

Laura

Lustful Secrets

Hi my name is Anu and this is my game Laura: Lustful Secrets, this game is about a quiet suburban family who receive an unwanted visitor and his presence causes a sudden change in the family's behavior. The question is can a butterfly flapping its wings really cause a hurricane? Play as Laura a devoted wife and discover for yourself...

This game is a work of fiction, all characters in this game are 18+ or above.

Characters:

Laura: She is the main character, Laura lived in the countryside until her father and mother decided to move to the city. Her father went to work in the metalworking industry while her mother got a job at Albert's grocery store. A few months later his parents divorced, no one knows why, everyone said they were the perfect couple. After that Laura went to college where she met Kisha her best friend and roommate, Her parents decided to reconcile but Laura's father made a condition that they return to the countryside, but Laura decides to stay in town. To pay the

bills she gets a job as a secretary in an accounting office where she meets her future husband Samuel.

Samuel: When Samuel was 16, he waltzed into the living room and proudly announced to his mother that one day he was going to be a president. Five years later he was broke unemployed and without a penny in his pocket. In college he was known as Samuel "the loser" because failed everything that he did. Afraid of becoming a beggar Samuel begs a friend to help him, and this friend recommends Samuel to an accounting office where she meets his future wife Laura.

James: James is the son of Laura and Samuel, he is a good guy who has a secret crush on his childhood friend Zoe. She is a beautiful and popular girl and James is afraid to confess his feelings for her, for this reason he lives frustrated and to relieve his tension he masturbates many times a day.

Emma: Emma is the daughter of Laura and Samuel, she is a cute and shy girl who is trying desperate to join in a group of popular girls in the college. She is inexperienced and innocent, a dangerous combination for a girl, but Emma will try everything to be popular.

Jacob: Mr. Jacob is Samuel's boss, he is a arrogant and bad guy. He is very rich and thinks the money can buy anything he wants. Something went wrong in his company, he still doesn't know what. He believes that his employees are working poorly, Samuel your accountant agrees with him. He asks to his old friend David from Europe to help him fix this problem.

David: The Playboy David lives traveling the world like a Bon Vivant. He is fashionable, and he knows how to wow a girl. After a call from his old friend Jacob he decides to help his friend but for this he will have to stay with an unknown family.

Jack: He's Smith's neighbor, Jack lost his mother recently. Jack suffered a lot of bullying as a teenager. During college he desperately tried to get a girlfriend but no girl liked him, they say he was ugly and fat. Jack has a fixed idea of revenge and he needs to find a way to fuck them all, his fat cock is throbbing.

Joe: He owns the bar in town, the place is a pigsty and Joe treats his customers very badly. Samuel goes to Joe's often and has a habit of drinking heavily and gambling poker. Joe takes advantage of the customer's drunkenness for easy money!

Albert: Grocery owner, Albert is an old pervert who loves married women. He is known for groping married women who frequent the grocery store.

Kisha: Laura's best friend and clothing store owner. Kisha is a successful businesswoman and lives her life intensely. During college she was Laura's roommate. She hates Samuel because according to her Samuel ruined her bestie future.
