Sultry Summer Stories

walkthrough v.0.1.3

Hello! Acid here, with a few small remarks.

1) This walkthrough is one big spoiler, hope you understand it.
If you want to get the most out of the game — **do not** read it.

2) It covers the main storylines, but there are also a lot of small events and opportunities that I won't mention here purposefully, so you still have to discover them yourself :)

MIRANDA

1. She's waiting for you downstairs with a small request.
2. Return the book to Mrs. Turner (first house on the left).

New storyline: Jasmine

New storyline: Destiny

3. Go back to Miranda's house. If you've already met Samantha, Miranda will be in the kitchen. If not, go talk to Sam first (she's in her room on the second floor).

New storyline: Samantha

4. Speak to Miranda. She asks you to take Veronica the bag she left at home.
5. Go to Downtown District. Veronica is waiting for you at Summer Gym (East side).

New storyline: Veronica

6. Return back to your house. Miranda's taking a shower. You can try to peep on her, or you can choose not to (why would you do that?).

!NB: She won't shower forever, you know. The opportunity to peep on her will be lost if you leave the house.

7. If you chose to peep on her, go to the backyard (white door in the hallway on the first floor). Use the ladder to get to Miranda's bedroom window.
8. Go downstairs. She's sitting in the living room reading a book.

MIRANDA

9. At night you can sneak into her bedroom and see what happens.

SAMANTHA

1. She's in her room on the second floor, go talk to her.
2. Try to talk to her after you met Veronica. She will be on the Beach with her girlfriend.

!NB: You may want to save after the first scene.

New storyline: Sabrina

To be continued...

JASMINE

1. Return the book Miranda gave you to her.

To be continued...

DESTINY

1. Return the book Miranda gave you to Mrs. Turner, Destiny will be there.
2. You might bump into her at night near a pawnshop in Suburb.

INB: It is highly recommended to save before this.

The end of this scene is highly dependent on your actions. You will unlock a hot scene in Secret Gallery if you approach Destiny and use force to stop her without letting her knock you out.

3. The next day you can visit her in her apartment in Downtown (bottom left corner, next to the bus stop). She won't talk until you bring her something to drink.
4. You can try to give her any alcohol you find. The most likely options:
 - Bottle of Red Wine (you can find it in the basement of Miranda's house)
 - Bottle of White Wine (you can buy it in a Cafe (Suburb) for \$5)
5. She'll suggest you pick her up one of these days and go out with her.

To be continued...

VERONICA

1. Take her the bag with gym clothes she left at home (when Miranda asks you).
2. Try talking to Samantha about Veronica's behavior.

To be continued...

KEISHA

1. Meet her in the Park Area (on the path leading to the bridge over the river). She will ask you to help her find her cat (perhaps you should ask the officer on duty nearby?).
2. The cat is in one of the following places in the Park Area or Suburb:

Try to catch it.

3. Return to Miranda's house, go to the basement and take an empty bag.
4. Next go to the shed in the backyard and take the gloves.
5. Go back to Mr. Fluffy and do what needs to be done.
6. Return to Keisha and give her the cat back.

To be continued...

SABRINA

1. She'll be on the Beach with Samantha after you give Veronica her bag.

!NB: You may want to save after the first scene.

To be continued...

SPARROW

1. You'll find her in Pearl Cove. To get there, go to the Beach and then follow the path to the left. She will ask you to help her find a package hidden somewhere nearby.
2. The package is hidden by a palm tree near the ruins closest to the shore.
3. The next day she'll be at her pawnshop (south-east part of Suburb). You can sell her the valuables you find and buy various useful items from her.

To be continued...
