# 8<sup>TH</sup> FLOOR

*"Men only  
They serve to be onaholes."*

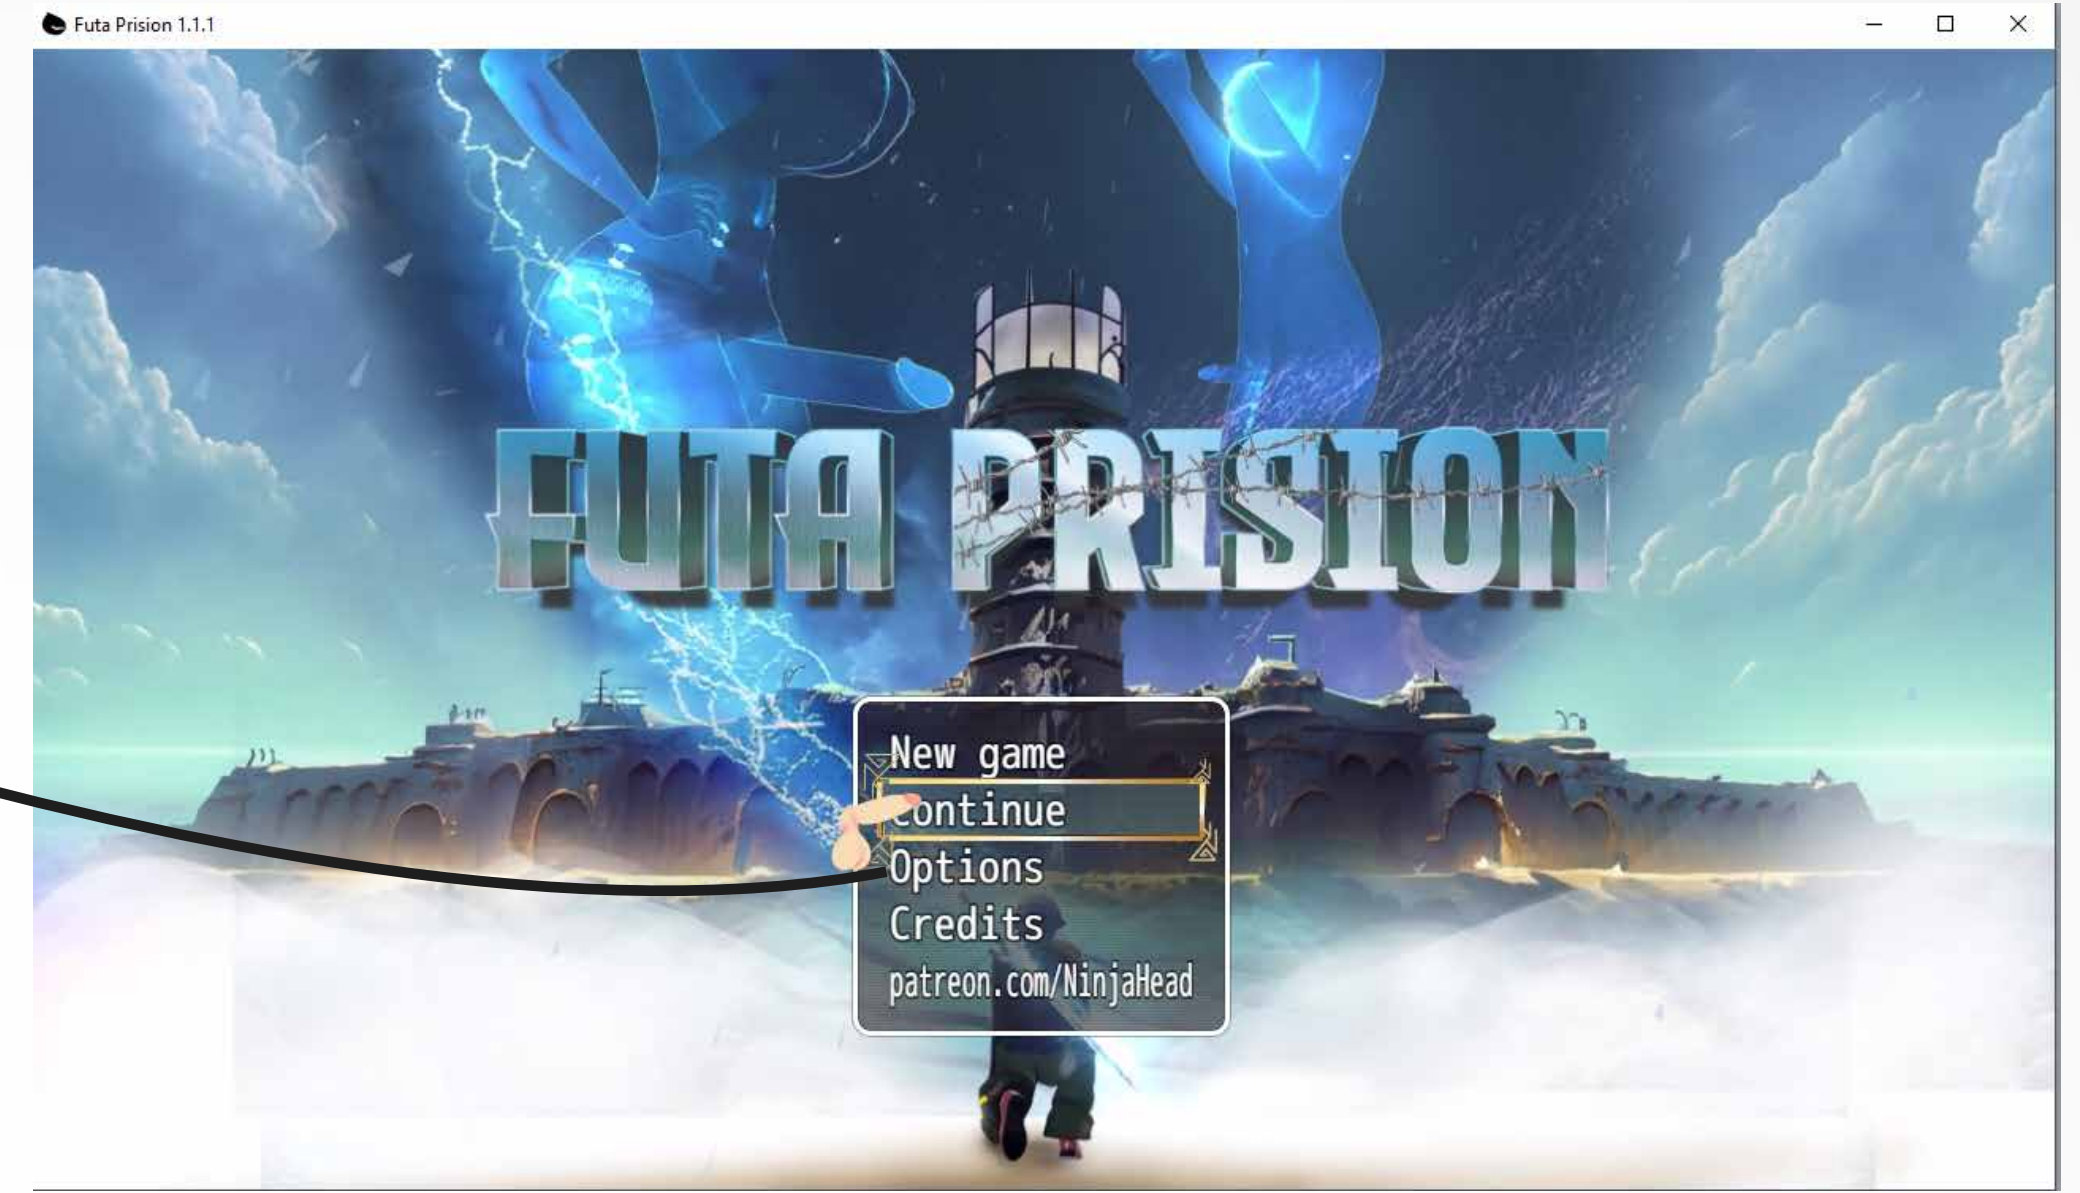

# SADISTIC VALERIA

THE SADIST

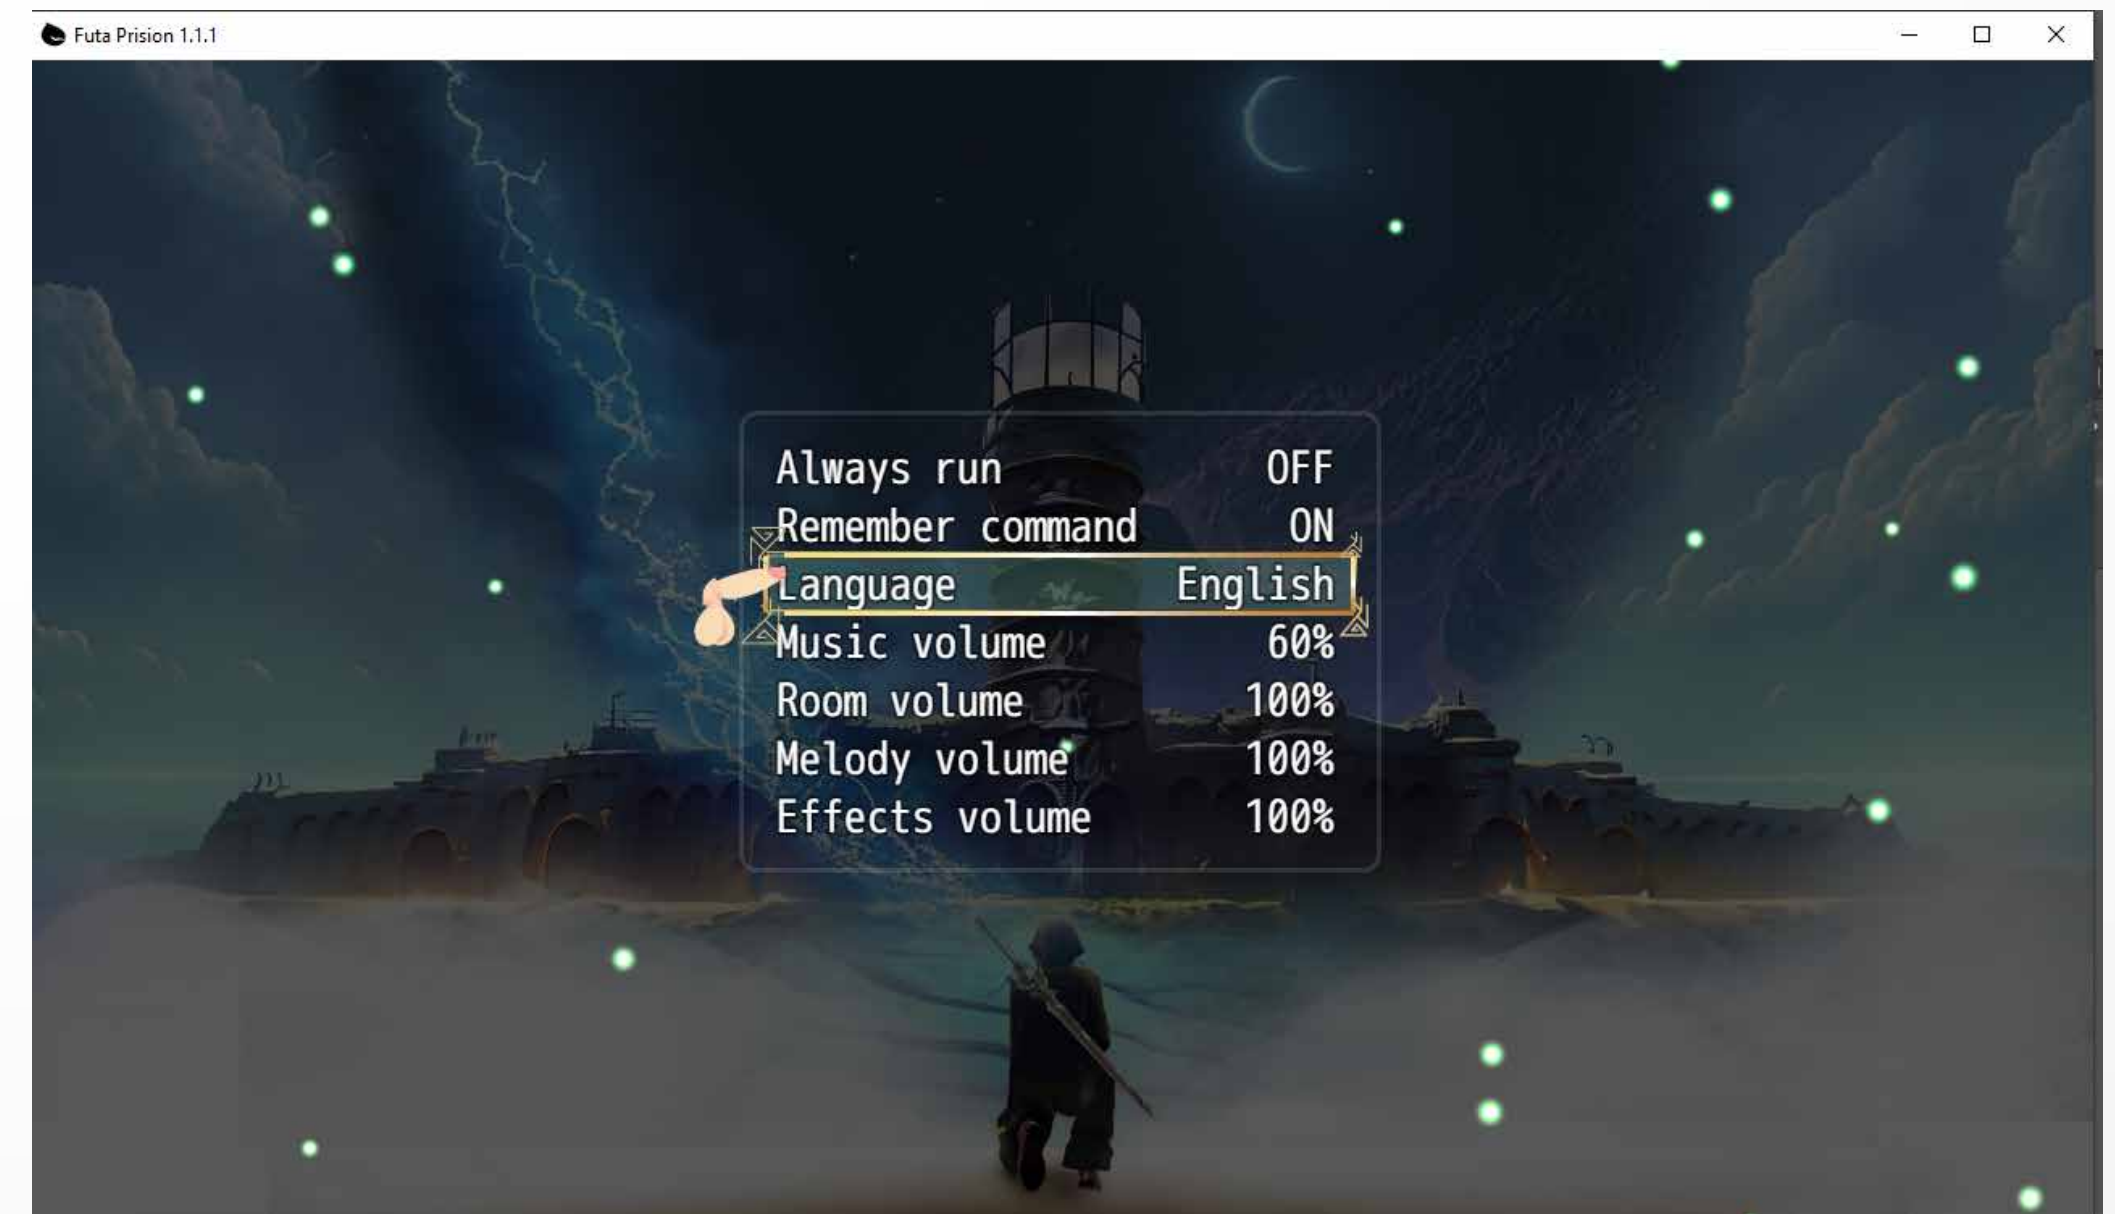

You can choose the language in options and you can change it from English to Spanish.

Once you have chosen your language, click on new game.

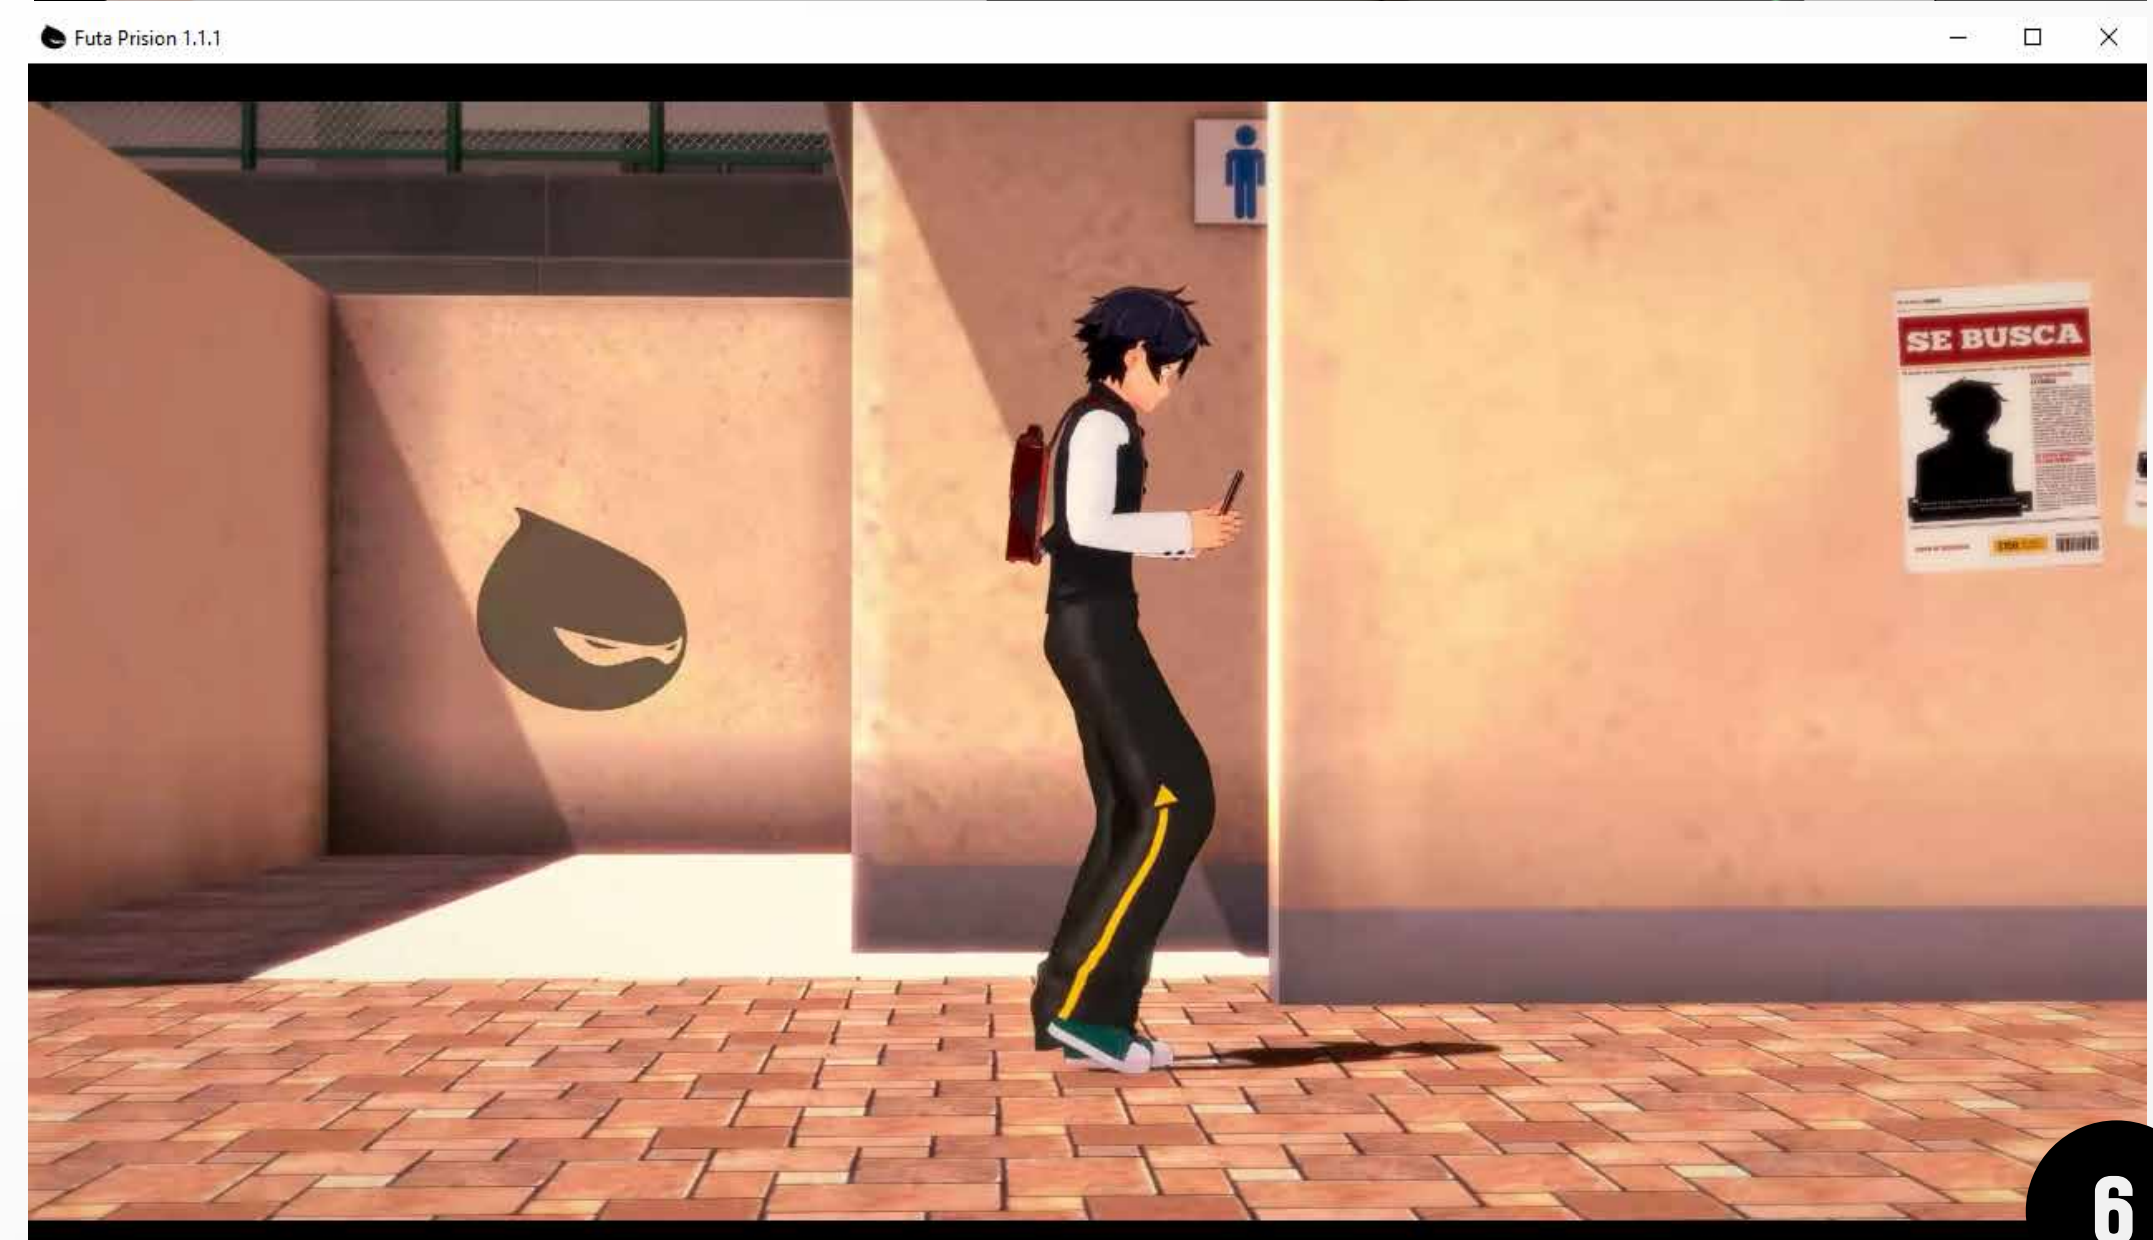

# PROLOGUE

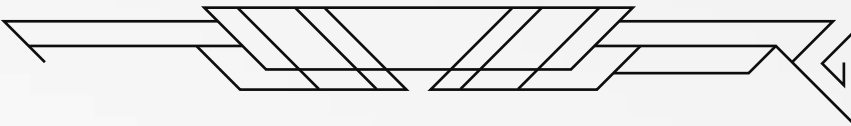

If you are new, start from the 8th floor,  
If you already played 8, you can start from 7.

This is temporary as the game updates  
constantly; when the game is completed,  
this option will disappear

If it freezes at the intro, don't worry, it's the  
graphics engine that does not support videos; very rarely occurs

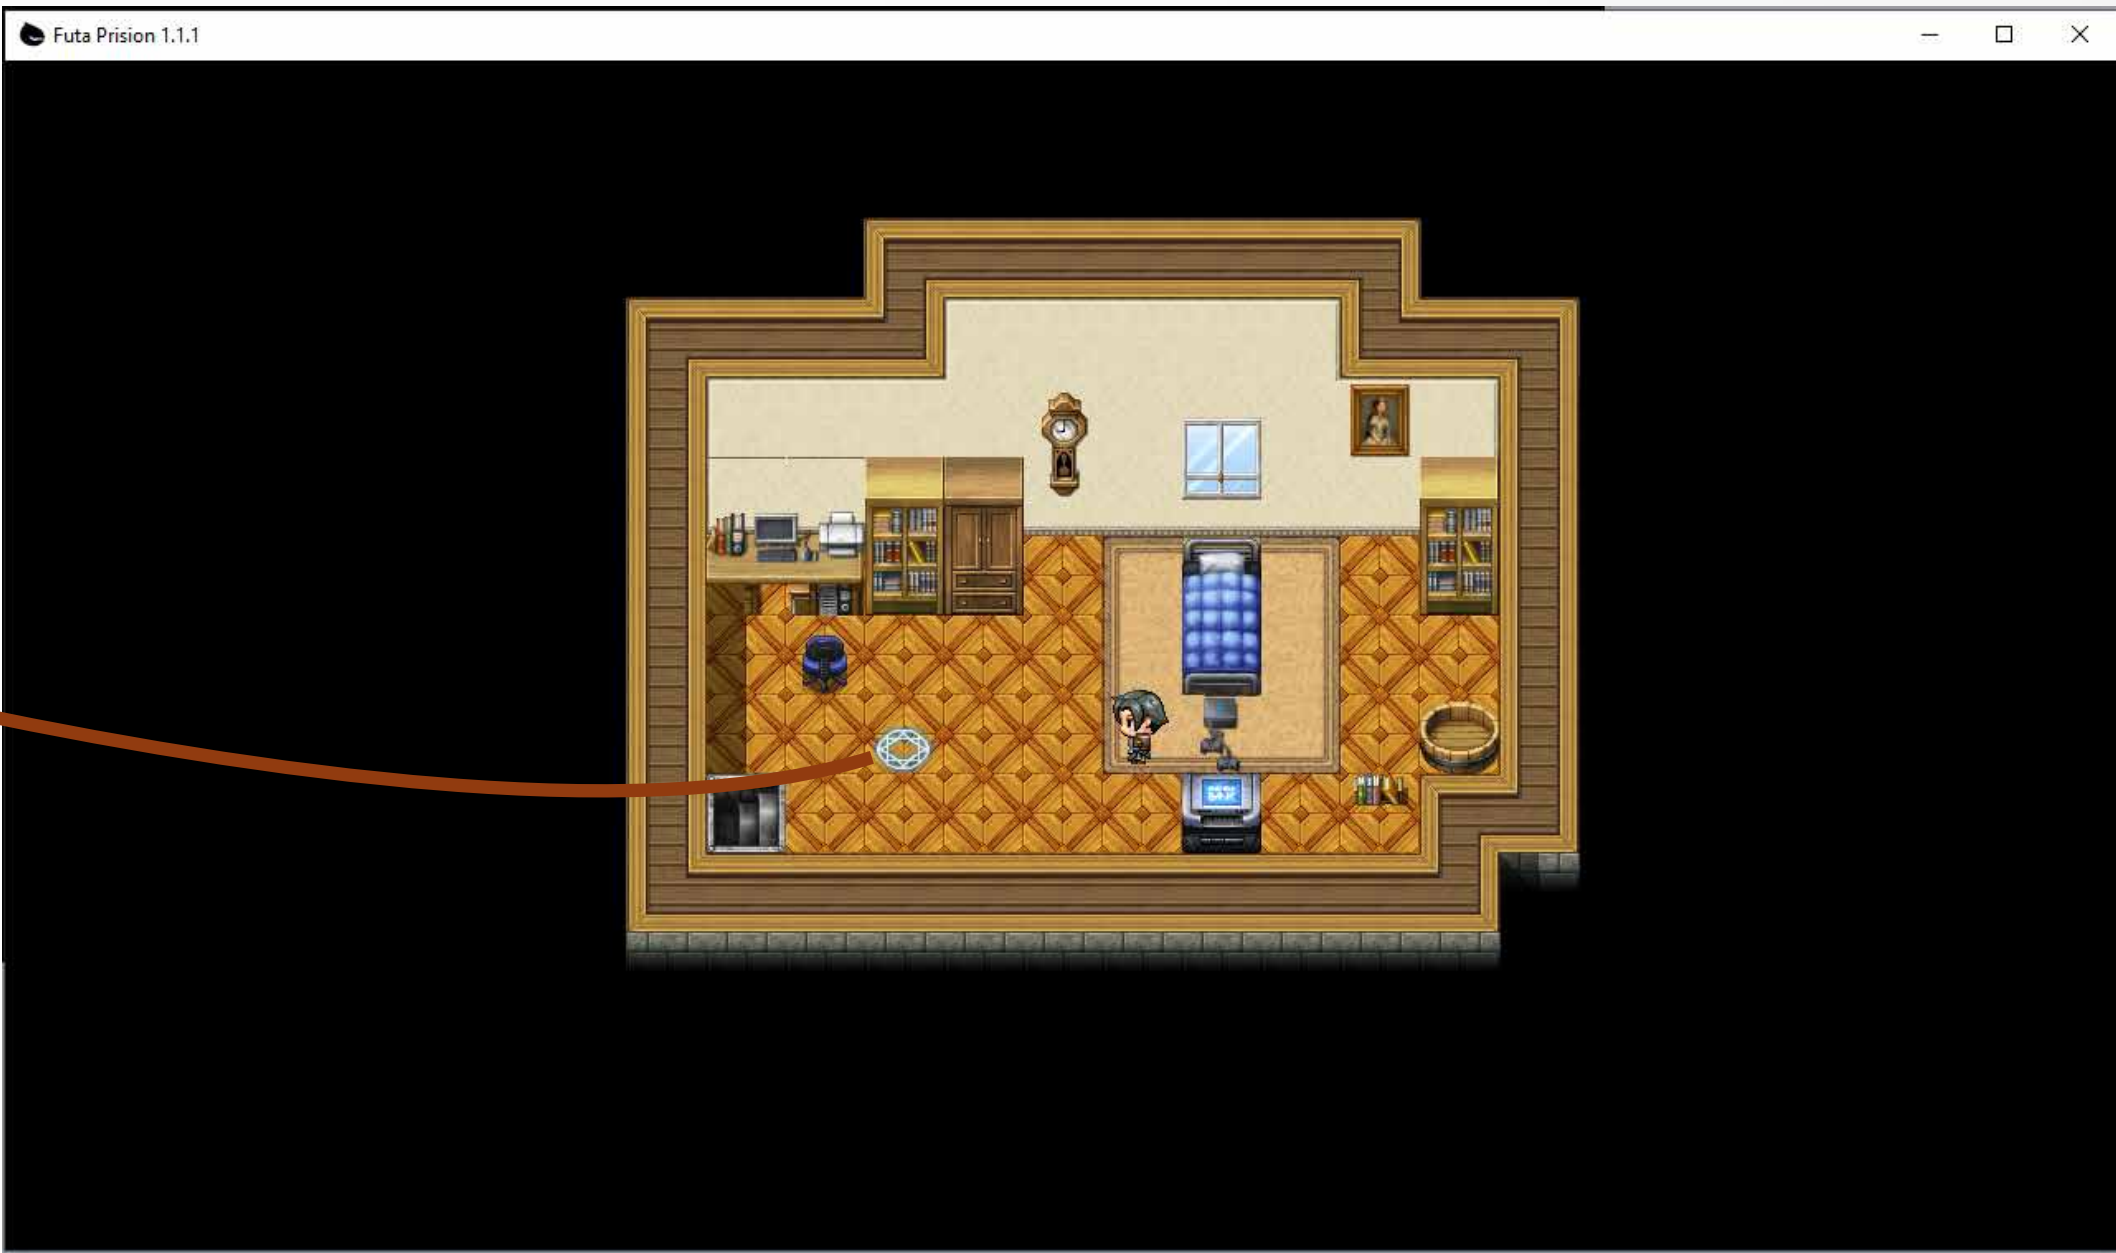

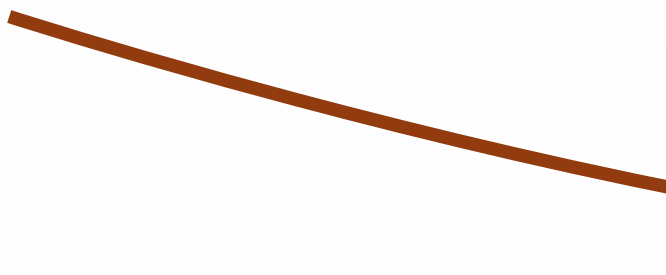

Press F5 and start again.

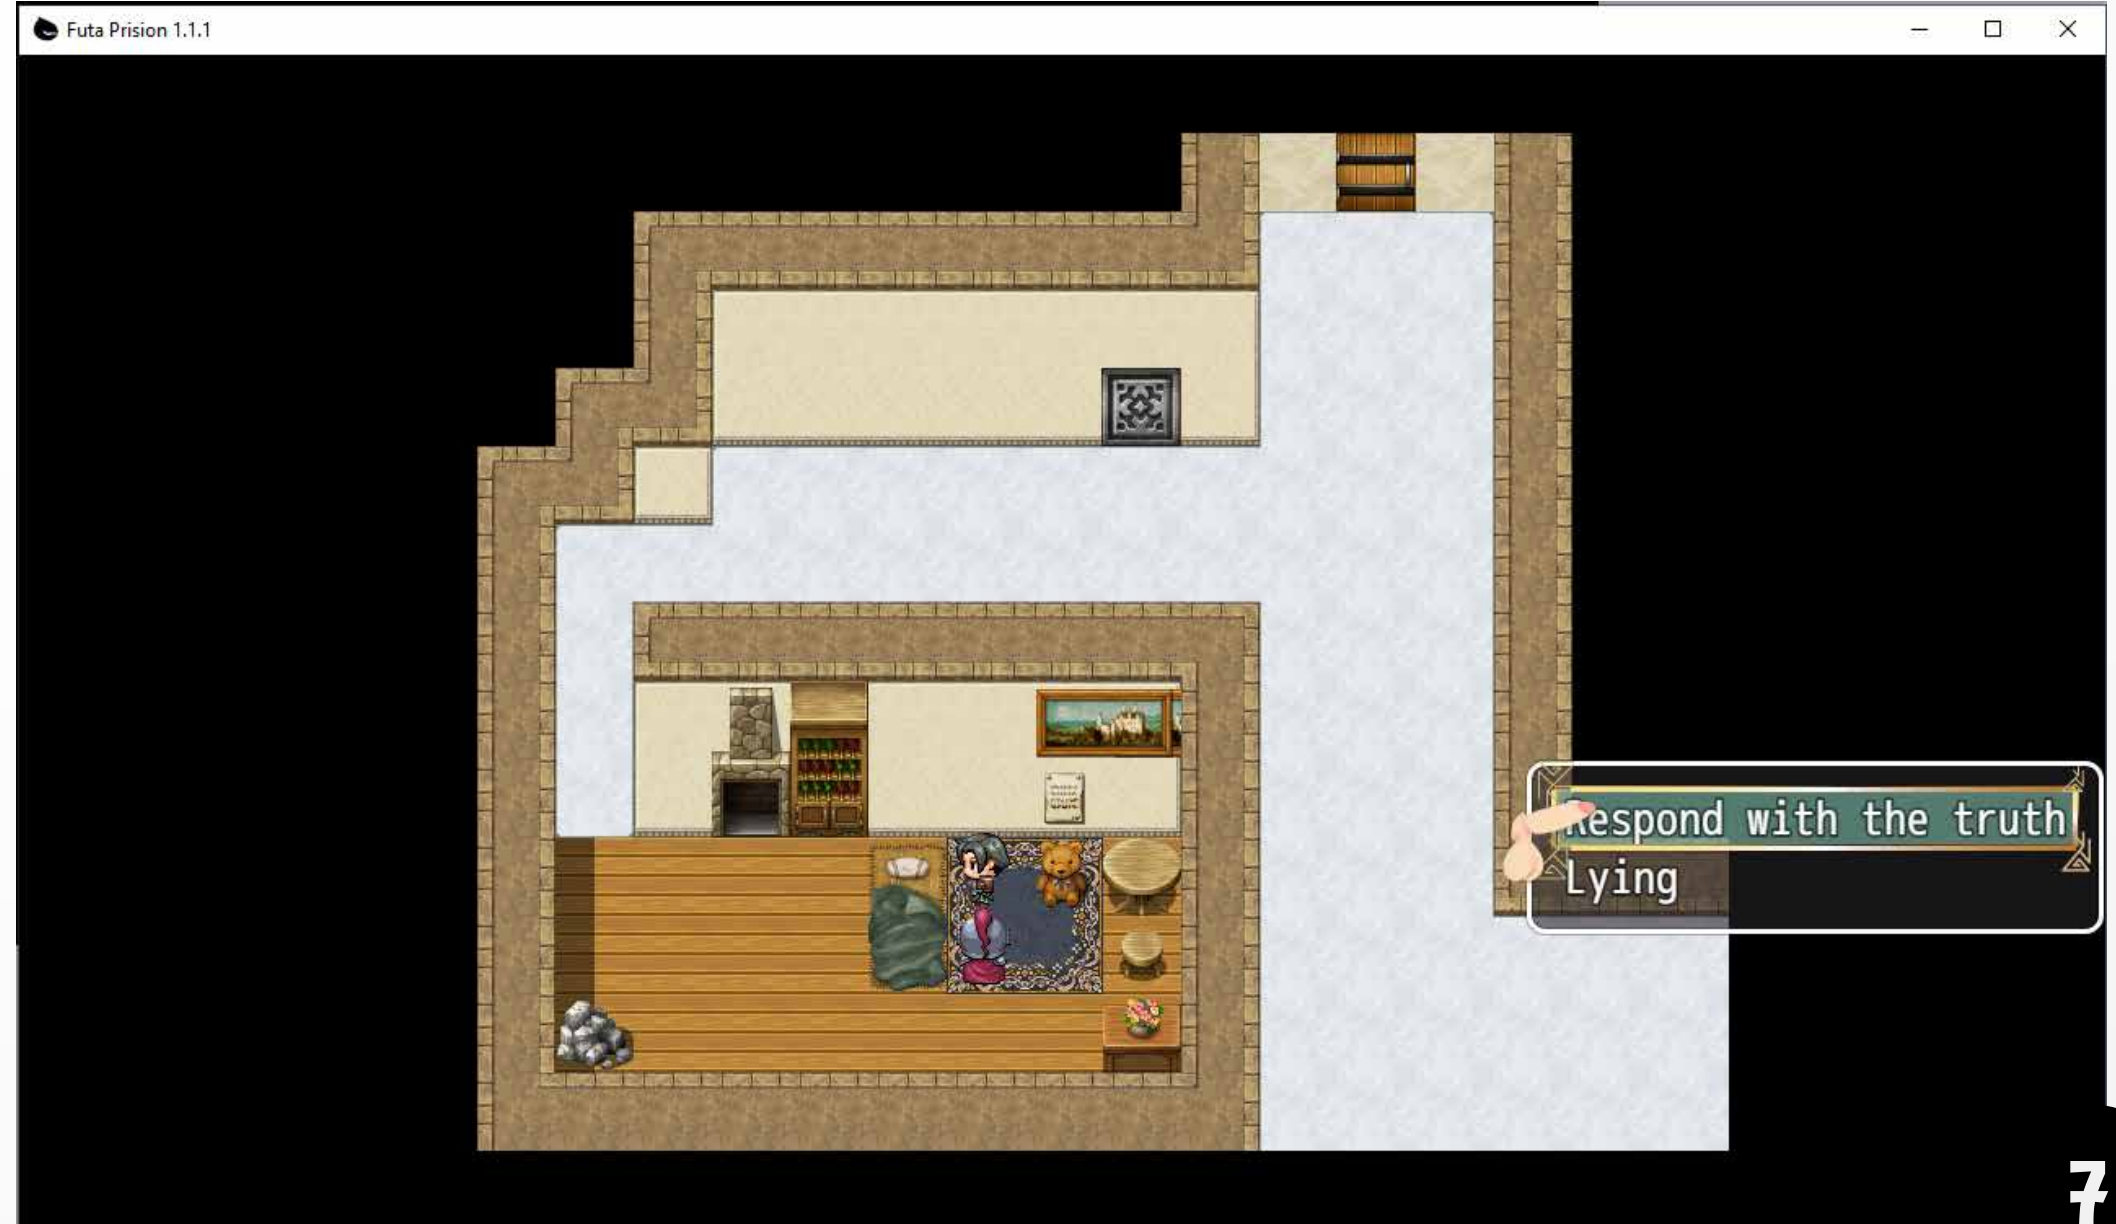

# PROLOGUE

Enter the portal to begin your adventure

Either option is valid. This is has implemented so that later there will be a system of ethics and morals. Depending on this, an ending will be obtained. (But this is for the future)

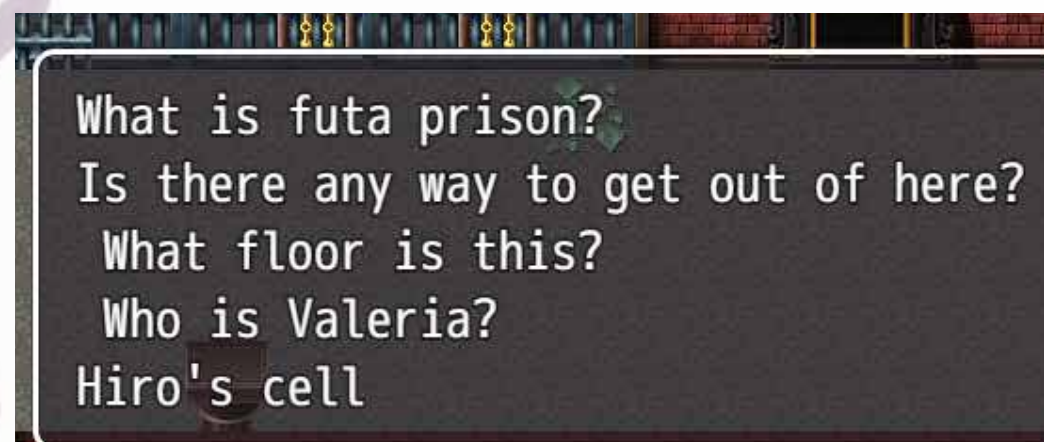

# CELL ESCAPE

Once you finish watching the tutorial, you can now start your adventure

Talk to the prisoner on your side.  
***If it doesn't work with the keyboard, try the mouse.***  
***The bug is supposed to be fixed already.***

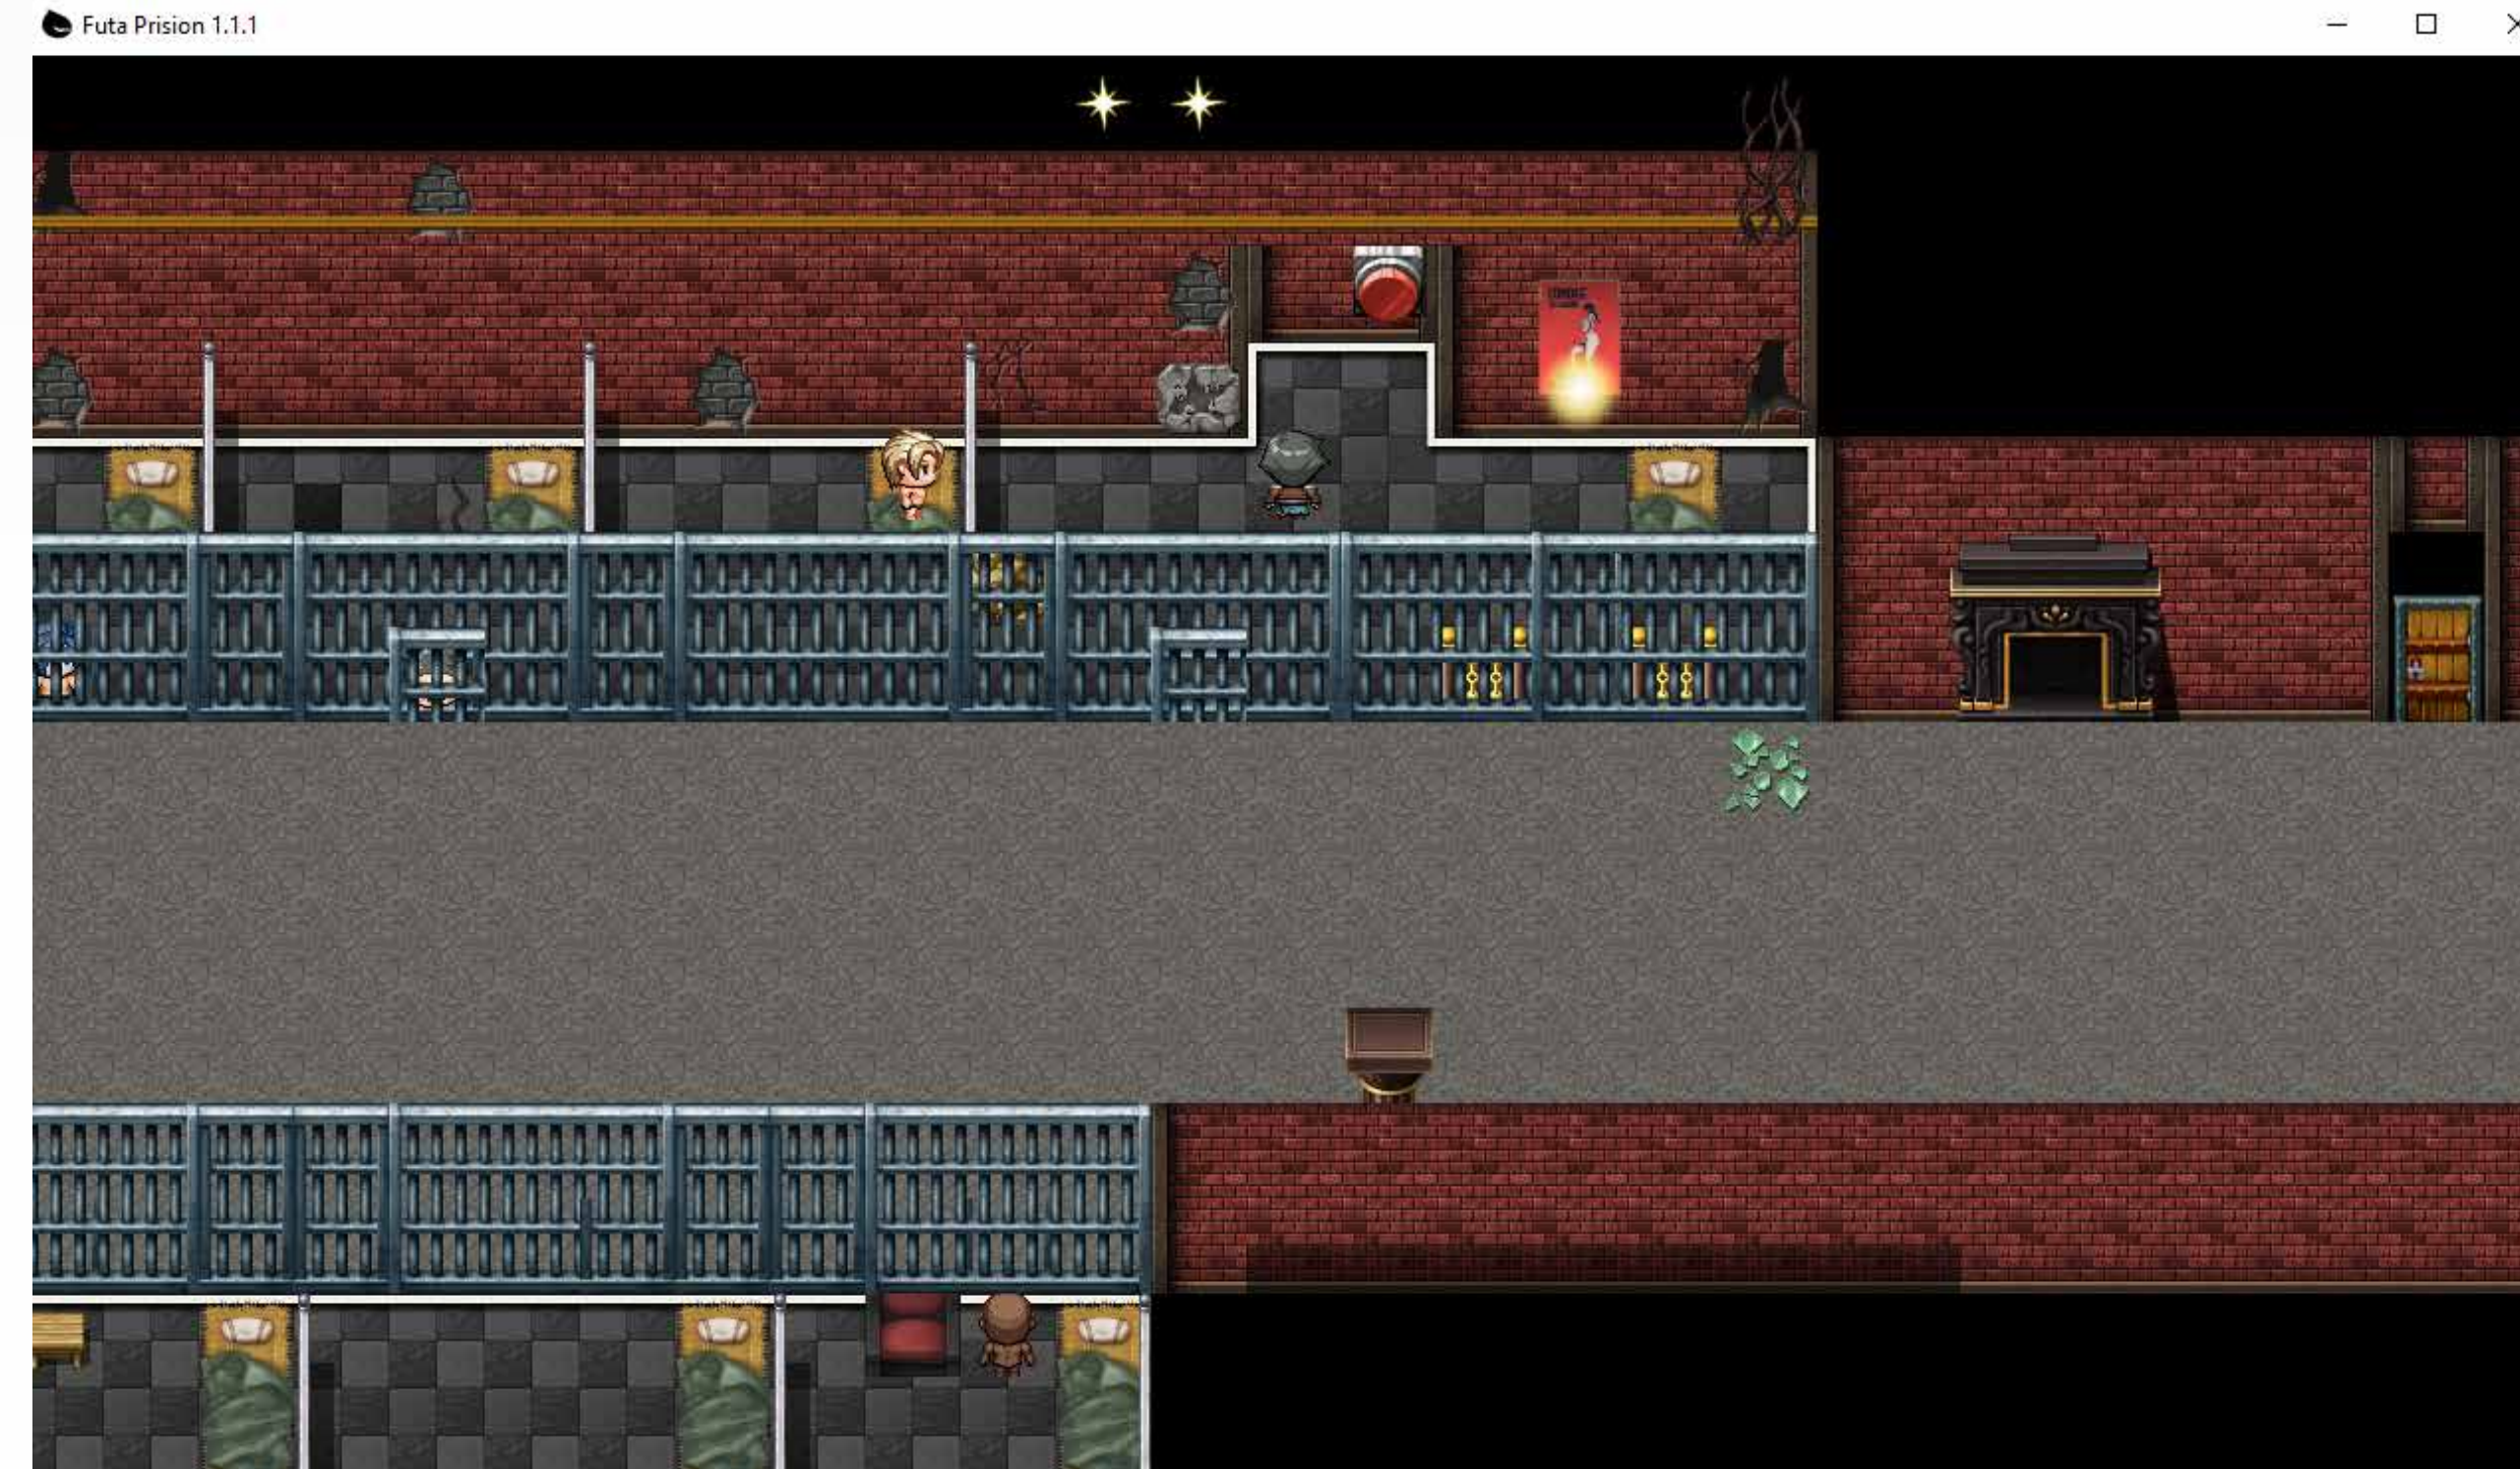

Talk to the prisoner until you Hiro's fifth cell option appears.

He will give you a mission, search the bed of your cell

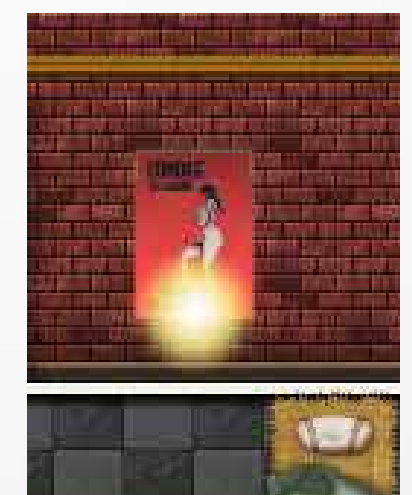

After taking the scroll, talk to the prisoner again.

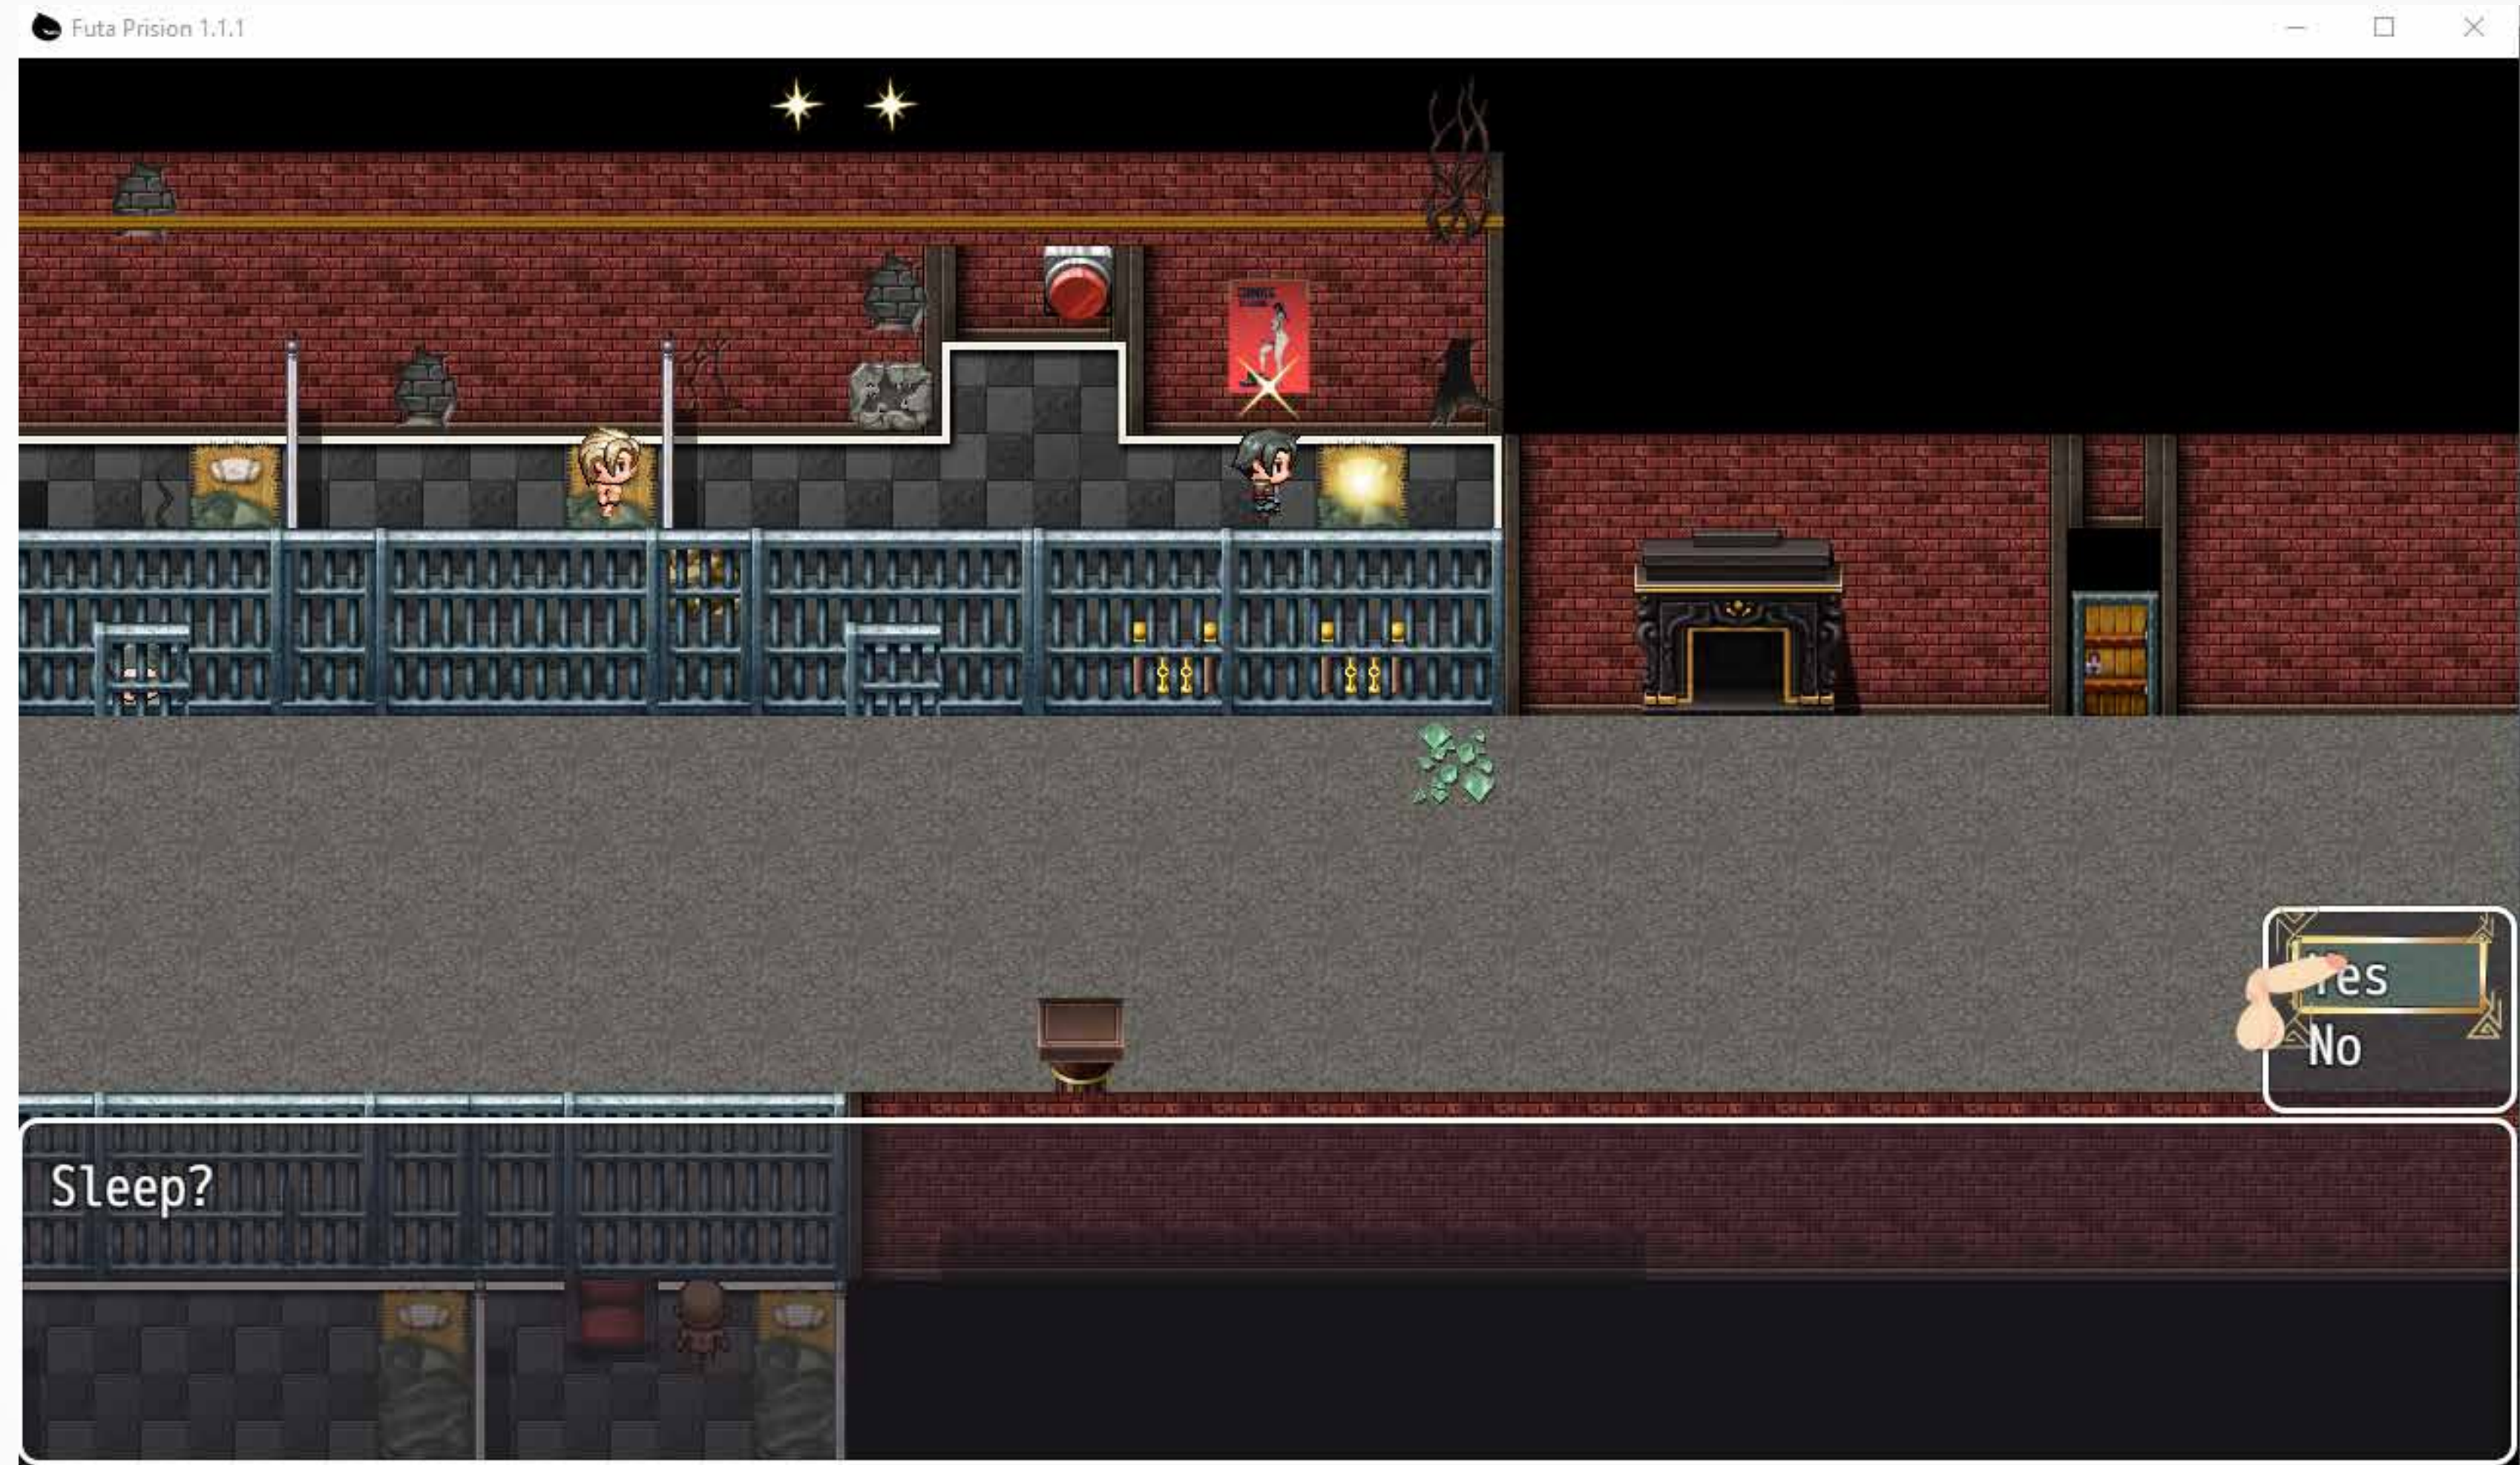

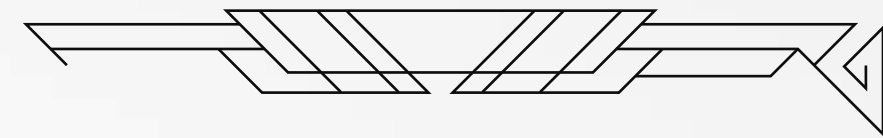

This red button is used to stop all music effects. Sometimes, I don't know why, there is a bug where the music it doesn't stop; With that button, you can stop it.

You can see the tutorial on the poster.

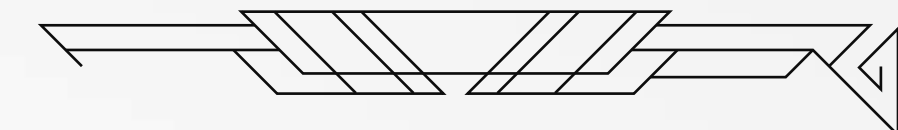

Ready! Now you just have to go to your bed. you activate it just by approaching her and moving back 1 frame.

Choose the night option

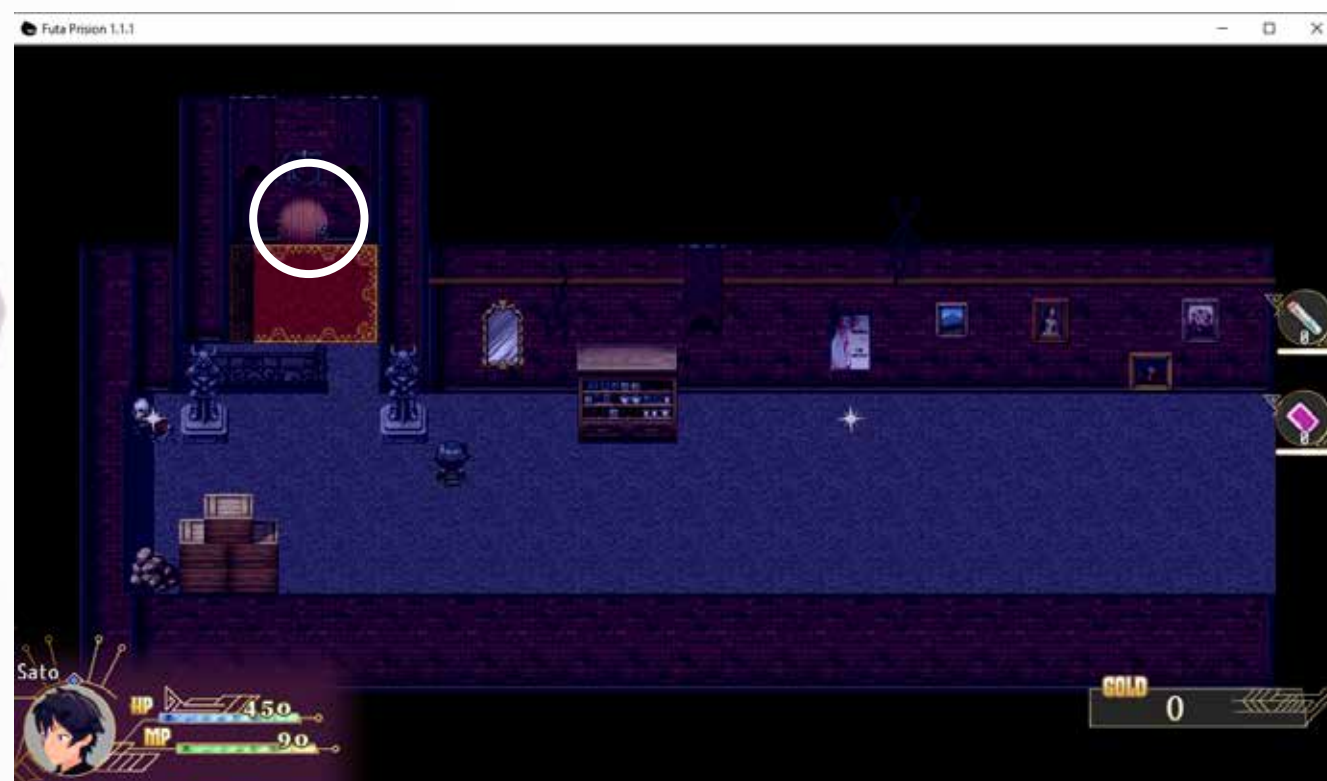

# VALERIA'S ROOM

At this point, you can exit through that blue circle.

You can go left or right.

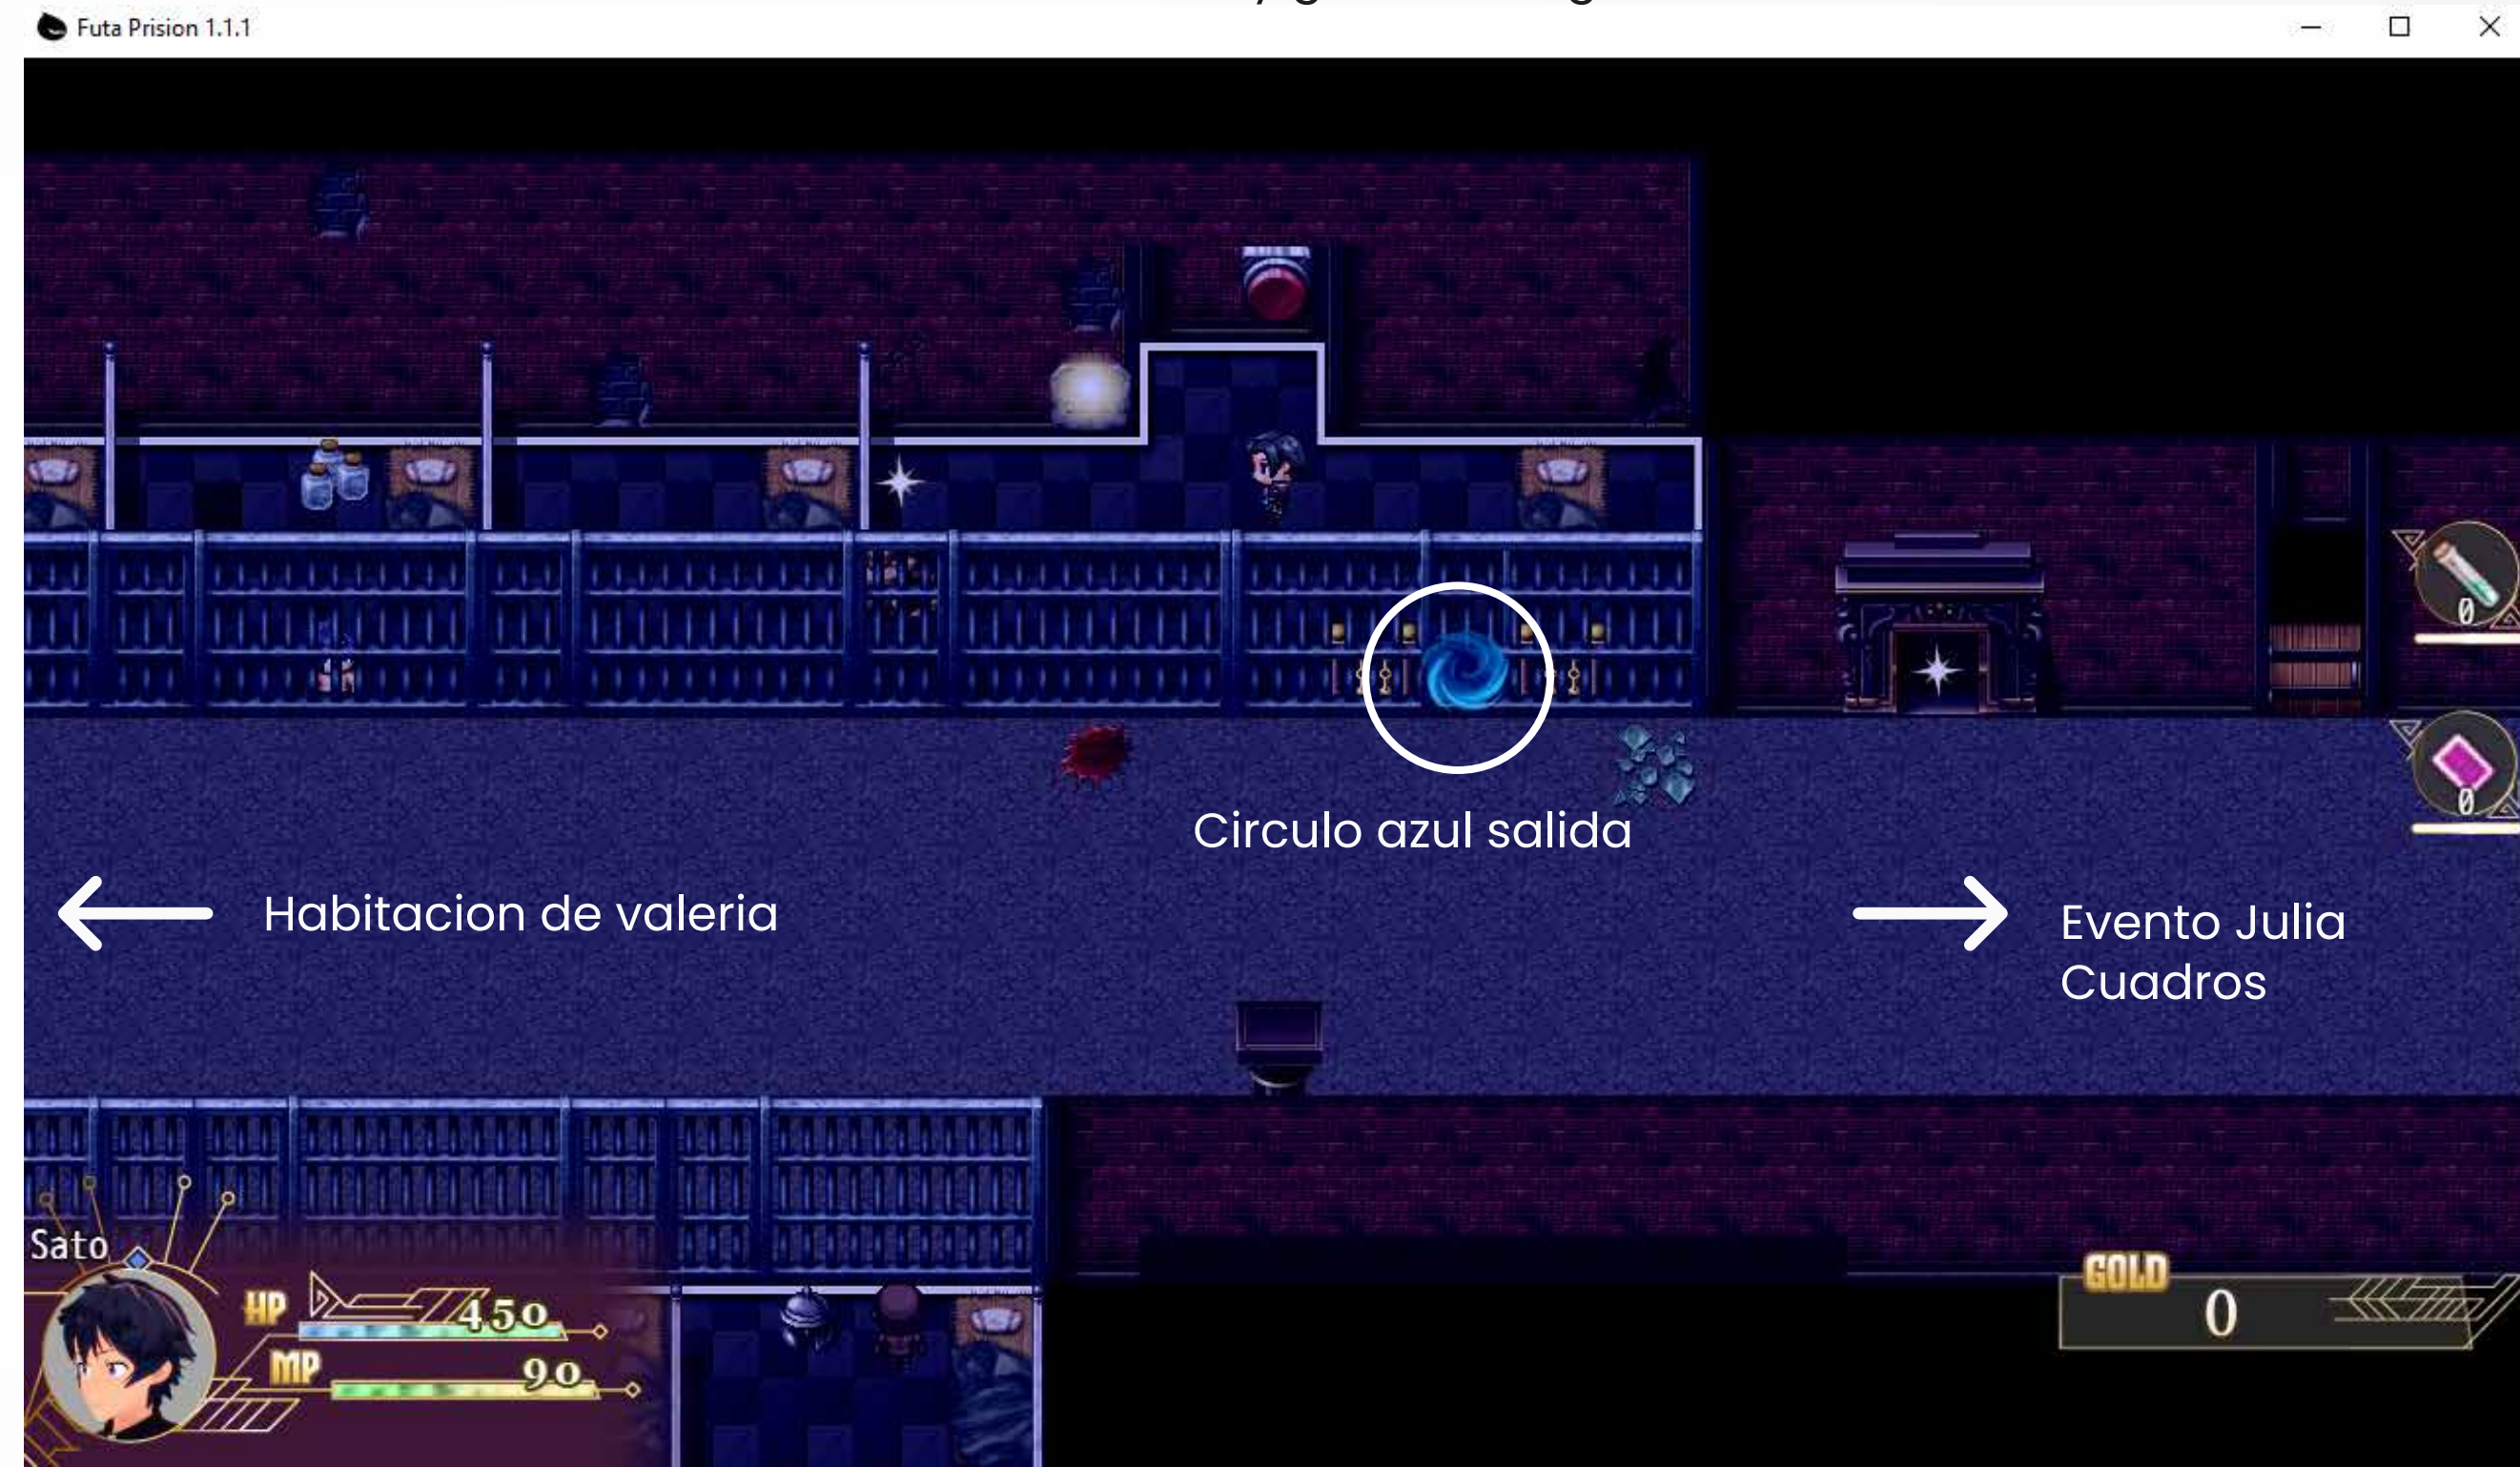

(Let's start with the left.)

If you go left, you will find the room.  
from Valeria, she will be raping her new onahole

To unlock the scene just interact with the door.

Sato can only go out at night

Life and MP: For now they will not be useful but they will be useful on the 7th floor

your gold  
You can use it  
for roulette.  
(later You will  
find it)

FIRST NIGHT

# JULIA

Before going to the right, you I recommend saving.

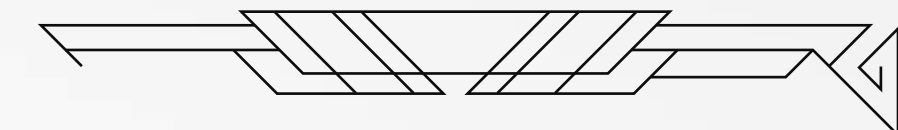

You will meet Julia, if you agree to give your ass She will fuck you, you will recover and you can continue,

**If you refuse**, she will take you to Valeria.

**Valeria** will give you 2 options. If you attack her, she will only hit you. With her cock you will also unlock 1 point for. the **permanent onahole**. (explanation on page 15) You will appear in your cell and can continue with your adventure.

If you **cheat on her**, she will fuck you and end the game.

# FIRST NIGHT

- **Maker** will give you the mission:  
Find the metal bar(This is located in the  
Hiro's secret passage)

- **Bambo** will give you a piece  
free for magic squares.

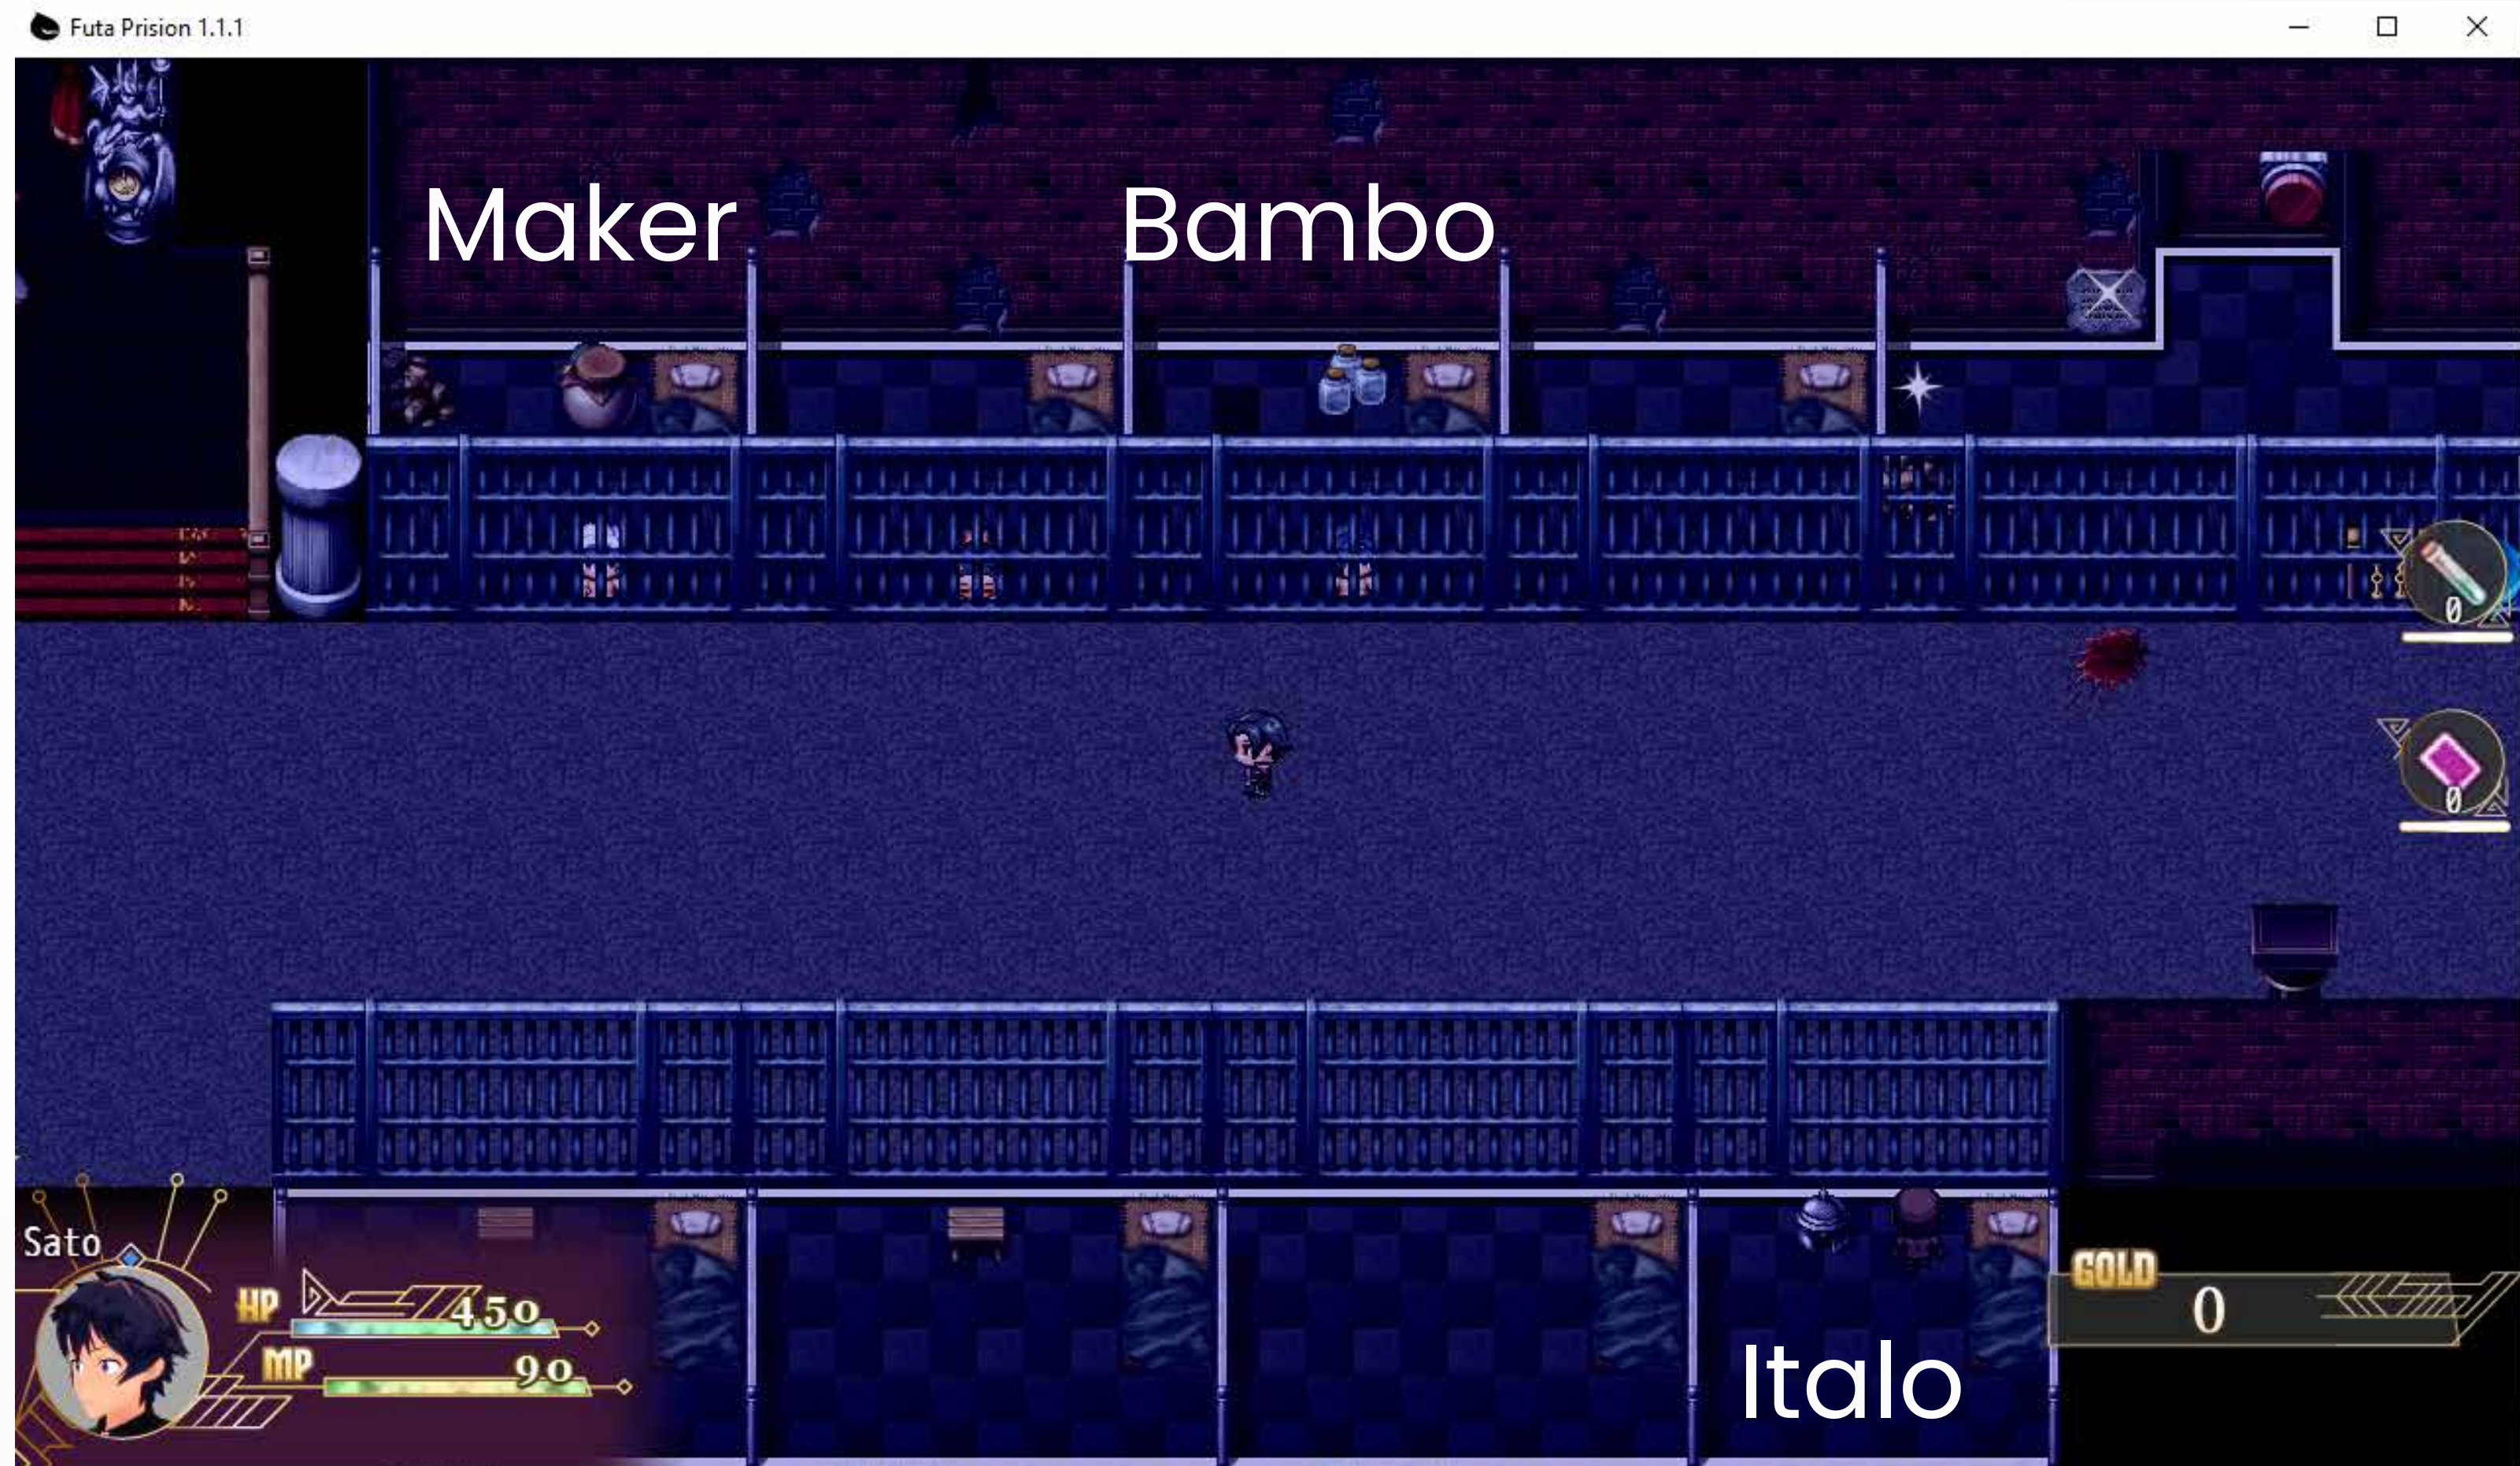

- **Italo**: Will give you 2 missions.

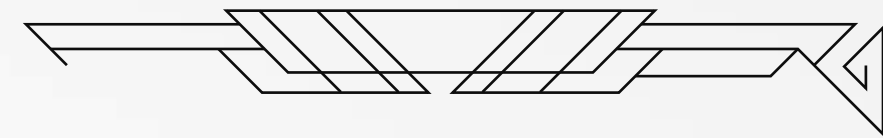

**Find the Metal** for  
the key copy. (It's found  
in the roulette room)

**Search the plans**  
for key copy  
(when you hand him the bar of  
metal bambo will give you the plans)

On page 16 the  
location of the  
objects

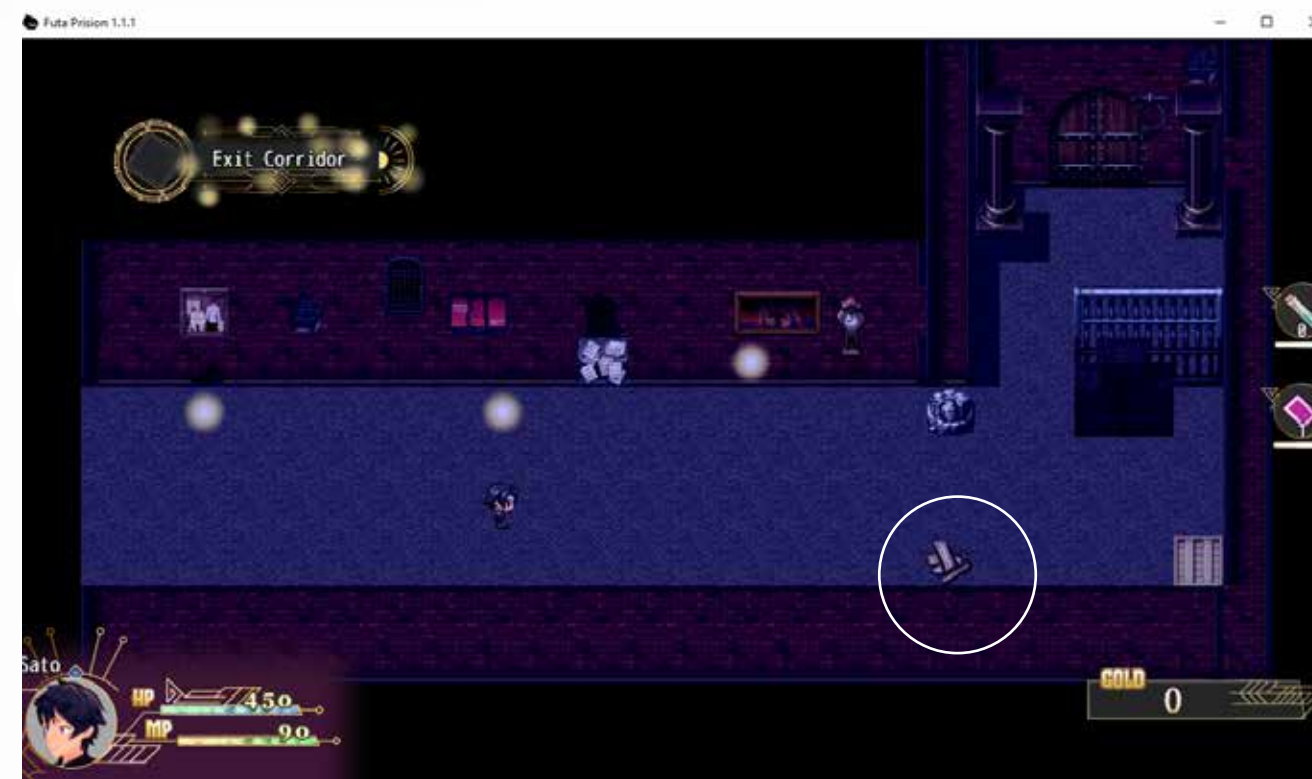

# PRISONERS

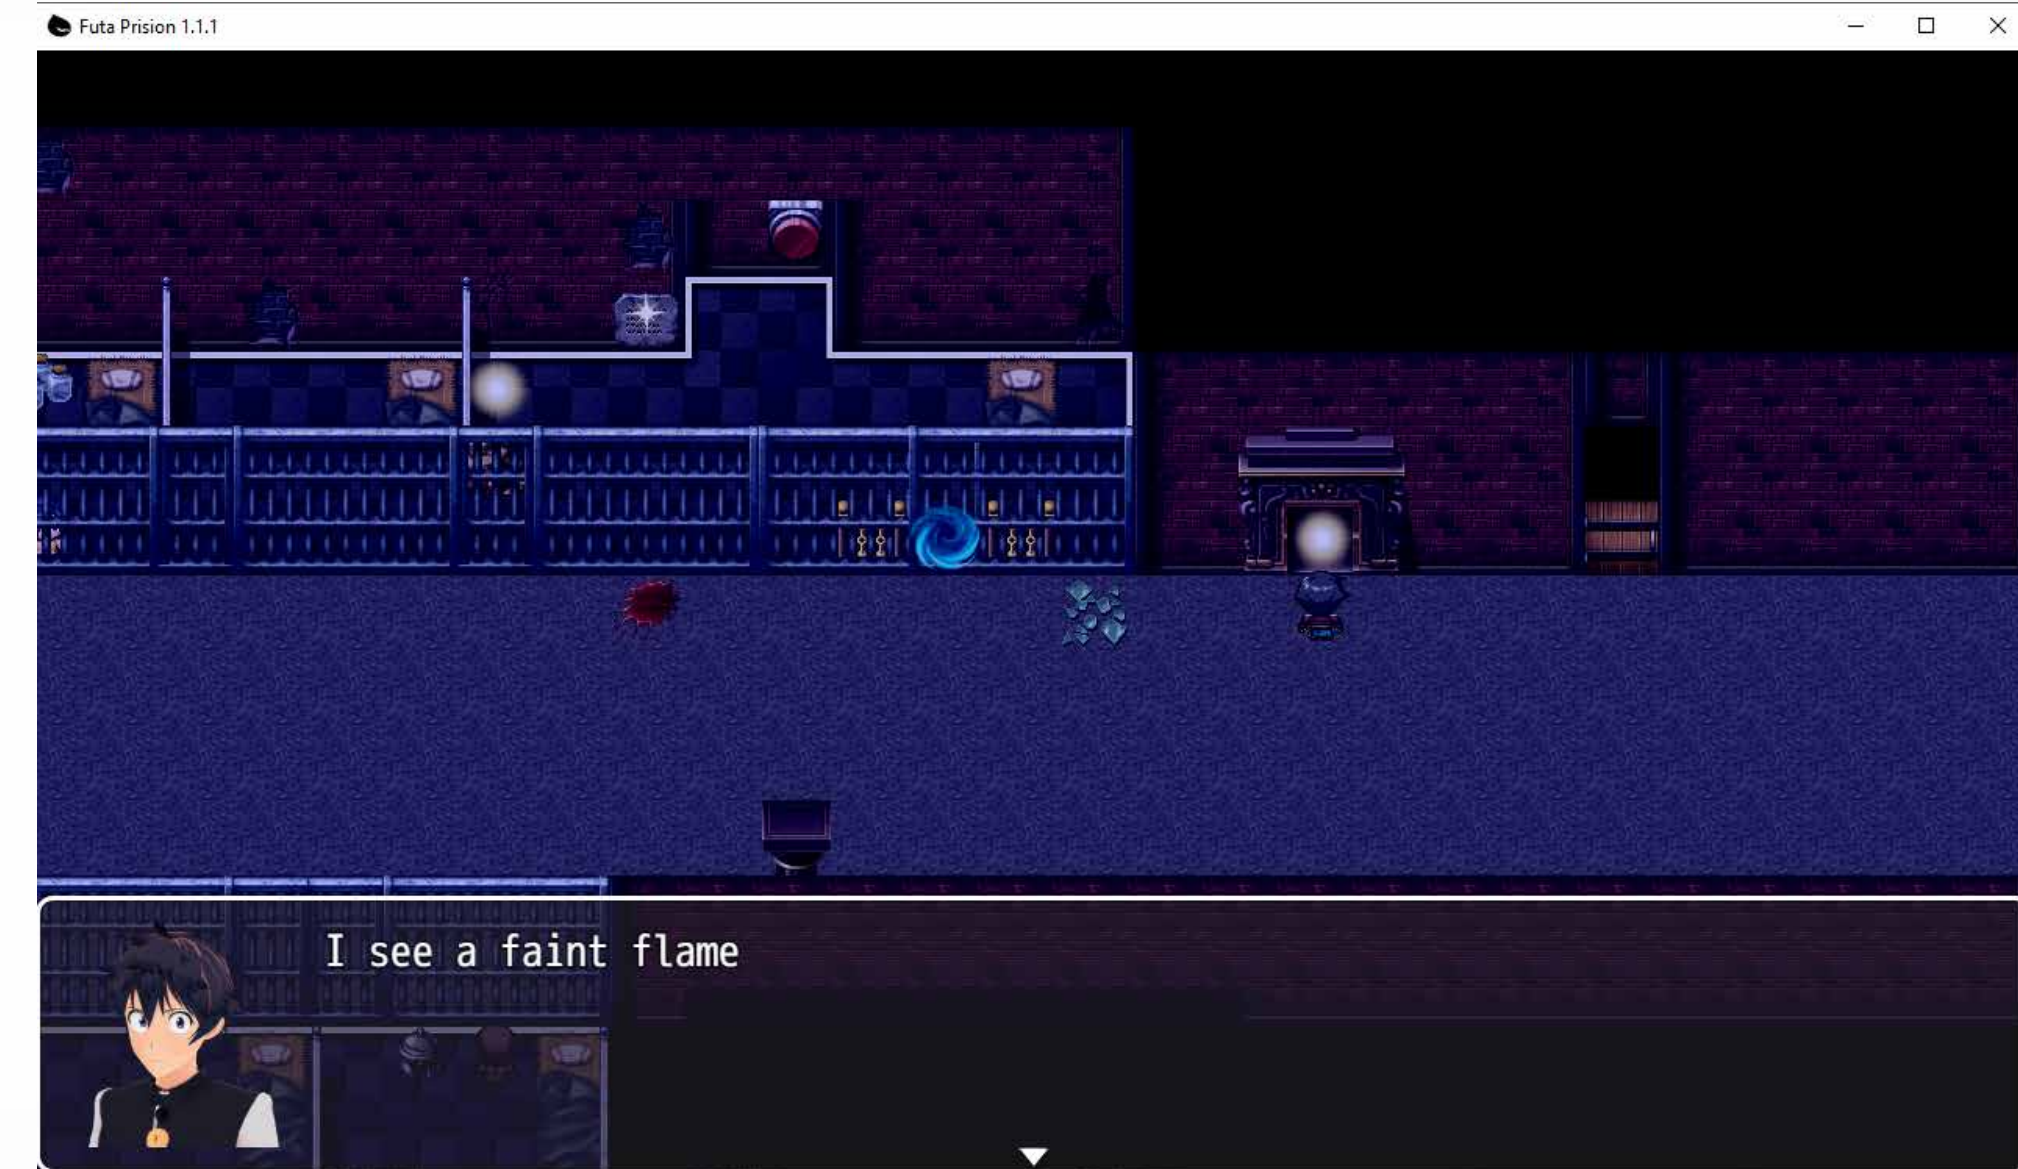

# FIRST NIGHT

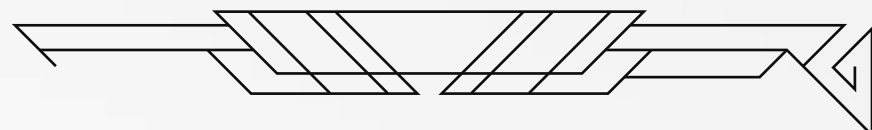

Look for the wood, which is on the right by the exit.

Go back to the chimney and place it to unlock the passage. secret, interact with fire to enter.

## CHIMNEY

# SECRET PASSAGE

If you want more information about the story, I recommend reading the discarded pages.

# FIRST NIGHT

Painting: Escape from her mistress

Oh no! What are you doing, your tongue doesn't make me feel g

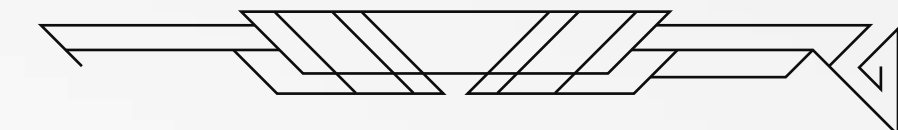

futa demon event

Password: 173

HP 450

MP 90

GOLD 0

Go to the next page if you want to continue with the guide

To unlock the permanent onahole  
You will need to refuse to accept Julia's favor.

Refuse to eat her cock food.

Niegate

Saving game before interacting is certain death.

Then attack Valeria.

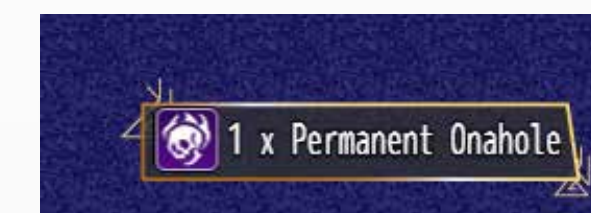

They will give you 1, you are missing 1

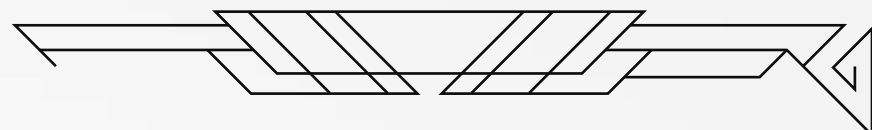

They will give you 1, you are missing 2.

They will give you the last one  
and the event will be activated

Now that you have 2 go to Valeria's chair, interact with the light.

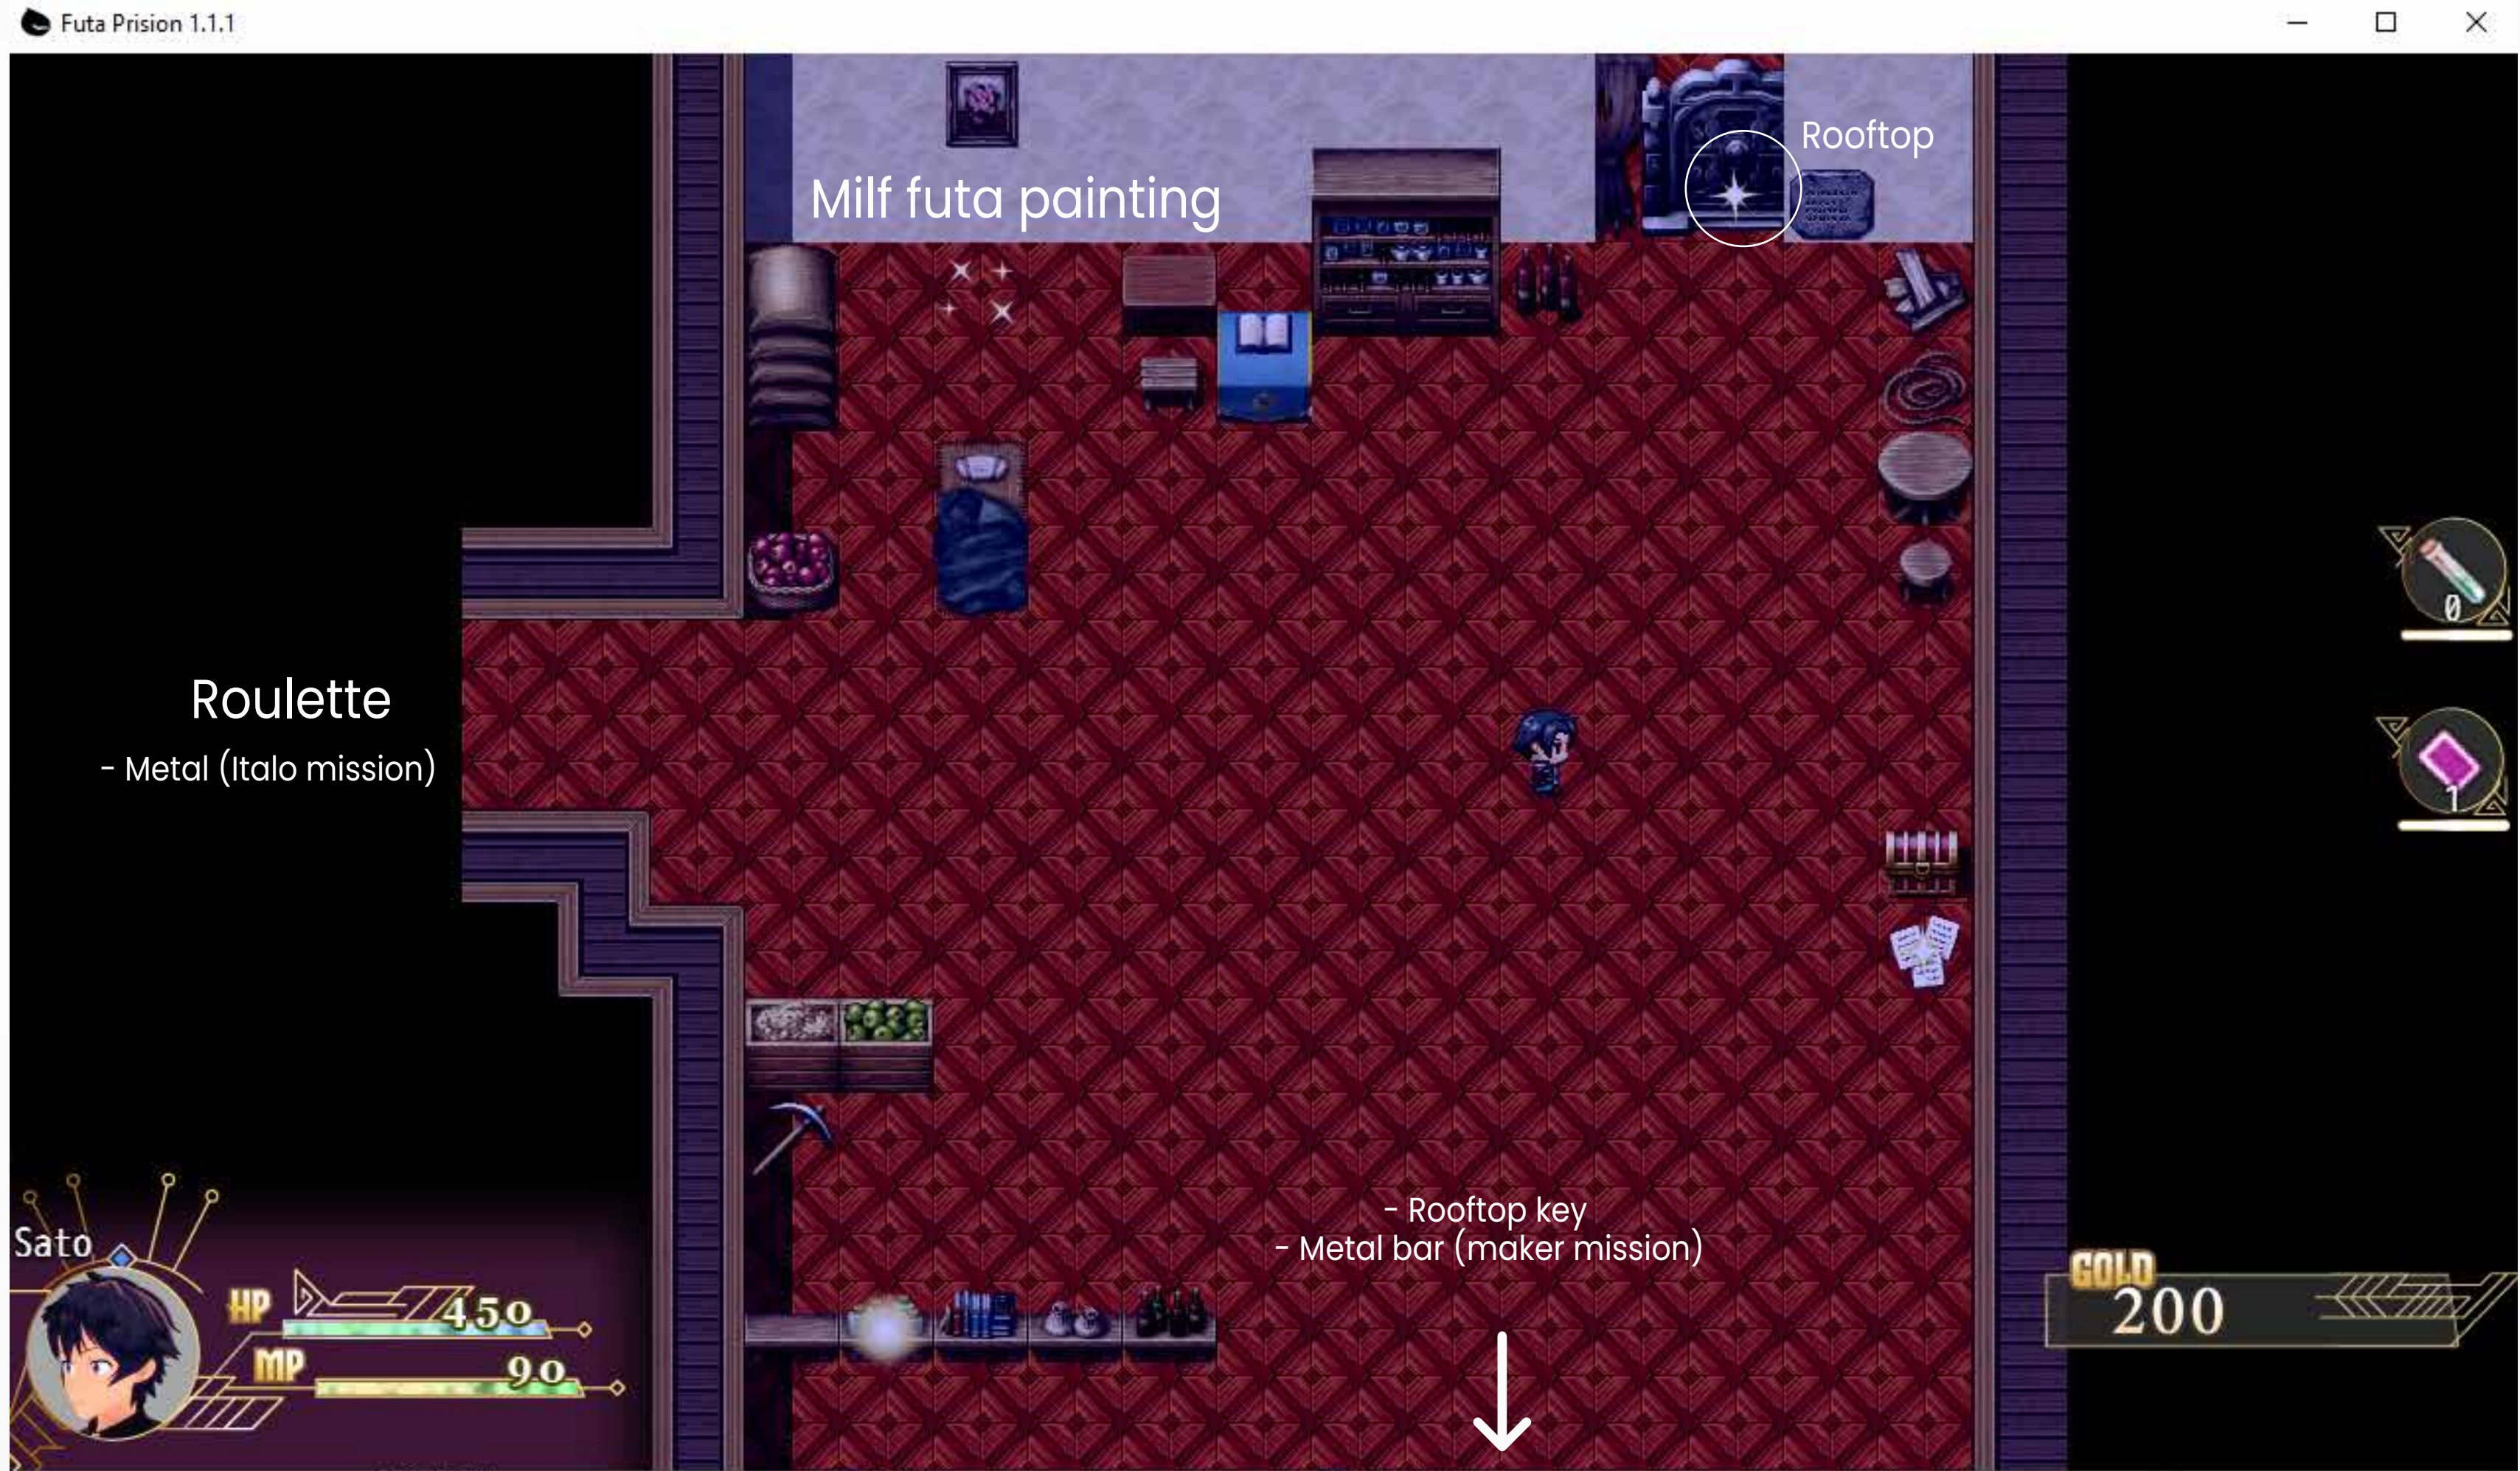

# SECRET PASSAGE

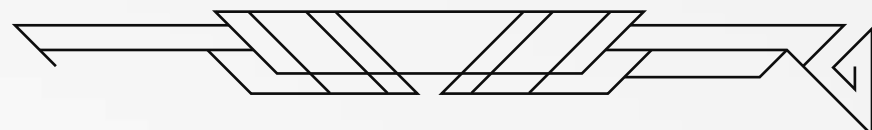

I recommend you go for the spinner first, then for the roof key and enter through the roof door.

# FIRST NIGHT

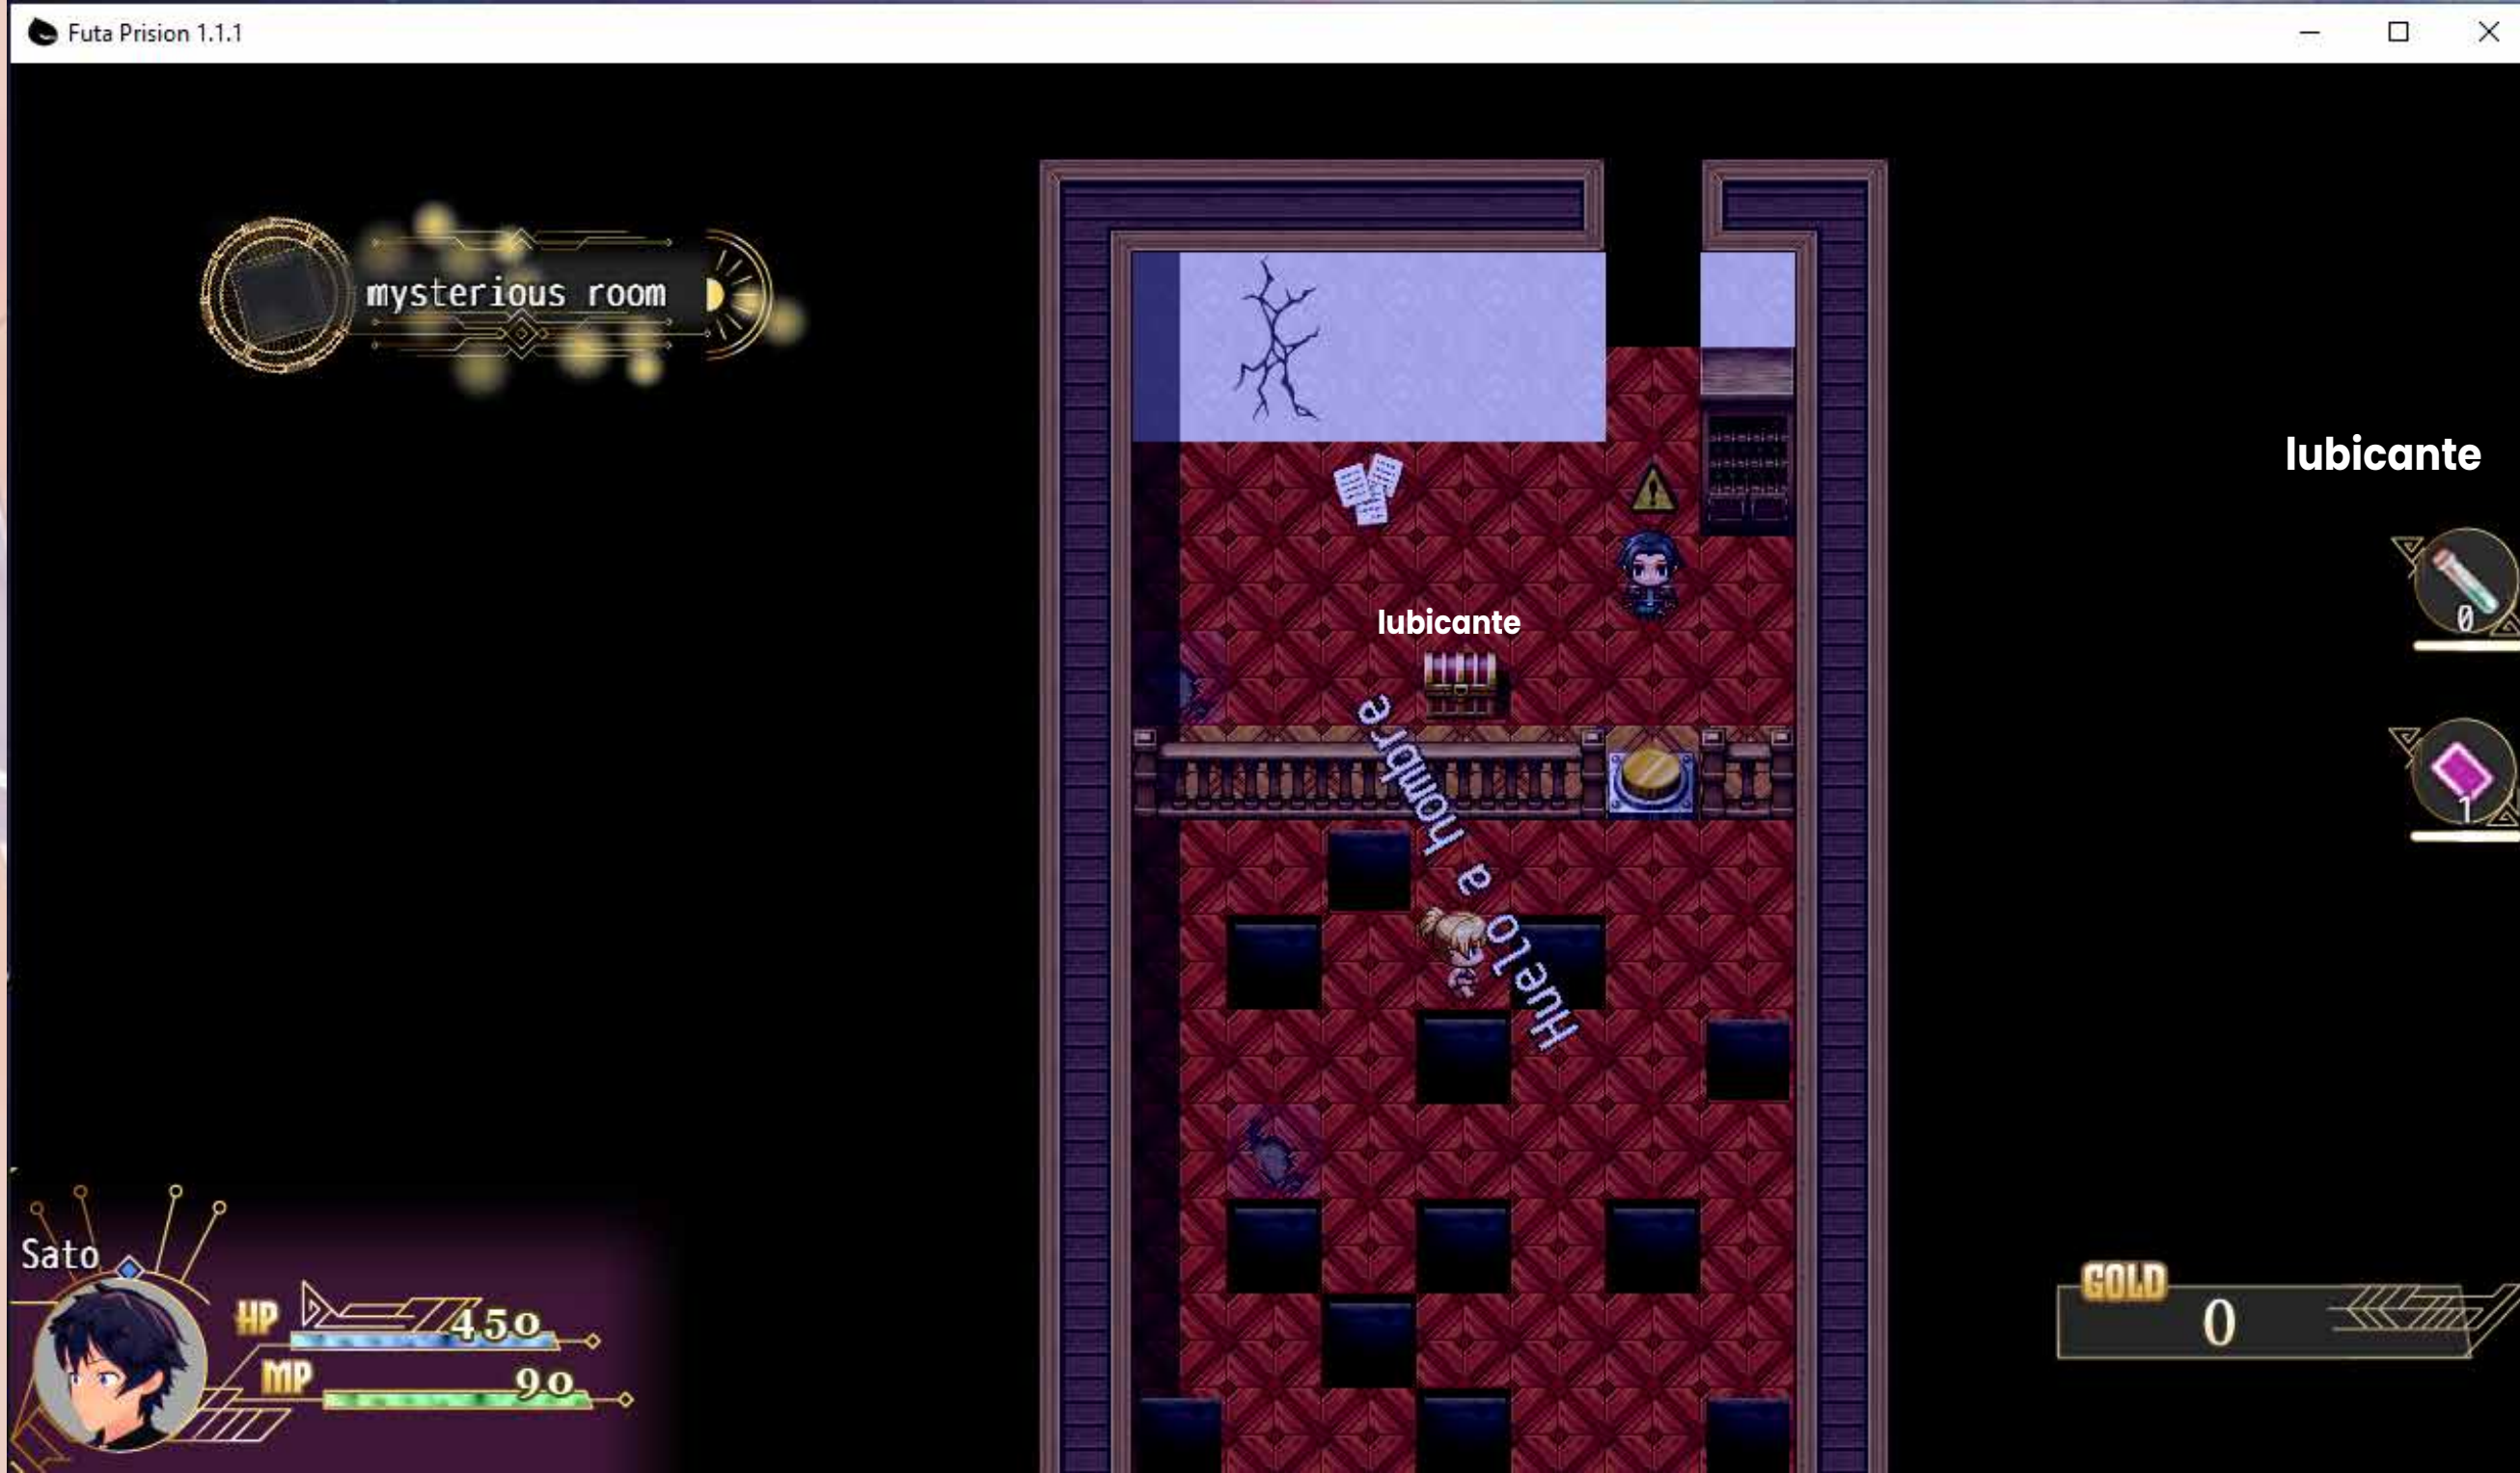

# MYSTERIOUS ROOM

The key to the roof is at the end of the hall in a chest, also the metal maker bar  
If you get close to the futas they will catch you and you will die unless you have lube.

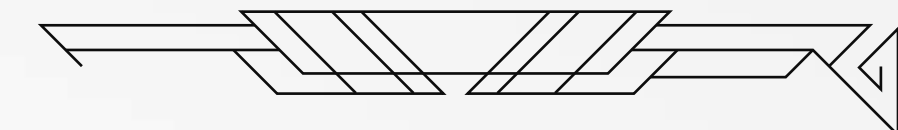

FIRST NIGHT

If you have lube, unlock a minigame, if you lose, you will die.

(This minigame was discarded, from floor 7 onwards it will no longer be seen)

# FIRST NIGHT

## ROULETTE

Interact with the wheel to unlock it.

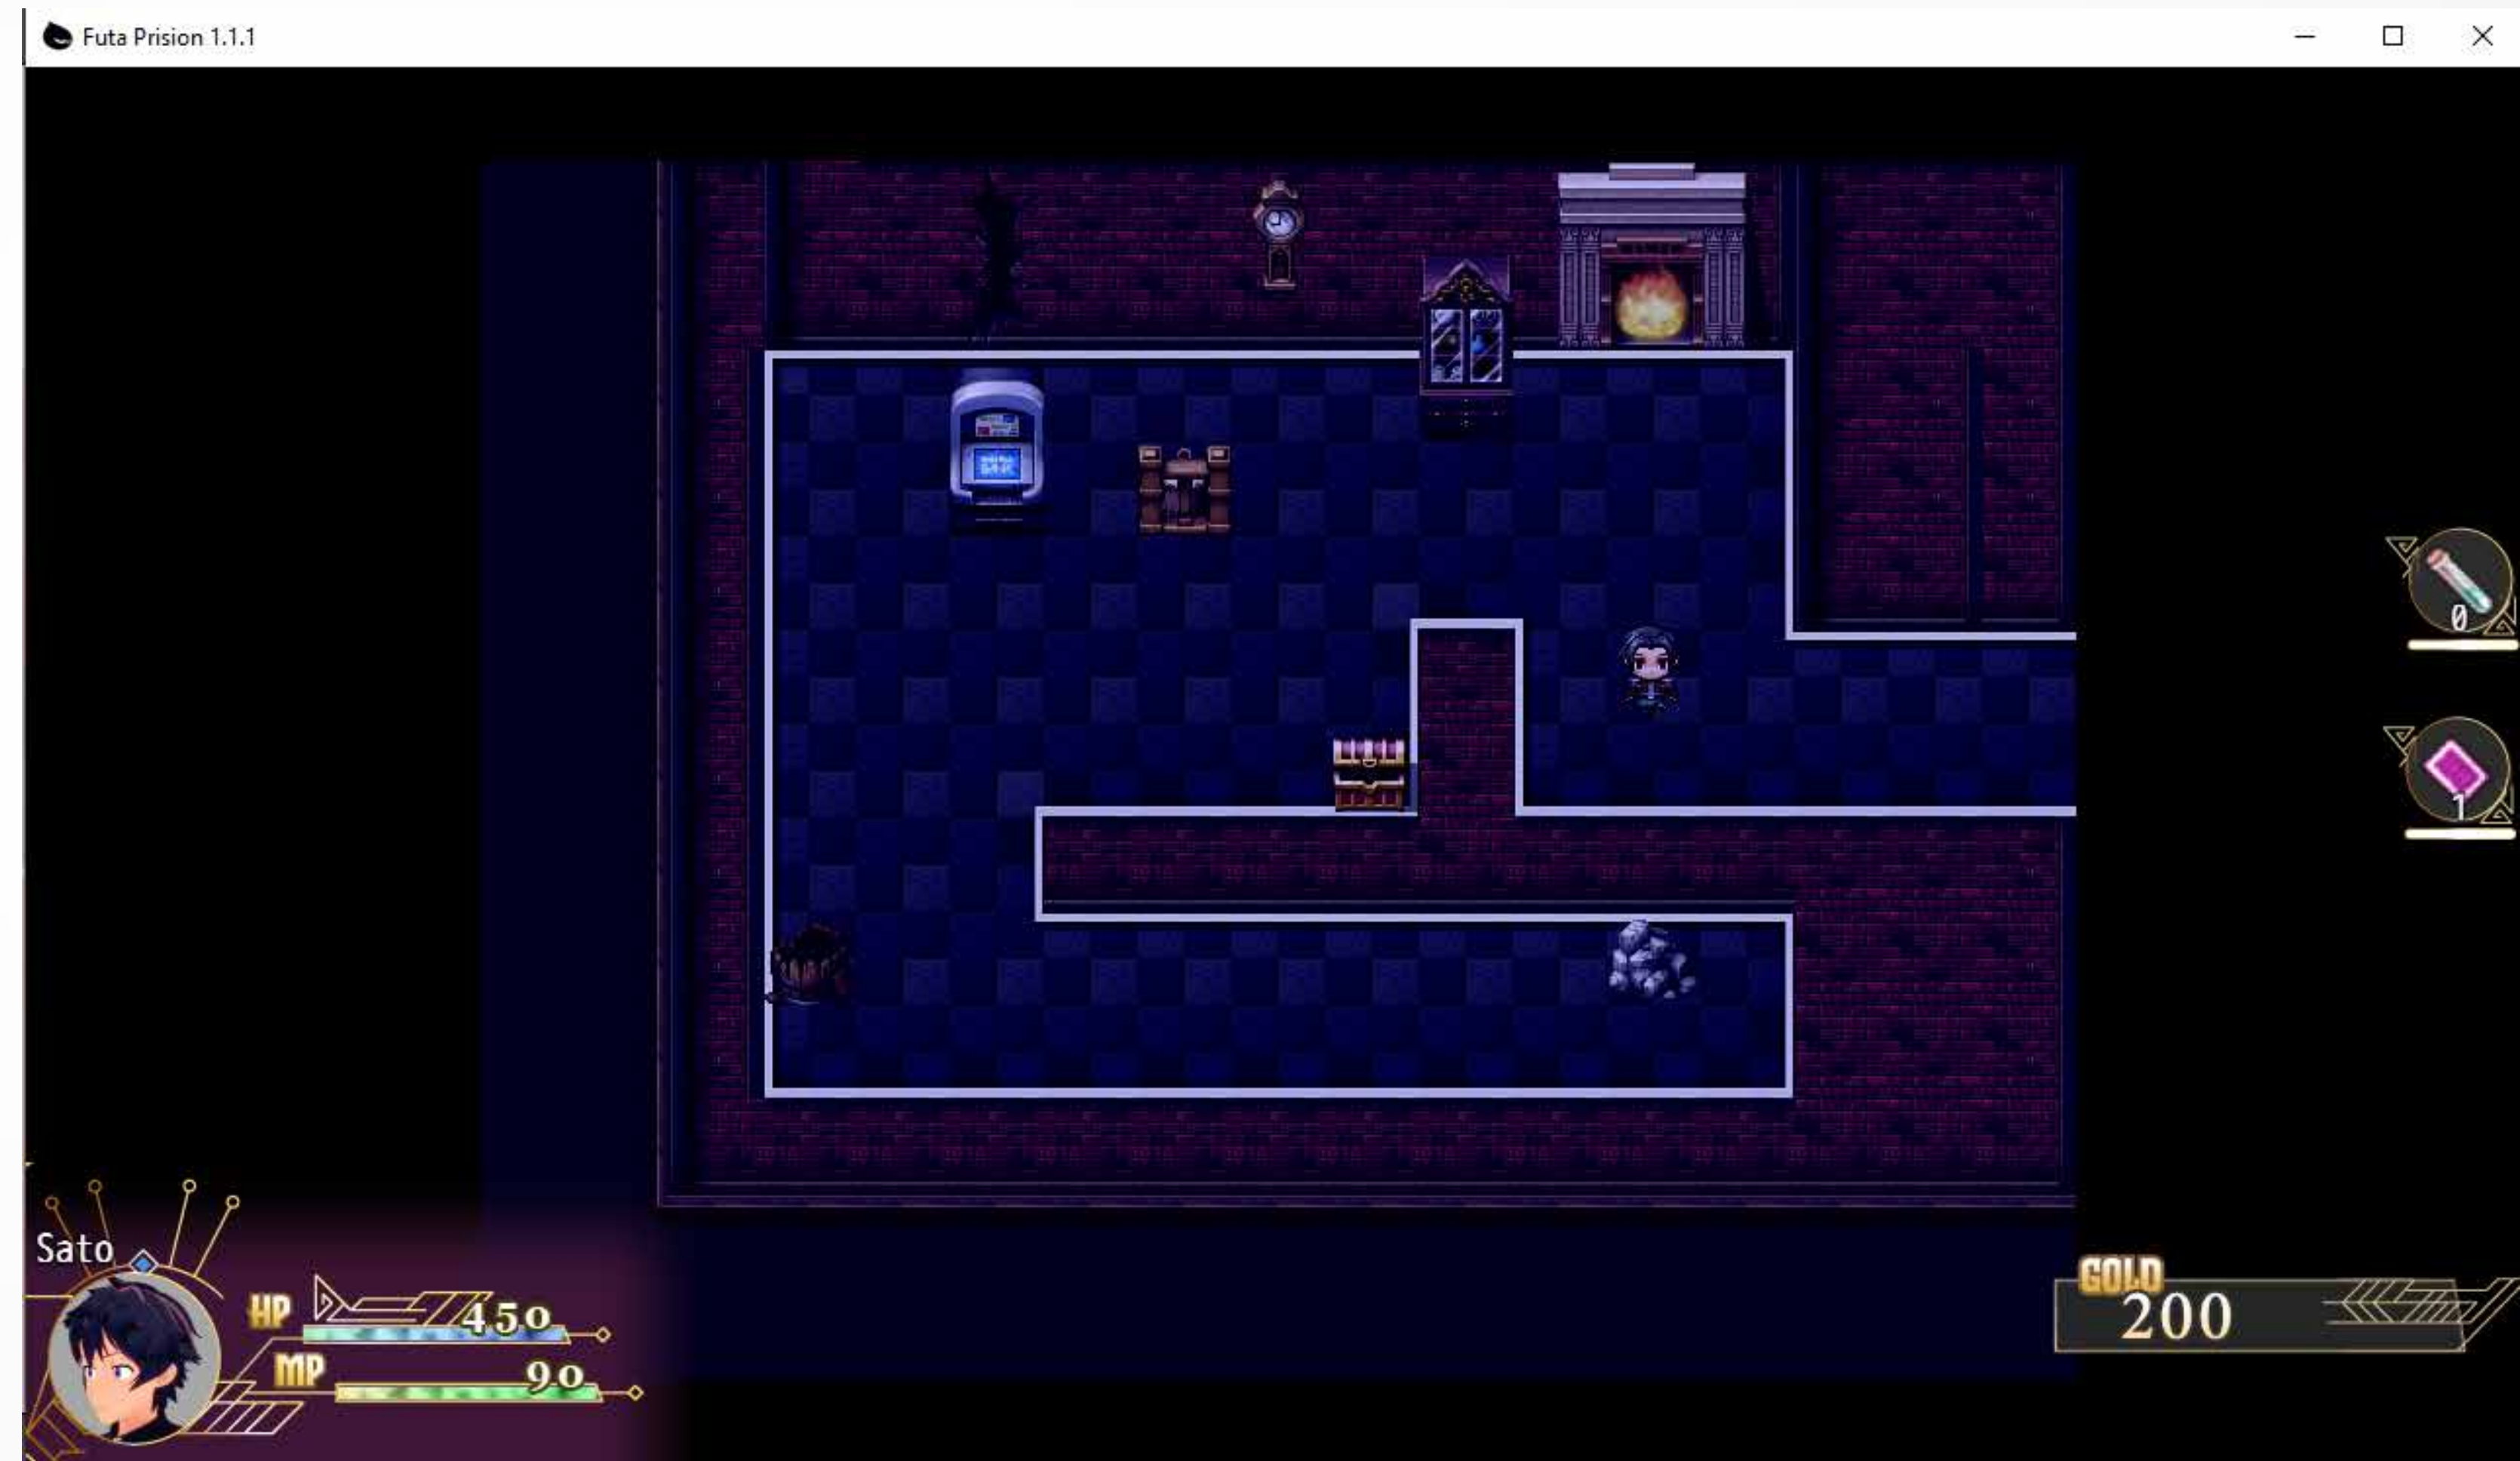

You need at least 100 gold to play.

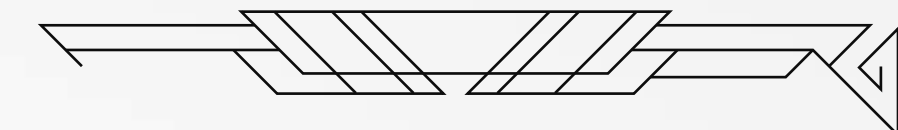

With rewards you can unlock the magic paintings. (page 31)

After interacting, you will be able to use the fireplace to go to the main floor. Can Use it again to go directly to the roulette wheel.

Don't forget to collect the metal for Italo.

After you have everything, head to the roof.

# ROOFTOP (HIRO ROOM)

# FIRST NIGHT

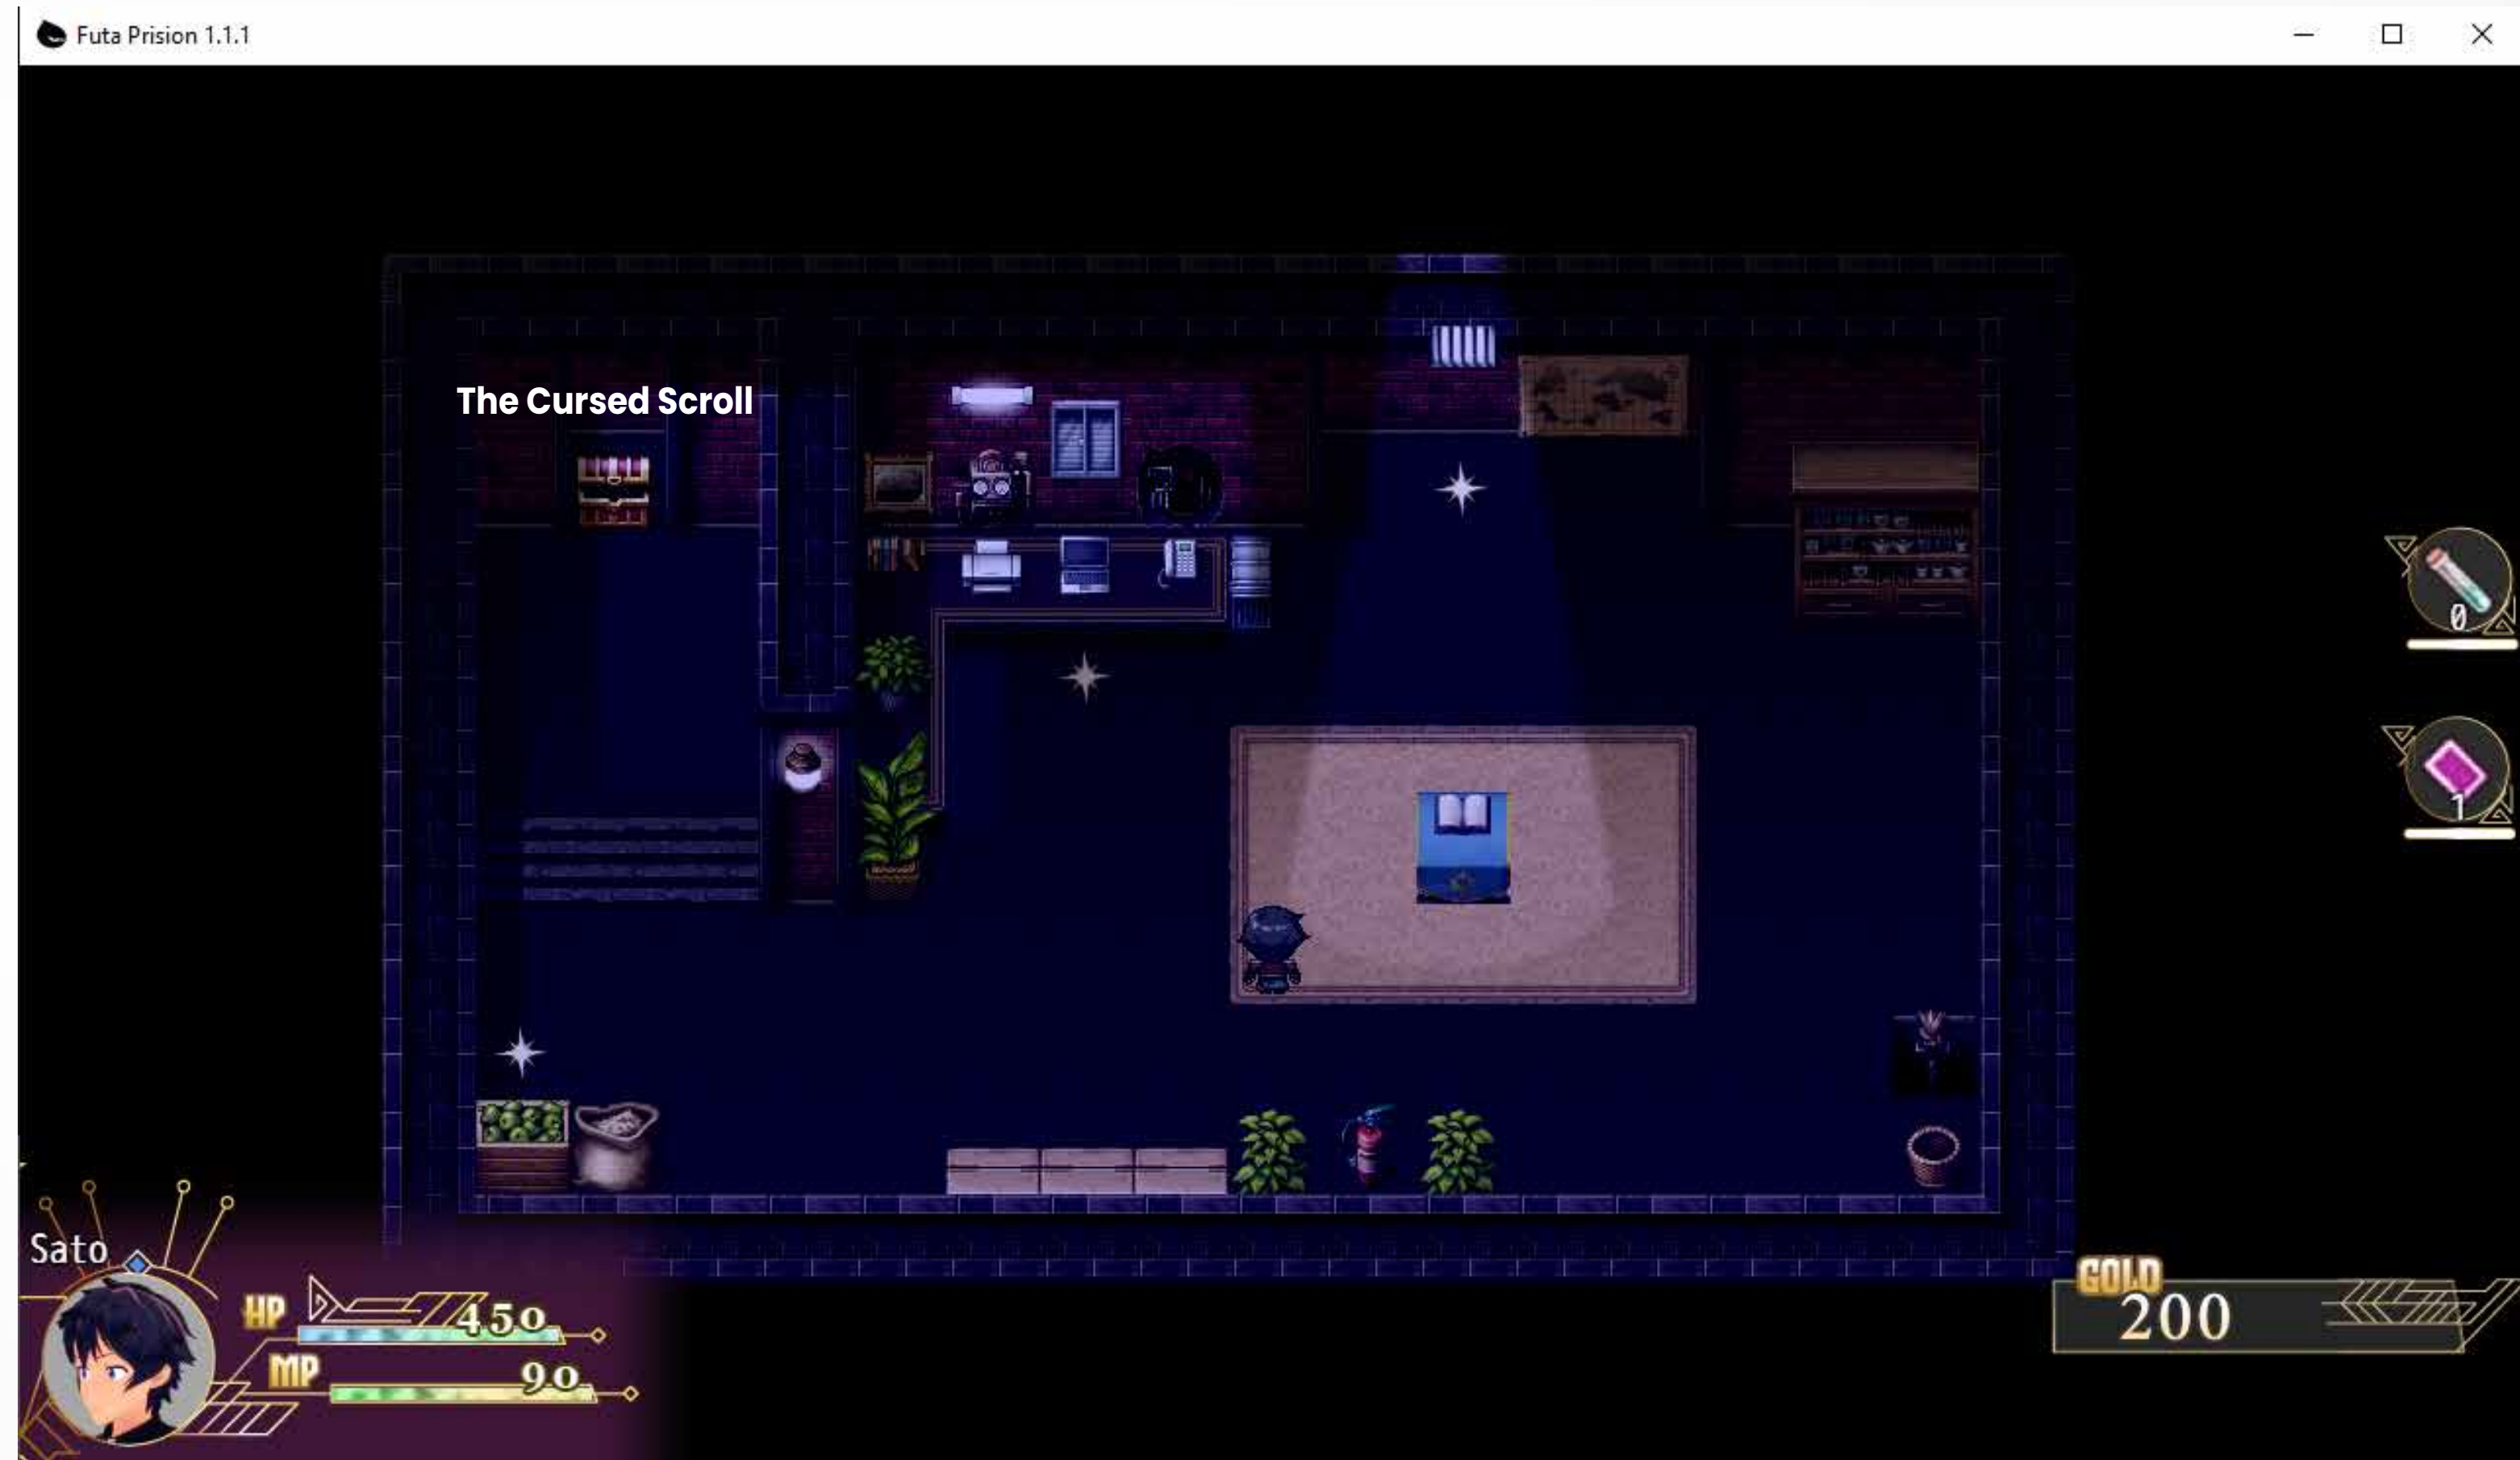

game go to the trunk: they will give you the item most important of the entire game.

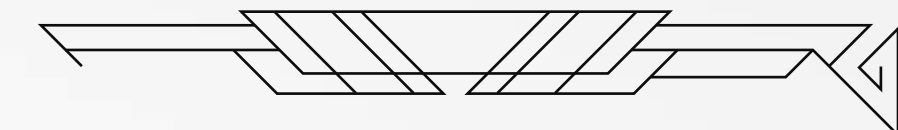

### The Cursed Scroll

After you have everything, head to the roof.

By interacting with the light on the side of the reja will show you a scene of Sato seeing the moon, the story just begins here.

After this, head to the main floor.

# ACTIVATING 2ND NIGHT

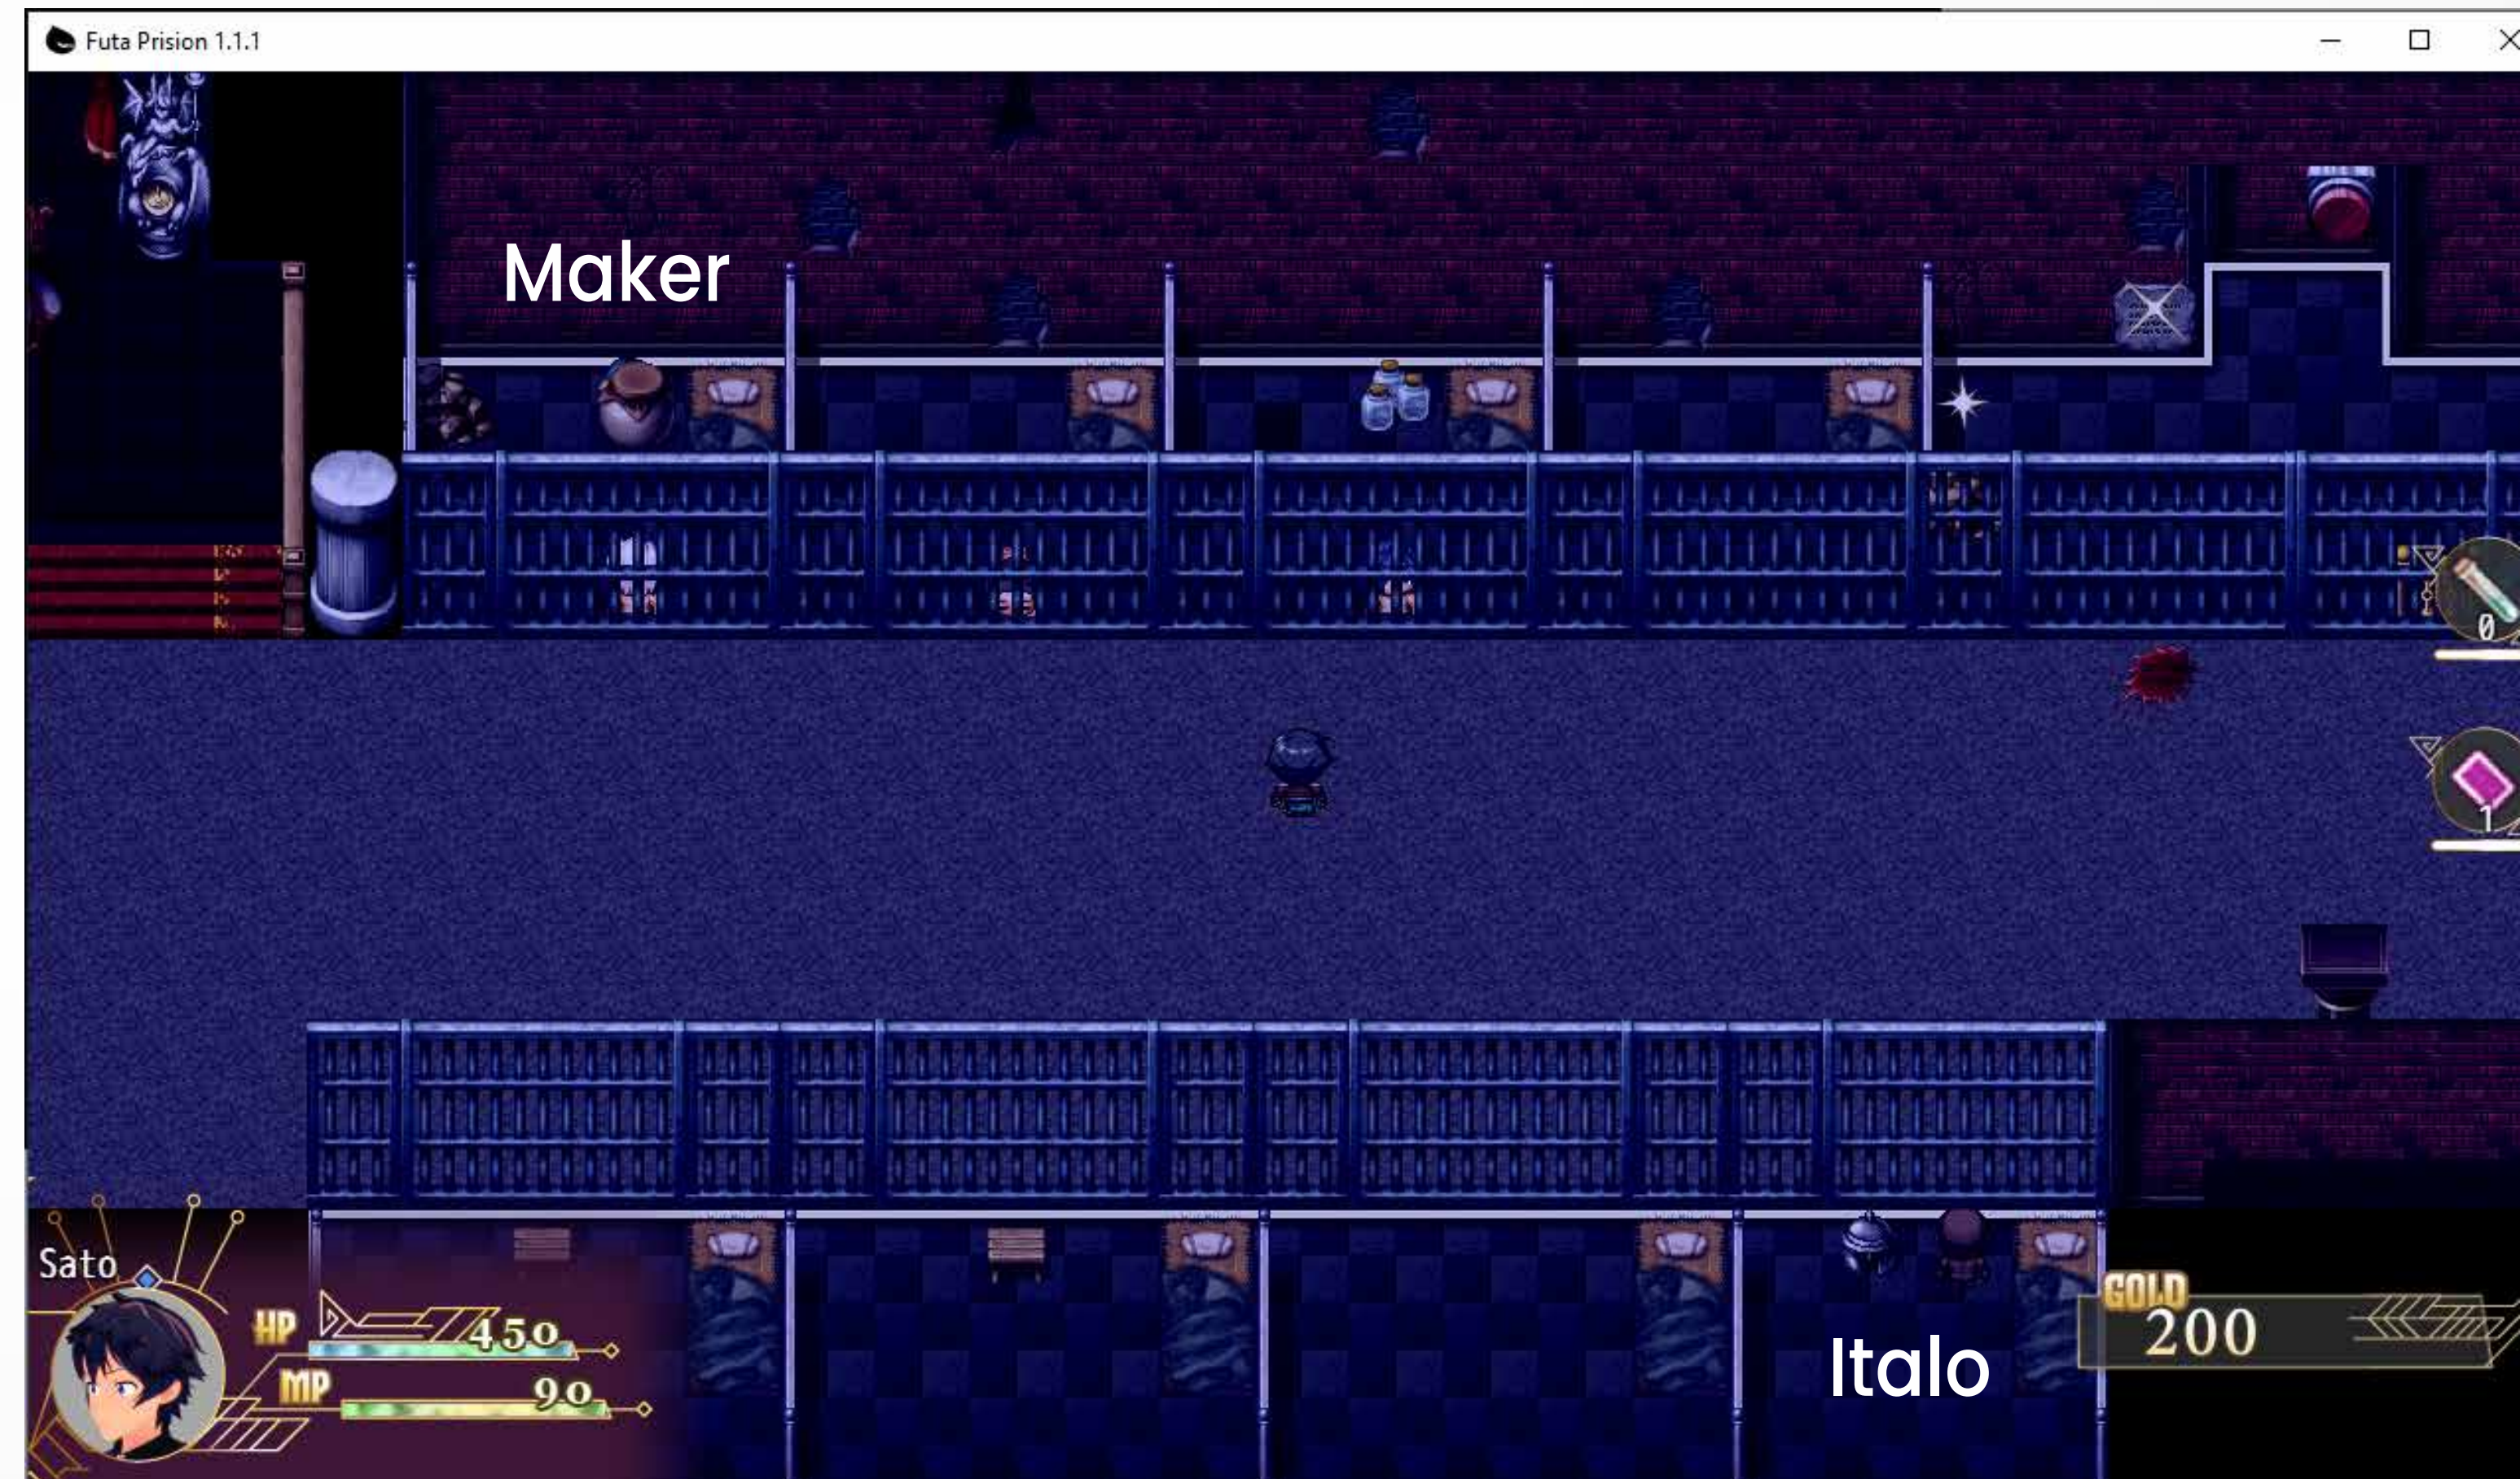

# FIRST NIGHT

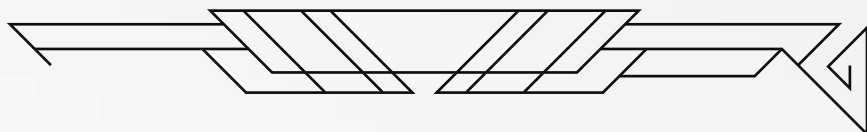

Talk to Maker first:  
will give you the plans for the key.

With those plans go with **Italo**  
Talk to him 2 times until he gives you **the copy of the key.**

You are ready for day 2, go to sleep and  
the Breakfast event will activate itself.

If the event is not activated when sleeping  
Breakfast means you forgot to take the  
cursed scroll. (pag 19)

# BREAKFAST EVENT

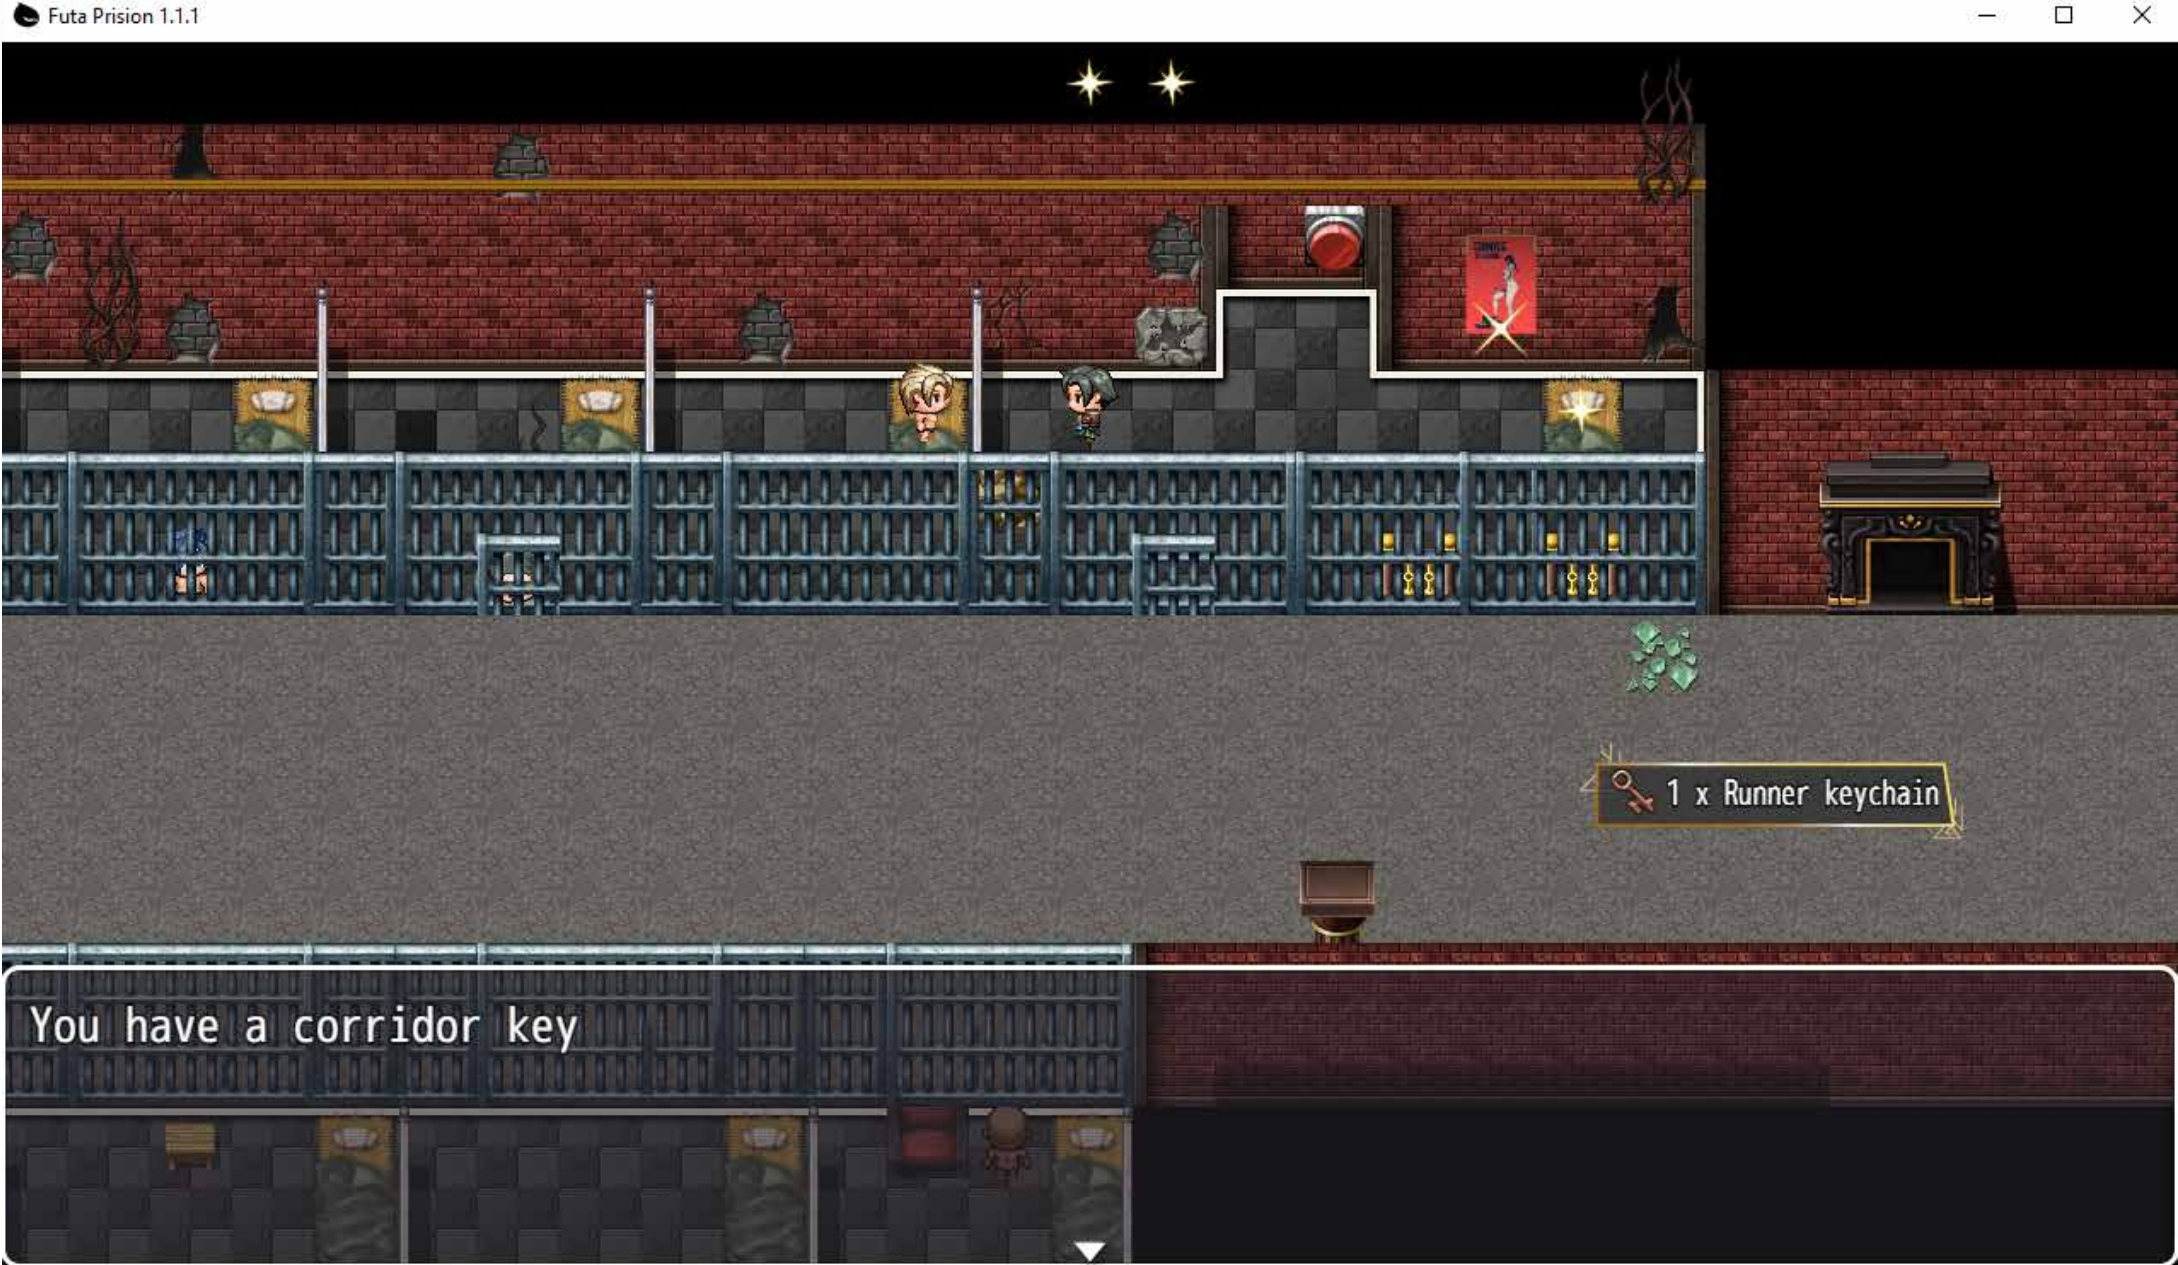

SECOND NIGHT

You will automatically move towards Dexter, he will hand you over. **the key to the corridor;** This is located next to the fireplace.

**Wait for Valeria to arrive, she may take a while**

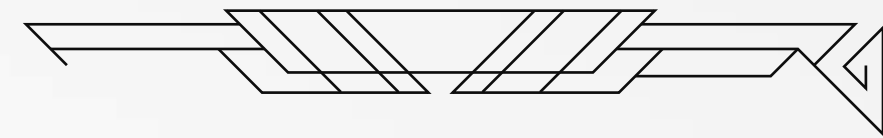

Refusing to eat will give you another point for the permanent onahole scene.

Eating won't give you anything.

You have a corridor key

# EVENTO DESAYUNO

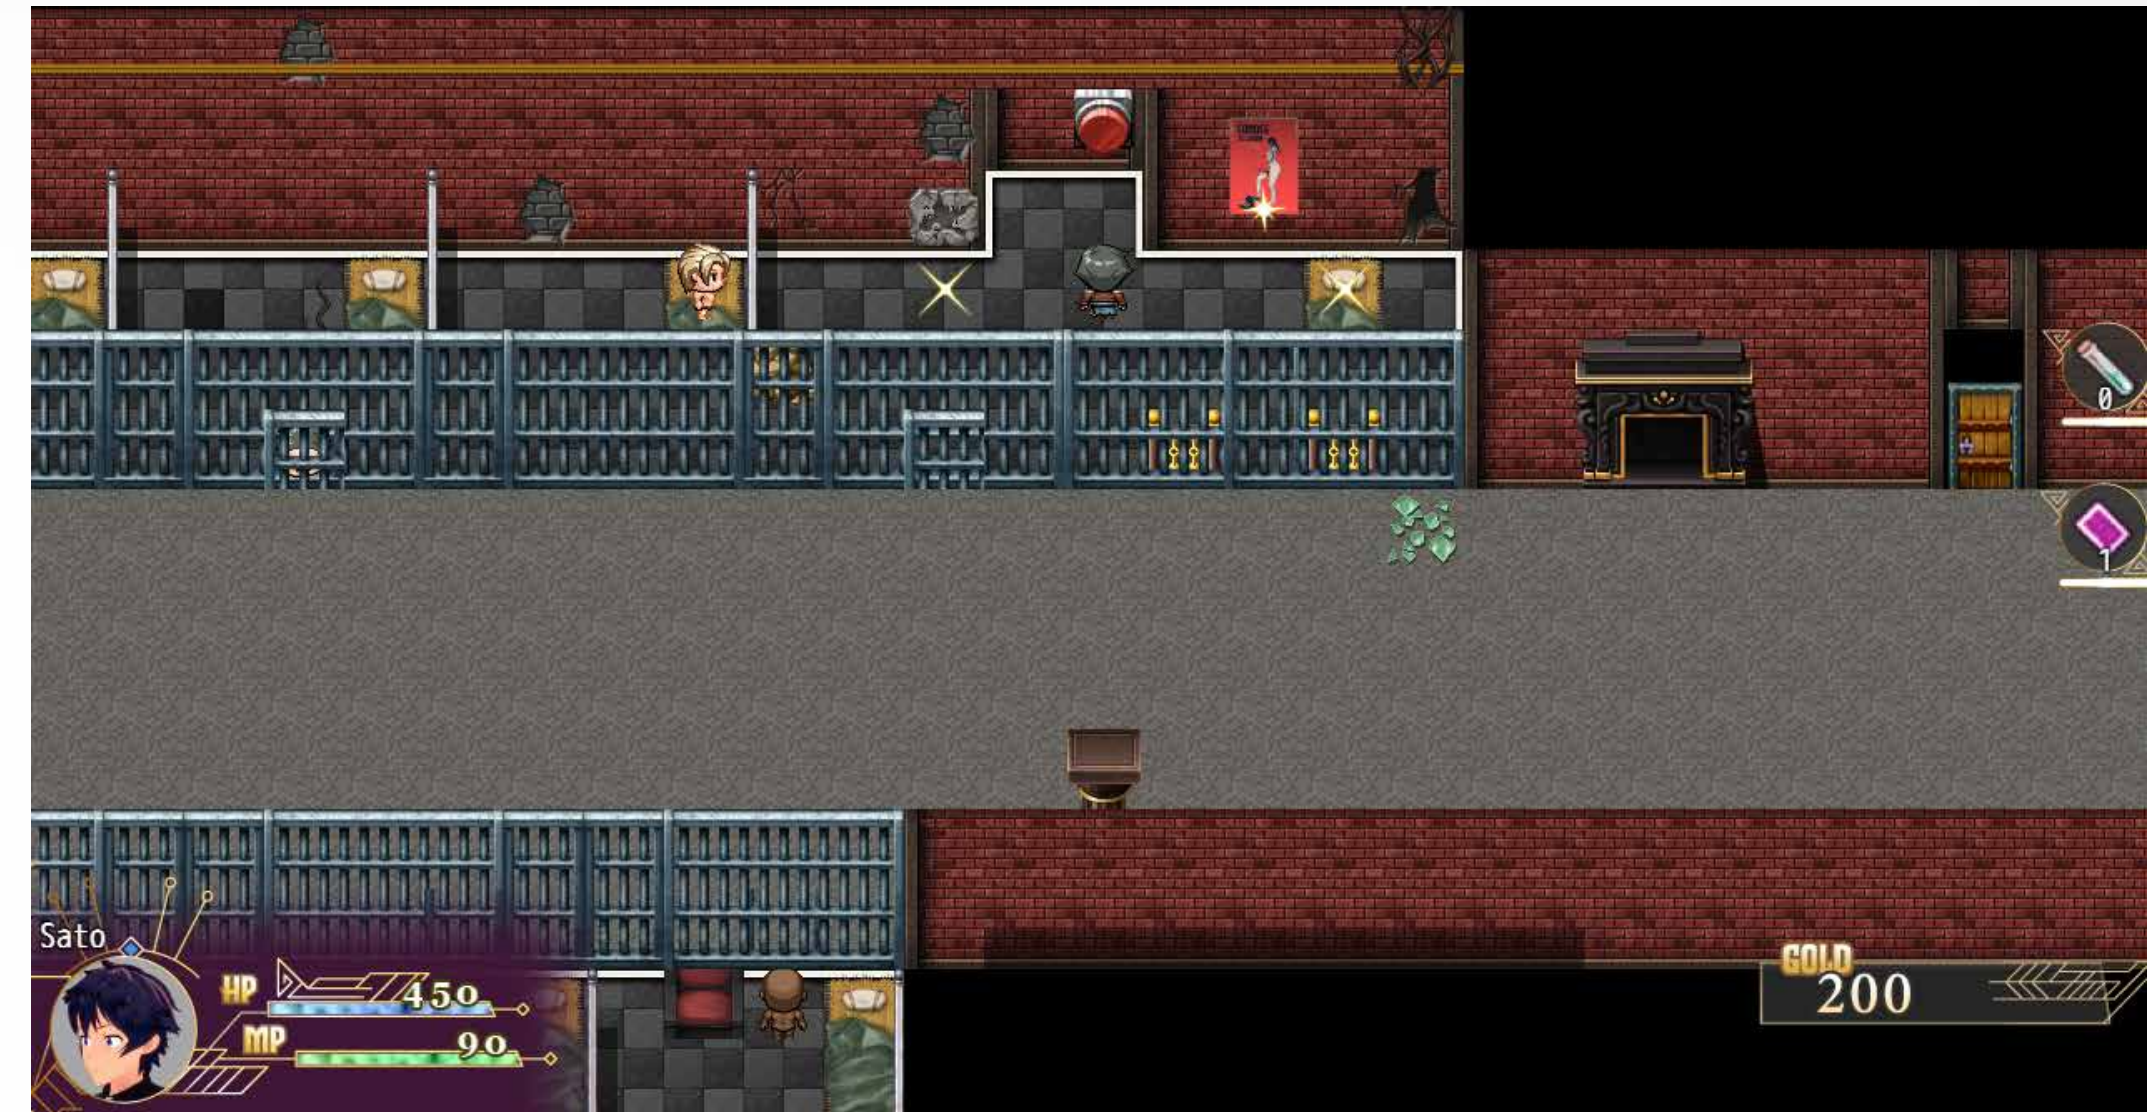

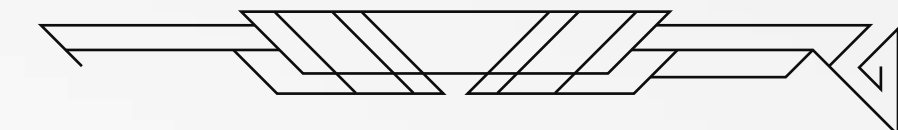

After Valeria leaves, interact with the light on your side. Another light appears, it is Valeria's semen, interact and you will have it.

Quadro Mil futa

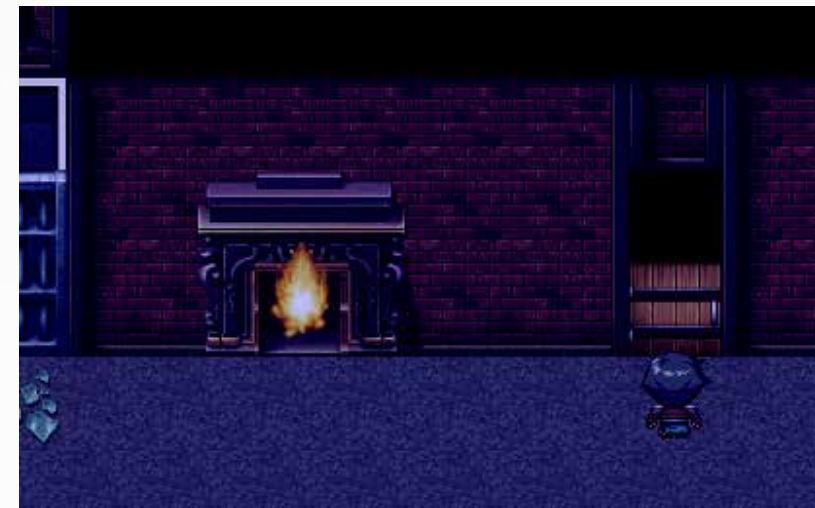

If those 2 lights do not appear, sleep and return to the day.

Are you ready for night 2

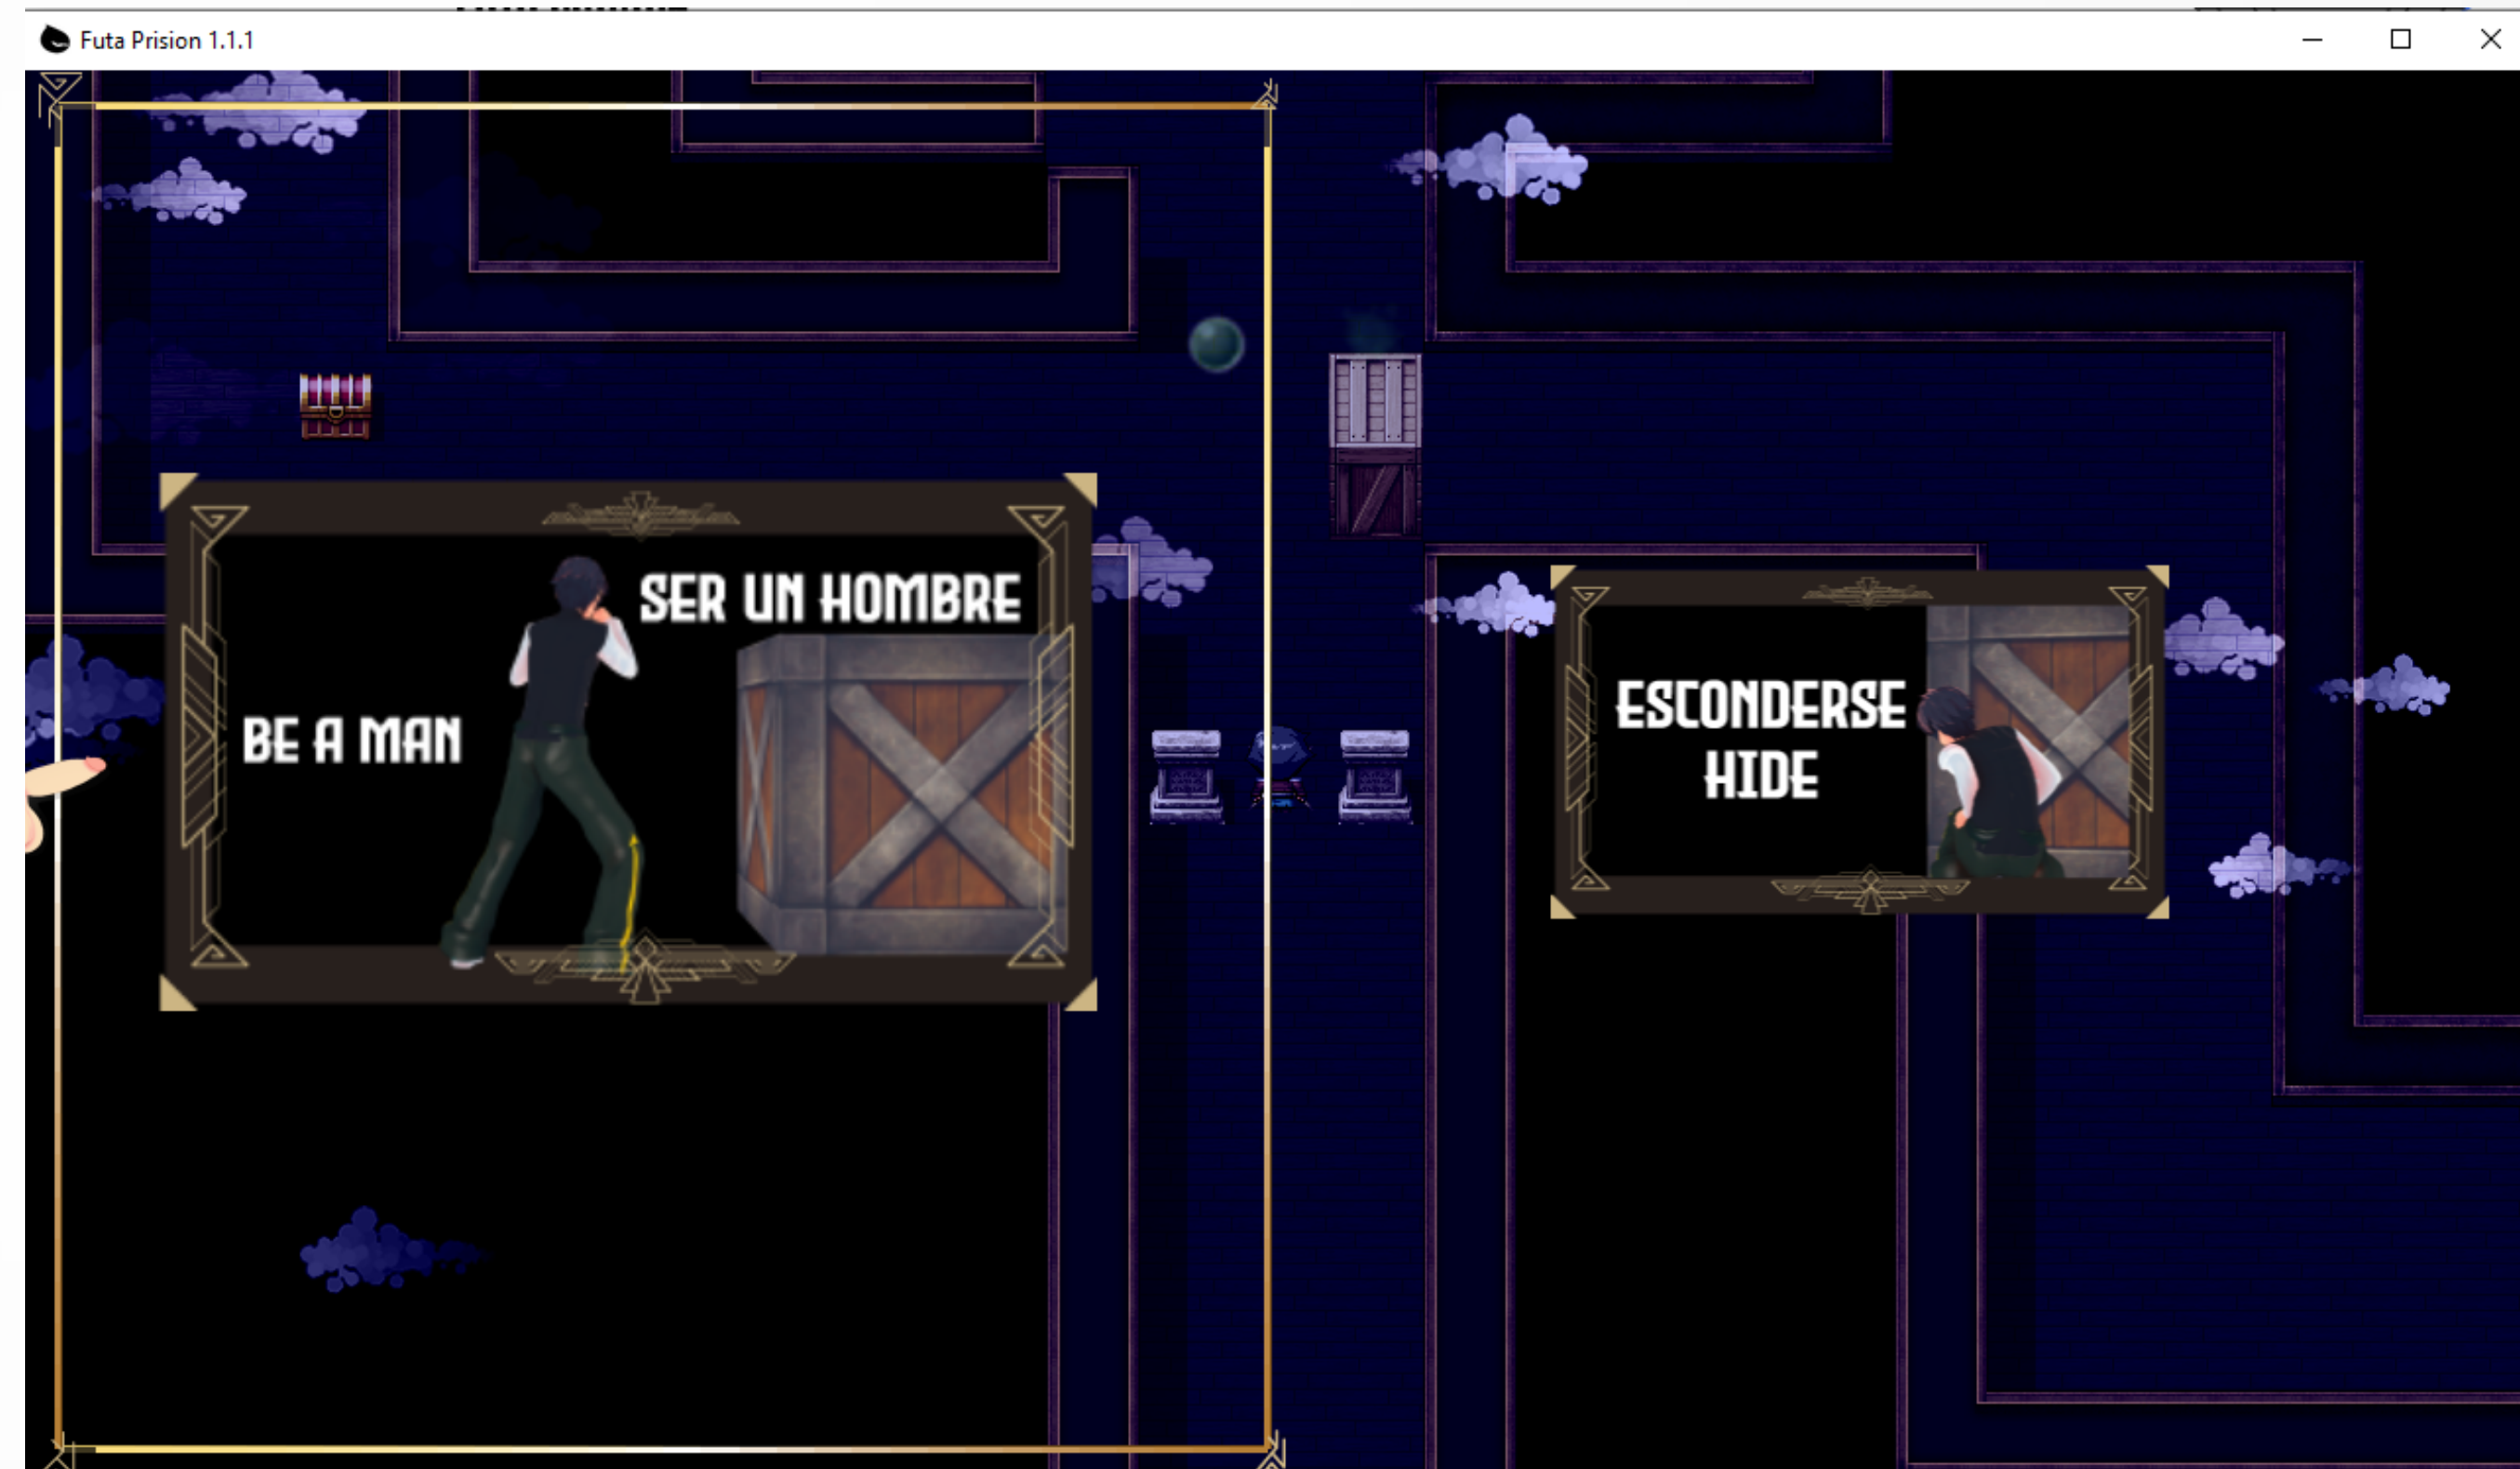

# GIANTESS

Now you can open the door with the key that Dexter gave you.

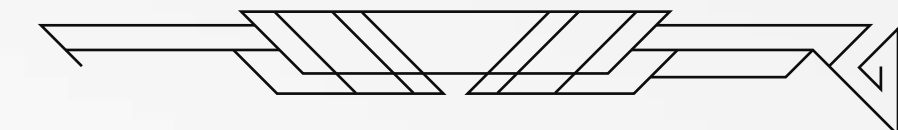

After entering the giantess's room and interacting, 2 options will open to you.

Since you already saved, you can go to the left and then use the save uh go to the one on the right.

Being brave will end in death, but will unlock a cutscene.

Hide, you will survive and unlock the teacher scene.

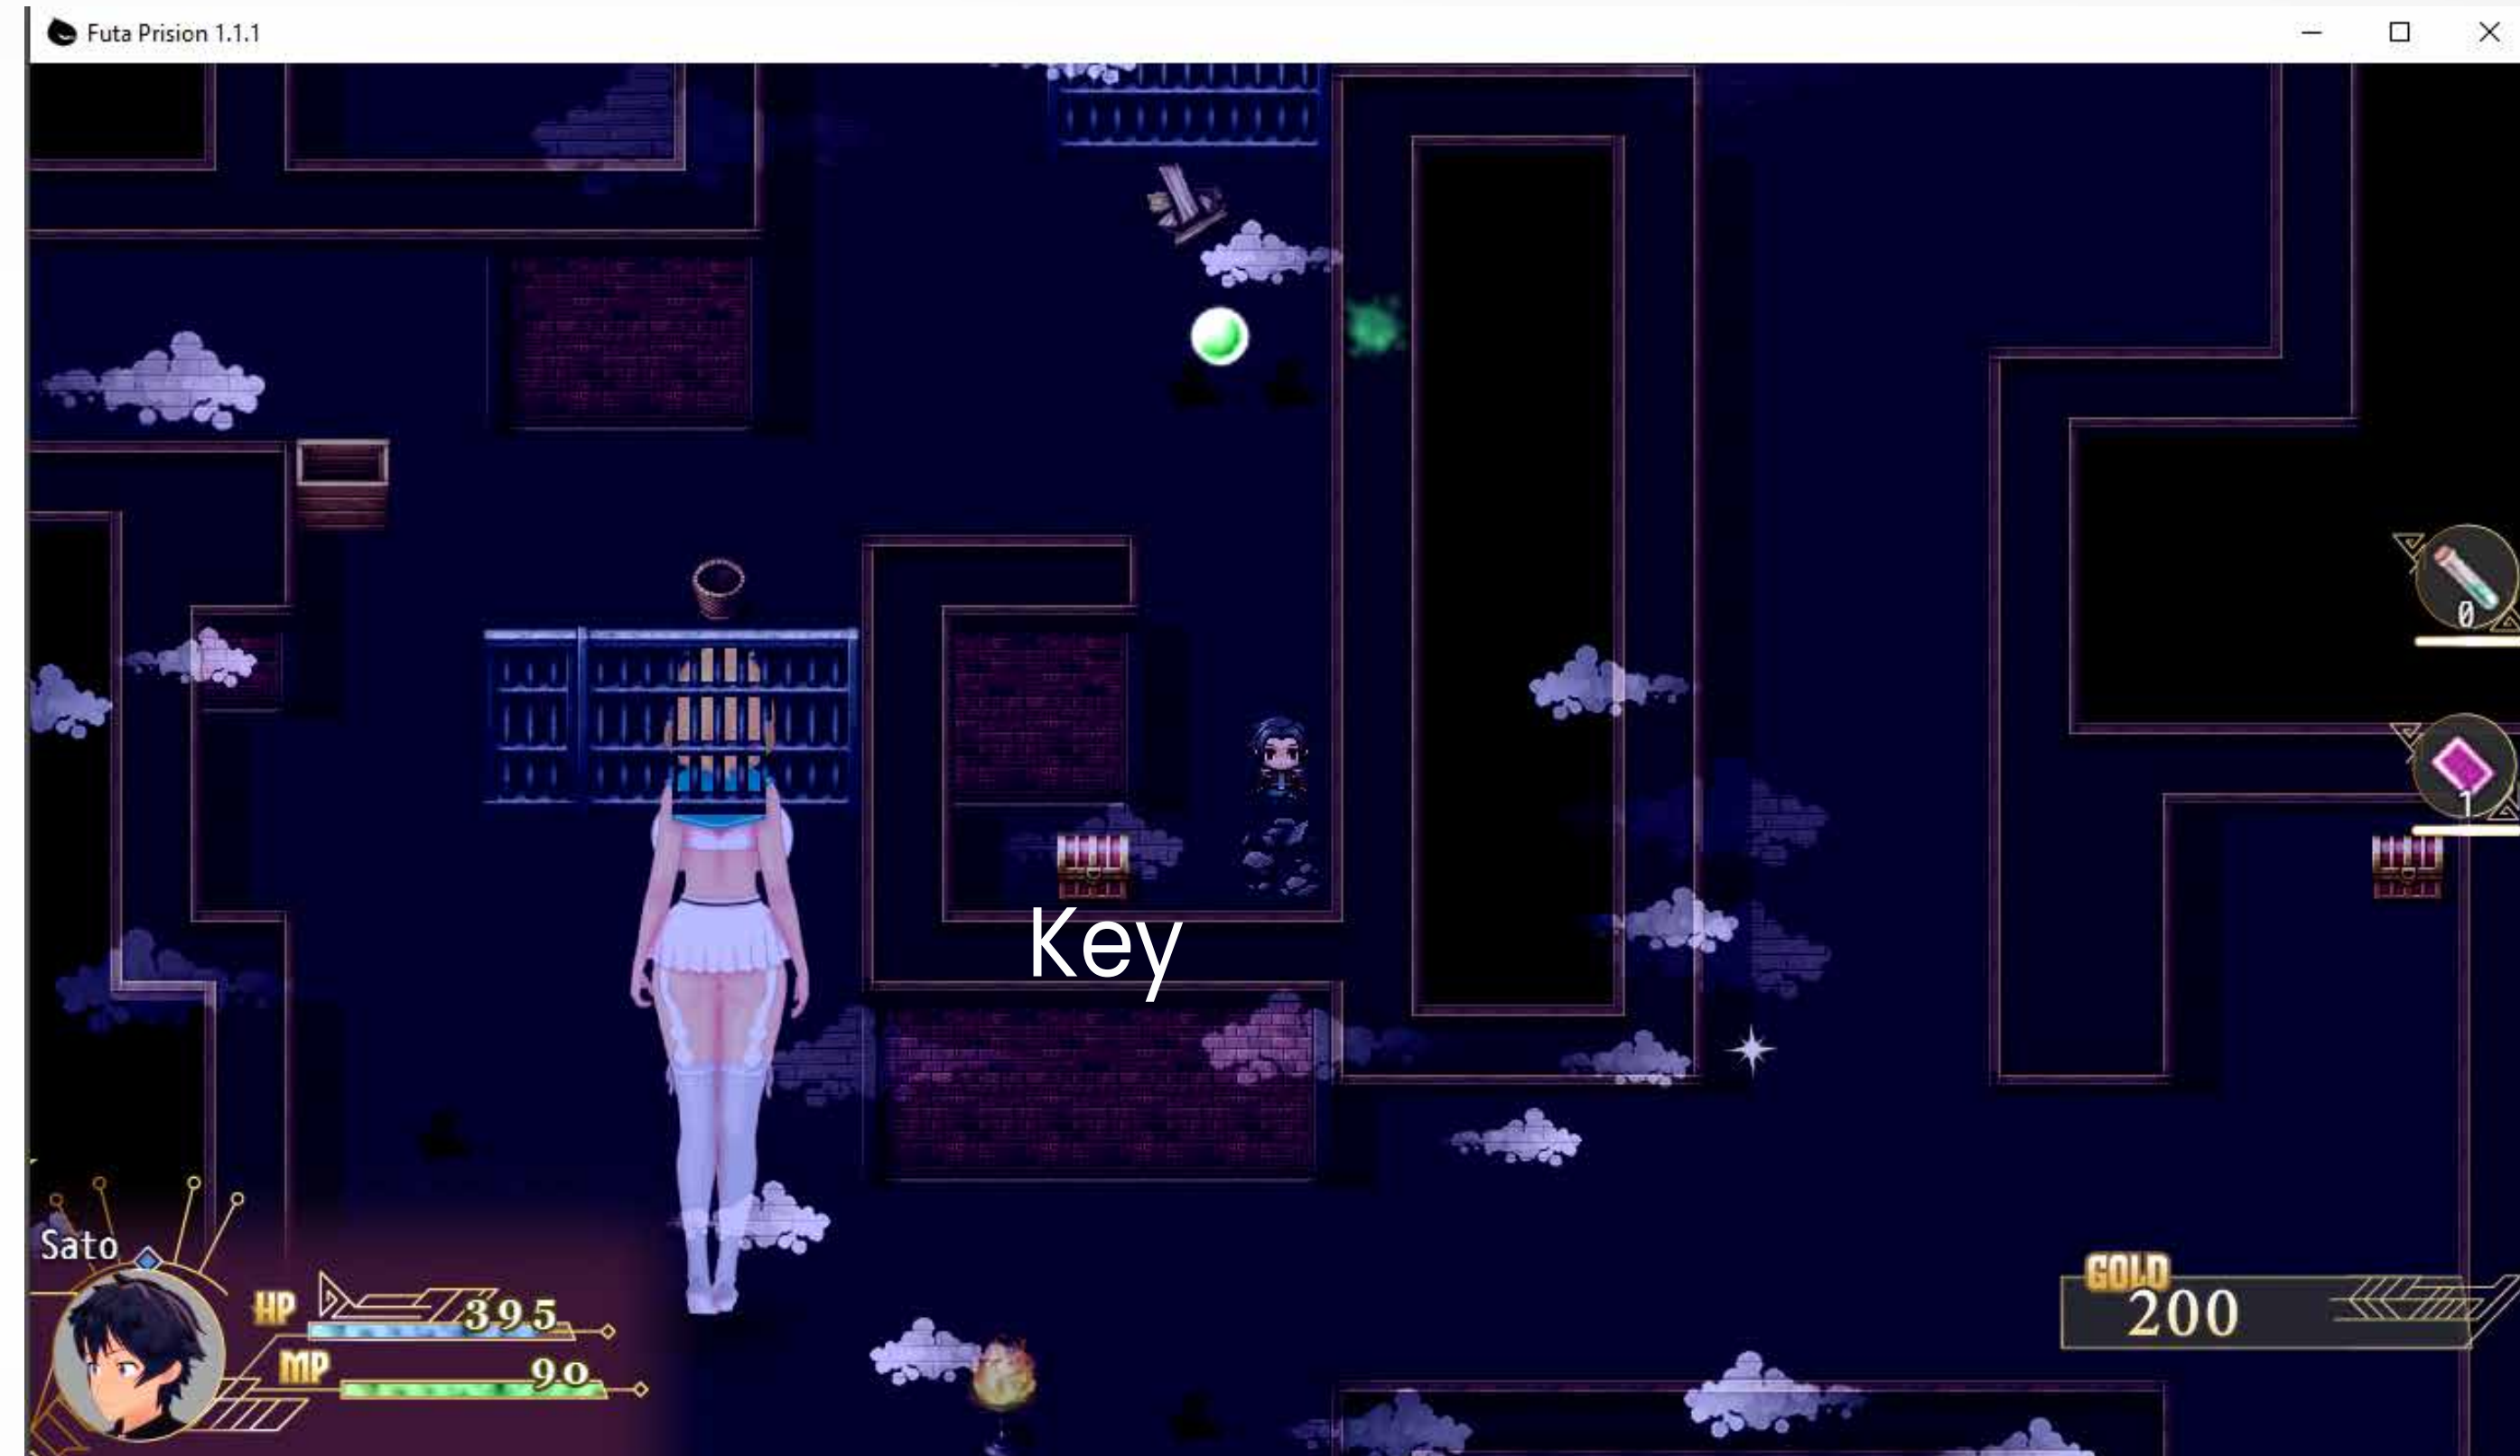

# SECOND NIGHT

## GIGANTA

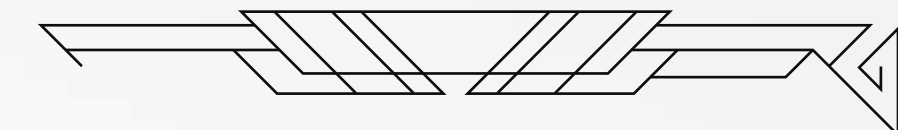

Your life will begin to go down, the key to the chest from the potions door on the side of the fence.

If the giantess catches you, a minigame will open. If you lose, you will die, but you will unlock a scene where the giantess swallows you, as does the master.

Save if you want to play the giantess game

# ELIZA POTIONS

Here you will have to interact with light 1,  
A second appears, then a third.

In the third you will only be able to interact with  
Eliza's ass slave.

SAVE YOUR GAME

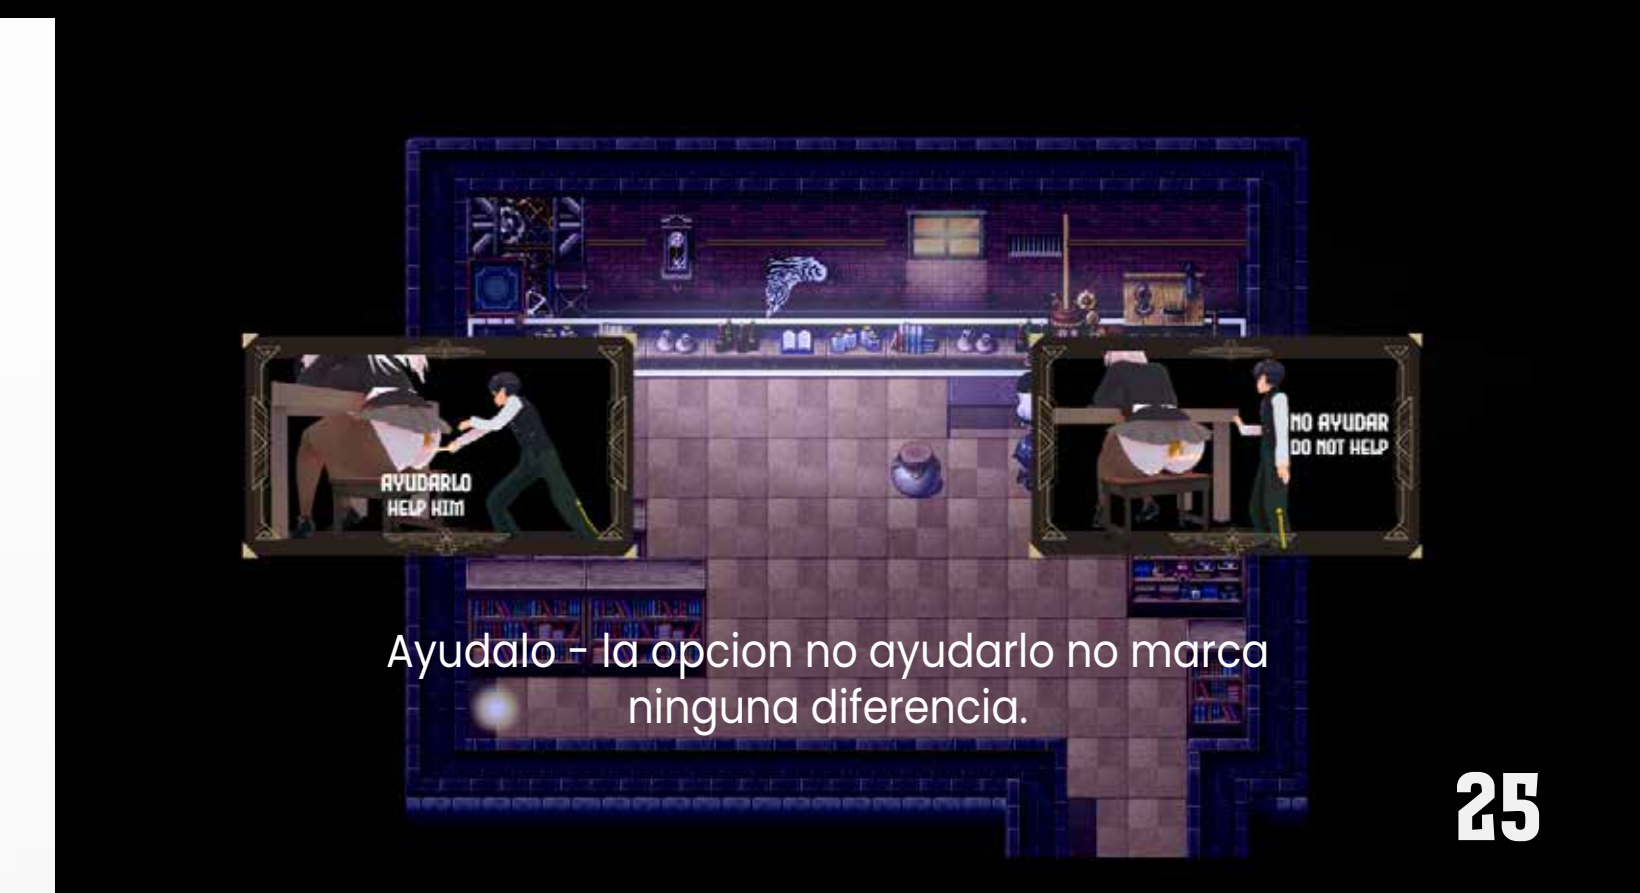

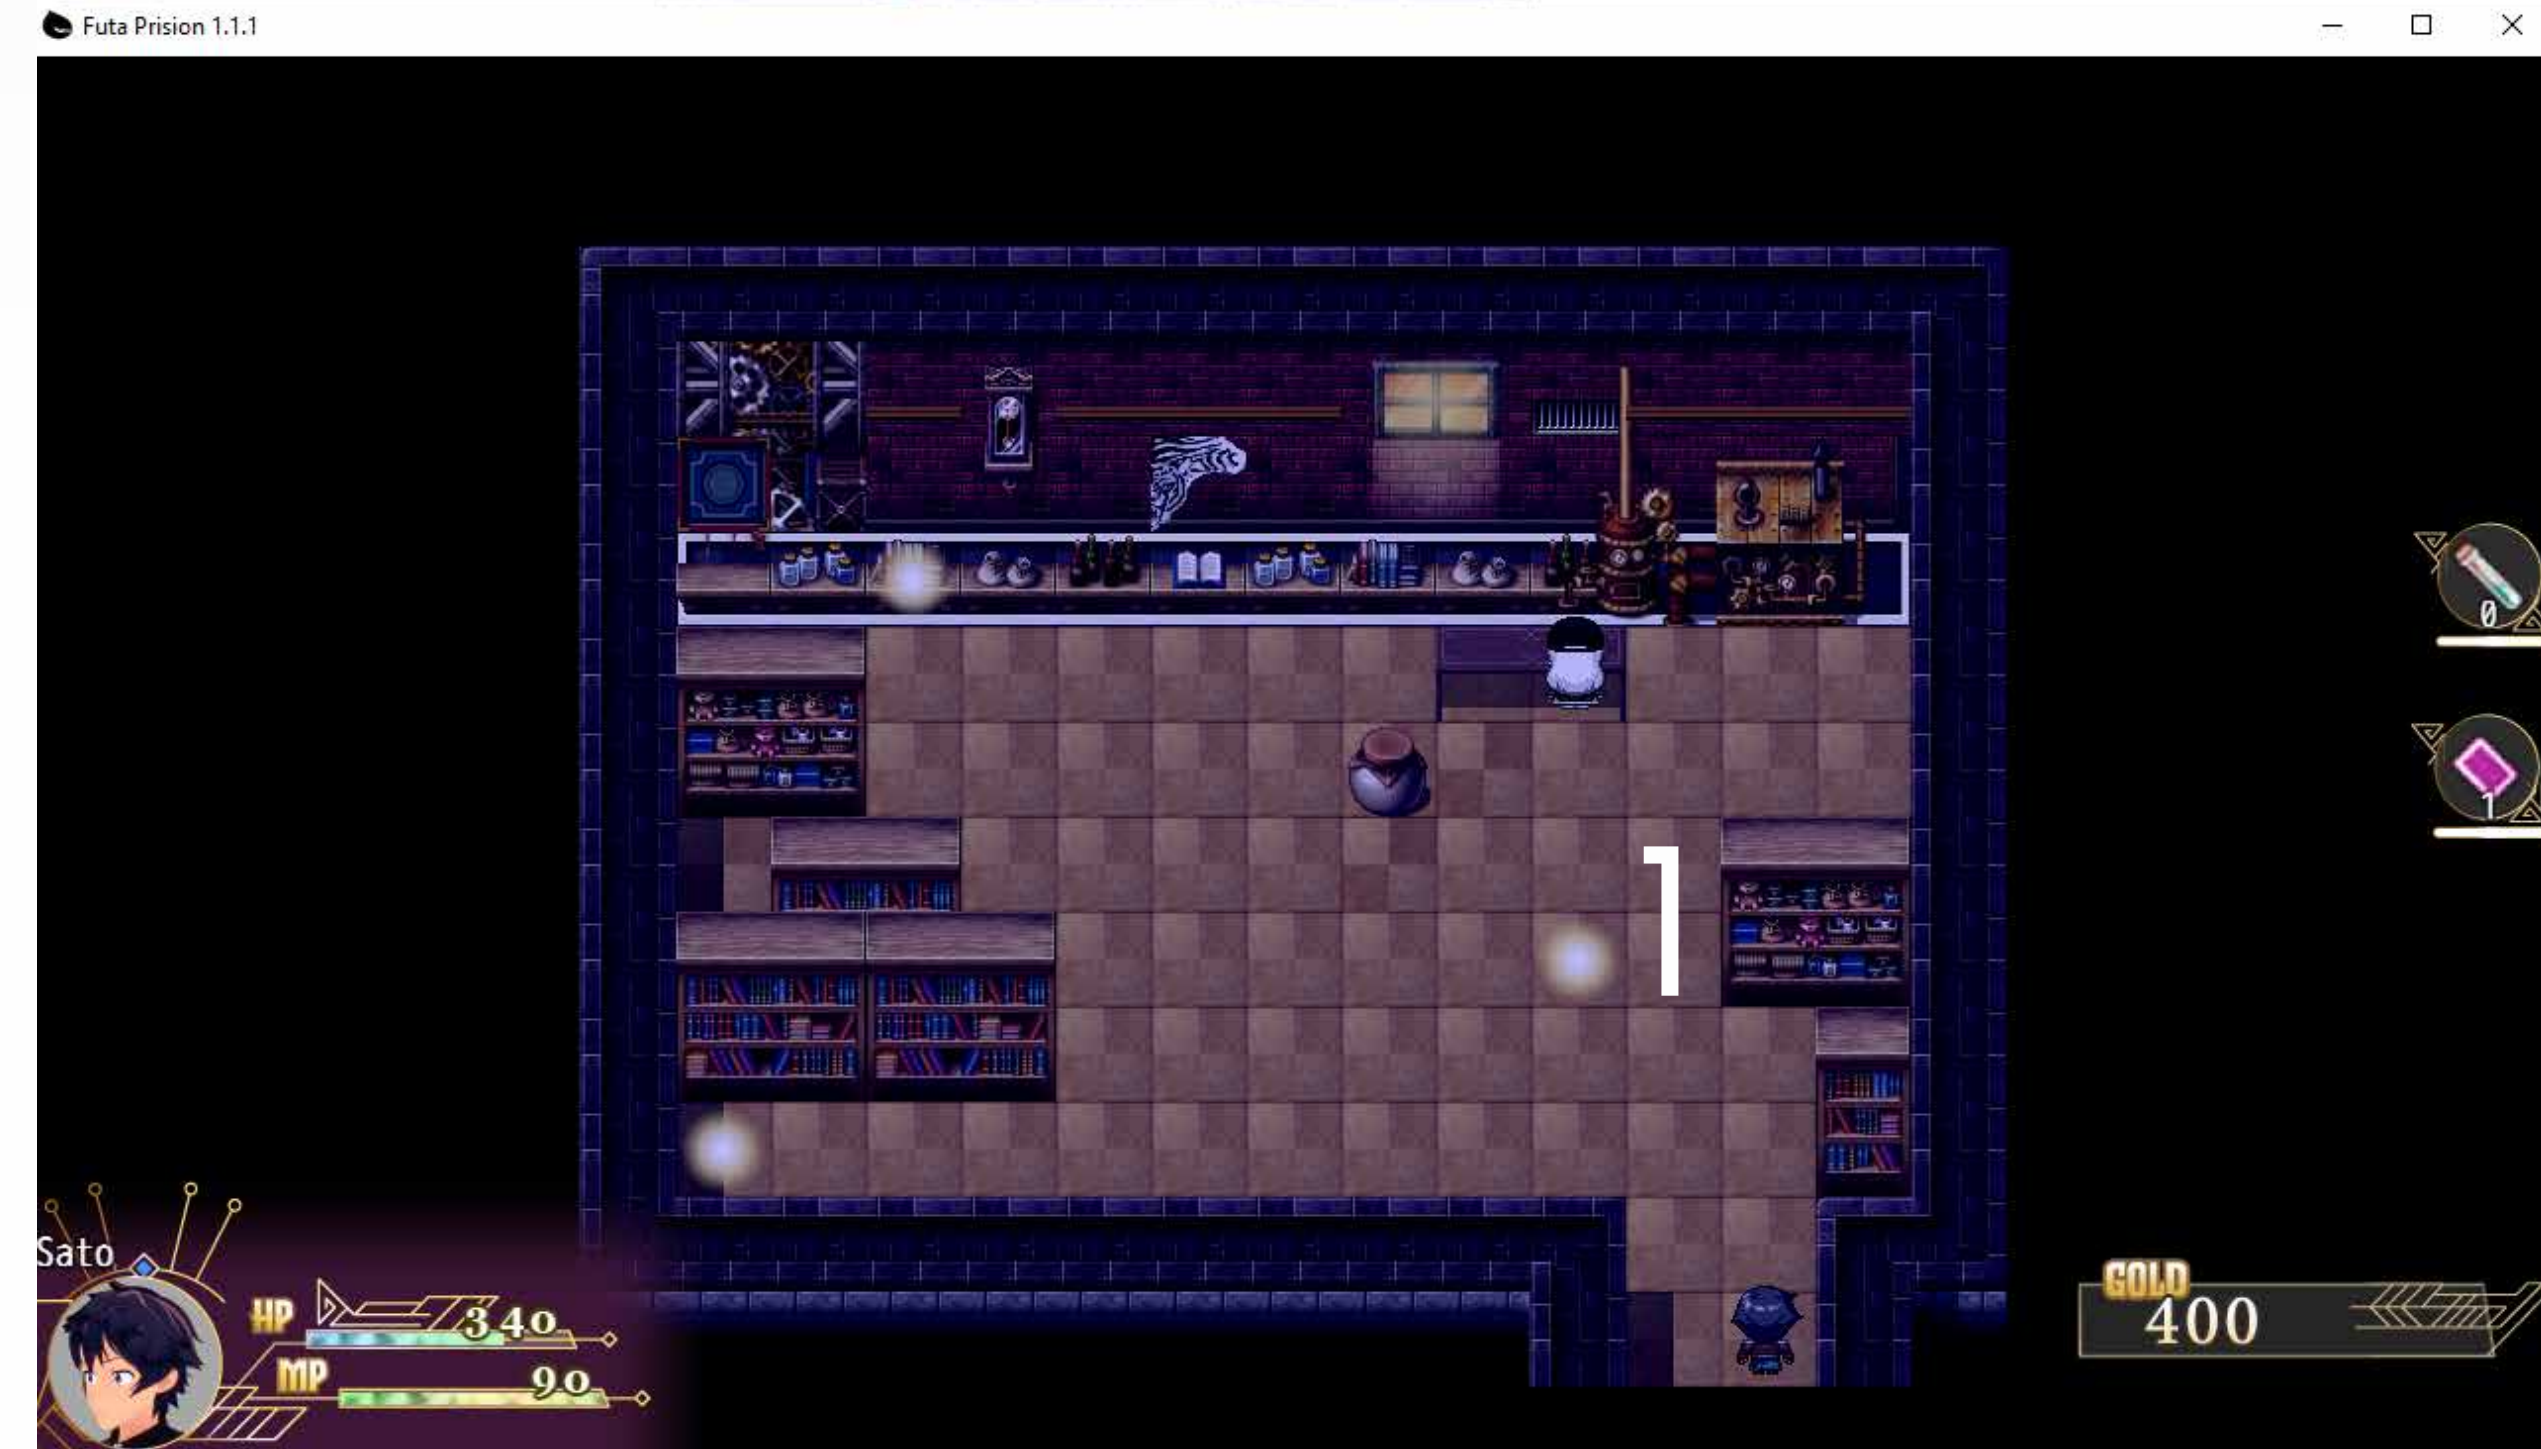

After helping him,  
The bottle will glow, there is the poisonous  
potion.

From here you can go, you already have what you were  
looking for. No need to help our friend, slave ass.

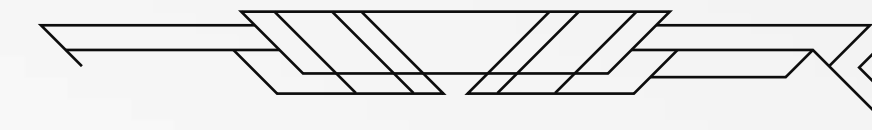

In case you want to help him, save.  
Eliza will show 3 hot events.  
2 with death and 1 with minigame.

After getting the poison potion, return to the main floor  
to defeat Valeria.

The scientist scene will be unlocked after she sleeps.

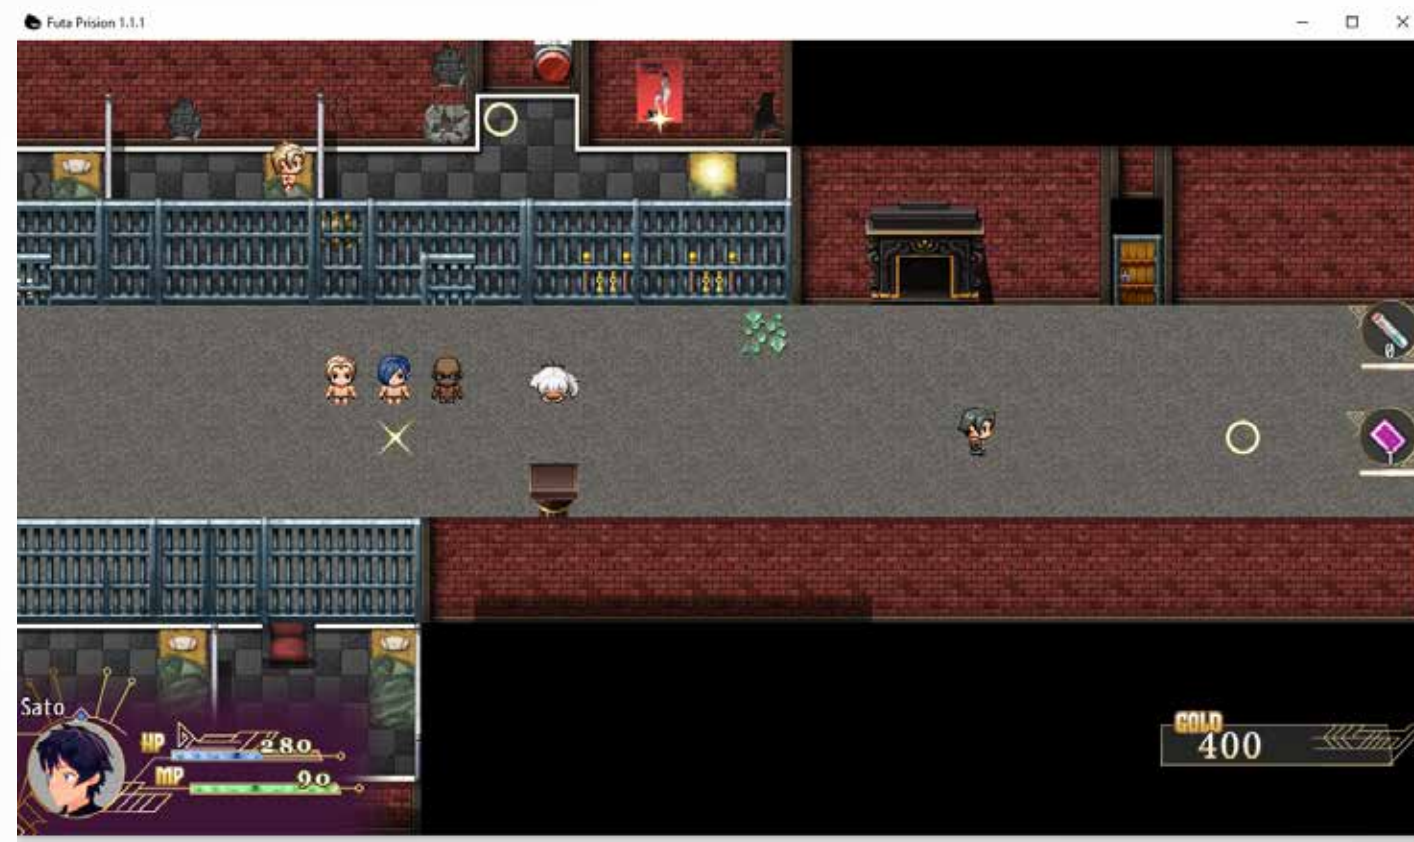

SECOND NIGHT

# VALERIA'S DEFEAT

By defeating Valeria, interact with the others.  
He then interacts with Valeria's body.

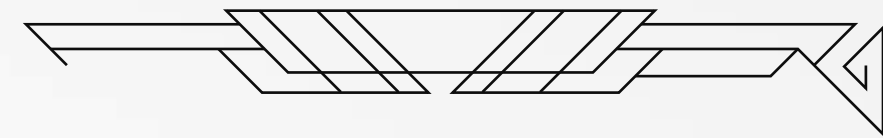

Congratulations, you got the key to floor 8.

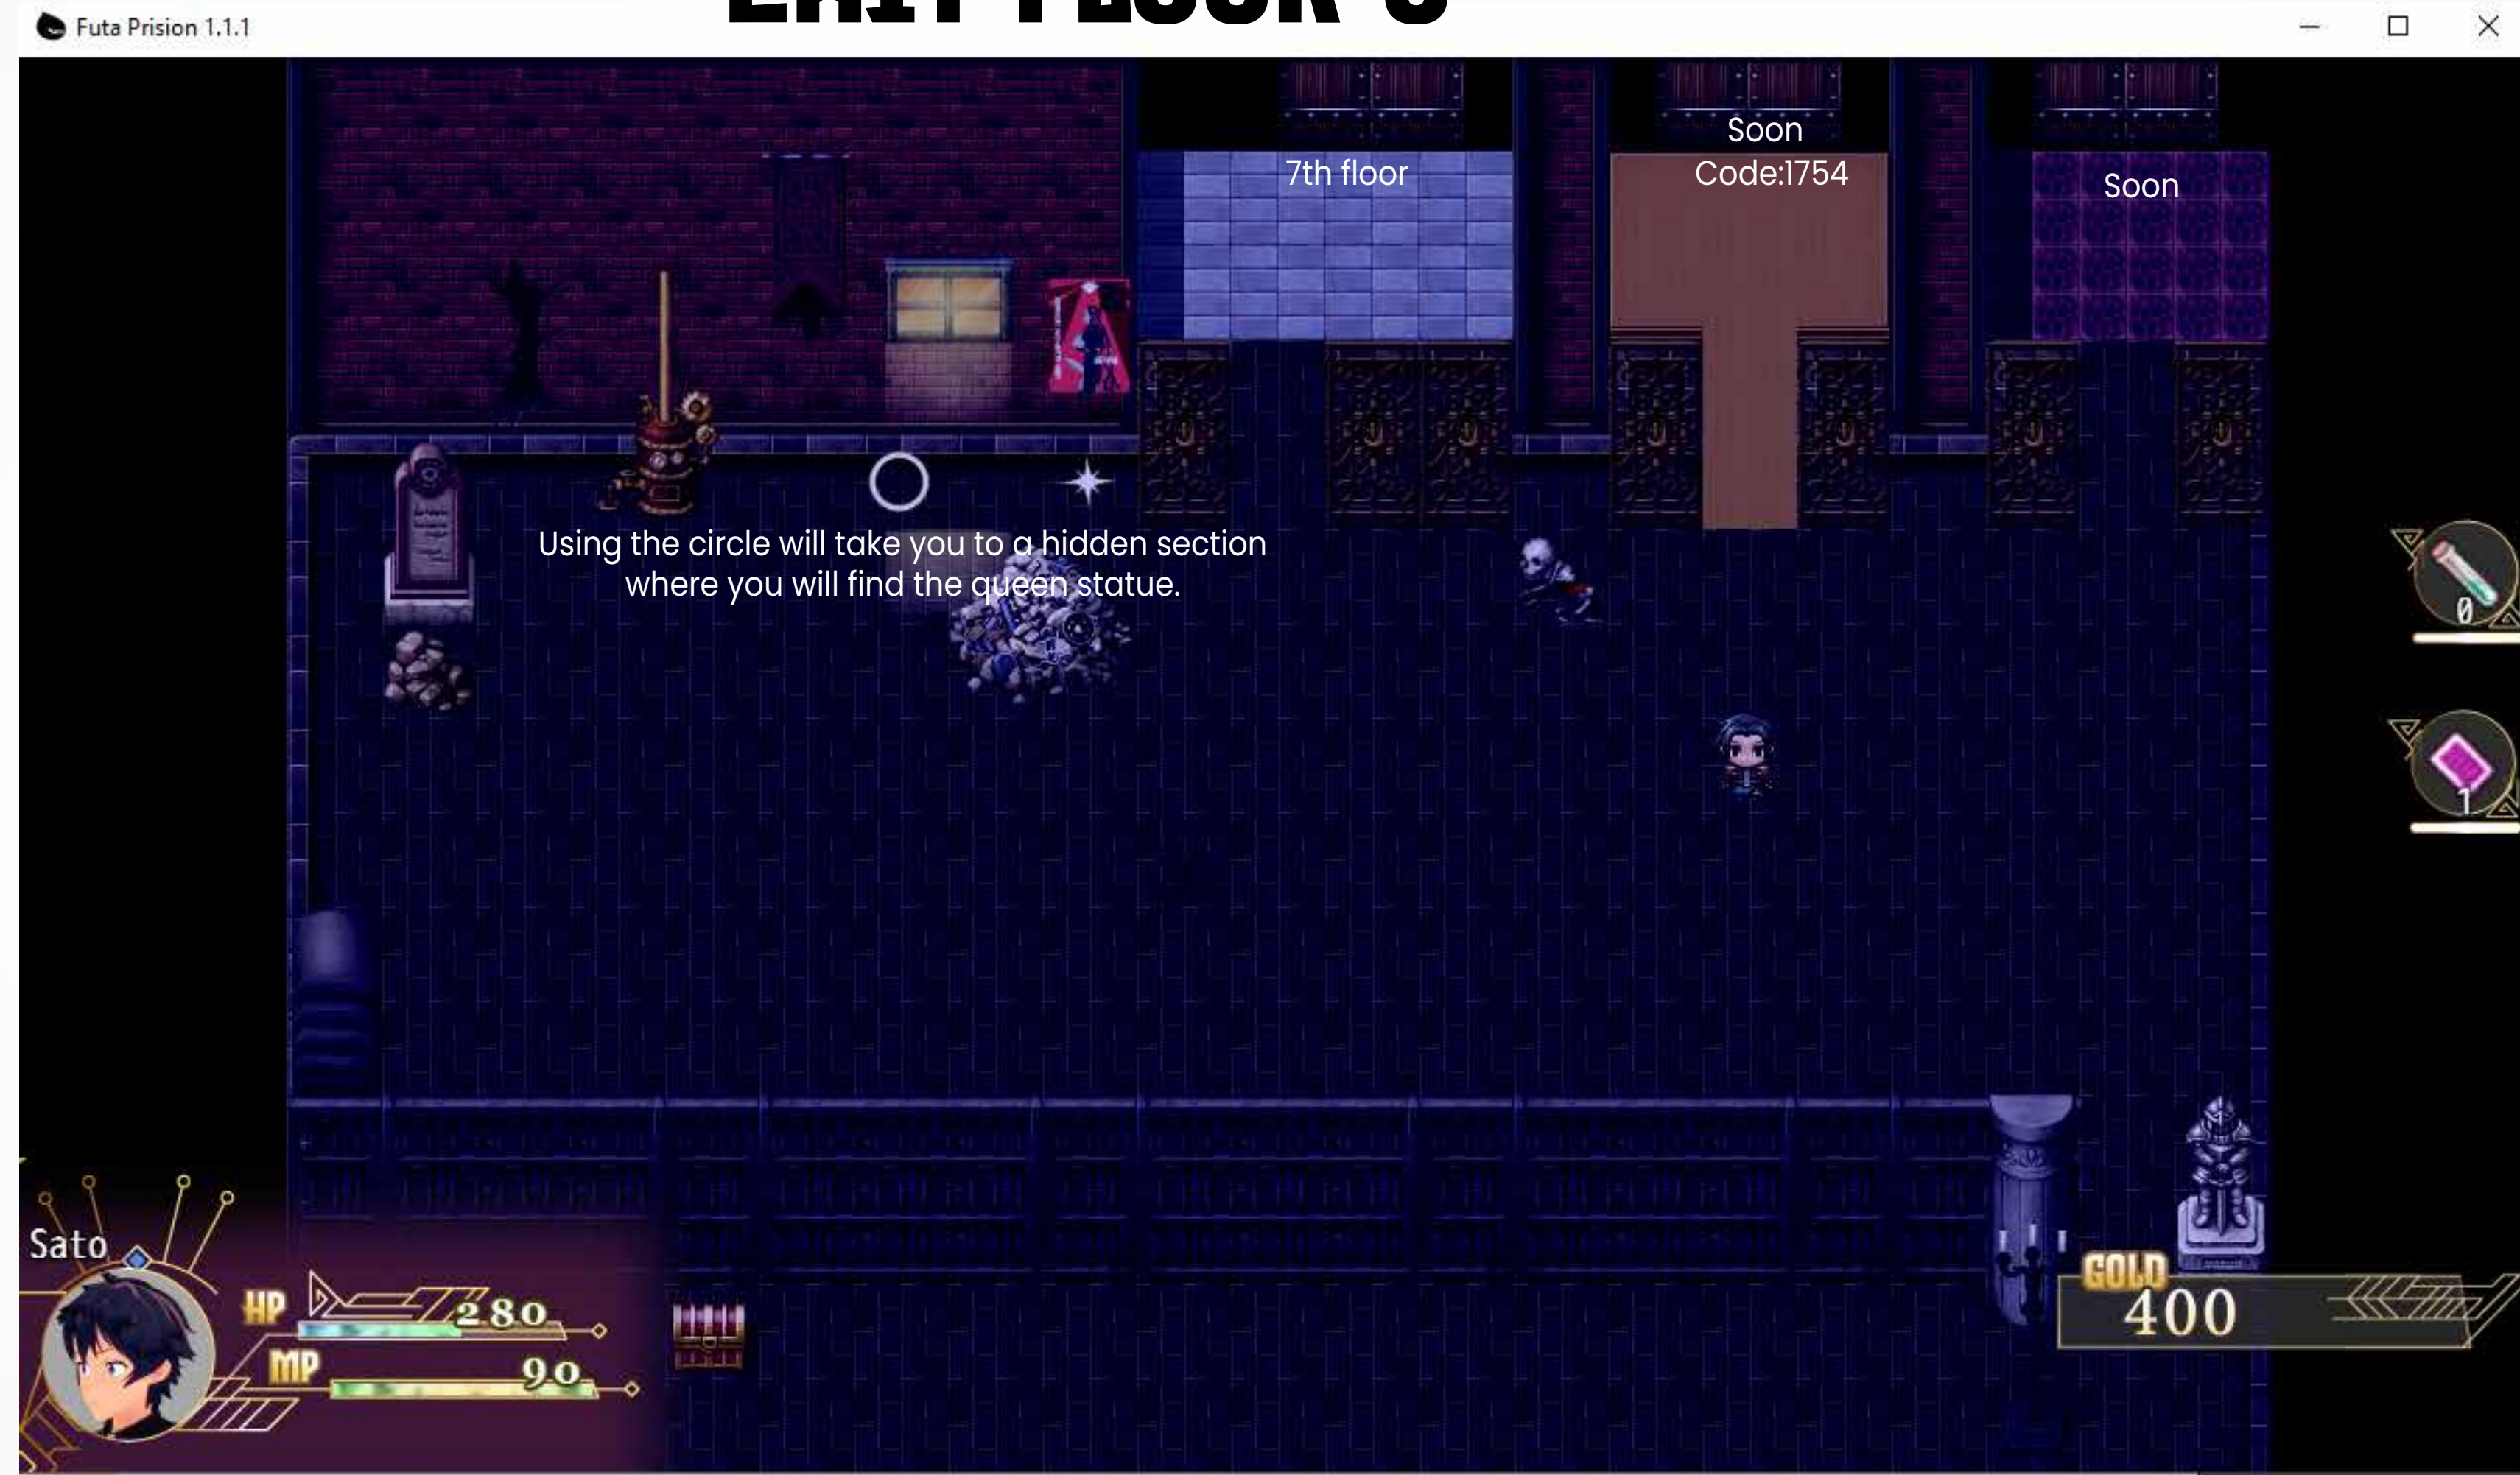

Interact with the circle so that it becomes night and you can leave, then head towards the exit.

There are several chests, if you are missing pieces, open them. There is a lot of gold.

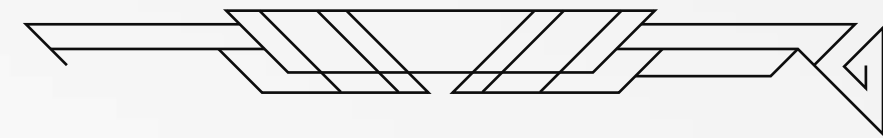

# EXIT FLOOR 8

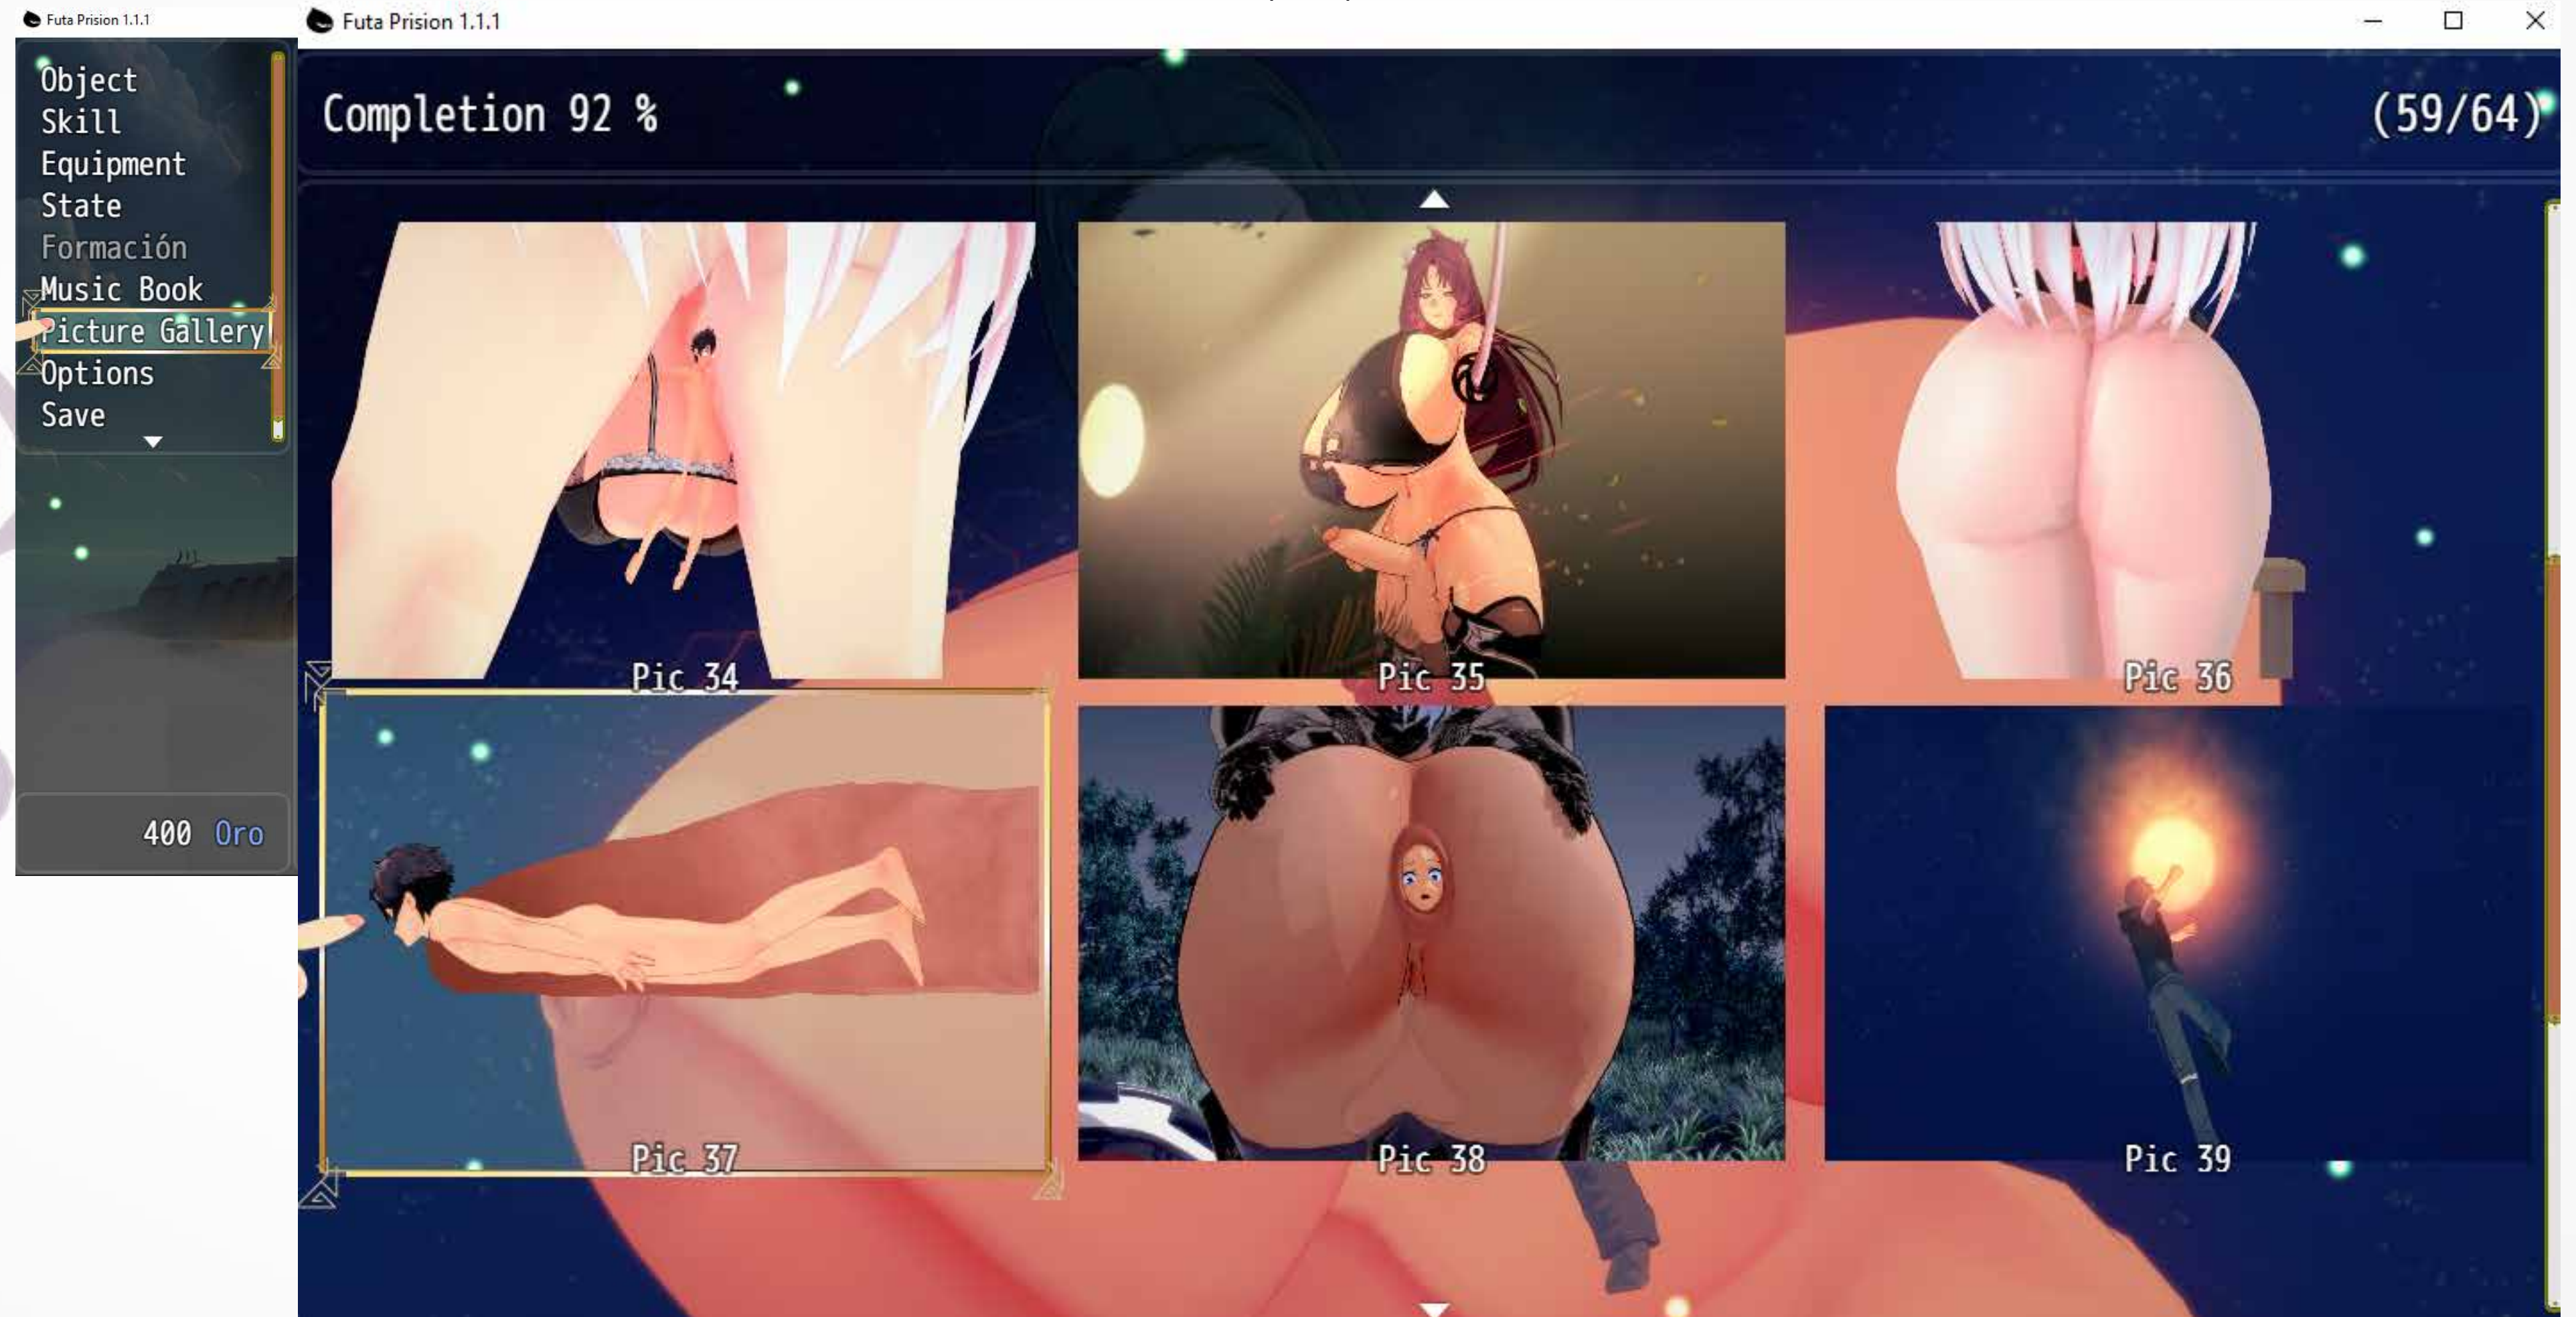

The GUIDE for step 8 ends here.

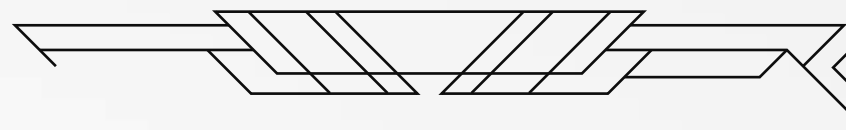

# GALLERY

There are hidden images throughout the game, interact with everything to find them

You can also unlock them in chest 1 of the memory room.

You can change the menu background with the letter Q

If you don't like it you can put the background back to 1

Botón por si hay algún bug de música.

You can use the memory room by touching the stone in your cell at night.

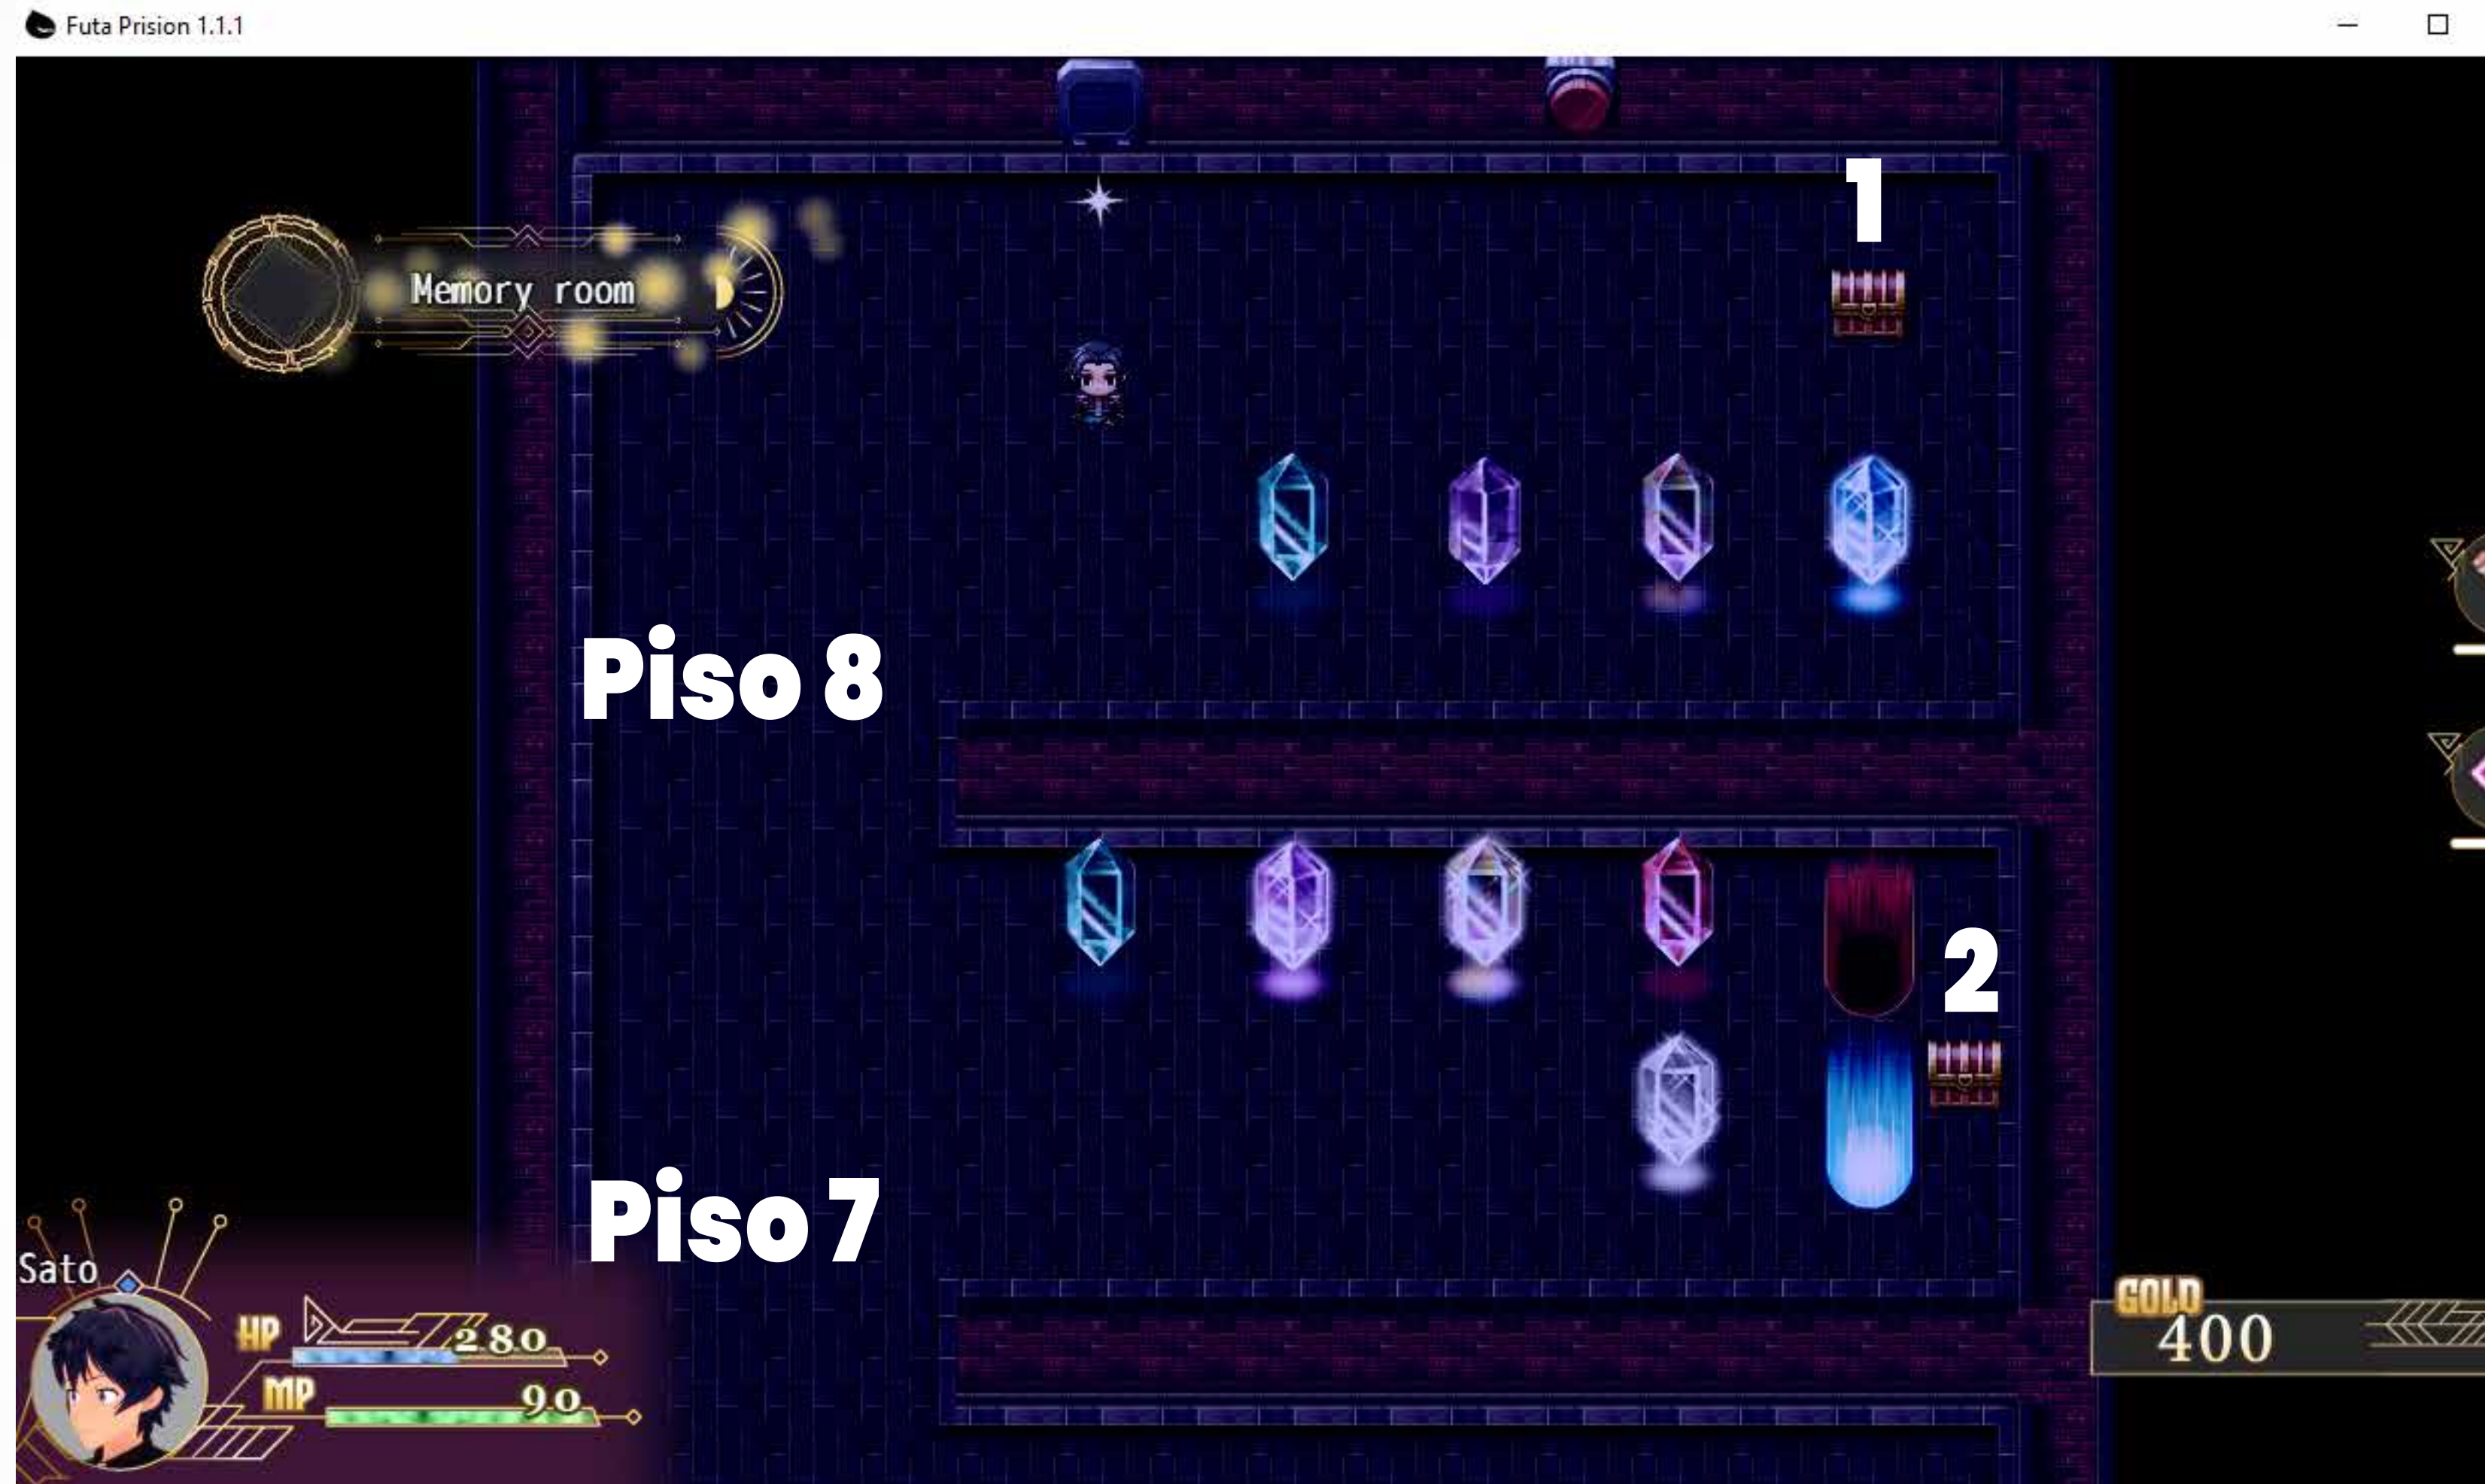

It is divided into floors, the first ones are on the 8th and the lower ones are on the 7th.

If you only want to see the scenes on floor 8, use chest 1. (it has no code)

Chest 2 unlocks all the scenes on floor 7 (there are quite a few, it has a code)

Chest code 2 is only available to Patreon members.

If you want to unlock it  
Join my Patreon  
[patreon.com/NinjaHead](https://patreon.com/NinjaHead)

To unlock each scene you must beat the game. Each scene will automatically unlock in the gallery. (this includes only floor 7, as on floor 8 in several events you die, it cannot be unlocked that is why I made the chest on the 8th floor free for everyone)

On the 7th floor if you can unlock the entire gallery passing the game.

When floor 6 is finished, chest 2 will be released for everyone and so on with each floor, and at the end, when you reach floor 1, only open one chest that will release everything.

# EVENT GALLERY

# PAINTINGS

History:  
A man who escapes from his mistress mustered the courage to end her oppression

History:  
Mother fucks her son's wife, he arrives to confront her, can she defeat her mother?

History:  
A young man is bought by a wealthy milf, she will show him a secret gift at the end.

The paintings were put up to explain what happens outside the prison, some have to do with the plot of the story and others simply because Ninja Head wanted it, haahaah :p

Save your fragments because on the 7th floor there are 9 paintings

# 7 FLOOR

# LYZANDRA

AMAZON

*"Smell my stench Amazonian."*

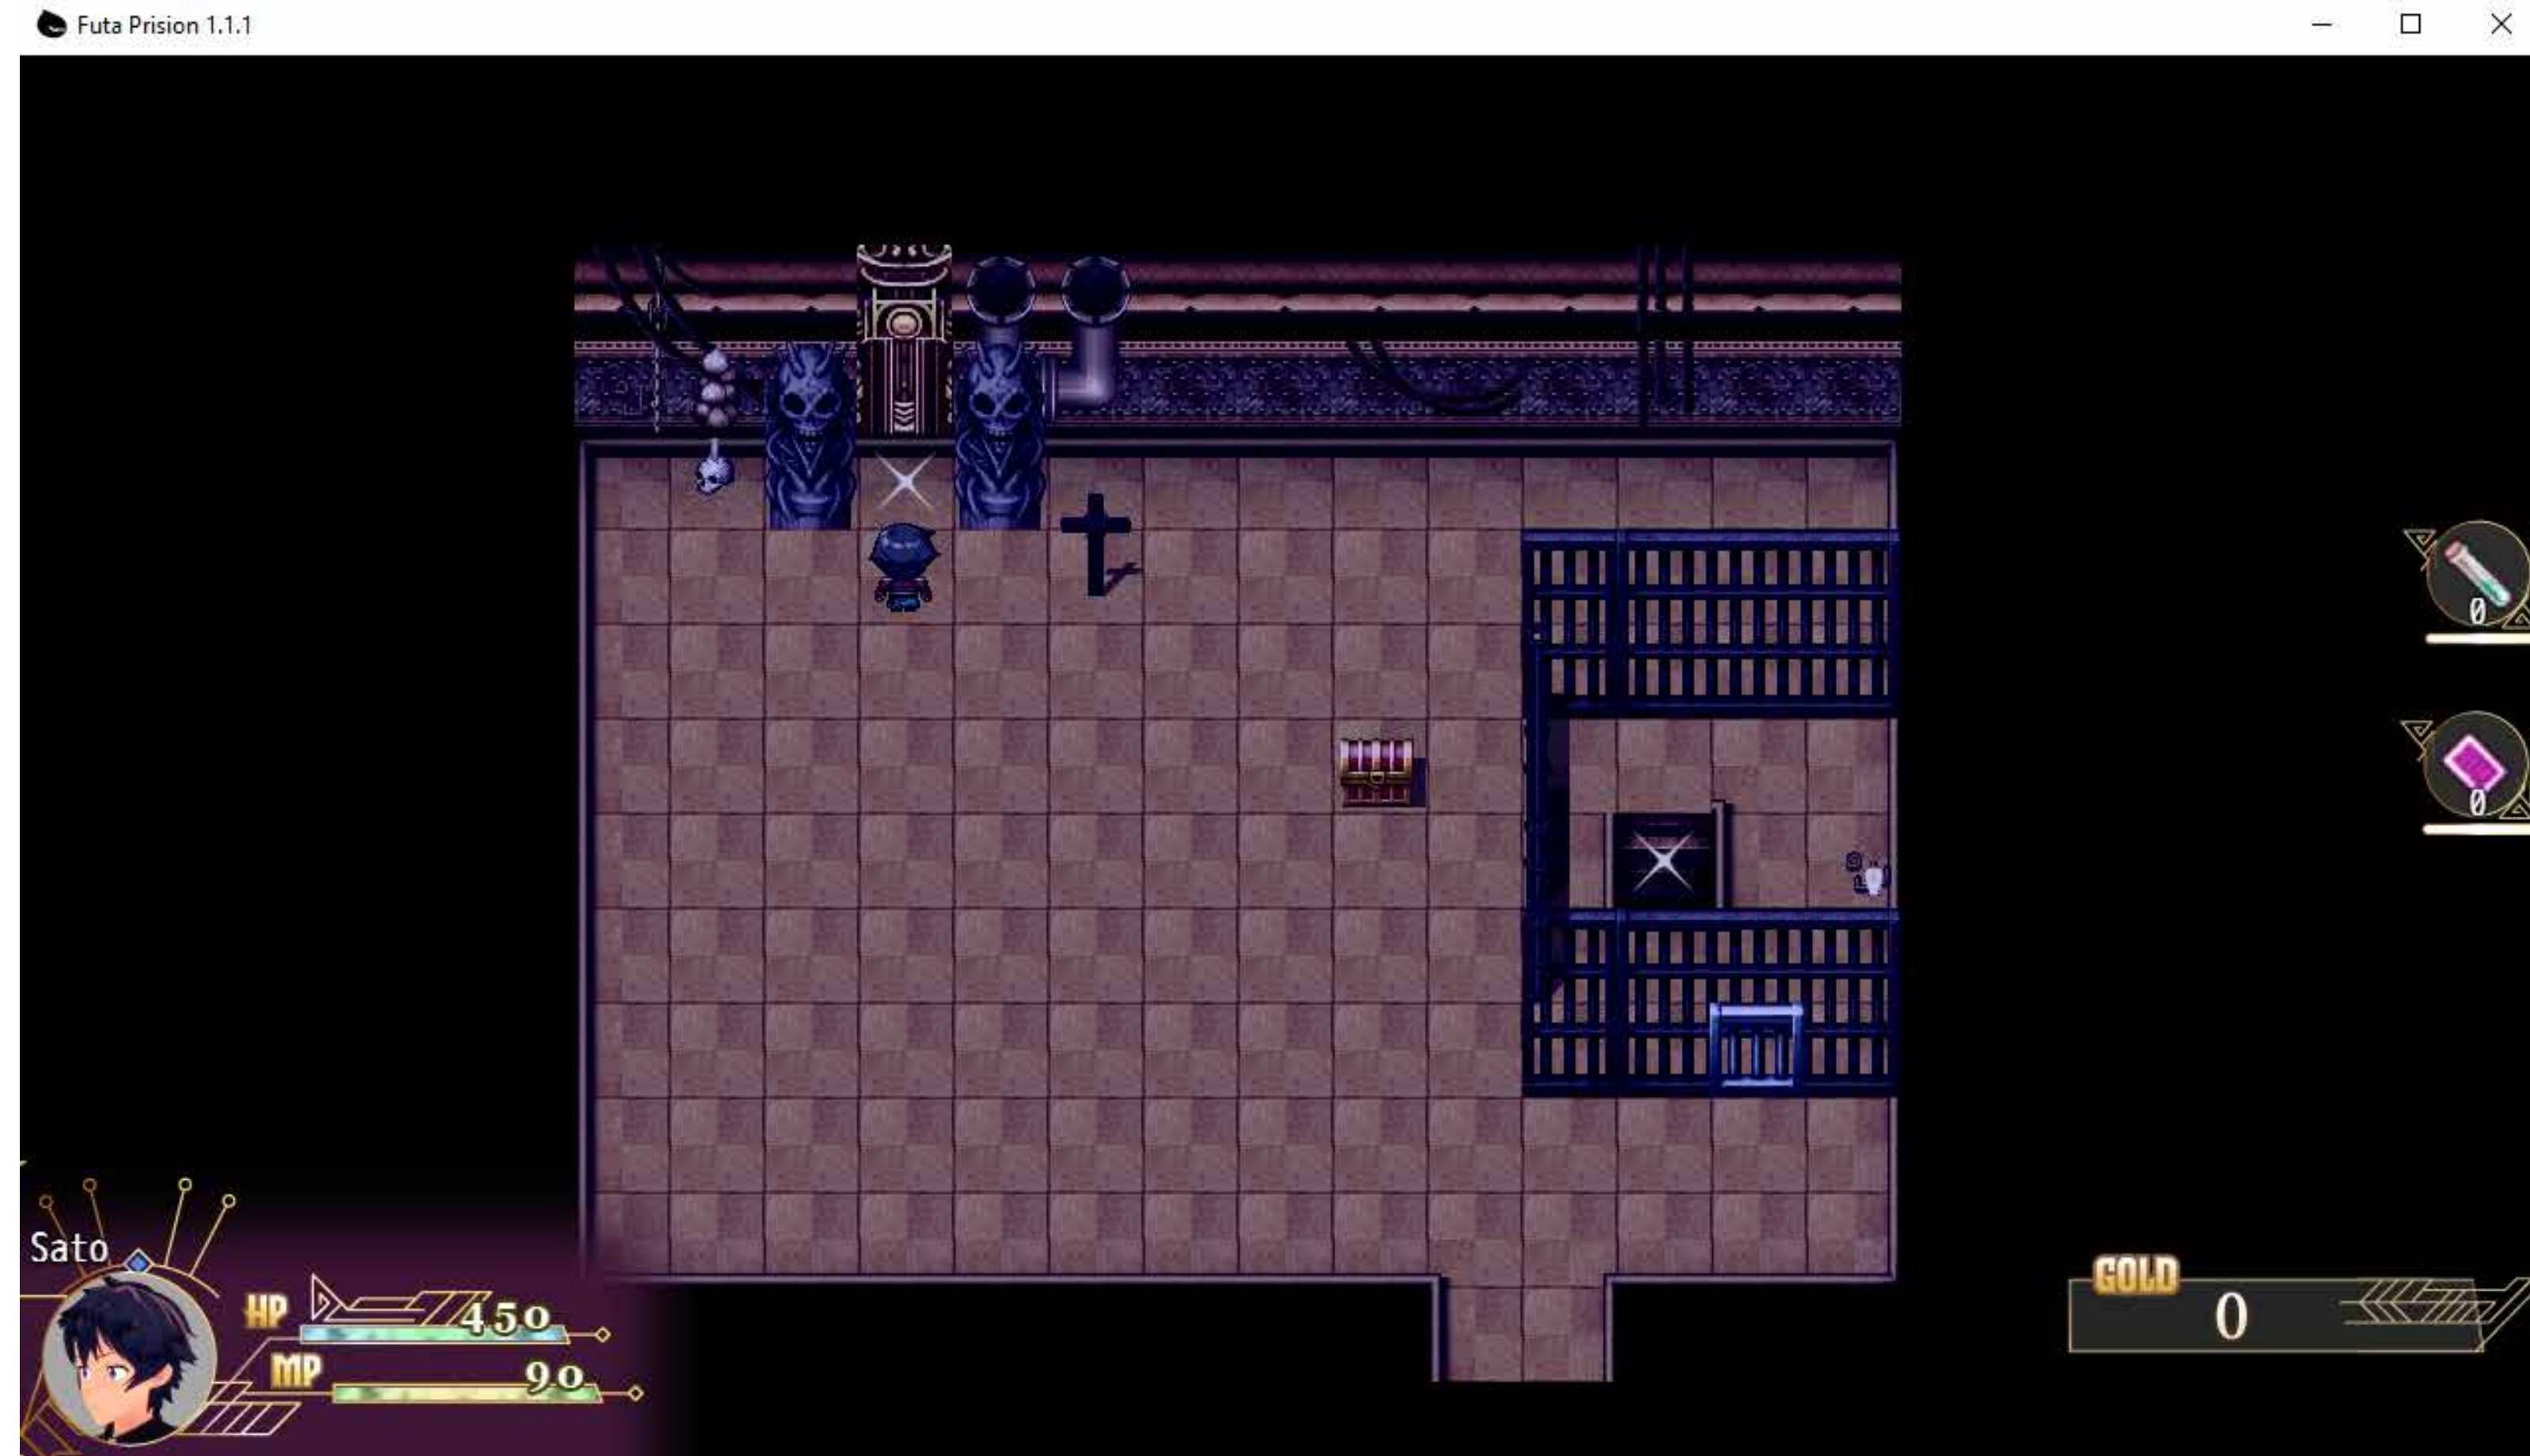

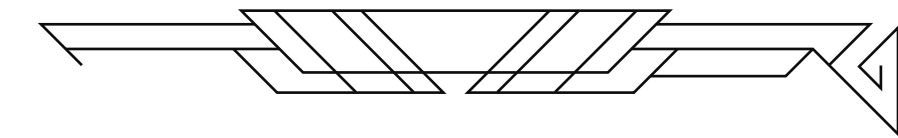

# ROOM FLOOR 7

START

Floor 7 is very different from 7 to 8, this one is longer with more events and you can also battle.

Interactúa con la luz entre los 2 pilares para ingresar.

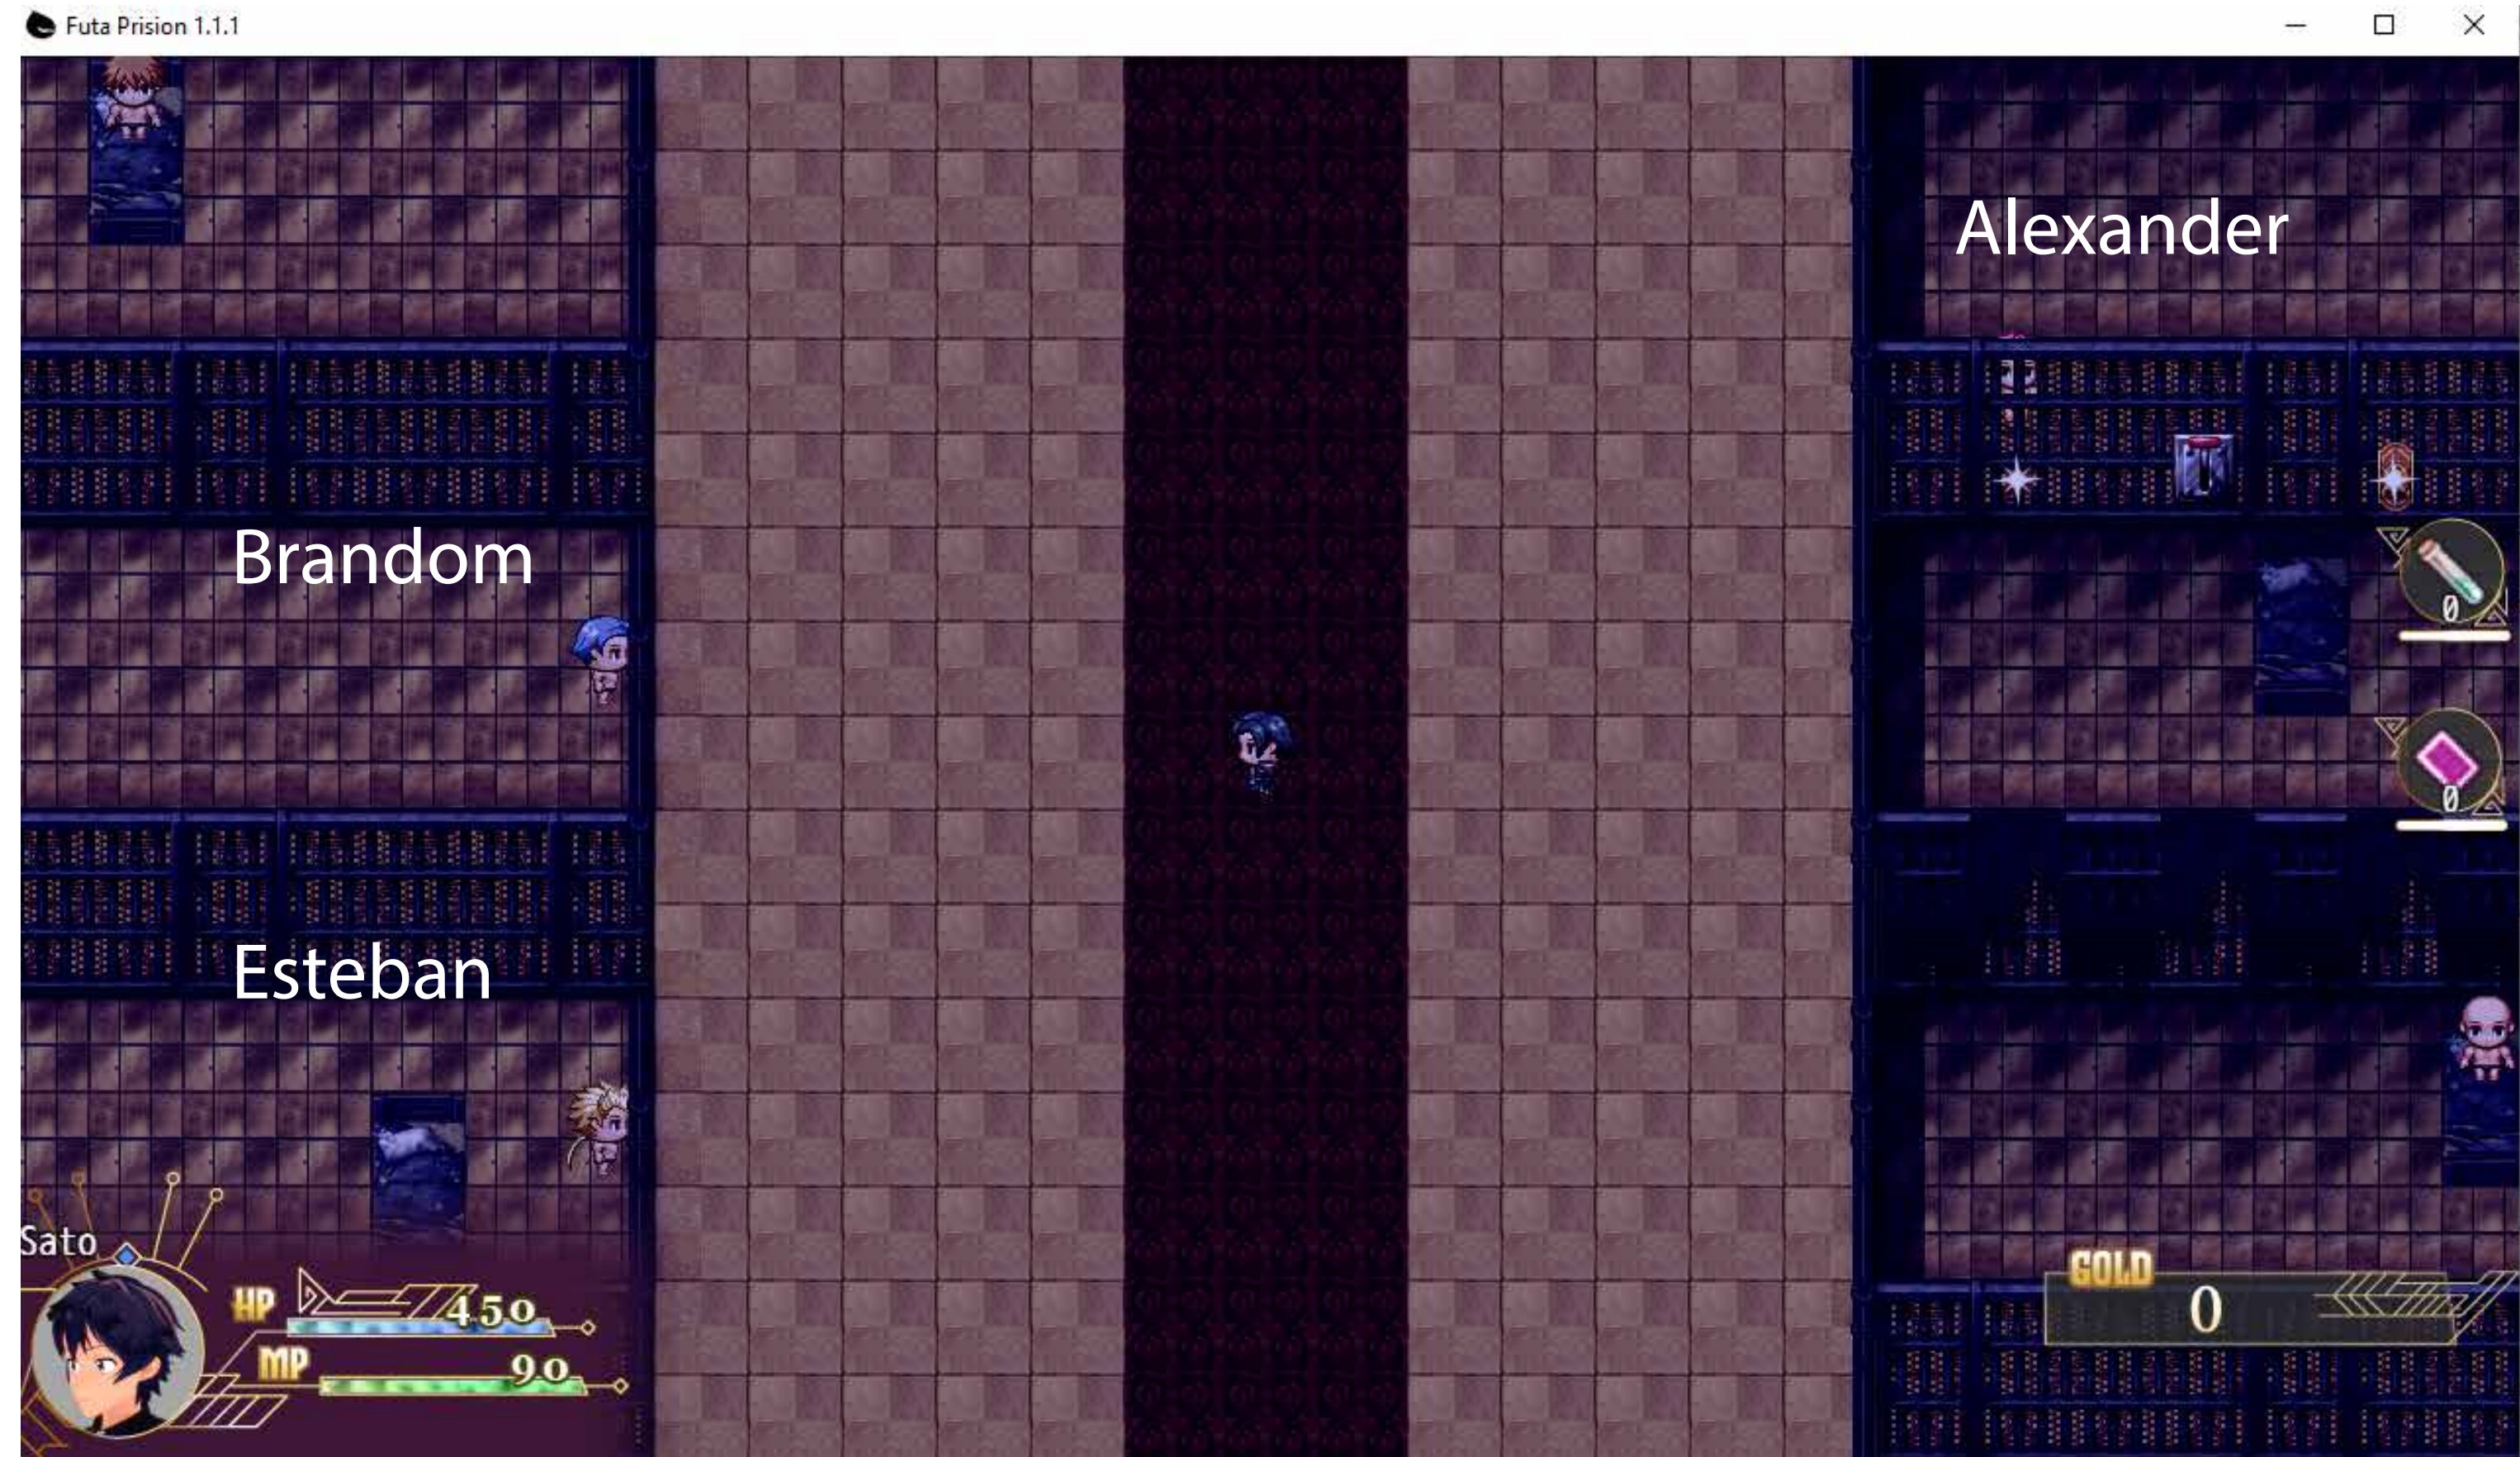

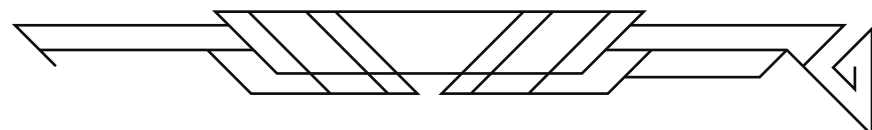

# FLOOR 7 PRISONERS

START

Once inside you can talk to the slaves, right and left ball, they are at the end of the carpet.

Talk to all the prisoners, there are no missions for now, but Esteban will give you a tool the next day

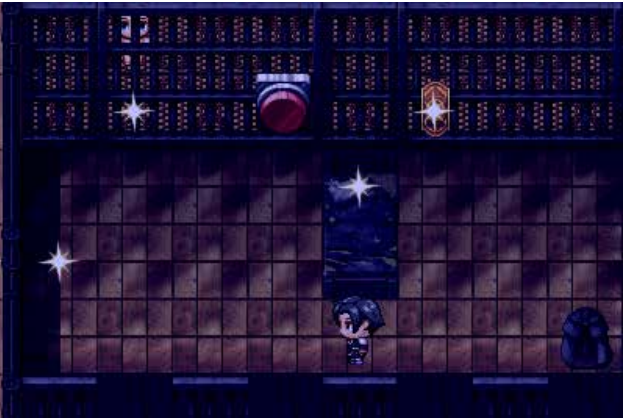

# UNLOCKING CELL

After interacting with Lyzandra's slaves, Helga will appear.

You can interact with her by getting close, you will unlock a cutscene. Don't worry on this floor, Sato can't die.

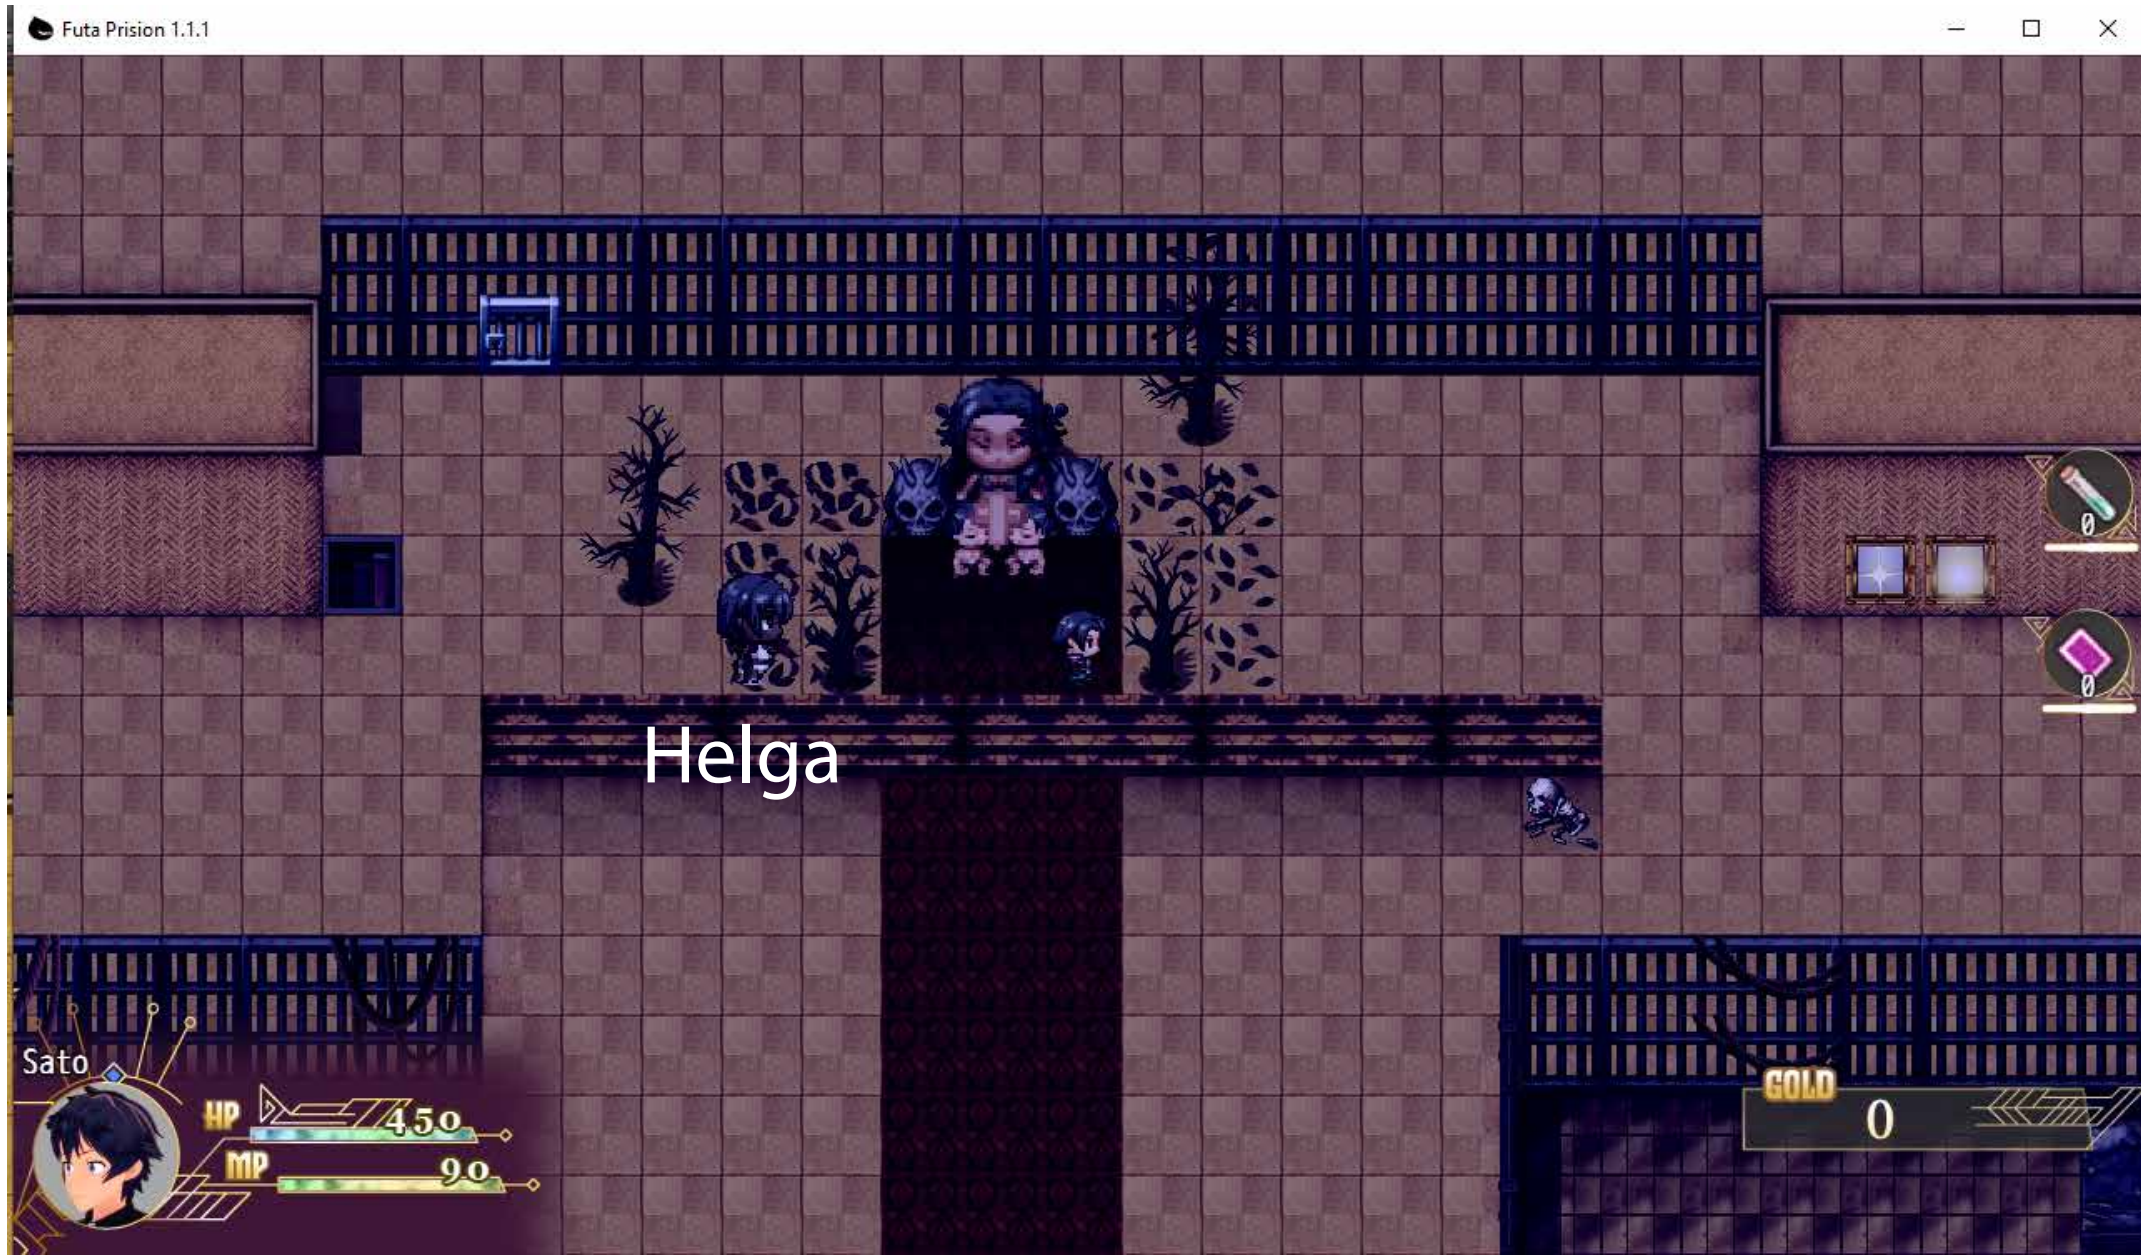

Now you can go to your cell, you will see it because there is a bright light outside it, you can go in and out.

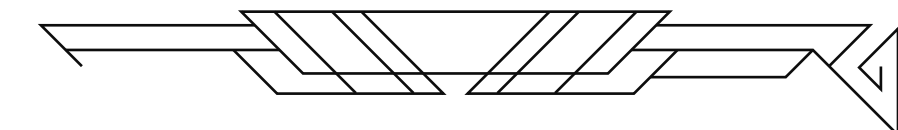

Interact with the flash in the shape of a circle, Sato will change his clothes, and he will also give them to Jorge. You can equip your new armor in the menu.

Now that you changed your clothes, you can sleep. Sleep to start night 1.

# START

# SEWER MISSION

# NIGHT 1

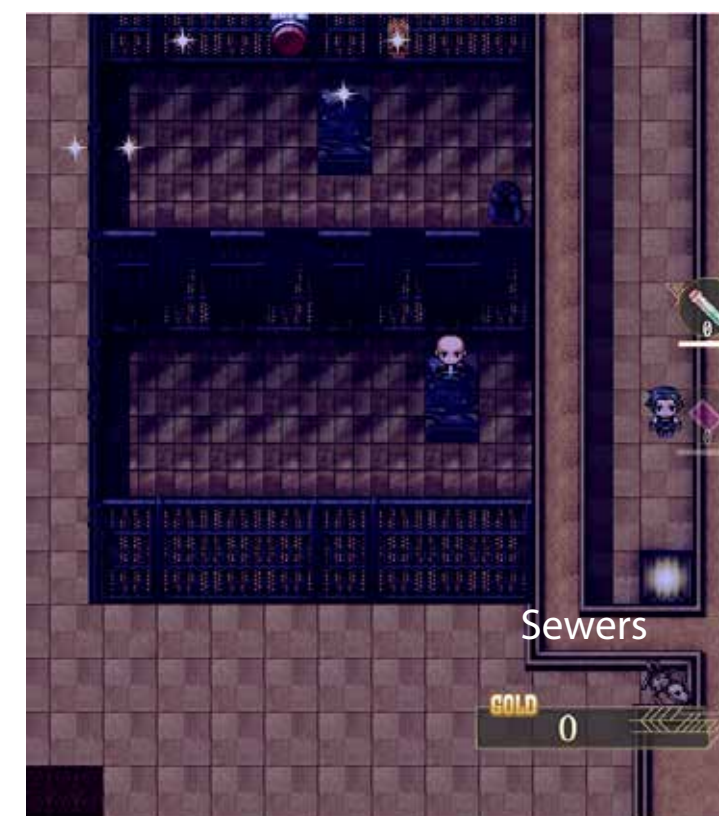

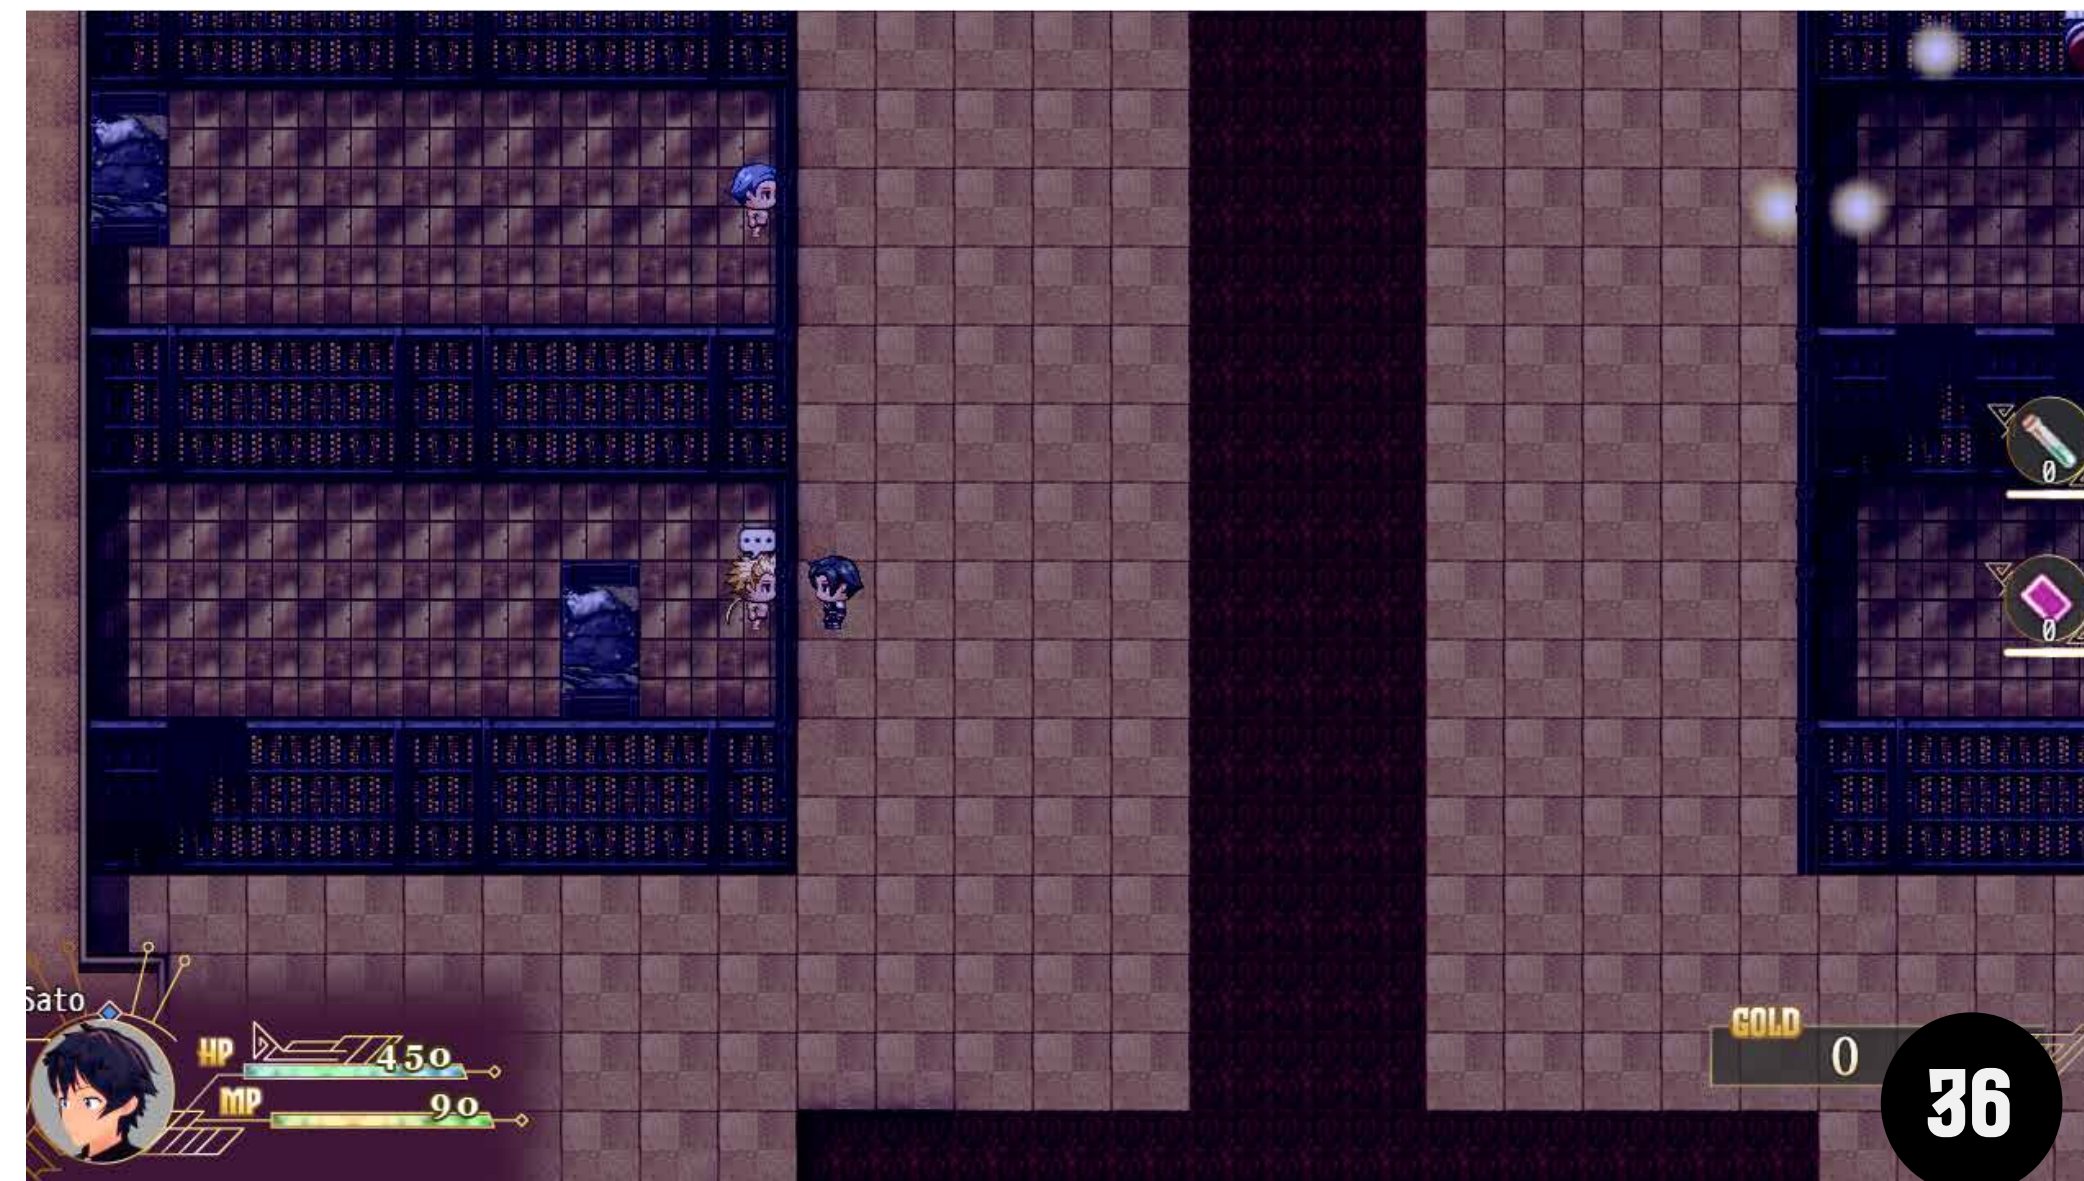

After sleeping, a scene of Lyzandra will appear, once I finished, go back to sleep, leave your cell and head towards the slaves, left and right ball interact.

Go talk to Esteban, he will give you a lever to go to the sewers.

f you didn't talk to Esteban before, talk to him until he gives you the lever.

The sewers are to the right of the map.

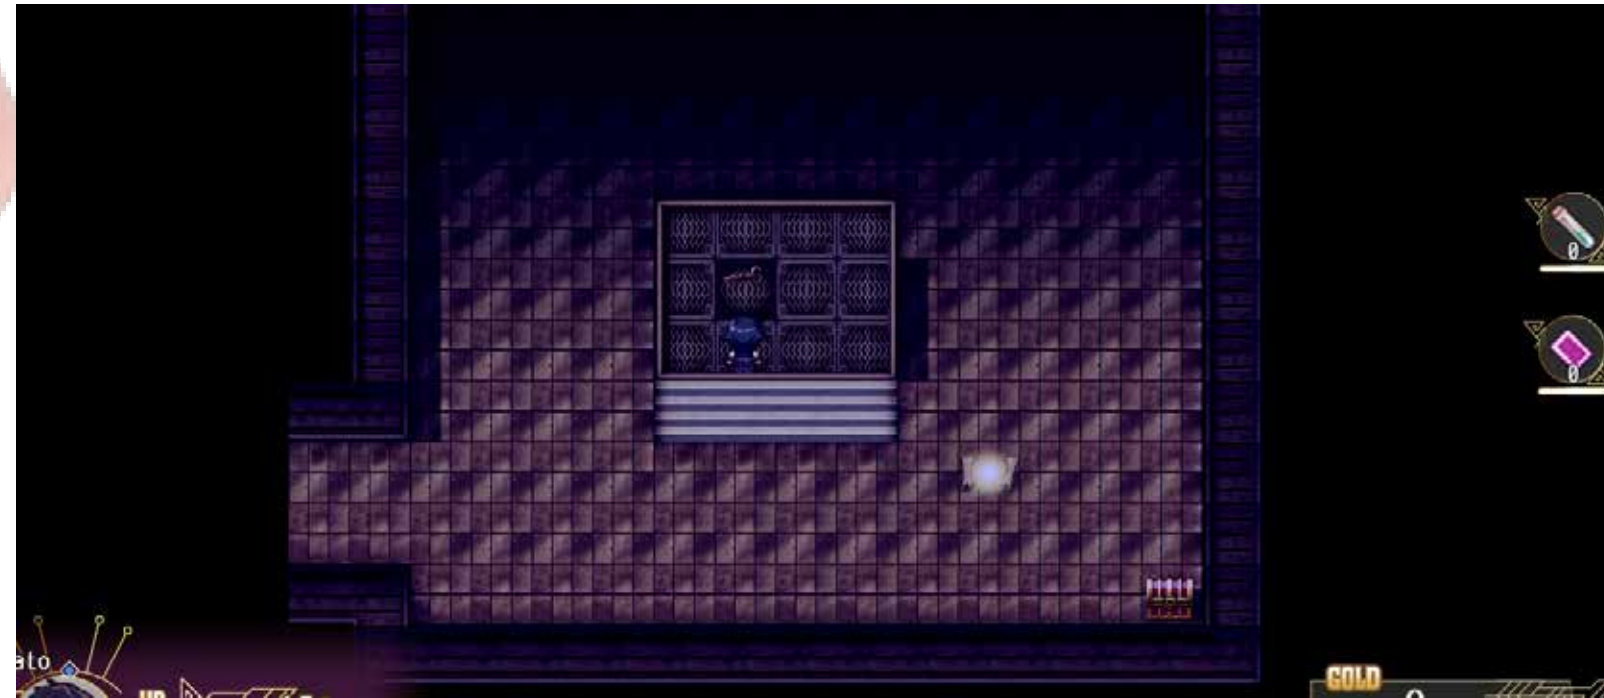

Interact to enter.

# SEWERS

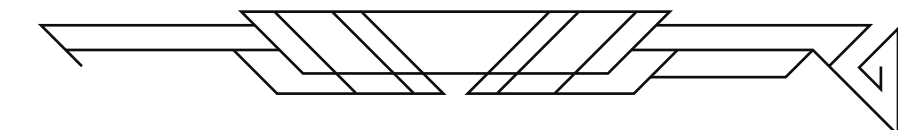

Upon reaching the sewers, if you want, you can interact with the wild woman.

The sewers are divided into 3 parts. Start on the right, you will reach a room, take the key.

Now you have the copy key, but you fell into a trap.

# STINK CLAN

Welcome to the Stench clan, interact with the leader

Then head to where the rebel is, the escape mission will be activated, look for the barrel so you can reach the rope.

Head to house 3 and grab the wood.

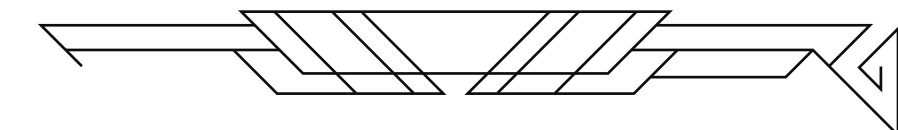

Then go to house 1 to get the barrel to escape

If you want, go to house 2 to have more gold (you will need it).

# NIGHT 1

# STINK CLAN

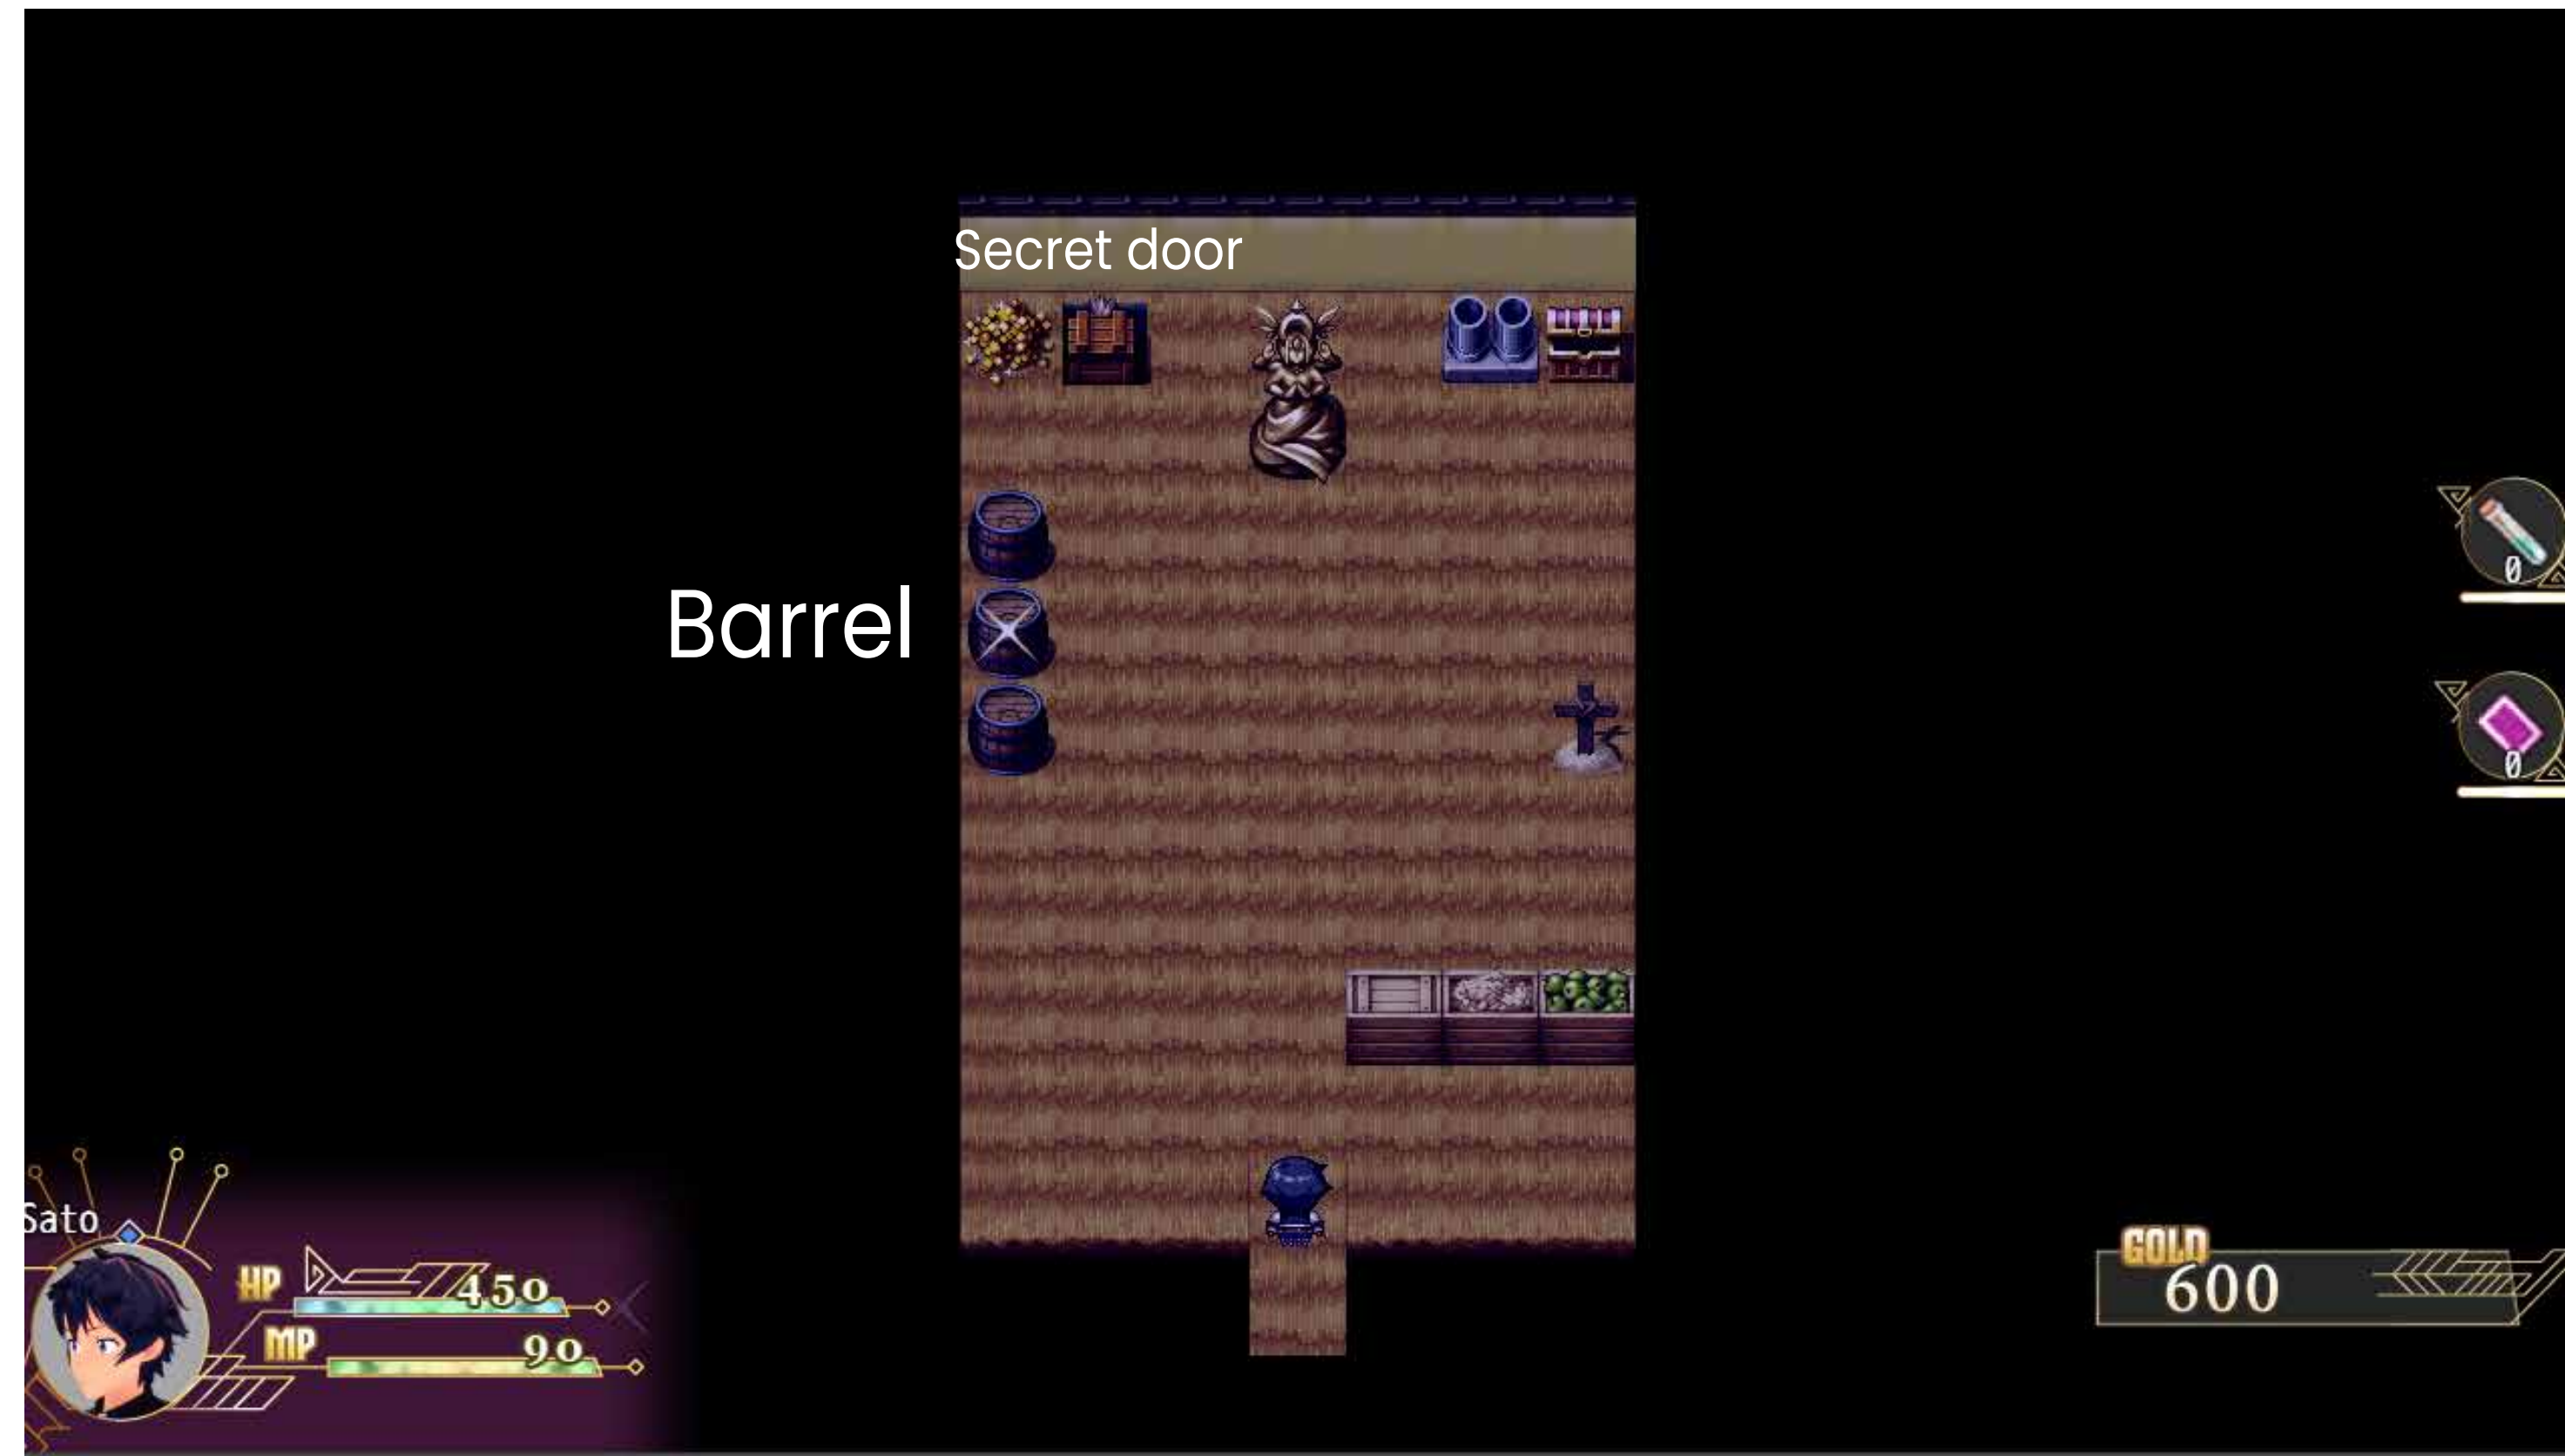

Interact with the barrel, the secret door will open, enter it.

Grab the mask and take the key to the abandoned library.

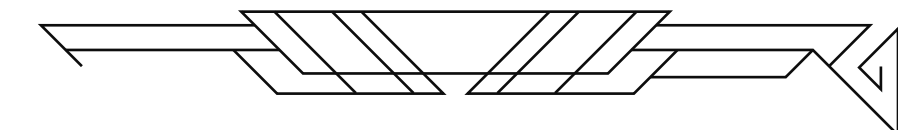

Now you can go out

Se desbloqueará el evento del clan Hedor.

# NIGHT 1

# STINK CLAN

You will see that your friend is no longer there, he is in the offering area (you can interact to see him)  
You can rescue him when you get the key to floor 7.

Place the barrel and exit.

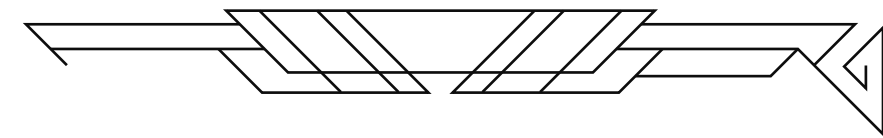

Interact with the fireplace; If he didn't take the wood, he comes back for it.

You reached the sewer, use the wood on the fireplace again and go to Helga's room.

# NIGHT 1

# HELGA ROOM

# NIGHT 1

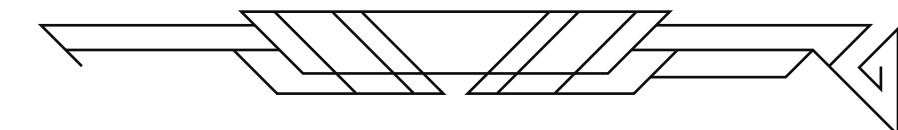

If you want, interact with Helga, she is asleep.

Use the store to buy, it will be useful in the future. Use the roulette wheel for the parts (don't buy them in the store, they are more expensive).

Head towards the exit, you will unlock the huntress event.

Go back to sleep to unlock the 2nd night.

# START NIGHT 2

# NIGHT 2

After lyzandra goes to your cell, sleep and go to Helga's room,

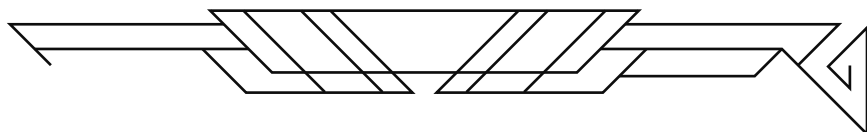

Upon entering, you will unlock an event, You can test Helga's experiments by interacting with her.

Now you can go straight to the sewer from the chimney.

You can rewatch Helga's initial event on Helga's TV

Ahora dirígete a las alcantarillas.

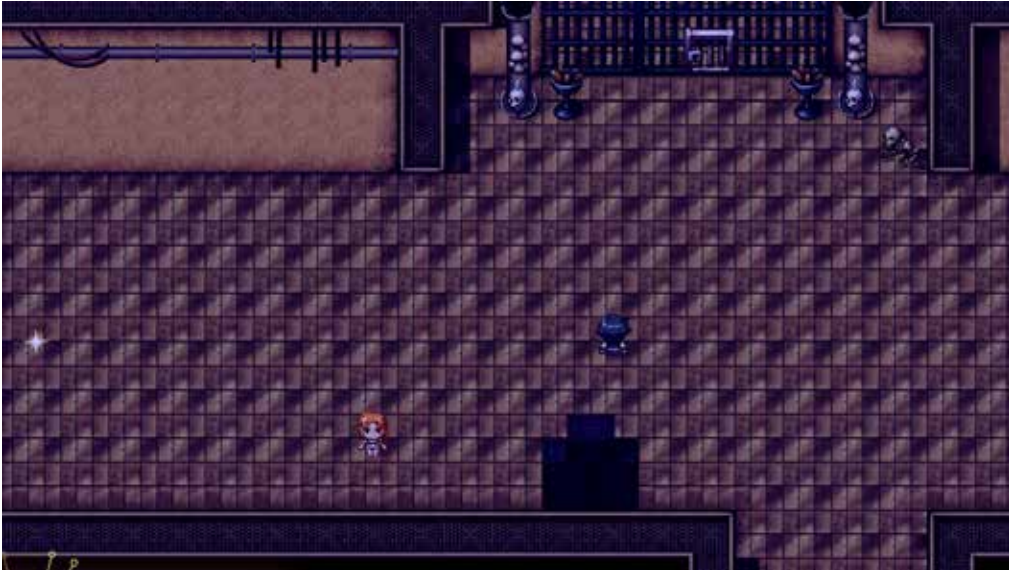

# WILD WOMAN

You will see that the wild woman is no longer in her bed.

There is a bright light in the center, interact to unlock the wild woman.

Now she will be around. If you touch her, the event will activate hunting the prey, she will hunt you and fuck you.

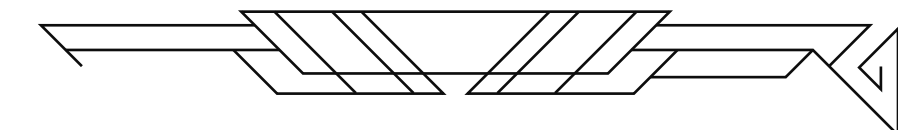

Go to the middle door, this leads to the library.

If you can't get in, it means. You didn't take the key to the library. (pag 39)

# NIGHT 2

# HIRIKA HALL

Talk to the man lying in the very important as you will learn your first attack spell, **(Electric Magic)**.

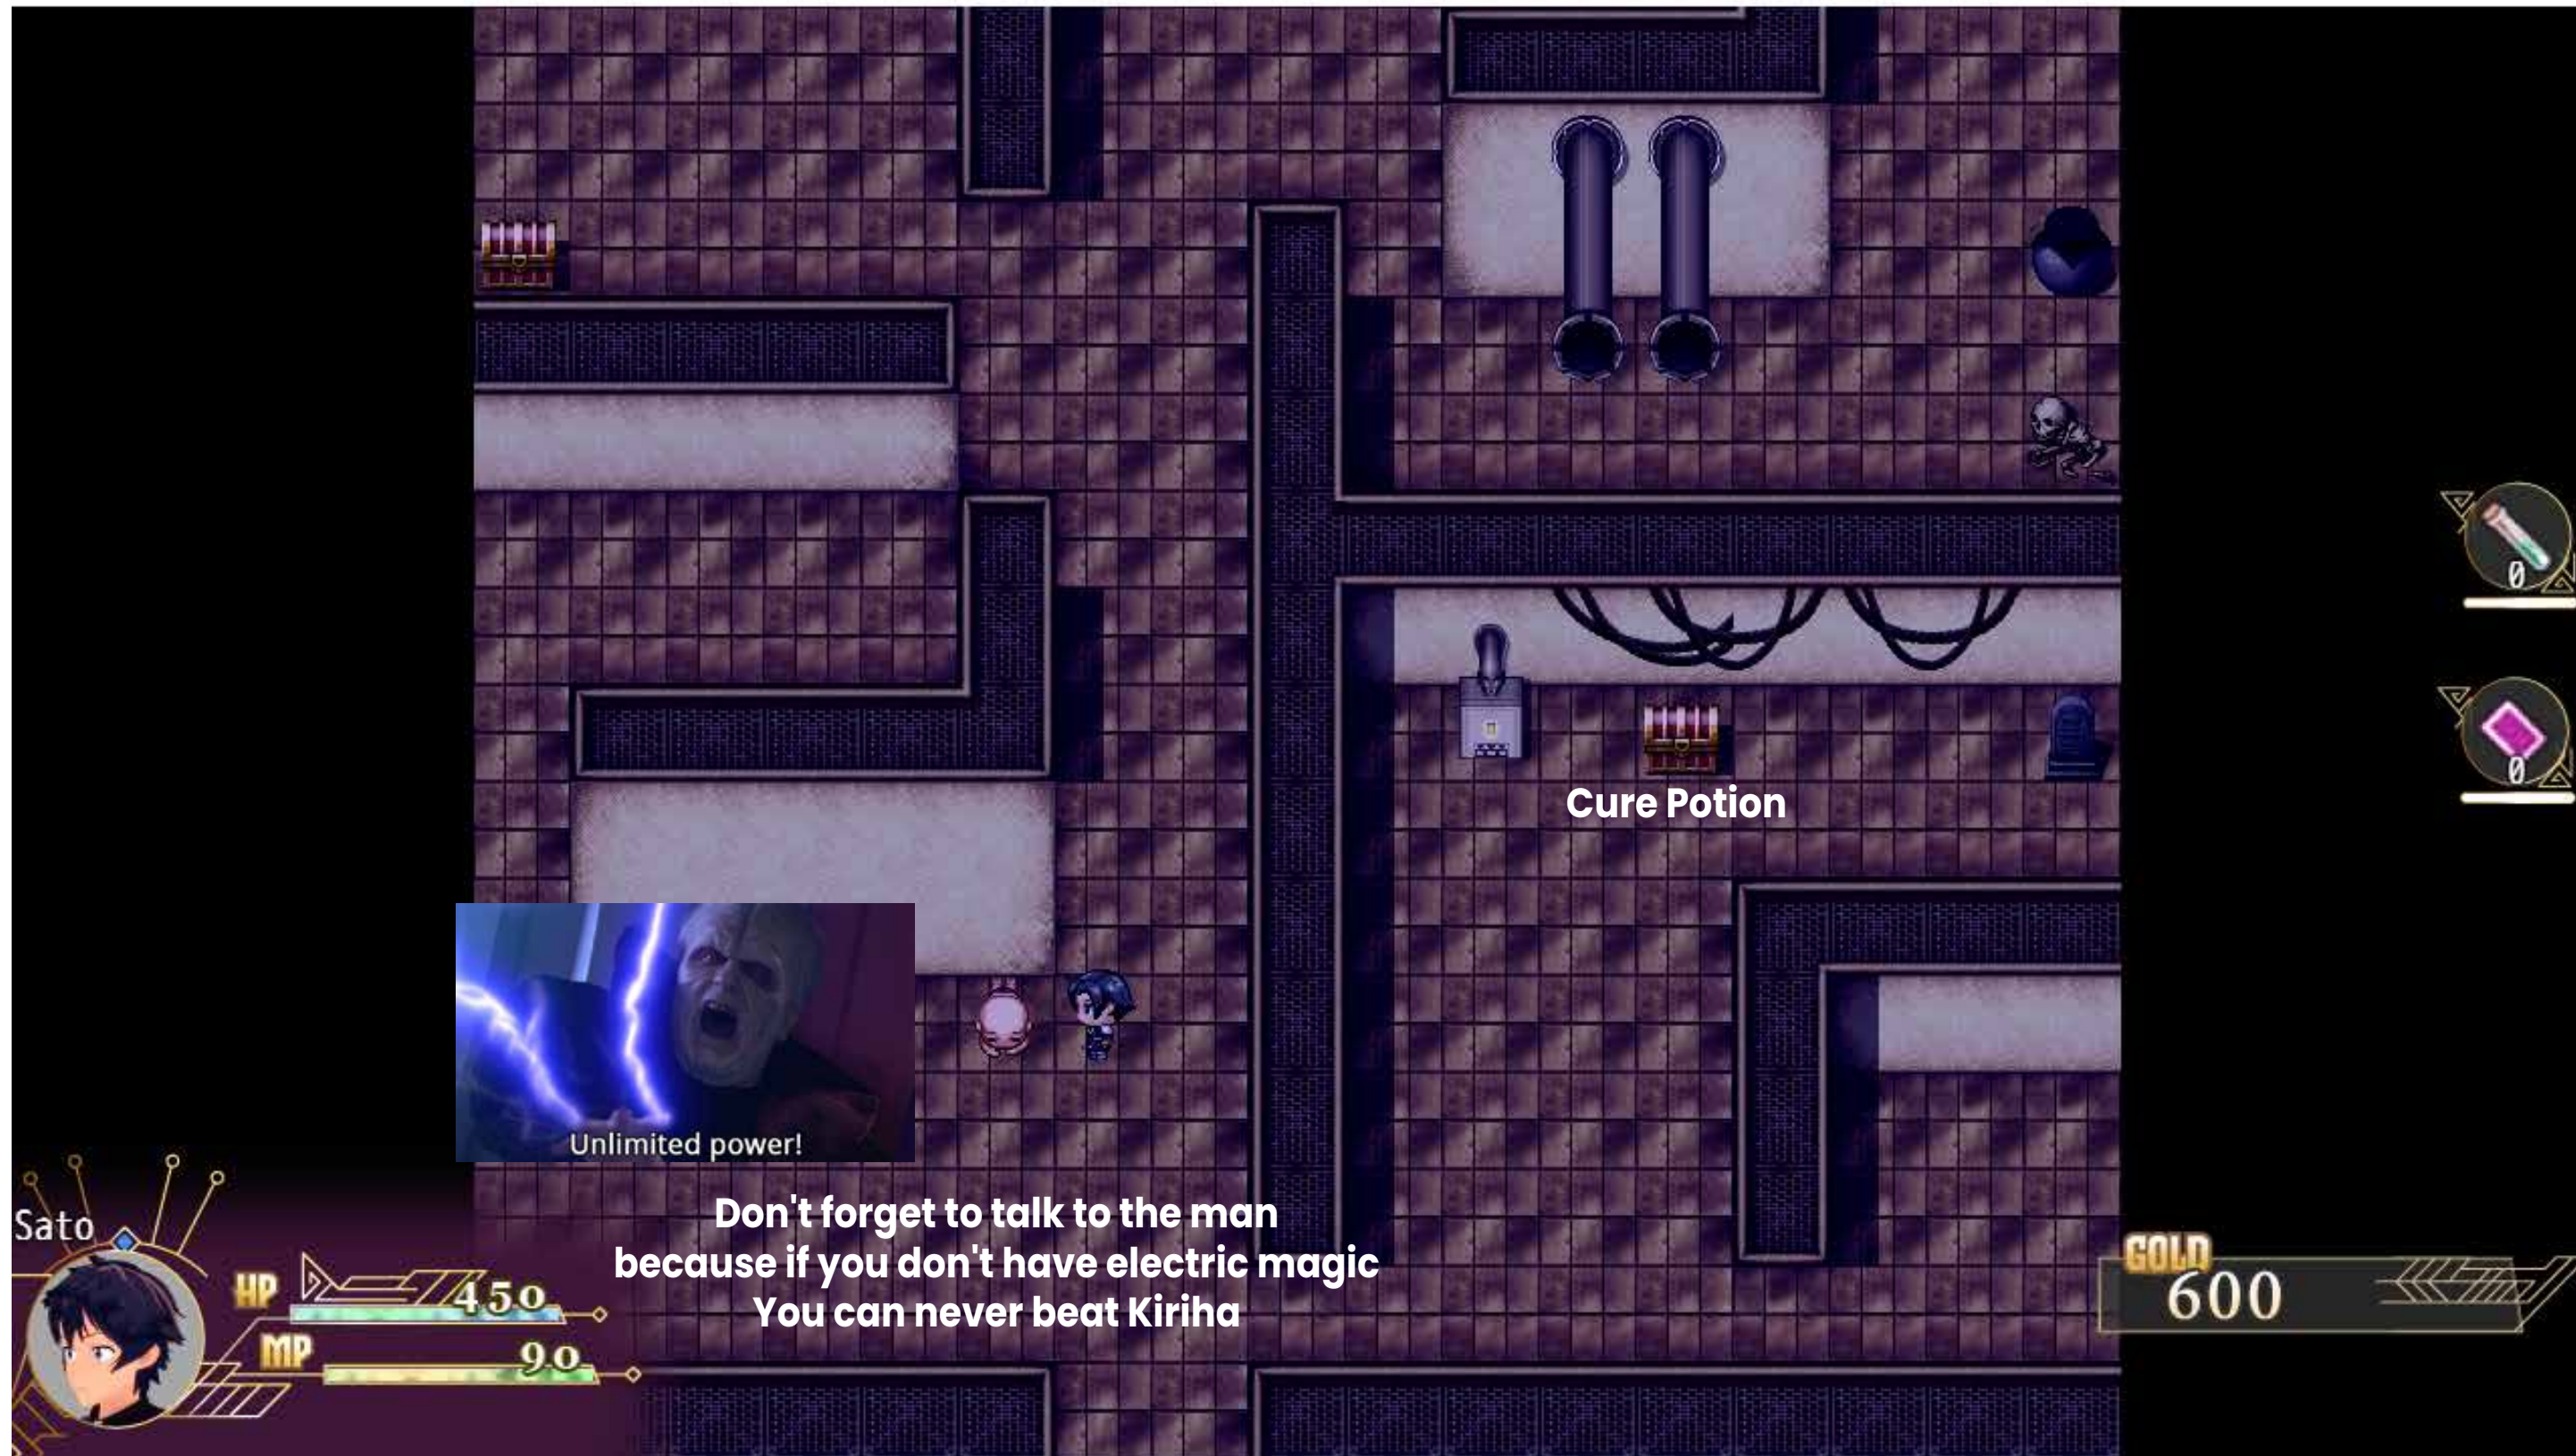

In the chest you can find healing potions for the upcoming battle.

Head forward you will find with the Amazon Kiriha.

Defeat her to advance use your magic attacks to win

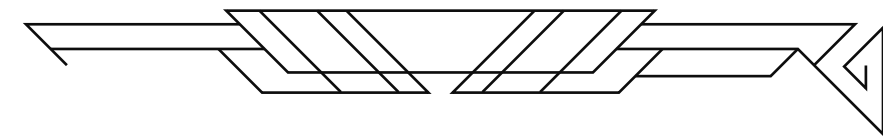

Futa Prision 1.1.1

Don't forget to talk to the man because if you don't have electric magic You can never beat Kiriha

# NIGHT 2

# LIBRARY

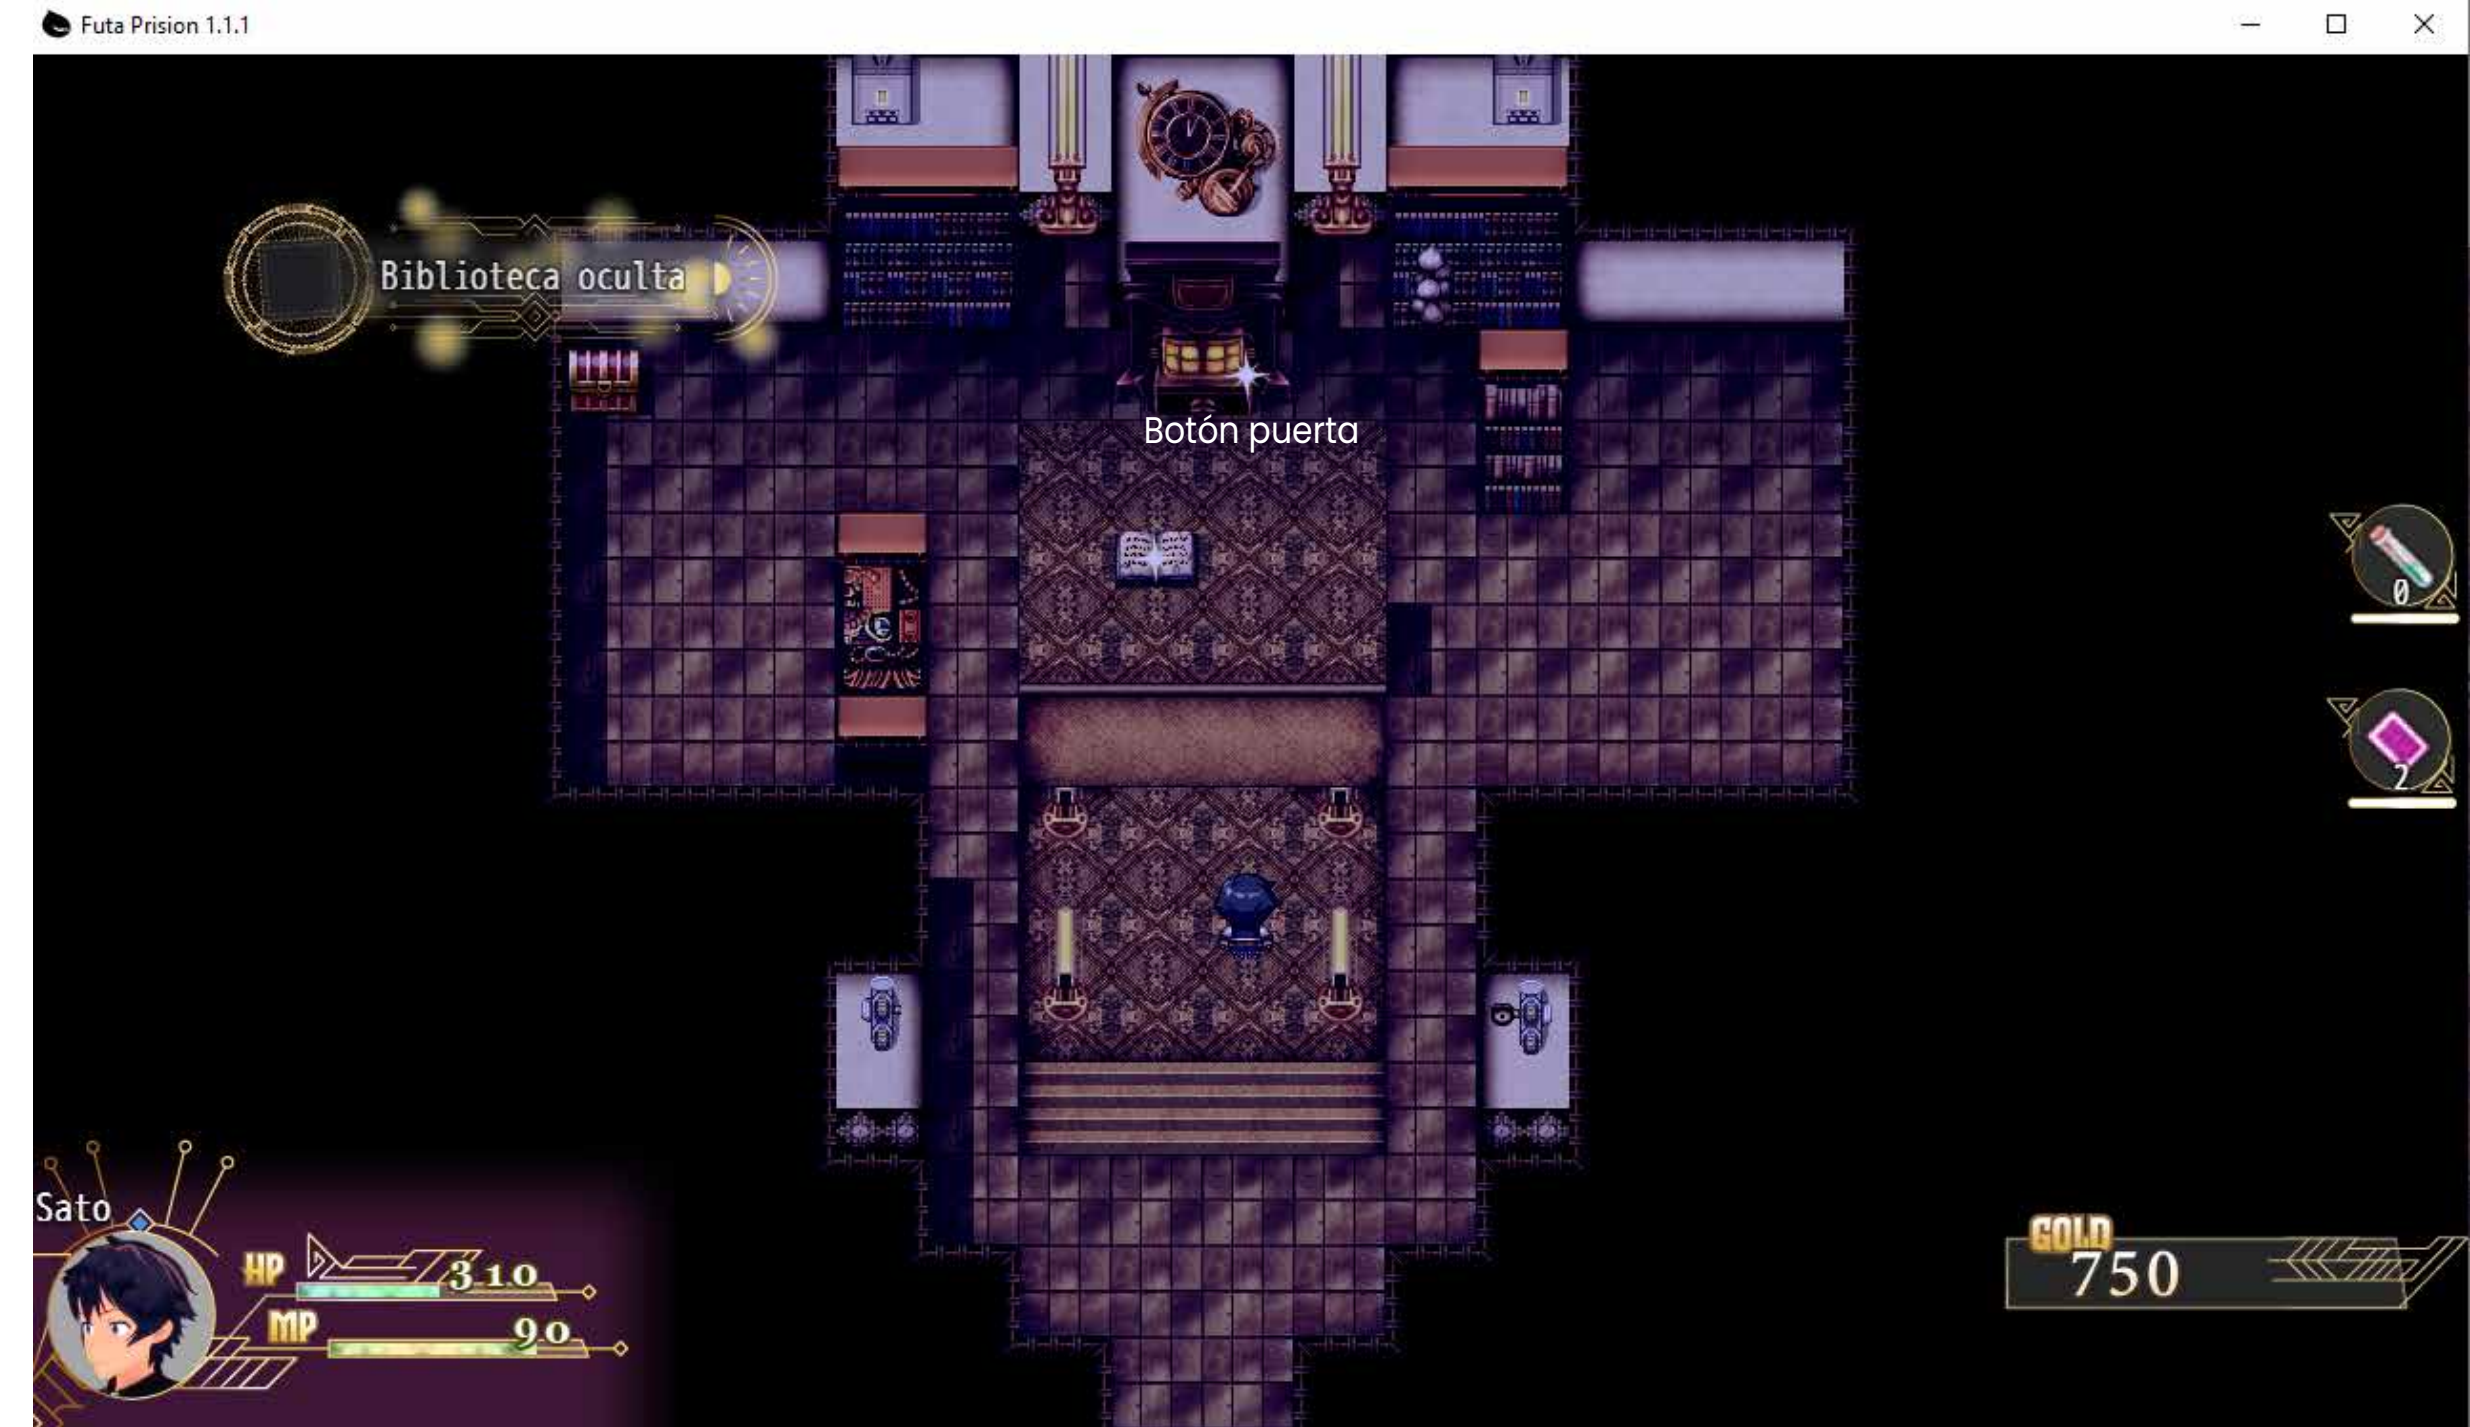

Once there you see where the bright point is to activate a secret door.

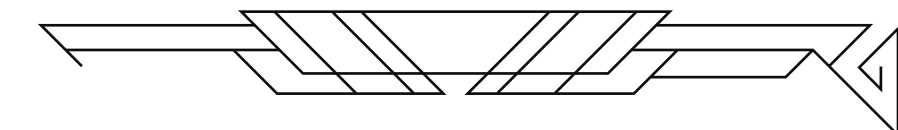

From here you can choose 2 routes, I recommend going in order.

Go to the next page

# NIGHT 2

# MISSION 1

Continue with the mission (if you want to continue with the story on the next page)

I recommend passing mission 1 first, since there are quite a few scenes to unlock,  
Then when you finish them, you can go back to battle with the general.

# GENERAL BATTLE

Battle with the general's cock (if you have already passed mission 1 go to Page 56)

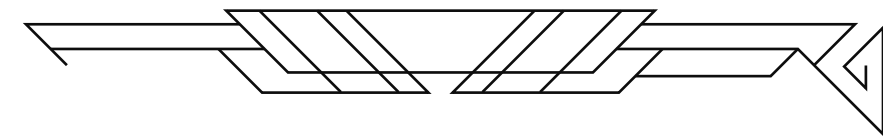

# NIGHT 2

# NIGHT 2

## FUTA PRISION

F7

Interact with the librarian, once she finishes talking, interact again. Choose the 2nd option. (this will activate the key quest).

Go back outside and interact with the light shown in the image below.

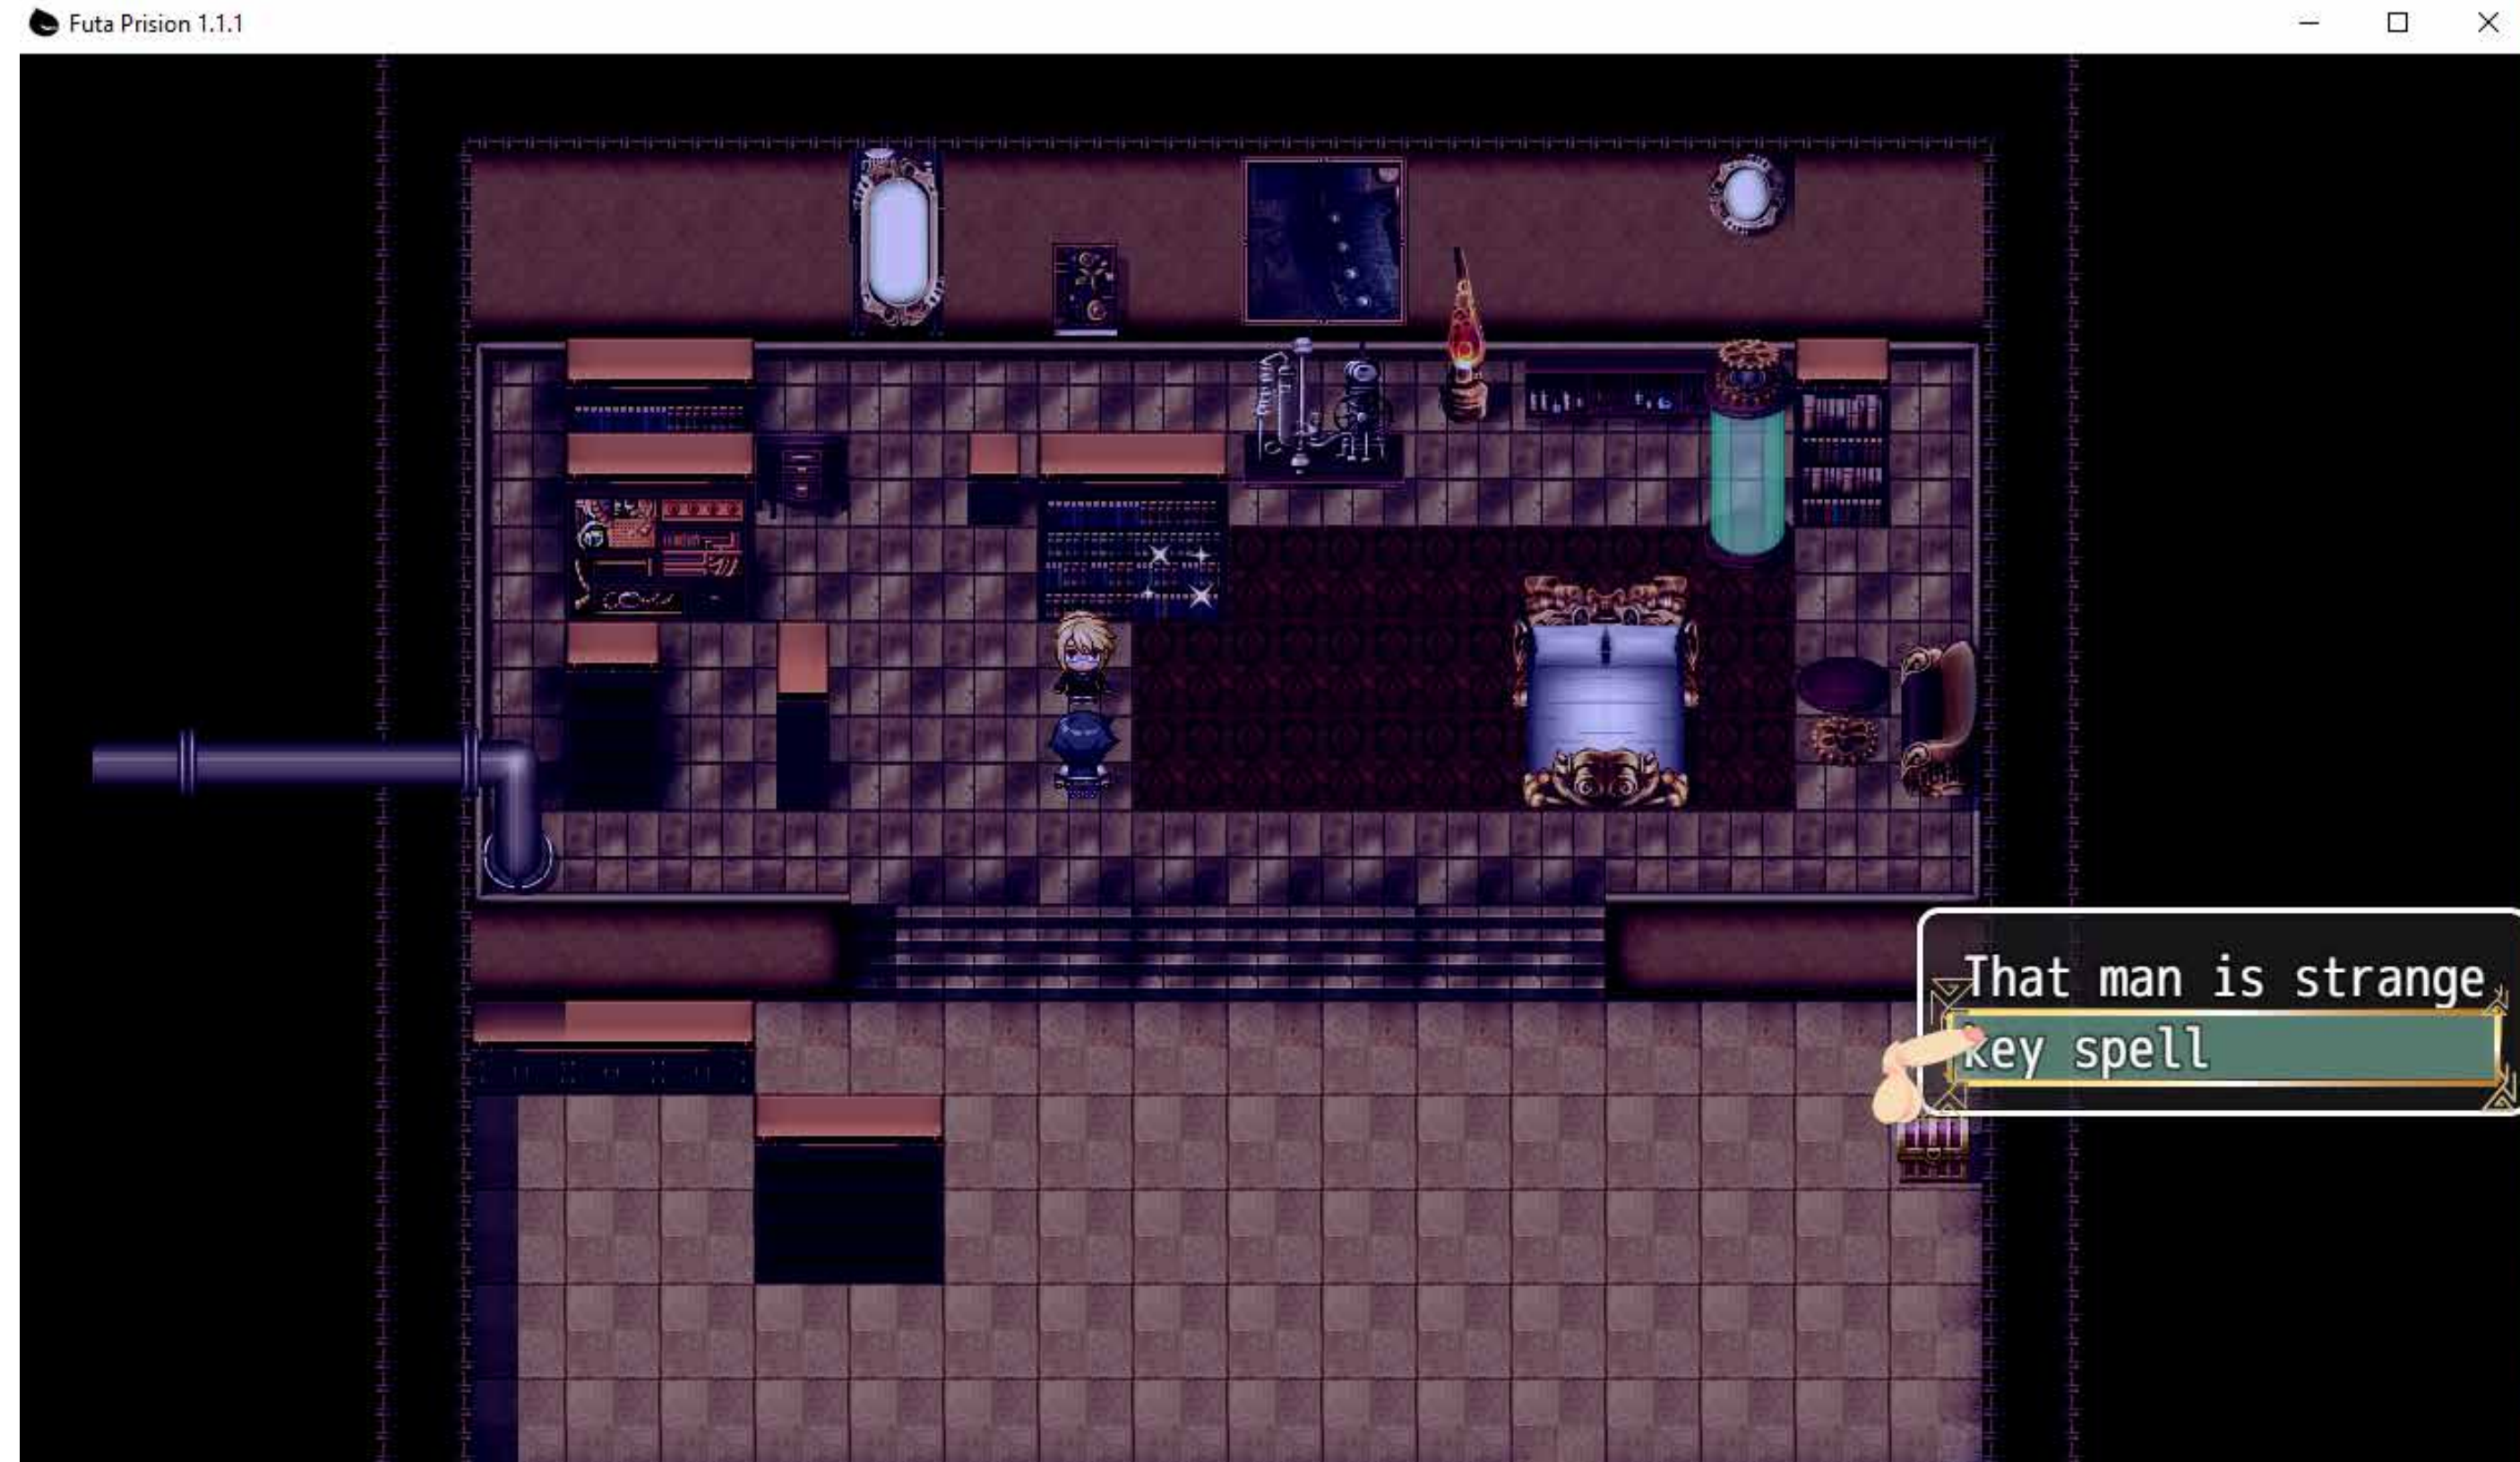

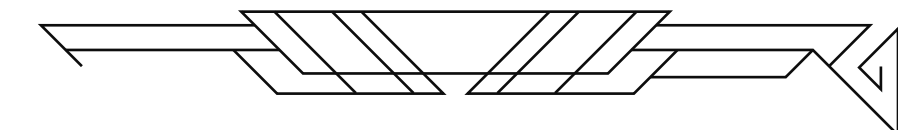

Upon re-entering, another scene will unlock when you finish INTERACT with the green pipe.

You will have the enchanted key...

# ENCHANTED KEY

# NIGHT 3 ON THE WAY

# NIGHT 2

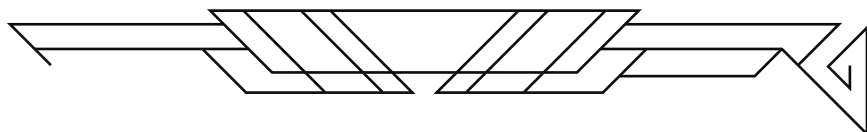

**Important: go back the way you came, do not go for the general battle mission yet.**

Since if you go that way the scenes will still be unlocked, but they will not be in order.

Once you get to your cell, sleep for night 3

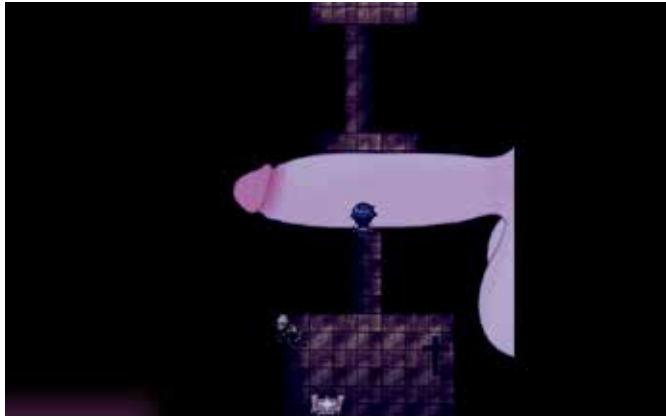

After sleeping, during the day you will notice that lyzandra does not appear,  
She is in her room interrogating his slaves.

Sleep to start night 3

Alexander will hand you a hook, now you can cross the big hole. Go towards the sewer.

Continue straight

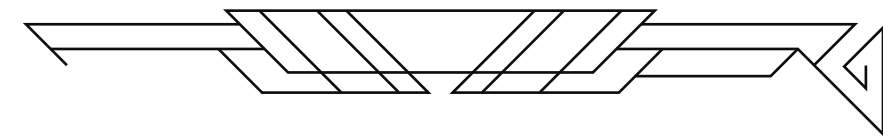

Be careful with the giant cock they will return you to the beginning lower your HP

# CROSSING THE HOLE

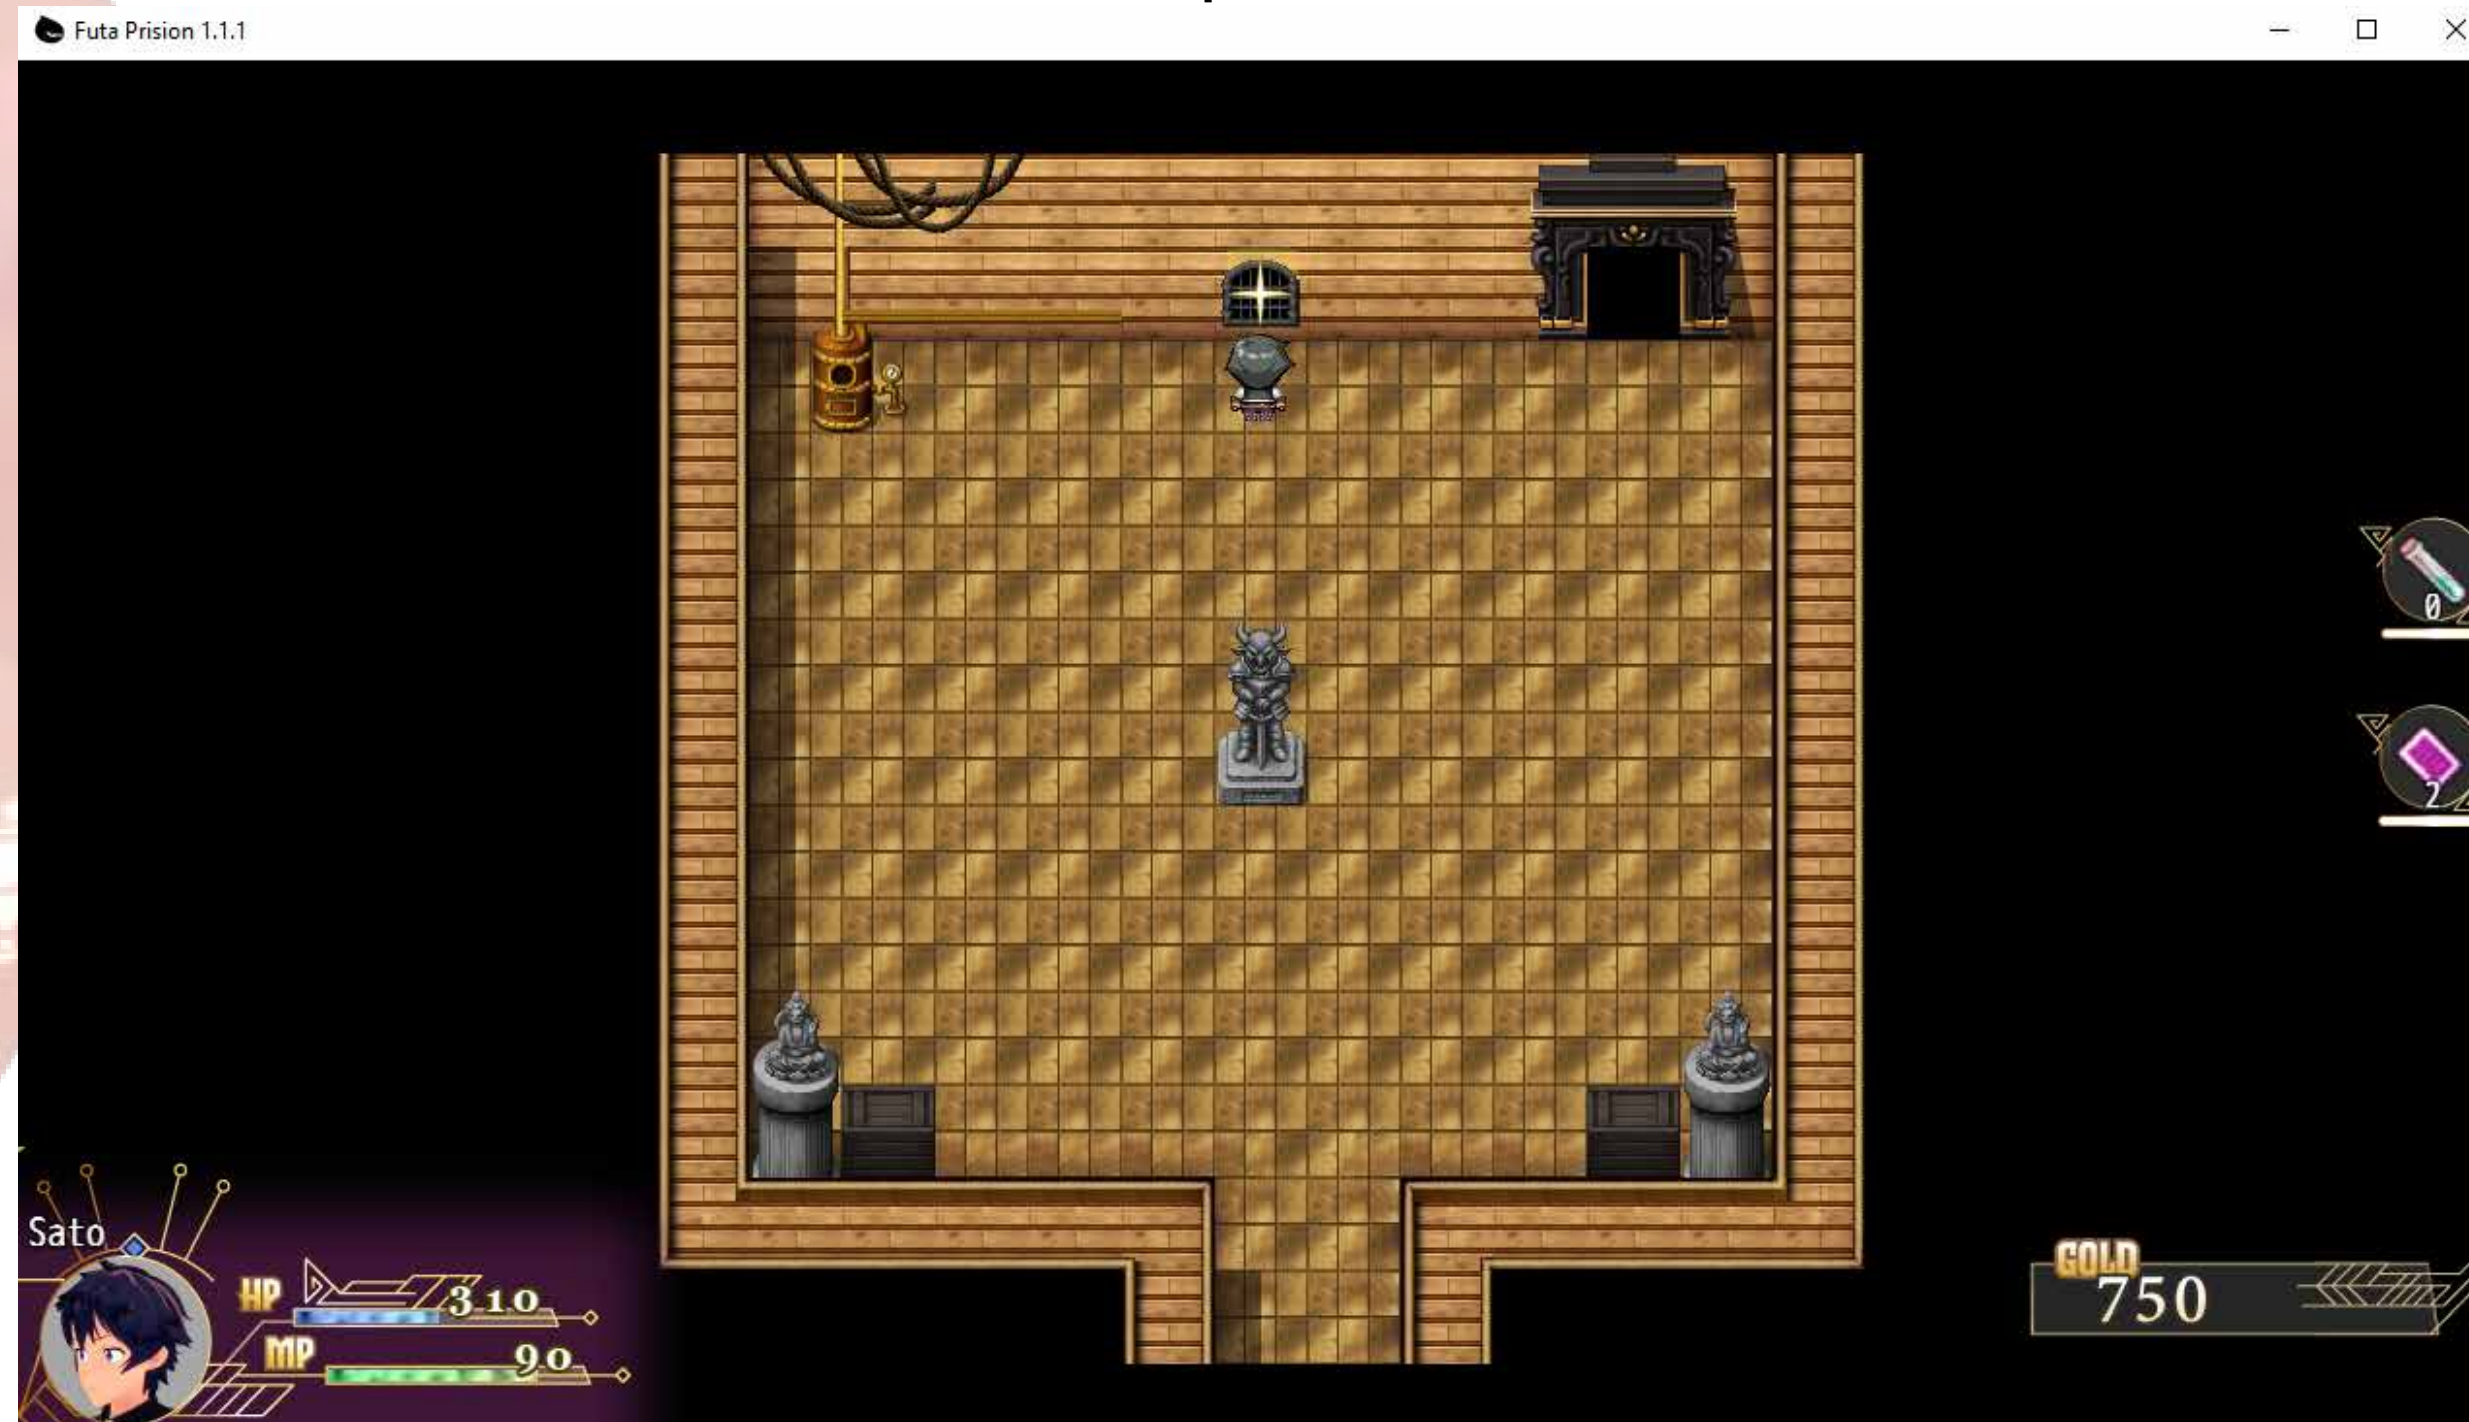

# NIGHT 3

# HOLY KNIGHT WOMAN

Interactúa con el punto de luz.

the AK 47 to attack

Don't forget to heal

NIGHT 3

# NIGHT 3

# BATTLE OF LIZANDRA

After the knighthood event, interact with the statue to get the key to floor 7

Congratulations, you can now go down to the 6th floor.

**But the adventure is not over yet, you still have to beat Lyzandra**

Use the chimney to return to the sewer.

You will see the scene of lyzandra interrogating the slaves of him.

Use the chimney to go where the goddess of the Reek clan will unlock another scene.

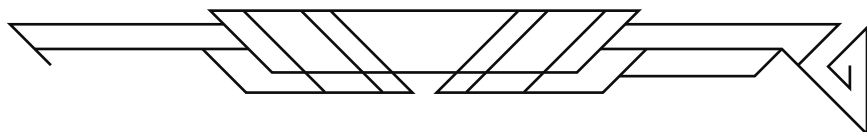

Once the scene is over, he enters his room.

You will get the Amazonian semen

**The time has come to face Lyzandra**

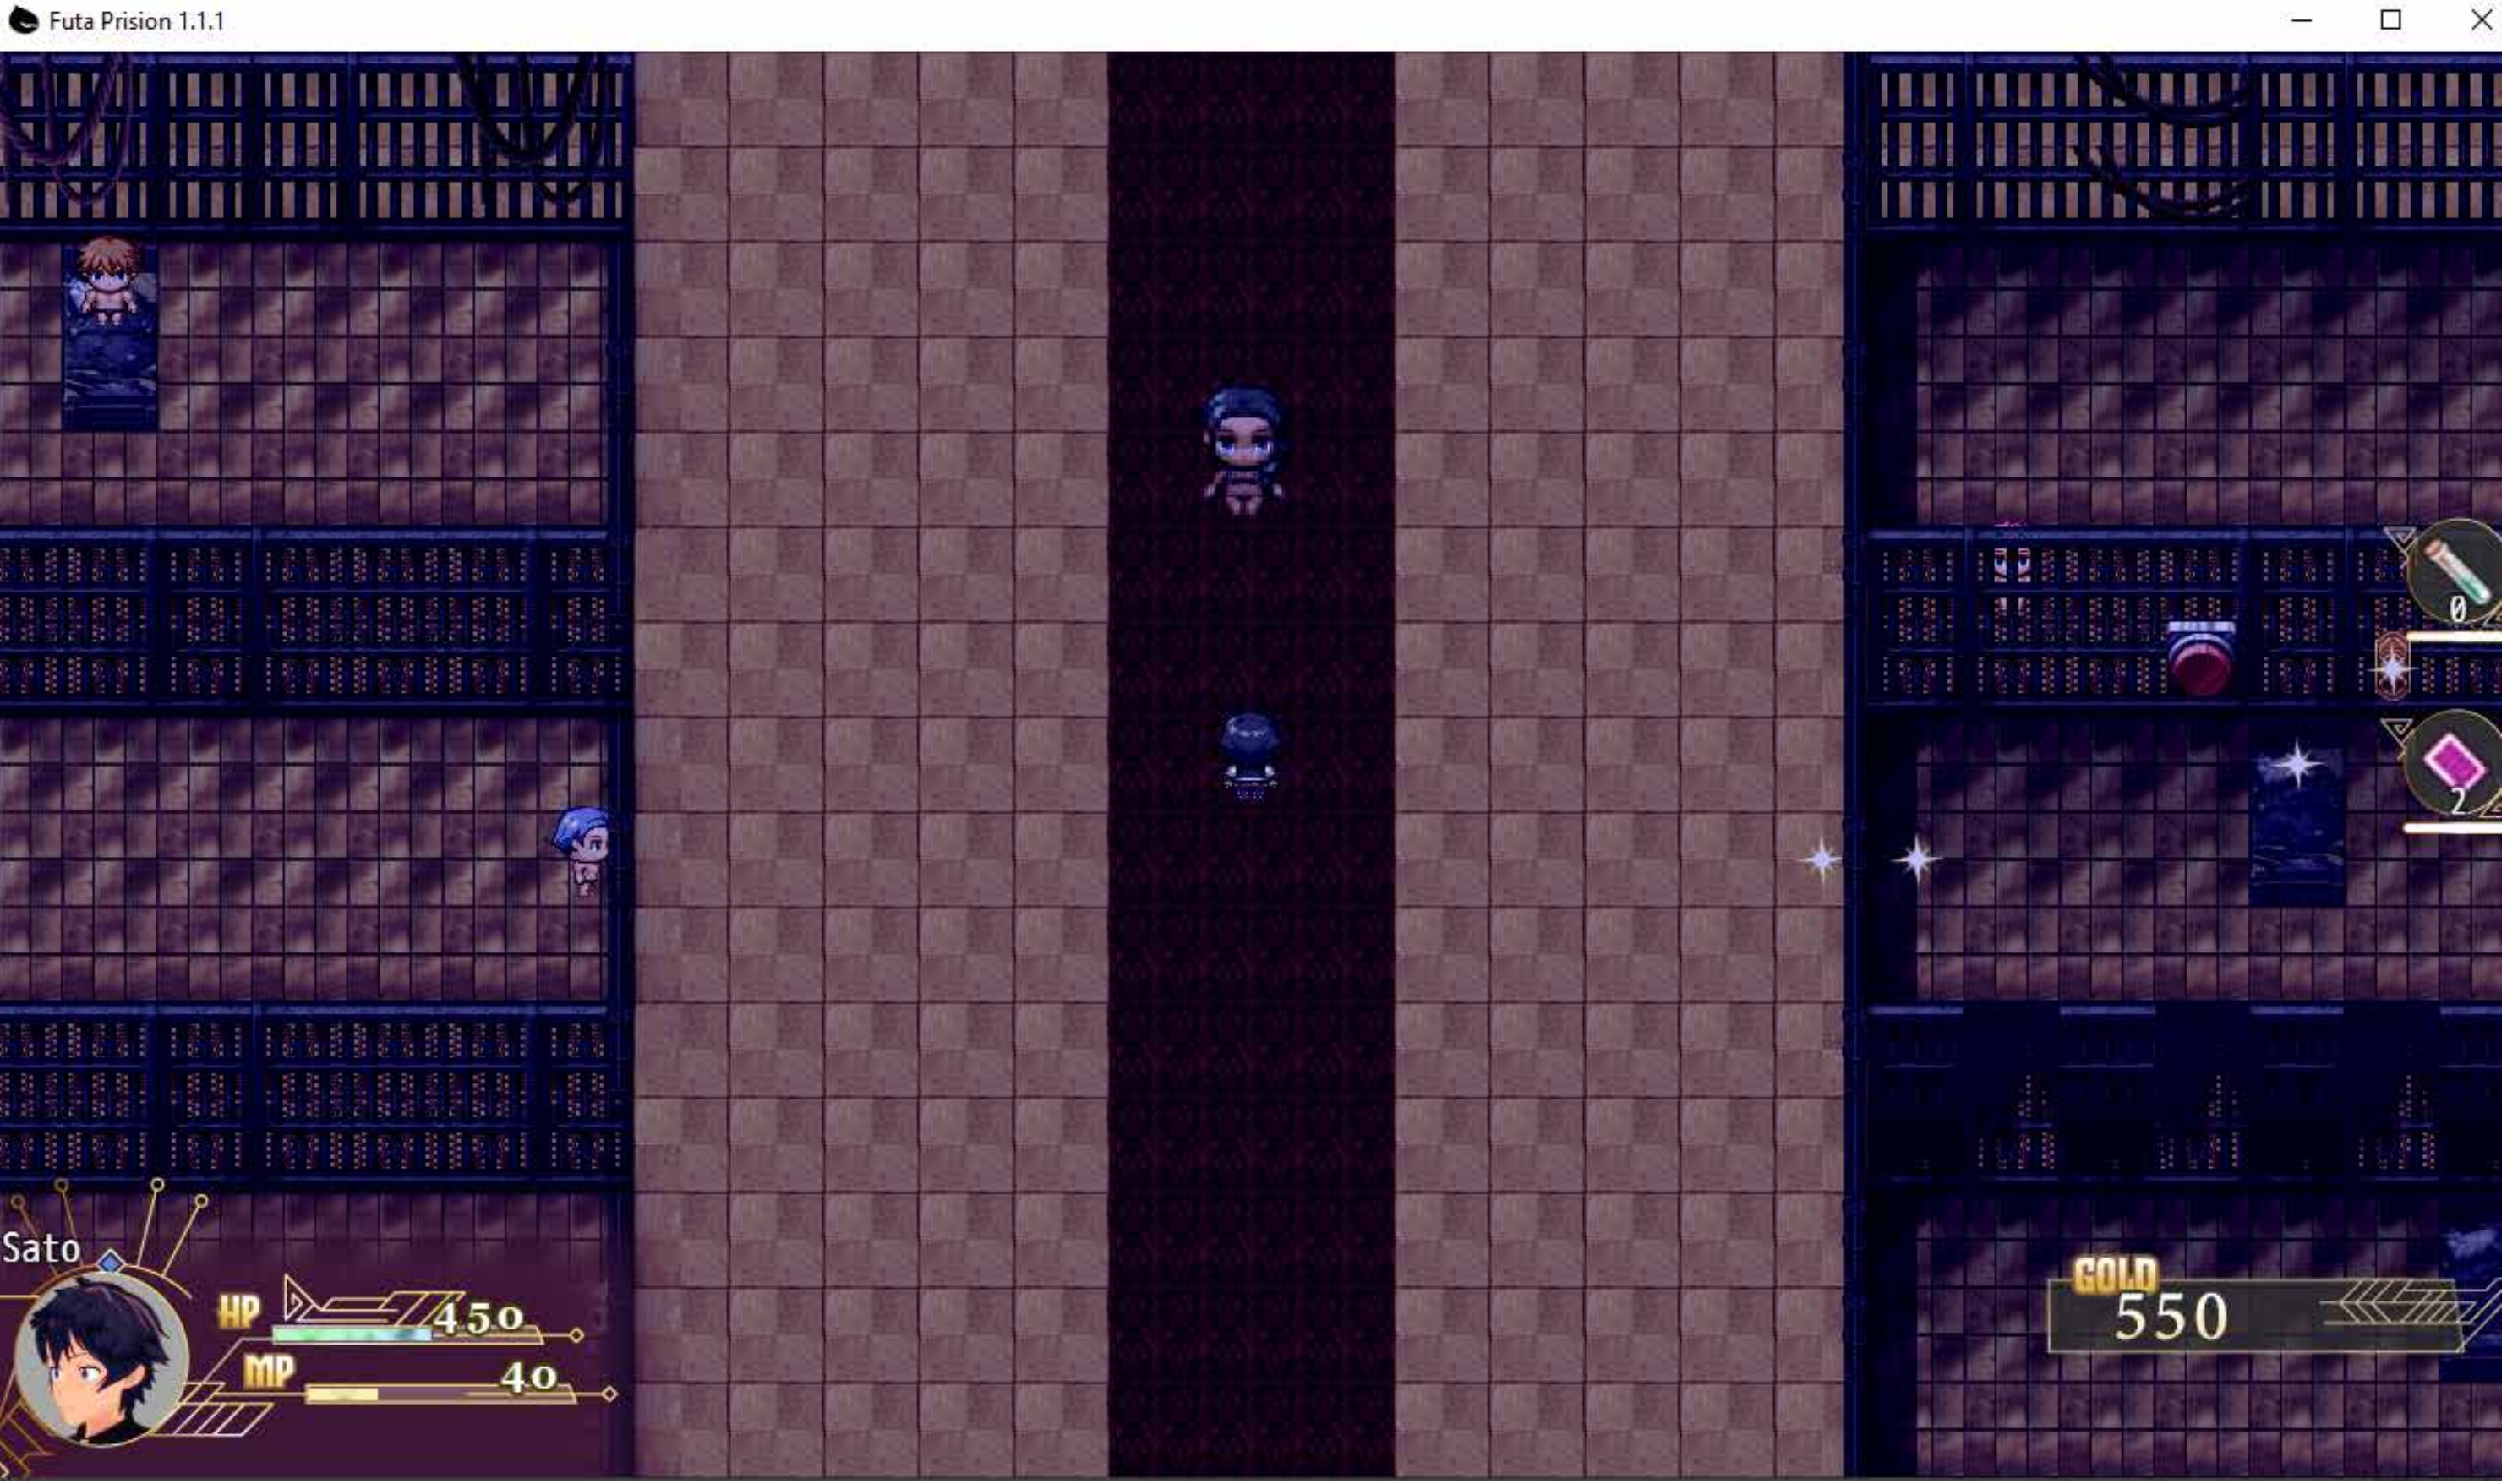

# DEFEATING LIZANDRA

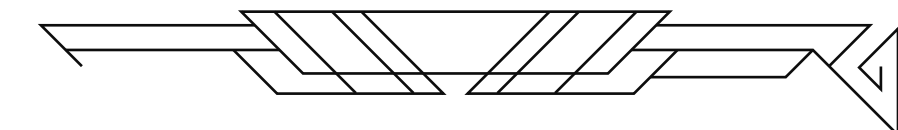

When you go through Helga's room, I recommend buying this potion, it will help you in battle.

Returning to the main floor, lizandra she will be waiting for you to interact with her To activate the battle, don't forget to save.

# NIGHT 3

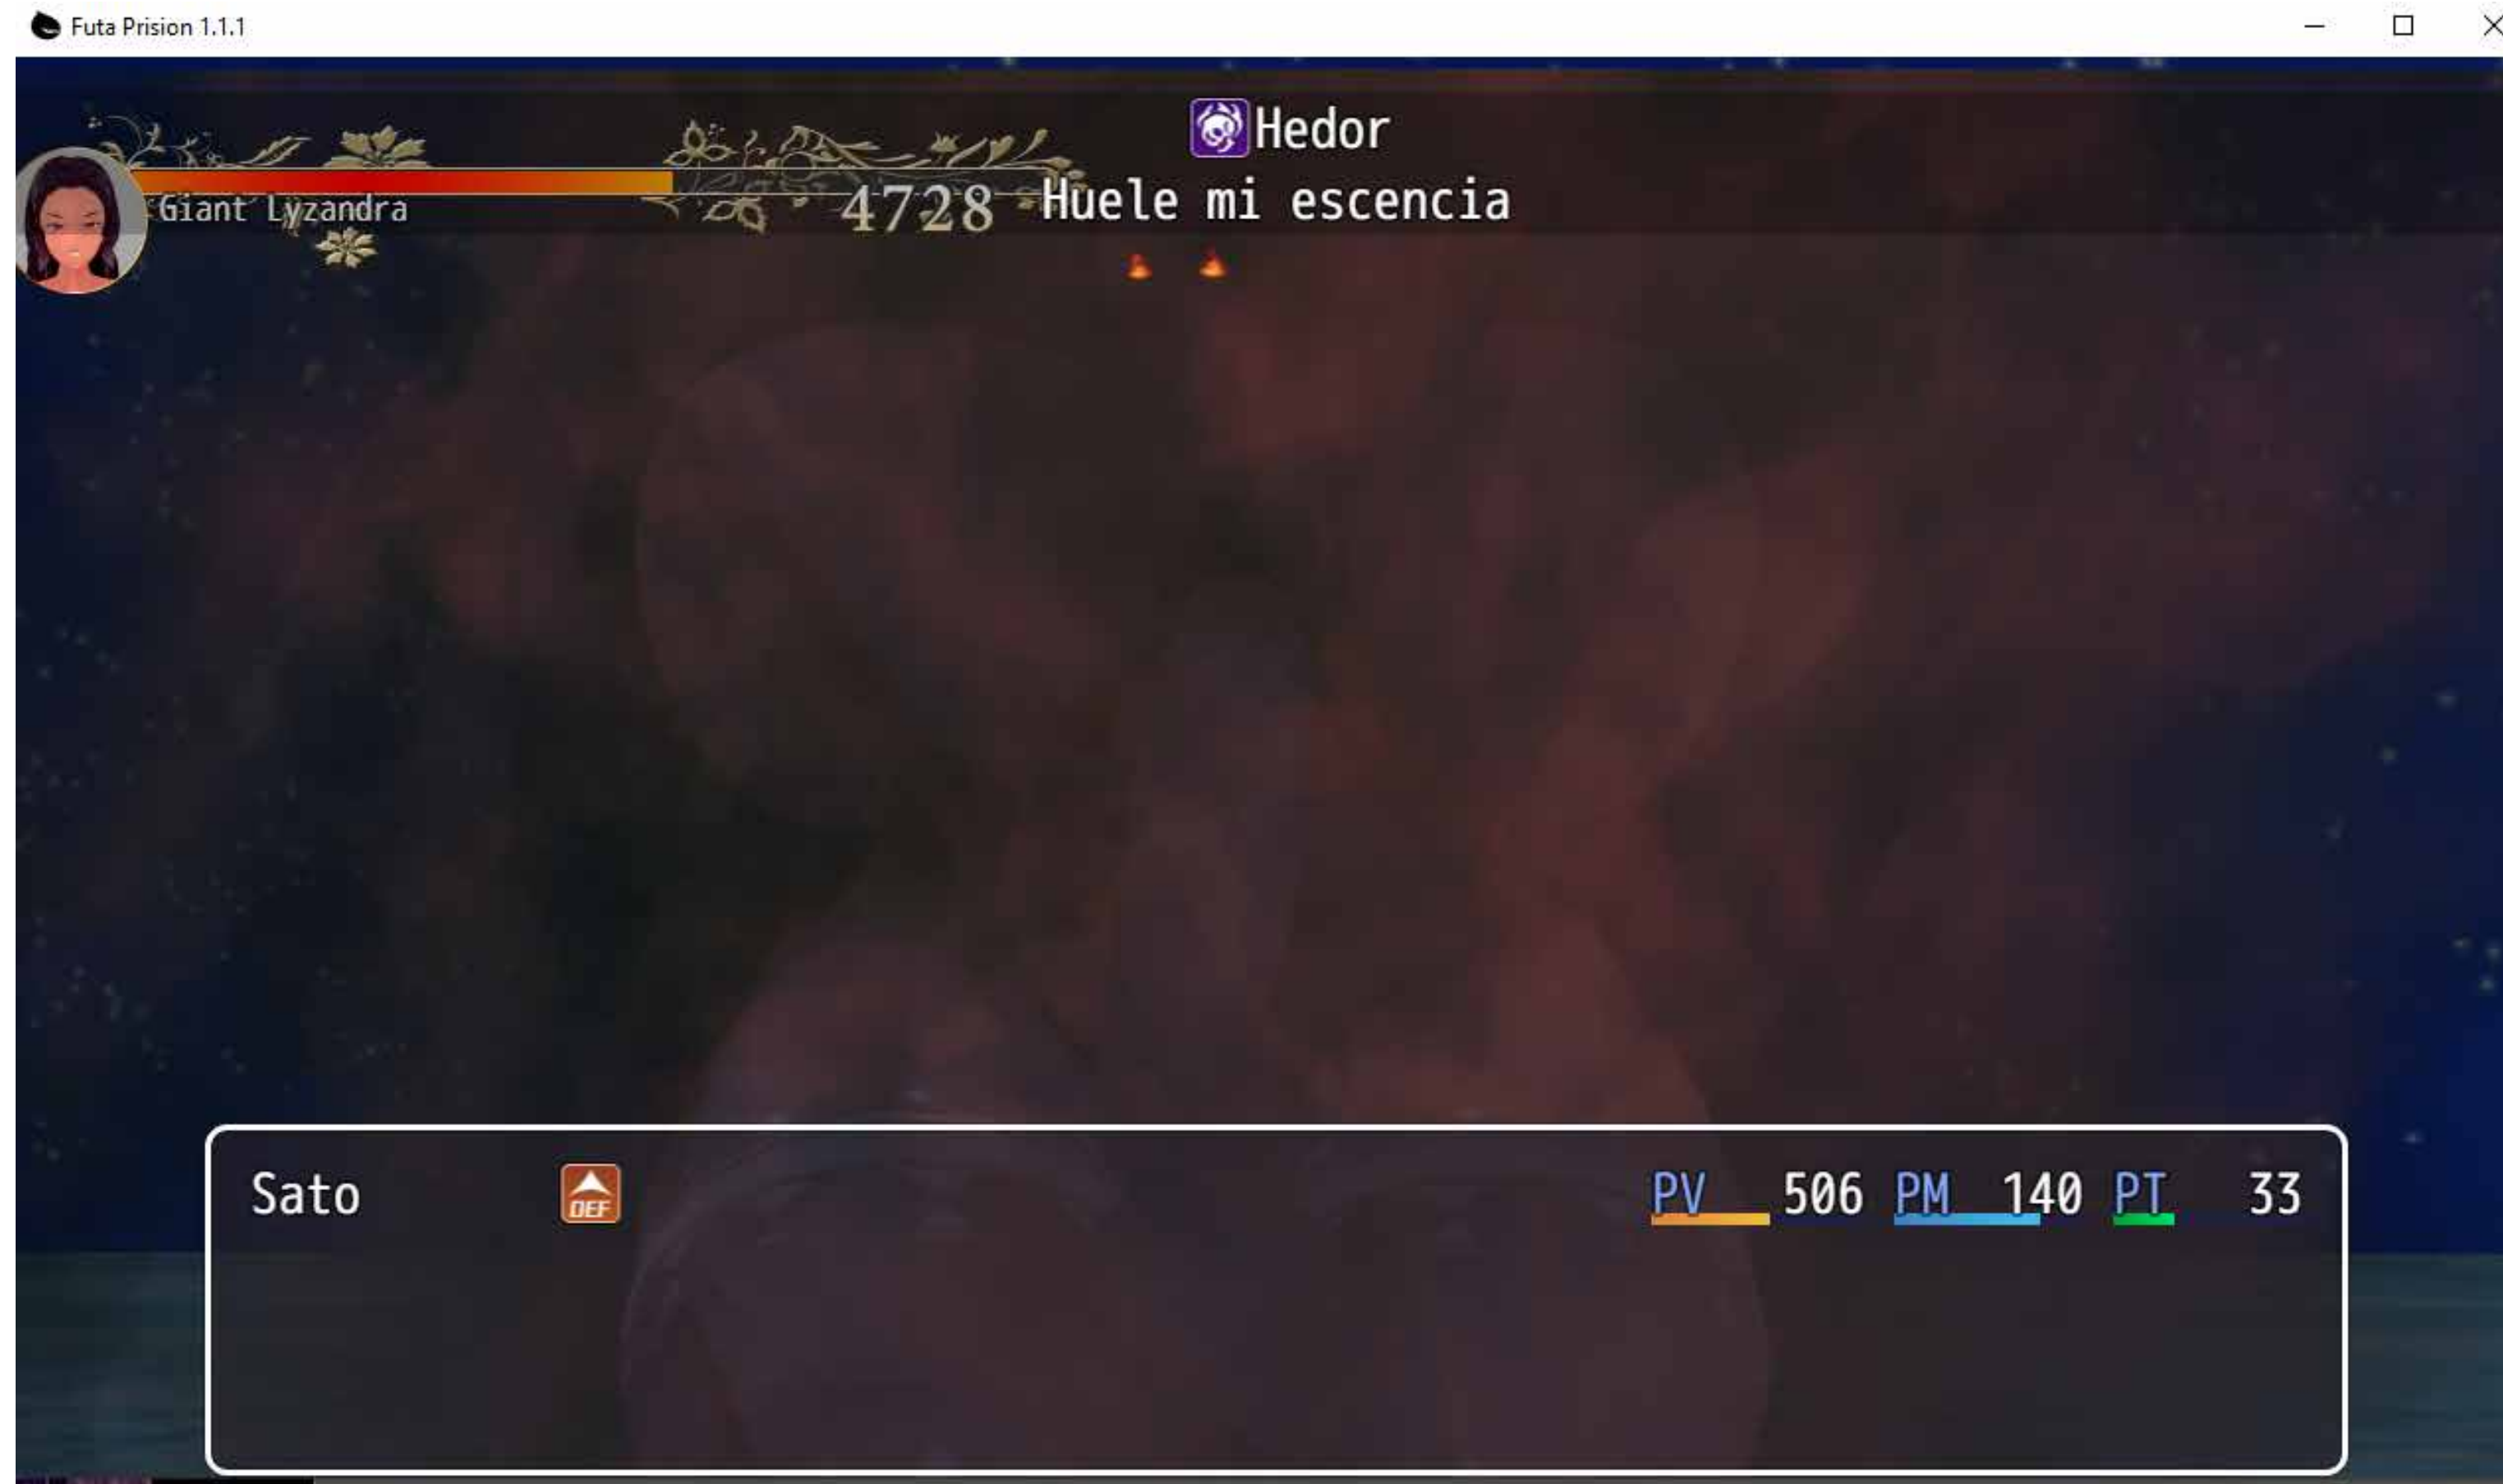

# DEFEATING LIZANDRA

Defeat her in phase 1, which is the easiest

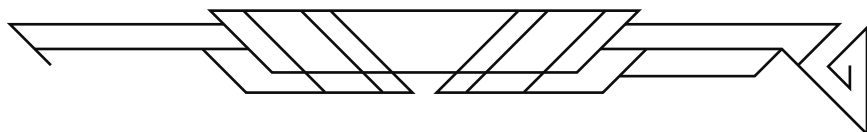

In phase 2 when being in his stinking cloud, becomes immune to attacks, take cover or heal yourself.

Sometimes it goes like this 2 shifts in a row, be careful.

When the clan leader gives you the weapon, you can attack it and do a lot of damage.

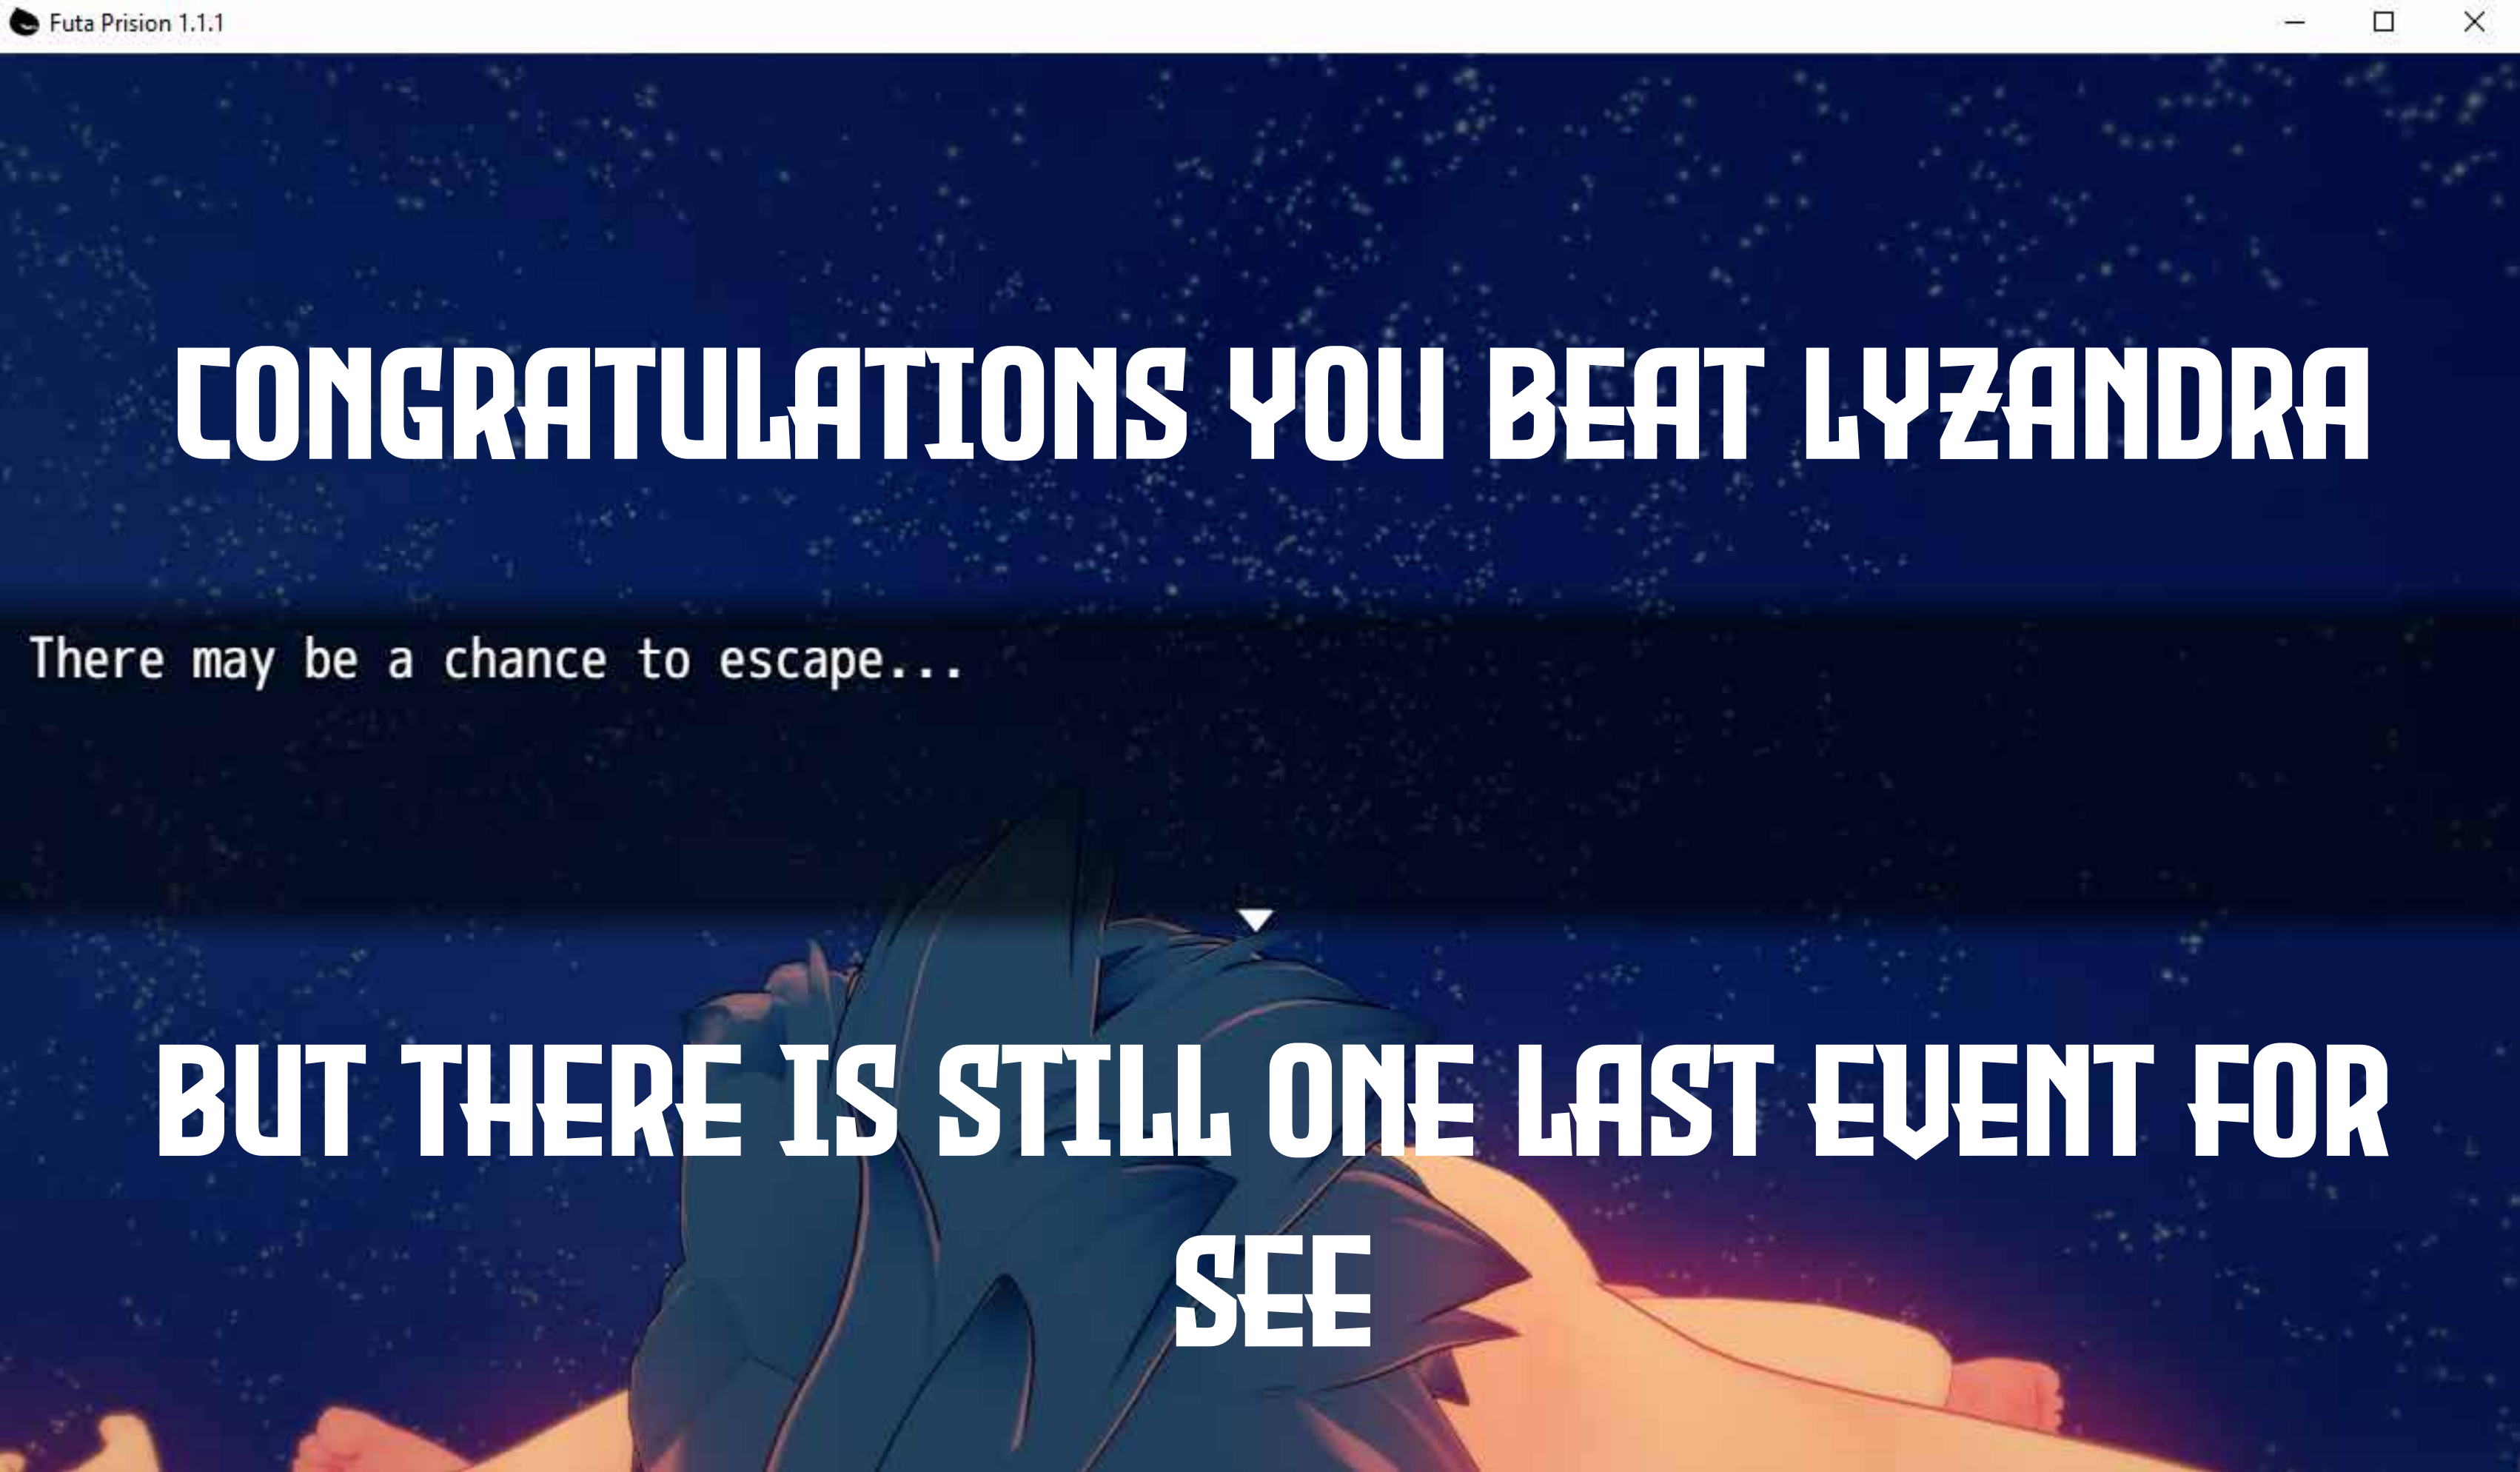

NIGHT 3

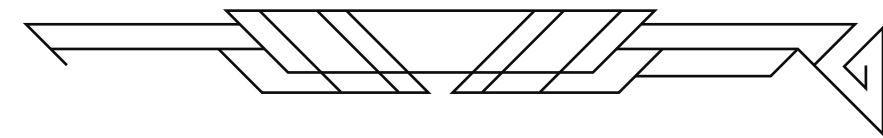

# DEFEATING LIZANDRA

**NIGHT 3**

# QUEEN

Head to the exit, interact with the light.  
You will unlock the queen scene.

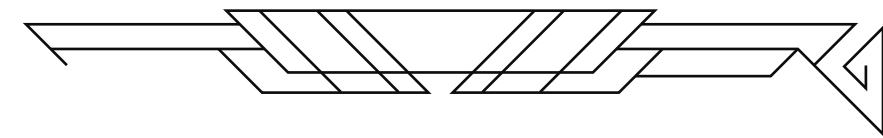

## HERE COMES NIGHT 3

In the next page  
It will look like battling with the general.

NIGHT 3

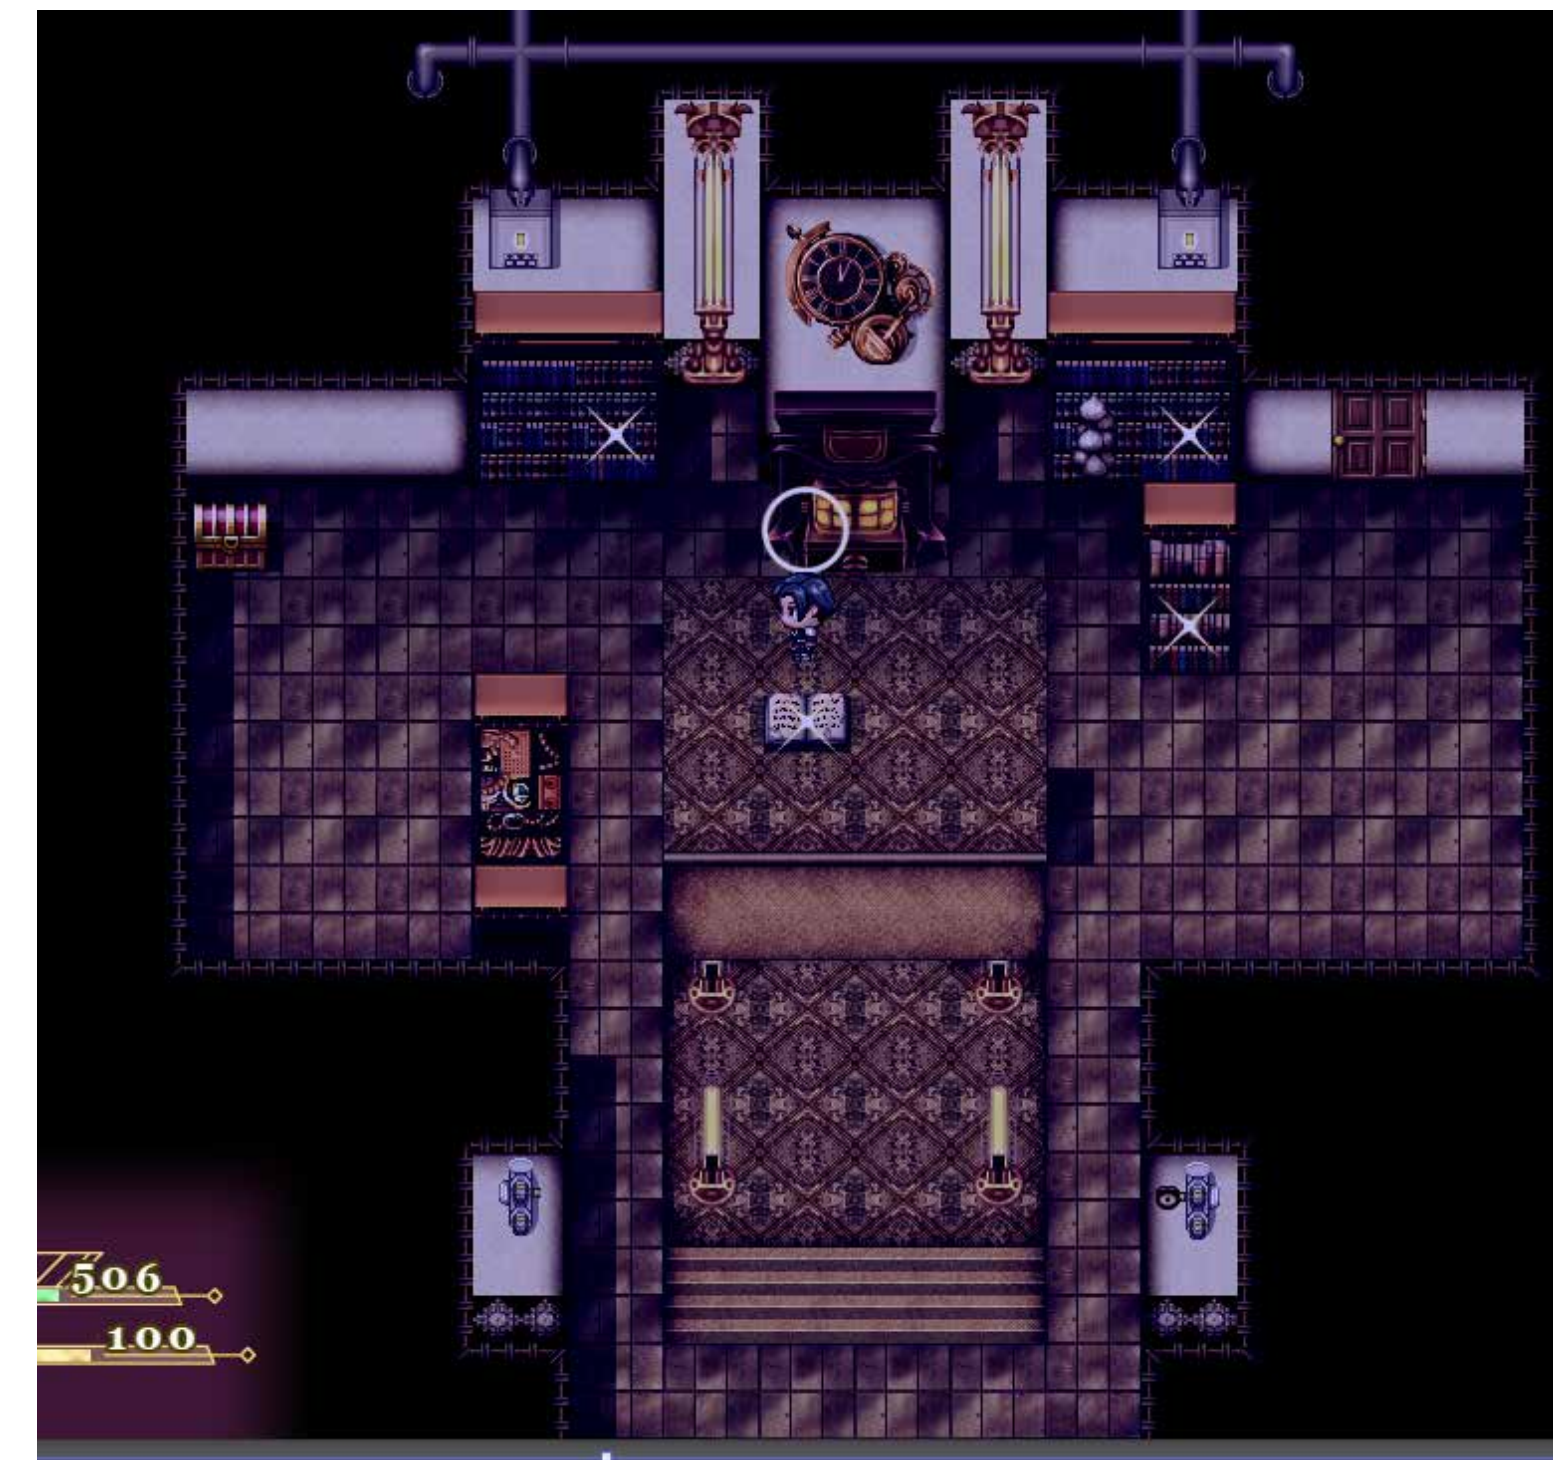

# UNLOCK THE GENERAL BATTLE
