choose, although I usually choose the shower.
Class with Carla, if you do it right (use the browser to search for the information) you finish the class with 15 pts of "friend level"
Friday 6th to Monday 9th.
Weights, push-ups and sit-ups.
Tuesday the 10th.
Take a shower and get fixed (it's the only time I've seen a significant result).
Class with Carla (if you do everything as I said, you will finish on Tuesday with 20 sts of "friend level" and 15 of "love level").
Wednesday 11th.
Weights, push-ups and sit-ups.
Thursday the 12th.
