

Except if I indicate it, there is no specific order to watch the scene. You just need to be at least at the level indicated in the different parameters

Some scenes take place in the slum, south of the map. You need to be at least level 2 in any of the 4 parameters (filth, fame, masochism and exhibitionism)

The scenes of the last version are indicated in italic and red

You can choose whether you want to see scat scenes in the gallery room (if not, will focus on urine)

Filth

Level 1:

- Go to the brothel at night and talk with the prostitute dressed in blue
- Go to the brothel at night and talk with the old man on the left

Level 2:

- During the day, go to the building on the top right of the slum
- During the day, go inside the building between the slave market and the Thermae and talk with the fat man inside
- During the night, go to the prostitute cell after you've unlocked it. Your second night will be with the old man you saw in the brothel

Level 3

- During the day, go again in the building between the slave market and the Thermae. Use the stairs to trigger the scene with the fat guy / Chose the option "no scat" in the gallery room (click on the map) to trigger a different scene
- When you've seen the previous scene with the fat guy, go to the public toilets at night
- During the day, go to the building on the top right of the slum to see the green man again
- Go to the slum at night. There is a new building opened (just left of the public toilet)

Level 4

- *Go to the building where the drug dealer is at night (left of the toilets). After that, find the 3 Npcs:*
 - *The first 2 outside during daytime. One in the slum, the other south of the temple*
 - *After that, find the last one in the toilets during daytime*

Fame

Level 1:

- Take some fruits in the market, just right of the dark alley during the day. Then you got the choice between:
 - Go to jail

- Be punished by the merchant directly
- Sleep two times on the mattress behind the jail (north-west) during the night

Level 2:

- Go to the Temple of Venus (west of the slum) during the day, and talk with the priest inside
- If you've chosen to be punished by the merchant previously, take some fruits again
- If you've chosen to go to jail previously, go to the small alley on the left of the temple and talk with the mysterious man
- Go to the tavern in the east of the slum at night, and talk with Hypatia in there

Level 3:

- During the night, talk with a hobo standing in front of the brothel, then talk with another one at the entrance of the slum. Finally, go to the tavern east of the slum, and talk with Abeiku (the owner)
- After you've seen the previous scene with Abeiku, go to the newly opened building at the entrance of the slum, during the day
- Go to the Temple of Venus (west of the slum) during the day. Talk with the priest again
- During the day, walk in the alley that leads to the slum. There, a hobo will appear with a message. After that, go to the slave market at night

Masochism

Level 1:

- Go to the dark alley in the north where a man is sleeping during the day
- Go to this alley a second time during the day
- At night, talk with the old lady in front of the tent next to the brothel

Level 2:

- Go to the public toilets during the day, and masturbate in the cabin in the middle
- Go to the dark alley with the sleeping man during the day once again
- Go to the brothel at night, and talk with the customers you've seen in the first scene of the intro

Level 3:

- Go to the dark alley with the sleeping man during the day once again
- During the day, talk with the old lady in front of the tent next to the brothel
- During the night, go to the building next to the slave market
- During the day, talk with the 2 ladies between the Thermae and the torture poll. Then, go at night in the slum. There is a new building opened next to the cowshed

Level 4:

- Go to the alley between the Thermae and the slave market at night. From that point, talk with the hobos with stars on them in the city (still at night), to find the hideout of the slaves. The scenes will follow automatically once you enter in this hideout
- After the hideout, you end up in the slave market. In there you can be bought by

1. The group of vagrants. It contains two big scenes and one gameover
 2. The pervert. This one contains 3 bestiality scenes, one being a gamover
 3. The rich fat plebeian, with 3 big scenes and 2 gameover
- After the one those 3 you have chosen you'll have the choice between 3 escape paths: the sewer, the dark forest and the ruins

Exhibitionism

Level 1:

- Go to the Public bath and talk with one of the women on the left
- Go to the public toilets and masturbate in the second cabin from the right

Level 2:

- Go to the public bath again and talk with the same woman
- During the day when you walk in the alley between the public bath and the slave market, a young man you saw in the intro will talk with you. After that, go to the building on the right of the prison, and then underground to the sewers
- Use the box in front of the temple to get naked during the night. Then, listen to the conversation in the alley next to the temple (see the stars). After that, put back your tunica and go north of Suburra, where the merchants are. You will see some stars on a box

Level 3:

- During the day, go to the alley between the torture poll and the slave building (two gards stand in front)
- During the day, go to the mixed bath in the Thermae. Talk with Lucrecia inside. After that go to the Thermae at night
- During the day, go to the abandoned building next to the jail (the one with the entrance to the sewers)
- After you've seen the 3 other exhib scenes of the level 3, wear the massage outfit during the day and talk with a hobo in front of the first building (indicated with stars). After that, go to the alley next to the torture poll at night, with the massage outfit

Endings:

- Fame level 3 ending: go to the brothel at night and talk with Hypatia
- Filth level 3 ending: go during the night to the dark alley in the north (between the brothel and jail). Click on the sleeping hobo
- Masochism level 3 ending: go to the building where the fat man usually is (right of the slave market) during the day. Talk with Hypatia
- Exhib level 3 ending: go to the slum during the day. There is a man just in front of the house of the green man (north east of the slum)
- Fame level 4 ending: go to the brothel at night and talk with Hypatia
- Exhib level 4 ending: See the same man as during exhib level 3 ending when you're level 4. A different scene will follow
- Filth level 4 ending: same as filth level 3, but the following scene will be different when you reach filth level 4

- Masochism level 4 ending: same as masochism level 3, but the following scene will be different when you reach filth level 4

Game Overs:

- During the 3rd scene with the fat man (at level 3 in filth), refuse to follow him upstairs. Then say yes when he asks you for sex instead
- During the exhib scene at night (at level 2). In the park when the mob of vagrants is chasing you, chose "give up" when you search for an escape
- Go to the public toilets at night with the massage outfit. During your second encounter with the man inside, you got the choice to escape or give up. It requires first to have seen the scene with the hobos in the public toilets at night (level 3 filth)
- In the building where the Nubian slaves are, repeat the scene with the old man. Choose to stay with him in the morning
- In the building where the Nubian slaves are, repeat the scene with the 3 mature men. Choose to follow them in the morning
- In the kennel, choose to not escape when you have the possibility
- In the slum, after the vagrants bought you, don't enter in the tent when you have the opportunity to do it (instead, talk to the vagrant near the wall)
- In the sewers, when you are caged with the woman, choose to help her
- In the fat man house, don't accept the help of the Nubian couple before the fat Mistress party
- In the fat man house, don't accept the help of Trimalcion during your wedding with Turpiculus
- After the scene with the Lydian couple and the hobos during the slave market path, don't try to convince the Lydian to continue
- Chose the path on the right after your encounter with the Carthaginian during the slave market path

Other scenes:

- At level 3 in exhibitionism, and after having seen the scene with the hobos in the public toilets at night. Wear the massage outfit and visit the public toilets at night
- If you have chosen Abeiku during the scenes in the sewers (exhibitionism level 3) go to the sewers during the day. There is now a passage on the right of the map (with a ladder). Use it to see Abeiku
- Wear the massage outfit in the city during the day to have 2 repeatable scenes
- Be naked at night in the city to meet a raper (repeatable scenes)
- Masturbation: building next to the slave market at night when naked, and slum during the day when naked
- From level 4 in exhib, go to the slave building at night for 3 repeatable scenes (4 from the 0.7-2 update)

- 2 prostitutes appear in the building next to the slave market (insula) once you've seen the level 3 fame scene with the Praetorians. The first one is during daytime, once you reach level 4 in masochism, the other one at night, once you reach level 4 in filth
- If you have chosen the ruins (path on the right during the escape route of the slave market path), you'll be able to interact with the Lydian couple, in the building next to the slave market at night
- *If you have chosen the young master (in the rich fat plebeian mansion), you'll be able to interact with one of his friends in the building next to the slave market at night, after you see him on the street between this building and the Thermae during daytime*
- *Again if you have chosen the young master you'll be able to interact with the Nubian slaves couple in the building next to the slave market at night, after you see them in the slum during daytime*

Dogs:

- At level 3 exhibitionism, go to the chest in the north during the day. Wear the ropes and try to go to the street
- A dog might appear during the prostitute job (prostitute cells at night) if filth at level 3
- During the scene in the slave Market (quest level 4 masochism), chose to follow the "Weird pervert"

Petplay:

- At level 4 exhibitionism, at night, get naked and talk with the man in front of the Slave Market. Accept to become his pet
- If you have chosen the kennel during the slave market path, talk with the dog during the petplay

Creepy fan:

Creepy fans appear all over the city as your reputation increases, and ask you to do more and more things for them:

- Level 2 reputation: 2 new fans, touch boobs or ass
- Level 3 reputation: 3 new fans, kissing and fingering
- Level 4 reputation: 4 new fans, sex and blowjobs (done with other types of creepy fans)

Toilet Patreon Bonus:

Talk with the man next to the toilet during night time, after you've seen the scene with the hobos in those toilets (level 3 filth)

vesion 8.1: new scene with Messalina as a human urinal (once the hobos have peed on her once)
